McGowan, Acting Mayor of The City of New York, do hereby call a special meeting of the Board of Aldermen, to be held in the Aldermanic Chamber, in the City Hall, in the Borough of Manhattan, on Tuesday, July 24, 1906, at 1.30 o'clock in the afternoon, for the purpose of considering the following enumerated matters, in the aforesaid requisition mentioned, to wit:

MESSAGES FROM HIS HONOR THE MAYOR.

The Vice-Chairman laid before the Board the following message from his Honor the Acting Mayor:

No. 996.

City of New York—Office of the Mayor, }
July 11, 1906.

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—I return herewith, with my disapproval, the following resolution, passed by your Honorable Board on July 2, 1906:

"Resolved, That permission be and it is hereby granted to Dr. D. J. Jenkins, of Charleston, S. C., President of the Orphans' Aid Society of that city, to have a band of orphans under his charge play in the streets and public places of The City of New York, and to take up a collection in aid of the purposes of said Orphans' Aid Society, under the supervision and direction of the Commissioner of Police, such permission to continue only during the months of July and August, 1906."

The practice of using the public places of the City for the purpose of seeking contributions from the passers-by is one which, in my judgment, should not be encouraged. If permission were given to this applicant to hold concerts and take up collections in various streets and parks of the City, it would create a precedent which other less deserving persons might avail themselves of for the purpose of raising money, to the annoyance of the general public.

I therefore consider it advisable to return this resolution without my approval.

Respectfully,

P. F. McGOWAN, Acting Mayor.

Resolved, That permission be and it is hereby granted to Dr. D. J. Jenkins, of Charleston, S. C., President of the Orphans' Aid Society of that city, to have a band of orphans under his charge play in the streets and public places of The City of New York and to take up a collection in aid of the purposes of said Orphans' Aid Society, under the supervision and direction of the Commissioner of Police, such permission to continue only during the months of July and August, 1906.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-Chairman laid before the Board the following message from his Honor the Acting Mayor:

No. 1023.

City of New York—Office of the Mayor, }
July 18, 1906.

To the Honorable the Board of Aldermen of The City of New York:

Sirs—I return herewith, with my disapproval, a resolution adopted by your Honorable Board on July 10, 1906, entitled:

"Resolution permitting George W. Schmidt to erect a pole, etc."

The passage of a resolution of this character is clearly forbidden by section 50 of the Charter, and I therefore cannot approve the same.

Respectfully,

P. F. McGOWAN, Acting Mayor.

Resolved, That permission be and the same is hereby given George W. Schmidt to erect and maintain at the northeast corner of Fort Hamilton avenue and East Fifth street, in the Borough of Brooklyn, one ornamental pole about twelve feet in height and six inches in diameter, supporting an ornamental sign, the same to be erected at the expense of the said George W. Schmidt and under the direction of the President of the Borough of Brooklyn, and such permission to continue during the pleasure of the President of the Borough of Brooklyn.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-Chairman laid before the Board the following message from his Honor the Acting Mayor:

No. 159.

Mayor's Office, }
New York, July 24, 1906.

To the Board of Aldermen:

Gentlemen—I return herewith, with my disapproval, a proposed ordinance, adopted by the Board of Aldermen July 10, 1906, and entitled:

"An ordinance for the better protection of persons employed in the construction, altering or repairing of buildings in The City of New York."

My objections may be briefly shown and specified as follows:

Section 1 provides in substance that it shall be unlawful for any owner or contractor to place in any building in course of construction, alteration or repair any ladder or step-ladder in excess of eight feet in length, or stairs or any landing of stairs intended to be used by men engaged in the construction, altering or repairing of the building unless said ladder shall be securely fastened at the top and bottom, and unless said ladder shall be so constructed as to bear four times the maximum weight required to be placed thereon when in use, and unless said stairways have treads thereon and said landings be covered immediately after the iron stair springs are put up and unless every part thereof is securely and sufficiently fastened, and unless each and every part of said stairs and of every such landing is capable of sustaining at least three times the maximum weight required to be placed thereon when in use.

The second section makes certain provisions as to well-holes, floor openings and guard-rails.

The third section provides that a violation of the ordinance shall be a misdemeanor punishable by fine of not exceeding \$100 and imprisonment of not exceeding six months, or both.

There are already in the statutes of the State, and especially in the Labor Law, provisions intended to protect workmen and laborers while engaged in building operations.

For instance, in section 18 of the Labor Law, it is provided as follows:

"A person employing or directing another to perform labor of any kind in the erection * * * of a house, building or structure shall not furnish or erect, or cause to be furnished or erected for the performance of such labor, scaffolding, hoists, stays, ladders or other mechanical contrivances which are unsafe, unsuitable, or improper, and which are not so constructed, placed and operated as to give proper protection to the life and limb of a person so employed or engaged. * * *"

Section 19 provides as follows:

"Whenever complaint is made to the factory inspector that * * * ladders * * * used in the construction, alteration, repairing, * * * of buildings within the limit of a city are unsafe or liable to prove dangerous to the life or limb of any person, such factory inspector shall immediately cause an inspection to be made of such * * * ladders. * * * If, after examination, such scaffolding or any of such parts is found to be dangerous to life or limb, the factory inspector shall prohibit the use thereof and require the same to be altered and reconstructed so as to avoid such danger."

In section 20 there are provisions as to the protection of persons employed in buildings in cities.

In section 21 provision is made that the factory inspector shall enforce the various provisions of the Labor Law in the respects provided for in the sections just referred to.

Furthermore, in section 447a of the Penal Code is the following provision:

"A person or corporation employing or directing another to do or perform any labor in the erection, repairing, altering or painting any house, building or structure within this State, who knowingly or negligently furnishes or erects or causes to be furnished or erected for the performance of such labor, unsafe, unsuitable or improper scaffolding, hoists, stays, ladders or other mechanical contrivances * * * or permits the use thereof after the same has been declared unsafe by such officer contrary to the provisions of Article One of the Labor Law, is guilty of a misdemeanor."

There are, I believe, other provisions of statute in the Building Laws and in the Health Laws which are intended to safeguard the lives and persons of workmen and laborers.

The proposed ordinance is thus an attempt to at least supplement and perhaps to repeal, modify or amend the statute laws of the State. The Legislature has already passed such laws upon the subject as it has deemed wise. An ordinance of the Board of Aldermen which attempted to repeal, modify or amend a State statute, would, of course, be illegal and of no force or effect, and the same would be the case if the ordinance was inconsistent with any State law.

Some of the provisions of this proposed ordinance, even if they would be valid, would operate as a hardship in many cases, would be difficult or impossible to enforce and would work injustice and be almost destructive in their operation. For instance, it would seem that under this ordinance if a ladder more than eight feet long were to be used by workmen repairing a cornice, or a chandelier in a room, it would be necessary to mutilate the ceiling and the floor in order that each end of the ladder might be secured.

Without pursuing the subject further, enough has been shown to indicate why I disapprove of the proposed ordinance.

P. F. McGOWAN, Acting Mayor.

The Committee on Buildings, to whom was referred, on June 5, 1906 (Minutes, page 902), the annexed ordinance for the protection of persons employed in the construction, altering or repairing of buildings in The City of New York, respectfully

REPORTS:

That, having examined the subject, they believe the proposed ordinance to be necessary, but at the public hearing recently held thereon certain modifications were suggested which met with the approval of the introducer and also of your Committee.

They therefore recommend that the annexed substitute resolution be adopted.

SUBSTITUTE.

COMMUNICATIONS FROM CITY, COUNTY AND BOROUGH OFFICERS.

The Vice-Chairman laid before the Board the following communication from the District Attorney:

No. 1032.

District Attorney's Office,
County of New York.
July 14, 1906.

To the Honorable the Board of Aldermen, New York City:

Gentlemen—I beg to acknowledge the receipt of a resolution adopted by the Board of Aldermen on July 10, 1906, in relation to the American Ice Company. This resolution says, among other things, the following:

"Whereas, The prosecuting officer of this County has stated in the public press that he will take action only when the evidence is presented to him; therefore be it

"Resolved, That the District Attorney be requested to commence an investigation of the books of the American Ice Company at the earliest possible moment, and that he make every effort to get evidence against this monopoly."

The recital of this resolution wherein it states that I have said in the public press that I would take action only when the evidence has been presented to me is incorrect. What I have said is that I cannot proceed without evidence, and that up to the present no evidence had been presented to me.

I beg to assure you that I am in hearty sympathy with you in any endeavor which can lawfully be made to reduce the price of ice in this City during the hot weather. No one can abhor more than I that form of wrongdoing which takes advantage of the poor people's necessity to compel them to pay an extortionate price for so indispensable a commodity as ice is in the summer months.

The important thing to secure is, of course, a reduction in the price of ice, and the infliction of exemplary punishment upon any person or persons who by criminal means have sought to compel the payment of an extortionate price for ice.

Accompanying your resolution there is no communication indicating to me the existence of any evidence of the commission of a criminal offense, nor is there in the resolution any suggestion as to where it can be found other than by an investigation of the books of the American Ice Company.

I had before the receipt of your resolution, and have since, carefully considered what there was within the limits of my power that I could do to meet the present conditions. The only provision of the Penal Code of which I am aware that might apply to the case is section 168, relative to criminal conspiracy. Unfortunately in the present instance there is no provision of the criminal law whereby the District Attorney can compel persons engaged in a conspiracy to testify. They have simply to decline to answer on the ground that it would tend to incriminate them and my compulsory powers are at an end. I have no authority to compel the American Ice Company to produce its books or disclose its methods in any criminal proceeding directed against it or its officers over which I have control as District Attorney. There is, however, a statutory provision entirely adequate to meet the situation if the present condition is the result of wrongdoing on the part of those controlling the ice business in this City.

This remedy is found in chapter 690 of the Laws of 1899, known as

"An act to prevent monopolies in articles or commodities of common use, and to prohibit restraints of trade and commerce, providing penalties for violations of the provisions of this act and procedure to enable the Attorney General to secure testimony in relation thereto."

This is commonly known as the "Anti-Trust Law" of this State, and was designed to meet just such a case as the present is taken to be.

Under this act the American Ice Company can be compelled to produce its books and papers, and its servants, agents and officers may be forced to testify before a referee, because this act contains a provision for immunity to those testifying sufficiently broad to render it constitutional. After such books and papers are produced and such testimony as may be necessary is obtained, should that testimony and those papers disclose the existence of a criminal conspiracy the District Attorney can then proceed against all guilty parties other than those actually examined, and those who testify under the act can be again compelled to testify in criminal proceedings and cannot claim any privilege.

This statute, however, confers the power of initiative on the Attorney General alone, and under it I have no power.

I would respectfully suggest that your Honorable Body communicate with the Attorney General and request him to proceed under this act, and I have taken the liberty of sending to him a copy of this communication addressed to you, together with a copy of your resolution forwarded to me.

The hardship caused by a high price for ice at this season of the year is so great that I have no doubt that the Attorney General would proceed at once under this law if the evidence warrants such action.

Should he determine to do so and be able to secure evidence showing the commission of a criminal offense, it will, of course, be at once my duty to prosecute those whom the evidence tends to show guilty, and you may be assured that it will be a duty which I shall perform with great pleasure.

Respectfully,

WM. TRAVERS JEROME, District Attorney.

Alderman Sullivan moved that this communication be received and referred to the Committee on Laws and Legislation, with instructions to draw up a proper resolution in conformity with the suggestions of District Attorney Jerome.

Which motion was adopted.

The Vice-Chairman laid before the Board the following resignation of John T. McCall as Alderman from the Thirtieth Aldermanic District:

No. 1033.

City of New York,
Board of Aldermen, City Hall,
July 18, 1906.

Hon. ELIAS GOODMAN, Vice-Chairman and Acting President, the Board of Aldermen of The City of New York:

My Dear Sir—I hereby resign as a member of the Board of Aldermen of The City of New York for the Thirtieth Aldermanic District, this resignation to take effect upon its acceptance by the Board of Aldermen.

Respectfully,

JOHN T. McCALL.

Brief addresses, eulogistic of Alderman McCall's work in the Board of Aldermen, were made by Aldermen Doull, Dowling and Downing.
The resignation of Alderman McCall was then accepted.

MOTIONS, ORDINANCES AND RESOLUTIONS.

No. 1034.

By the Vice-Chairman—

Whereas, Hon. John T. McCall, Alderman from the Thirtieth Aldermanic District, has this day resigned from the local legislature of which he has been a conspicuous member since January 1, 1898; and

Whereas, During all these years John T. McCall, while a strenuous partisan for the Democratic party, of which he was the able leader in the Board of Aldermen, was a manly and honorable antagonist, truthful and fearless for the right, and keenly careful of the prerogatives of individual members, irrespective of party; therefore be it

Resolved, That we, the members of the Board of Aldermen of The City of New York, herein and hereby regret the voluntary severance of official ties by John T. McCall, and extend to him our sincere wishes for good fortune in any career of life he may embark in. That The City of New York by his retirement loses an able, conscientious and thoroughly equipped public servant.

Resolved, That a copy of these resolutions, suitably engrossed and duly authenticated by the City Clerk, be forwarded to Hon. John T. McCall.

Which was unanimously adopted.

No. 1035.

By Alderman Dowling—

Resolved, That John J. Reardon of No. 1386 Third avenue, in the Borough of Manhattan, be and he is hereby elected member of the Board of Aldermen for the Thirtieth Aldermanic District in the place and stead of John T. McCall, resigned.

The Vice-Chairman put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Brown, Bunting, Callahan, Carter, Cole, Collins, Diemer, Dinwoodie, Dotzler, Doull, Dowling, Downing, Doyle, Ellery, Everson, Farrell, Fried, Griffenhagen, Gunther, Haggerty, C. Hahn, J. J. Hahn, Harnischfeger, Hatton, Herold, Kenneally, Kline, Krulish, Kuck, Kuntze, Leverett, Levine, Markert, Moffitt, Monahan, Morris, Mulligan, Murphy, Noonan, O'Neil, Peters, Redmond, Rendt, Richter, Rowcroft, Schloss, Schneider, Stapleton, Sturges, Sullivan, Torpey, Wentz, Wright and the Vice-Chairman—57.

Alderman Dowling moved that a committee of three be appointed to wait upon the newly elected member, escort him to the Supreme Court to be sworn in, and then conduct him back to the Chamber.

Which was adopted, and the Vice-Chairman appointed as such committee Aldermen Dowling, Sturges and Peters.

Subsequently, the committee returned to the Chamber with the newly elected Alderman, who was introduced to the presiding officer, who in turn presented him to the Board and assigned him to a seat.

REPORTS OF STANDING COMMITTEES.

Reports of Committee on Finance—

No. 953—(G. O. No. 153).

The Committee on Finance, to whom was referred on June 26, 1906 (Minutes, page 1066), the annexed ordinance in favor of authorizing an issue of \$3,000,000 Corporate Stock for the Blackwell's Island Bridge, respectfully

REPORTS:

That, having examined the subject, they believe the proposed improvement to be necessary.

That Engineer Johnston appeared and urged the application. While your committee feel that this bridge is costing the City rather high, still it is at such a state where this money is needed to finish it and for that reason they therefore recommend that the said ordinance be adopted.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of three million dollars (\$3,000,000) for the purpose of providing means to pay the necessary expenses connected with the construction of the bridge over the East river, between the Boroughs of Manhattan and Queens, known as the Blackwell's Island Bridge (No. 4).

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment June 22, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York, to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York, to an amount not exceeding three million dollars (\$3,000,000), for the purpose of providing means to pay the necessary expenses connected with the construction of the bridge over the East river, between the boroughs of Manhattan and Queens, known as the Blackwell's Island Bridge (No. 4), and that when authority therefore shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to the amount of three million dollars (\$3,000,000), the proceeds whereof to be applied to the purposes aforesaid."

JOHN R. DAVIES, JOHN DIEMER, J. E. BUNTING, A. L. KLINE, PH. HARNISCHFEGGER, Committee on Finance.

Which was laid over.

No. 954—(G. O. No. 154).

The Committee on Finance, to whom was referred, on June 26, 1906 (Minutes, page 1069), the annexed ordinance, in favor of authorizing an issue of \$200,000 Corporate Stock, to provide means for building a bridge to replace the existing Eastchester Bridge, respectfully

REPORTS:

That, having carefully examined the subject, they believe the proposed improvement to be necessary.

The present structure appears to be wholly inadequate for the traffic which passes over it, and its replacement has been earnestly and convincingly recommended.

They therefore recommend that the said ordinance be adopted.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of two hundred thousand dollars (\$200,000), for the purpose of providing means for building a bridge to replace the present Eastchester Bridge over the Hutchinson river, and all work in conjunction therewith, in the Borough of The Bronx.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution, adopted by the Board of Estimate and Apportionment June 22, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York, to an amount not exceeding two hundred thousand dollars (\$200,000), for the purpose of providing means for building a bridge to replace the present Eastchester Bridge over the Hutchinson river and all the work in conjunction therewith, in the Borough of The Bronx, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to the amount of two hundred thousand dollars (\$200,000), the proceeds whereof to be applied to the purposes aforesaid."

JOHN R. DAVIES, JOHN DIEMER, J. E. BUNTING, A. L. KLINE, PH. HARNISCHFEGGER, Committee on Finance.

Which was laid over.

No. 957.

The Committee on Finance, to whom was referred, on June 26, 1906 (Minutes, page 1074), the annexed ordinance in favor of an issue of \$200,000 Corporate Stock for preliminaries toward the establishment of a public market in the Eighth Ward of the Borough of Brooklyn, respectfully

REPORTS:

That, having carefully examined the subject and considered the voluminous papers presented in connection with it, they believe the proposed improvement to be very desirable, a convenience to a large and growing section of the City, and calculated largely to add to the taxable value of property, particularly in the Eighth and Thirtieth Wards of Brooklyn, and generally beneficial outside of those limits.

They therefore recommend that the said ordinance be adopted.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of two hundred thousand dollars (\$200,000), to be used by the President of the Borough of Brooklyn in the preparation of the land for a public market in the Eighth Ward of the Borough of Brooklyn.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment June 22, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 450 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
