APPROVED PAPERS.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

Section 1. The Mayor of the City of New York may, subject to the restrictions hereinafter mentioned, grant a license to any peddler, hawker, vender or huckster of any kind of merchandise using a horse and wagon, hand-cart, push-cart, or other vehicle, for the use of streets of this city, excepting such as are specially restricted by ordinance.

Sec. 2. All applicants for such license shall produce satisfactory evidence to the Mayor of his or her good, moral character; that they are citizens of the United States and residents of the State of New York one year; or, if not citizens, for no fault of their own, they must certify to the following facts: That their period of residence in this country has not been a sufficient length of time to become such; and if not able, in consequence, to secure naturalization papers, they must at least show that they have "declared their intentions." Anyone who cannot present satisfactory evidence as above required shall not be granted a license; and anyone who, on presentation of "first papers," and otherwise complying with all requirements, obtains a license, shall at the proper time give evidence of full citizenship, otherwise such license shall become null and void.

Sec. 3. The license fees shall be as follows: To fish dealers, twenty-five dollars; to all vendors plying their trade with horse and wagon, twenty-five dollars; and all others, contemplated by this act, using a wagon, push-cart, or other vehicle of like character, fifteen dollars. Venders of merchandise carrying upon their persons a basket, tray, or other receptacle for their goods, shall pay five dollars; and the license granted shall be in force and effect for one year only, unless revoked. Applications for new licenses, under the same conditions as originally granted, may be made annually. No one person shall be granted more than one license per year.

Sec. 4. Application for licenses shall be made on a blank form, specially prepared by the Clerk of the Common Council, after a letter or authorization for such application shall have been signed by the Alderman of the district in which said applicant resides, and which shall set forth the full name of applicant, place of residence, length of time resident in this State, if a citizen of the United States, and if not, why not, and if not a citizen, whether application has been made for first papers and the same obtained, whether license for the same privilege has been previously obtained, and if so, where and for what period, and such other data or information as the Mayor may desire. All must be certified to under oath.

Sec. 5. The Mayor shall have power to grant licenses, subject to the conditions contained in section 4.

Sec. 6. No license under this act shall be transferable.

Sec. 7. All licenses under this act shall contain a full text of this ordinance, printed at least in English, German, Italian and Hebrew.

Sec. 8. The Mayor shall furnish each licensee with a tin sign, duly and conspicuously numbered, bearing the words "Merchandise No. —," and a metal badge containing the same wording. The number of the license, the sign and the badge must correspond. The sign shall be attached to the wagon, cart or vehicle, where it can be readily seen, near the front thereof, and the badge must be worn on the left breast of the outer garment of the licensee at all times when conducting his or her business on the public streets.

Sec. 9. Anyone using either the sign or badge, as referred to in the preceding section, without authority, shall be punishable, upon conviction, of a fine of not more than twenty-five dollars or a fine and imprisonment of not less than five nor more than ten days. Anyone failing to return to the Mayor the sign and badge legally obtained at the expiration of the term of license shall pay a penalty of one dollar for each or either, collectible by the Mayor's Marshal.

Sec. 10. No licensed peddler, vender, hawker or huckster shall permit any cart, wagon or vehicle, owned or controlled by him or her, to stop, remain upon or otherwise encumber any street, avenue or highway for a longer period than thirty minutes at one time on any one block. Nor shall any such peddler, vender, hawker or huckster stand in front of any premises, the owner of or the lessee of the ground floor thereof objecting thereto. At the expiration of the thirty minutes aforesaid, the cart, wagon or vehicle must be removed to a point at least one block distant.

Sec. 11. No licensed peddler, vender, hawker or huckster shall permit his or her cart, wagon or vehicle to stand on any street, avenue or highway within twenty-five feet of any corner of the curb, nor within ten feet of any other peddler, vender, hawker or huckster.

Sec. 12. NEW YORK, November 11, 1896.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, November 16, 1896.

PROPOSALS TO SUPPLY PRINTED, LITHOGRAPHED OR STAMPED FORMS, BLANKS, PAMPHLETS AND STATIONERY, I. E., OFFICIAL WRITING PAPER AND ENVELOPES TO THE COURTS AND THE DEPARTMENTS AND BUREAUS OF THE GOVERNMENT OF THE CITY OF NEW YORK FOR THE YEAR 1897.

SEALED ESTIMATES FOR SUPPLYING THE City Government with Printed, Lithographed or Stamped Forms, Pamphlets, and Stationery, i. e., Official Writing Paper and Envelopes, etc., will be received at the office of the Supervisor of the City Record, in the City Hall, until 12 o'clock M. on Tuesday, December 15. The said estimates will be publicly opened and read at a meeting of the Board of City Record to be held in the Mayor's Office at or about the time above-mentioned.

Each person making an estimate shall inclose it in an envelope sealed with sealing-wax, indorsed "Estimate for Furnishing Printed, Lithographed or Stamped matter," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there are more than one such person, their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-

sent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the persons making the estimate they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the cost of the articles awarded to each contractor; the amount of preliminary security to be given until each award, and in which the sureties shall justify, shall be Sixteen Hundred Dollars.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accepts but does not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of Eight Hundred Dollars, fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record who has charge of the estimate-box; and no estimate will be deposited in said box until such check or money has been examined by said Supervisor and found to be correct.

All such deposits, except that of a successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If a successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned City officers to reject any or all bids which may be deemed prejudicial to the public interests.

The contract for printing and lithographing, etc., may be awarded, in the discretion of the Board of City Record, item by item, or Department by Department, to different bidders, or, as a whole, to the lowest responsible bidder in the aggregate—unless there be an item involving more than five hundred dollars, or several items each involving the expenditure of a like sum, in which case a contract or contracts will be made with the lowest bidder or bidders on such item or items, and the contract for the remainder of the work for the Department will be awarded to the bidder ascertained to be lowest after the deduction of such item or items. The bids must, therefore, be in detail on the items required for a Department or Court, and also the aggregate bid for such Department or Court on which bids are offered.

The printed or lithographed blanks, etc., must be folded, and be put up in packages by the contractors, according to the directions of the Supervisor of the City Record.

The contractor, or contractors, must complete the delivery of the blanks, etc., at the office of the City Record within ninety (90) days from the execution of the contract or contracts, unless the work is delayed by a Court, Department, Board or Bureau. From the operations of this rule are excepted the calculation cards for the Department of Taxes, and other blanks, "copy" for which cannot be prepared until the tax rate for 1897 has been fixed. Provision will be made for payment of a proportionate part of the contract price, when it shall appear that the contractor has done his work, until temporary stayed by the inability of a Department, etc., to furnish "copy."

As many of the printed forms would be made worthless by typographical errors, or by mistakes in the preparation of samples, proofs must be furnished.

Particular care must be taken that the names of the new incumbents of offices are put upon the blanks.

The delivery of the work must begin within five days from the execution of the contracts, and be continued in such a manner that the immediate needs of the Department shall be supplied.

For particulars as to the quantities and kinds of Printing and Lithographing, reference must be had to the samples and specifications on file in the Department of Public Works or in the office of the City Record, No. 2, City Hall. The kinds of paper to be used are indicated on the samples. Copies of the specifications may be procured from the Supervisor of the City Record.

By order of
WILLIAM L. STRONG, Mayor; FRANCIS M. SCOTT, Counsel to the Corporation; C. H. T. COLLIS, Commissioner of Public Works.

JOHN A. SLEICHER, Supervisor of the City Record.

SEALED ESTIMATES FOR SUPPLYING THE City Government with Blank, Printed or Lithographed Books, Dockets, Libers, etc., will be received at this office until 12 M. on Tuesday, November 24, 1896, at or about which time said estimates will be publicly opened and read at a meeting of the Board of City Record, to be held in the Mayor's Office.

Each person making an estimate shall inclose it in a sealed envelope, sealed with sealing-wax, marked "Estimate for Furnishing Blank Books, etc.," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there are more than one such person their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud; and that no member

of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making it, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the estimated cost of the articles awarded to each contractor; the amount of preliminary security to be given until each award, and in which the sureties shall justify, shall be One Thousand Dollars.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accepts but does not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimate will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of Five Hundred Dollars, fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If a successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests.

A contract will be made with the lowest bidder for the books required by any Court or Department, or for any item in the specifications involving an expenditure of more than Five Hundred Dollars, or for any item or items for which the Board of City Record may decide to let a separate contract or contracts. Bidders must therefore give not only their bids by items, but also the aggregate bid for the work for any department or departments on which bids are offered.

The making and delivery of all the books must be completed within ninety days from the execution of the contract, unless delayed by the Courts, Departments, or Bureaus. They must be made and delivered in the order to be prescribed by the Supervisor of the City Record, to the end that the immediate needs of the Departments shall be supplied. Such of them as are indicated with asterisks in the specifications must be delivered on or before January 2, 1897.

For particulars of the quantities of books required resort must be had to the specifications on file in the Department of Public Works, or to be procured from the Supervisor of the City Record.

All the books in the Departments for which bids are asked, and unless specially excepted, are to be bound in the style indicated by the descriptive sheets of such book or books on file in the office of the Supervisor of the City Record, No. 2, City Hall, or according to instructions to be given by the Supervisor of the City Record. When L. L. Brown's, Crane Brothers' or Weston's Ledger Paper, Crane & Co.'s Bond or Parchment Deed, has been used in the making of any book or books, the duplicates called for shall be made of paper of corresponding make and grades, unless otherwise directed by the Supervisor of the City Record. When other paper has been used the contractor can use Whiting's, Crane Brothers', L. L. Brown's Advance, or any other paper of equal quality corresponding with the sizes and weights of paper called for by these specifications or as may be directed by the Supervisor of the City Record.

For books from 7½ x 9½ to 10 x 17 inches, the weight of the paper shall be the equivalent of Flat Cap, 14 x 17, 18 lbs.; of Crown, 15 x 19, 22 lbs.; of Demy, 16 x 21, 28 lbs.; of Medium, 18 x 23, 36 lbs.; of Royal, 19 x 24, 44 lbs.; of Super Royal, 20 x 28, 54 lbs.

The books must contain printed headings, and such additional printed matter in the body as may be required; they shall be ruled and paged consecutively, or otherwise, as ordered, lettered on back or side, or both, as required, and shall be tagged with alphabetical or extended tags, of color and size as specified in requisitions therefor.

Special ruling and special printing when called for, as indicated in the specifications.

The contractor will be required to deliver, with the books, at the City Record office, as well as with the bill when rendered to the City Record, a perfect and complete page from each book, and written thereon, its title, a description of its binding, a statement of how it is to be paged and indexed, the amount of lettering on the back and side, and the number of pages in the book, embracing details sufficient to accurately describe the manner in which the book was made and bound.

Each book shall contain a small label, of a style to be given by the Supervisor, which label shall be furnished without charge and be pasted on the inside of the cover of the book, stating that it was made for the City Record, and giving the number of the book, as indicated in the sample, the specifications, or by the Supervisor. No other label shall be placed in the book, and it shall contain no other printing except that which is ordered by the Department.

WILLIAM L. STRONG, Mayor; FRANCIS M. SCOTT, Counsel to the Corporation; C. H. T. COLLIS, Commissioner of Public Works.

JOHN A. SLEICHER, Supervisor of the City Record.

DEPARTMENT OF DOCKS.

CONDITIONS OF THE RIGHT TO DUMP AND FILL IN TO BE SOLD BY WOODROW & LEWIS, AUCTIONEERS, ON TUESDAY, DECEMBER 1, 1896, AT 12 O'CLOCK M., AT DEPARTMENT OF DOCKS, PIER "A," BATTERY PLACE, NORTH RIVER.

Messrs. WOODROW & LEWIS, AUCTIONEERS, will sell at public auction, in the Board room, Pier "A," Battery place, in the City of New York, on

TUESDAY, DECEMBER 1, 1896, at 12 o'clock noon, for and on account of the Department of Docks, the right to dump and fill in behind the bulkhead or river wall now built or to be built at Perry street section, between the middle of Pier, old 54, and the southerly side of West Eleventh street, North river, the intention being to commence the filling-in at once and continue it as fast as the construction of the wall will permit, until it is completed.

Privilege to fill in the said premises will be sold to the highest bidder, and the price for such right or privilege must be paid at the time of sale. The material to be dumped or filled in must be composed of clean ashes, sand, loam, earth, etc., or of stone; if of stone, no piece of stone must be greater than 16 inches in its largest dimensions, and all material must be dumped and filled in only at such times and places and in such manner as shall be directed by the Engineer-in-Chief of the Department of Docks, or such other officer or employee of the Department of Docks as may be designated by him, and all the work of dumping and filling-in must be done under the direction of the Engineer-in-Chief or designated employee.

The estimated quantity to be filled in at the said premises is about 3,600 cubic yards, more or less; but this quantity is approximate only, and the Department is not bound in any way by such estimate, and bidders must satisfy themselves of the quantities required to fill in at the place named by examination of the premises, or such other means as they may prefer, the intention of the Department being to fill in the whole of the said premises behind the bulkhead or river wall when it is built and ready to have filling put in behind it. In case the party who is the highest bidder does not proceed with the work of filling-in to the satisfaction of the Board of Docks, the said Board will at once proceed to have the filling-in done by other parties in such way and manner as it deems proper.

The Auctioneer's fees (\$25) for filling-in on the said section must be paid by the highest bidder thereon at the time of sale.

EDWARD C. O'BRIEN, EDWIN EINSTEIN, JOHN MONKS, Commissioners of the Department of Docks.

(WORK OF CONSTRUCTION UNDER NEW PLAN.)
TO CONTRACTORS. (No. 555.)
PROPOSALS FOR ESTIMATES FOR FURNISHING ABOUT 4,000 BARRELS OF PORTLAND CEMENT.

ESTIMATES FOR FURNISHING ABOUT 4,000 barrels of Portland Cement will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 12 o'clock M. of

TUESDAY, NOVEMBER 24, 1896, at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract in the manner prescribed and required by ordinance, in the sum of Four Thousand Dollars.

The cement required under this contract must be "Portland" cement, fully up to the standard of the best brands imported, and average at least 400 pounds gross weight to the barrel.

The quantity to be delivered under this contract is about 4,000 barrels.

It is estimated that about 2,500 barrels of this cement will be required to be quick-setting, and that about 1,500 barrels will be slow-setting, and it is further estimated that the deliveries will be required to be made so that about 1,000 barrels per week, more or less, will be furnished in each week.

It is expected that about 2,000 barrels will be required to be delivered at West Fifty-seventh Street Yard, and that about 2,000 barrels will be required to be delivered at East Twenty-fourth Street Yard.

The contract is to be fully completed and to terminate on the 1st day of January, 1897.

The damages to be paid by the contractor for each day that the contract or any part thereof may be unfulfilled after the respective times specified for the fulfillment thereof may have expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

The empty barrels will be relinquished to the contractor as provided for in the specifications, and bidders must estimate the value of the empty barrels when considering the price for which they will furnish the cement under this contract.

Bidders will state in their estimates a price for each barrel of cement to be furnished, in conformity with the approved form of agreement and the specifications therein set forth, by which prices the bids will be tested. These prices are to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the receiving of the material by the Department. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for furnishing this material.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested, the estimate shall distinctly state that fact; also that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member, or in which the bidder is directly or indirectly interested or of which the bidder has knowledge, either personal or otherwise, to bid a certain price or not less than a certain price for said labor or material, or to keep others from bidding thereon; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its departments, is directly or indirectly interested in this estimate, or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder or anyone in his behalf with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.*

In case a bid shall be submitted by or in behalf of any corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful

bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application therefor at the office of the Department.

The Engineer's estimate of the nature, quantities and extent of the work is as follows:

Crib-bulkhead complete, containing about the following quantities:

1. About 576,113 cubic feet, more or less, of cribwork, complete, including fenders, mooring-posts and backing-logs, and measured from the under side of the backing-logs. 2. Piles to be driven in the rear bents of the cribwork, about 91 (it is expected that these piles will be from about 40 feet to 70 feet in length to meet the requirements of the specifications). 3. Rip-rap foundation for rubble-wall, 73 cubic yards. 4. Dry rubble or large rip-rap wall, 1,195 cubic feet. 5. Materials for Painting, Oiling and Tarring. 6. Labor of every description for about 767 lineal feet of cribwork.

N.B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before-mentioned, which shall be actually performed at the price therefore, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the receipt of a notification from the Engineer-in-Chief that the work may be begun. It is expected that sufficient dredging to permit the beginning of the building of the crib bulkhead will have been completed by about December 15, 1896, and that at about that date the notice to begin the work will be sent to the contractor by the Engineer-in-Chief, and all the work contract for is to be fully completed on or before the 15th day of April, 1897, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day. The cribwork will be built in Sherman's Creek, at or near the site of the work, as ordered by the Engineer-in-Chief.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state that fact; also that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member, or of which the bidder is directly or indirectly interested, or of which the bidder has knowledge, either personal or otherwise, to bid a certain price, or not less than a certain price, for said labor or material, or to keep others from bidding thereon; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its Departments, is directly or indirectly interested in the estimate, or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder, or anyone in his behalf, with a view to influencing the action

or judgment of such officer or employee in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. *Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.*

In case a bid shall be submitted by or in behalf of any corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable, the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

Dated New York, October 15, 1896.
