NOTICE IS HEREBY GIVEN that on November 5, 2018, the Mayor submitted to the Council the following proposed resolution, pursuant to Section 363 of the New York City Charter, authorizing the New York City Department of Transportation, to grant a non-exclusive franchise for the provision of bus service between Manhattan and Staten Island.

THE COUNCIL OF THE CITY OF NEW YORK
RESOLUTION NO.

Resolution, pursuant to Section 363 of the New York City Charter, authorizing the New York City Department of Transportation to grant a non-exclusive franchise for the provision of bus service between Manhattan and Staten Island.

By Council Member Salamanca (by request of the Mayor)

WHEREAS, by Executive Order No. 25, dated August 23, 1995, the Mayor has designated the New York City Department of Transportation (DOT) as the responsible agency for the granting of franchises for bus lines; and

WHEREAS, pursuant to Section 363 of the New York City Charter, (Charter) the Commissioner of DOT (Commissioner) has made the

initial determination of the need for a non-exclusive franchise for bus lines providing common carrier service to passengers along designated routes, between the boroughs of Staten Island and Manhattan (Bus Service) in the City of New York; and

WHEREAS, the Council has determined that the granting of such non-exclusive franchise will promote the public interest, and enhance the health, welfare and safety of the public and the City's transportation network; and

WHEREAS, it is necessary to provide for the preparation of a solicitation for such Bus Service, to conduct appropriate environmental review, to review proposals to provide Bus Service, and to make such technical evaluations as may be necessary to determine appropriate service levels, and fare structures;

NOW THEREFORE, BE IT RESOLVED,

That the Council hereby authorizes DOT to grant a non-exclusive franchise for bus lines providing common carrier service to passengers along designated routes, between the boroughs of Staten Island and Manhattan, in the City of New York provided that such non-exclusive franchise shall be subject to the approval of the Franchise and Concession Review Committee (FCRC) and the separate and additional approval of the Mayor. The authorization to grant a non-exclusive franchise, pursuant to this Resolution shall expire on the fifth anniversary of the date on which this Resolution is adopted by the City Council (Expiration Date). No franchise shall be granted, pursuant to this Resolution by DOT, nor approved by the FCRC or the Mayor, after the Expiration Date;

AND BE IT FURTHER RESOLVED,

FIRST, that there shall be one uniform maximum fare for the Bus Service. The appropriate maximum fare shall be included in the solicitation and the franchise agreement. With regard to the uniform maximum fare, DOT may request from the FCRC a modification to any franchise agreement authorized by this Resolution changing the uniform maximum fare. Any franchise agreement for Bus Service shall specify that upon the approval of the FCRC of any such proposed change, the franchise agreement shall be deemed to be modified to provide for the revised maximum fare;

SECOND, that prior to the granting of any such non-exclusive franchise, one or more Requests For Proposal ("RFP") shall be issued by DOT for each route or group of routes. DOT may group routes in such a way as to maximize potential efficiencies, increase competition, and/or increase revenue. Prior to issuing any such solicitation, environmental and land use review, if necessary, shall be conducted in accordance with City Environmental Quality Review and Section 197c of the Charter. Upon request of the City, a proposed franchisee shall, as a condition of receiving a franchise, assume the cost of, or reimburse the City for, the City's costs of any such environmental or land use review or shall provide for the conduct of such review itself, at its own cost;

THIRD, the franchisee operating service, pursuant to this Resolution may receive funding from the State of New York through the City or, if such funds are not available, may receive funding directly from the City;

FOURTH, the evaluation criteria to be used in assessing the responses to such RFPs shall be the following:

- (1) An assessment of the relative fitness of the respondents with regard to:
 - a. experience operating bus or other transportation services in New York City or other urban environments;
 - b. demonstrated ability in the management of bus or other transportation service, including, without limitation, satisfactory performance on:
 - i. service indicators (*e.g.*, percentage of scheduled service actually operated, adherence to published schedules, interruptions to service resulting from mechanical failures, vehicle cleanliness, and handling of customer inquiries), and
 - ii. management indicators, (*e.g.*, employee absentee rates, number of vehicular accidents, training programs, adherence to inspection, insurance, driver training, and safety requirements, and bus scheduling efficiency and effectiveness);
 - c. business integrity and financial soundness, including without limitation adequate access to sources of operating capital and the demonstrated ability to adequately maintain books and records;
- (2) the amount of franchise fee proposed and the amount of service proposed.

FIFTH, initial schedules need to be specified in the RFP only to the extent that the level of service must be specified for purposes of completing an environmental review, as appropriate;

SIXTH, that any non-exclusive franchise granted, pursuant to this Authorizing Resolution shall be by written agreement that shall without limitation, provide that:

- (1) the term of the franchise shall be fixed and shall be in accordance with the terms of the solicitation, pursuant to which it was issued. A franchise may contain a renewal clause, however, in no case shall the term of a franchise, including all renewal periods, exceed twenty-five (25) years;
- (2) the compensation, if any, to be paid to the City shall be fixed as a percentage of the gross revenues, cash or non-cash, derived by the franchisee from any source, in any manner, either directly or indirectly arising from or related to the operation of the Bus Service described in the franchise. Such compensation shall not be considered in any manner to be in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description which are now or may at any time hereafter be required to be paid, pursuant to any local law of the City or any law of the State of New York; or any law of the Federal government;
- (3) the maximum fare shall be the uniform maximum fare for such service set by DOT, as such may be from time to time amended by DOT upon request to and approval by the FCRC;
- (4) the franchisee may be required to maintain integrated or reduced fare programs, the requirements for which shall be contained in the appropriate solicitation documents and franchise agreement;
- (5) the franchise may be terminated or canceled by the Commissioner in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;
- (6) there shall be remedies, including liquidated damages, to protect the City's interests in the event of the franchisee's failure to comply with the terms and conditions of the agreement;
- (7) a security fund or other appropriate method shall be established to insure the performance of the franchisee's obligations under the agreement;
- (8) the franchise may permit or require advertising in the interior and/or exterior of buses; provided however, that advertising which is false or misleading, which promotes unlawful or illegal goods, services or activities, or which is otherwise unlawful, including but not limited to advertising that constitutes the public display of offensive sexual material in violation of Penal Law Section 245.11, shall be prohibited. In addition, advertising related to tobacco products and electronic cigarettes shall also be prohibited;
- (9) there shall be provisions regulating the technical specifications of bus equipment used to provide authorized Bus Service;
- (10) there shall be provisions to ensure adequate oversight and regulation of the franchisee by the City, including adherence to standards of performance and guidelines for service;
- (11) the City shall have the right at all times to inspect the facilities, service and equipment used by the franchisee and to order compliance with operational requirements and performance standards set forth in the agreement;
- (12) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;
- (13) the franchisee shall be required to maintain complete and accurate books of account and records in compliance with any and all specific requirements for recordkeeping as shall be established by DOT. Such books and records shall be made available on demand to the City for inspection;
- (14) the franchisee shall be required to maintain an office in the City of New York;
- (15) there shall be provisions containing the agreements required, pursuant to Paragraph 6 of Subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;
- (16) there shall be provisions requiring the franchisee to comply with applicable City laws, regulations and policies related to, but not limited to employment and investigation;

- (17) there shall be provisions requiring the franchisee to comply with all applicable Federal, State, and Local laws whatsoever, including those relating to accessibility for persons with disabilities;
- (18) there shall be provisions to restrict the subcontracting, assignment or other transfer of the franchise or portions thereof, without the prior written consent of the City and provisions to restrict changes in control of the carrier without the prior written consent of the City;
- (19) the franchisee, with the exception of public transportation authorities, shall submit to the City's Procurement and Sourcing Solutions Portal (PASSPort) review;
- (20) the franchisee shall obtain all necessary authorizations, licenses, and/or permits from and comply with all applicable provisions of the New York State Vehicle and Traffic Law, and all applicable rules of the New York State Department of Motor Vehicles, the New York State Department of Transportation and any other governmental body having jurisdiction over bus operations;
- (21) the franchisee shall at all times maintain on file with DOT a complete, accurate, and current schedule of service, which will constitute an appendix to the agreement(s) and shall be fully part of the agreement(s);
- (22) for Bus Service, pursuant to this Authorizing Resolution, written notification shall be given to the Commissioner not less than thirty days prior to any modification of the weekly scheduled vehicle revenue miles or change to the span of service of any route, provided, however, that the Commissioner may waive such notice requirement in the case of special events or other short-term contingencies where he/she deems it in the public interest to do so. Any changes in the number of weekly scheduled vehicle revenue miles on any route that **exceed** twenty-five percent (25%) or changes in the span of service of greater than four hours of any given route, either cumulatively within a three year period or singly, must receive the prior written approval of the Commissioner, a copy of which shall be sent to the FCRC;
- (23) there may be provisions for free reciprocal transfer privileges between routes operated by the franchisee and intersecting surface routes of the Metropolitan Transportation Authority New York City Transit ("MTA NYCT"), the Manhattan and Bronx Surface Transit Operating Authority ("MABSTOA"), and the MTA Bus Company (together "the Operators"), and in addition with the franchisee's own intersecting routes. To the extent that such reciprocal transfer privileges require the agreement of the Operators, the franchisee shall take all reasonable steps to obtain such agreement and DOT shall assist the franchisee in obtaining such agreement.

SEVENTH, the streets comprising the route over which franchised Bus Service will be provided shall be described in the RFP and included in the franchise agreement. All changes to the routes or those streets must receive the prior written approval of the Commissioner before such change may be implemented. Where such changes to that route or those streets, either cumulatively within a three year period or singly, represent twenty-five percent (25%) or less of the total mileage of the route, a copy of the Commissioner's approval shall be sent to the FCRC for its information; where such changes to that route or those streets, either cumulatively within a three year period or singly, represent more than twenty-five percent (25%) of the total mileage of the route the written approval of the Commissioner shall be submitted to the FCRC for its additional approval prior to the implementation thereof.

And be it further RESOLVED, that DOT shall file with the Council the following documents:

- (1) within fifteen (15) days of issuance, a copy of each RFP issued, pursuant to this Resolution;
- (2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for any franchise granted, pursuant to this Resolution;
- (3) within fifteen (15) days of approval by the Commissioner or the FCRC, a copy of any amendments to any franchise granted, pursuant to this Resolution; and

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
