ing bids whereon they are written, and will in no case govern the action of the Committee on Supplies in passing upon tenders.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, or surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in an amount satisfactory to the Committee, which amount shall be fifty per cent. of the estimated cost of the supplies to be bid for by each bidder, which estimated cost will be determined as nearly as may be from the quantity of like supplies purchased in former years.

All goods are to be delivered in installments as may be required during the year 1901.

Bidders must state the price of each article per pound, dozen, gallon, yard, etc., by which the bids will be read from the total footing and awards made to the lowest bidder on each item or class.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and let as provided by law.

All estimates not conforming to these requirements may be considered as informal.

Samples may be inspected, estimates of quantities of the different supplies required in former years may be obtained, and further information may be had from the Superintendent of School Supplies, Department of Education.
