LOCAL BOARDS.

EIGHTH DISTRICT, BOROUGH OF BROOKLYN.

Meeting in Room 11, Borough Hall, at 4:30 P. M., Friday, February 8, 1901.

The roll was called, and the following members answered to their names :
Edward M. Grout, President ; Councilman Leich and Alderman McInnes.

The following resolution was offered :

(No. 375.)

Petition of Stephen M. Hoyer for the construction of a sewer in Washington place, between Franklin avenue and Flatbush avenue, and report from the Department of Sewers to the effect that it will be necessary to construct outlet sewers in Franklin avenue, between Washington place and Sullivan street, and in Sullivan street, between Franklin avenue and Bedford avenue, and to open Washington place, between Washington avenue and Franklin avenue.

Petition denied and matter left open for a new petition, in accordance with the suggestion of the Sewer Department.

(No. 376.)

Petition for enlarging the Parade Ground by adding thereto the plot of ground bounded by Coney Island avenue, Church avenue and the tracks of the Brooklyn and Brighton Beach Railroad, and also closing Caton avenue between Coney Island avenue and the Parade Ground. Laid over pending the filing of a petition signed by the property-owners abutting upon the territory proposed to be taken in the enlarging of the Parade Ground.

(No. 398.)

Petition for grading and paving Rogers avenue with granite-block pavement, between Malbone street and Church avenue.

Following report from the Department of Highways :

CITY OF NEW YORK,
BOROUGH OF BROOKLYN—DEPARTMENT OF HIGHWAYS,
MUNICIPAL BUILDING, January 4, 1901.

Hon. EDWARD M. GROUT, President of the Borough of Brooklyn :

DEAR SIR—Your letter of the 10th ultimo, forwarding petition signed by John Woefel and others for the grading and paving of Rogers avenue, between Malbone street and Church avenue, with granite-block pavement, is at hand. In reply I beg to say that if this improvement were to cover the entire roadway, the estimated amount of work and cost would be as follows :

Grading and paving Rogers avenue, between Malbone street and Church avenue with granite-block pavement on sand foundation :
7,000 cubic yards of grading ;
9,368 linear feet of curbing ;
22,900 square yards of granite-block pavement, laid on sand ;
42,000 square feet of cement sidewalk ;
Total estimated cost, \$71,600.

For your information, I beg to advise you that there are railroad tracks on this street, and that the space between the tracks and 2 feet outside is at present paved with Belgian-block pavement, and if this space is to be repaved with granite, it should be done at the expense of the railroad company. The portion of the improvement which is, therefore, properly assessable would be that between a line 2 feet outside of the railroad tracks and the curb-line on each side of the street. The estimated amount of work and cost of repaving this part of the street is as follows :

Grading and paving Rogers avenue, between Malbone street and Church avenue, with granite blocks on sand foundation, except the portion occupied by the railroad tracks, i. e., paving only the sides of the street between a line 2 feet outside of the tracks and the curb-line on each side of the street :

5,200 cubic yards of grading ;
9,368 linear feet of curbing ;
13,010 square yards of granite-block pavement laid on sand ;
42,000 square feet of cement sidewalk ;
Total estimated cost, \$45,000.

The assessed value of the property within one-half block on each side of the street is \$1,001,600.

Respectfully,

THOS. R. FARRELL, Deputy Commissioner of Highways.

The following resolution was offered :

THE CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE.

To the Holders of Six Per Cent. Gold Consolidated Stock of the County of New York, Payable July 1, 1901:

THE FOLLOWING IS AN EXTRACT FROM the proceedings of the Commissioners of the Sinking Fund at a meeting held Tuesday, February 19, 1901: The Comptroller presented the following report and accompanying resolution relative to the redemption of six per cent. Gold Consolidated Stock of the County of New York, maturing July 1, 1901:

CITY OF NEW YORK, DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE, February 15, 1901.

To the Commissioners of the Sinking Fund:

GENTLEMEN—Six per cent. Gold Consolidated Stock, amounting to eight million eight hundred and eighty-five thousand five hundred dollars (\$8,885,500), which was issued by the County of New York prior to its consolidation with the former City of New York, matures on July 1, 1901.

The said stock is all held by the public and is payable from the Sinking Fund for the Redemption of the City Debt (No. 1), under the provisions of section 213 of chapter 378 of the Laws of 1897.

Under an amendment to the Constitution of the State of New York adopted at the general election held in the year 1899, the said stock is exempted, for the debt-restrictive purposes of section 10 of article VIII. of the Constitution, from classification as a City debt.

In view of the present heavy demands upon the City's debt-incurring capacity, especially for rapid transit and bridge construction, it is desirable to retain the advantage gained by such exemption. This advantage would be practically lost as to the amount of said stock if it were to be redeemed out of the Sinking Fund, or if it were refunded by the issue of Corporate Stock of The City of New York.

I therefore propose to extend the maturity of a considerable proportion, if not the whole of such stock, for periods not exceeding twenty years, under the authority conferred upon me by chapter 630 of the Laws of 1900, upon the best obtainable terms for the City.

It is not unlikely, however, that it may prove impossible to extend certain portions of said stock upon advantageous terms, and I therefore recommend that a resolution be adopted authorizing the Comptroller to redeem from the Sinking Fund such portions of said stock.

Respectfully,
(Signed) BIRD S. COLER,
Comptroller.

Whereas, Six per cent. Gold Consolidated Stock issued by the County of New York prior to its consolidation with the former City of New York, amounting to eight million eight hundred and eighty-five thousand five hundred dollars (\$8,885,500), matures July 1, 1901, and is payable from the Sinking Fund for the Redemption of the City Debt (No. 1), under the provisions of section 213 of chapter 378 of the Laws of 1897:

Whereas, the Comptroller proposes, under the authority of chapter 630 of the Laws of 1900, to extend for periods not exceeding twenty years the maturity of as much of said stock as he may be able to so extend upon terms advantageous to the City; therefore

Resolved, That the Comptroller be and is hereby authorized to pay out of the Sinking Fund for the Redemption of the City Debt (No. 1), such portion of the six per cent. Gold Consolidated Stock of the County of New York, payable July 1, 1901, as he may be unable to extend upon terms deemed by him to be advantageous to the City.

The report was accepted and the resolution unanimously adopted.

For the reasons set forth in the foregoing report to the Commissioners of the Sinking Fund, the Comptroller of The City of New York will avail himself of the provisions of chapter 630 of the Laws of 1900, which reads as follows:

CHAPTER 630.
AN ACT to authorize the extension of the funded indebtedness of the counties of New York, Kings, Queens and Richmond.

ACCEPTED BY THE CITY.
Became a law April 23, 1900, with the approval of the Governor. Passed, a majority being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. It shall be lawful for the comptroller of the city of New York, in his discretion, to provide for the extension of all or any part of the funded indebtedness of the counties of New York, Kings, Queens and Richmond, as the same may from time to time mature. Certificates of stock or bonds so extended shall bear interest at a rate not exceeding three and one-half per centum per annum, and shall be stamped across their face with the terms of such extension, which shall be for a period not exceeding twenty years.

Section 2. This act shall take effect immediately. Proposals will be received by the Comptroller at his office, No. 28 Broadway, New York City, from the holders of six per cent Gold Consolidated Stock of the County of New York, payable July 1, 1901, for extending the maturity of all or any part of the respective amounts of such stock held by them to the following dates:

JULY 1, 1907,
JULY 1, 1908,
JULY 1, 1909,
JULY 1, 1910,

Stock so extended will be payable in gold and will bear interest from July 1, 1900, at the rate of three and one-tenth (3½) per cent. per annum, payable, also in gold, semi-annually, on the first day of January and of July in each year. The Comptroller proposes to apportion the amount of stock thus extended so that, as nearly as practicable, one-fifth of the whole amount extended shall be redeemable at each of the five maturity dates above mentioned. Preference will, as far as possible, be given to the proposals received according to priority in the date of their receipt, the proposals first received being entitled to the privilege of the longest extension period, unless such proposal shall indicate a preference for the shorter terms. The stock which is to be extended in accordance with the terms of this circular must be delivered to the Comptroller upon demand, when the certificates will be stamped across their face with the terms of the extension, in accordance with the provisions of chapter 630 of the Laws of 1900, provided, however, that such stock now outstanding in coupon form when presented for extension will be extended in the form of registered stock. Thereafter transfers may be made of such stock on the books of the Corporation in accordance with the general provisions of law and the rules of the Department of Finance in regard thereto. The right to continue the offer contained in this circular at any time without further notice is expressly reserved.
