The Honorable Michael R. Bloomberg

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N. Y. 10007

September 2004

Dear Friends:

New York City is "The World's Second Home" — home to people from all countries, and home to the diplomatic community including the United Nations, 191 Permanent Mission to the United Nations, and Consulates General from 105 countries. Our ties with the international community are as strong as ever. Once again, overseas visitors are coming here in record numbers.

In 2004, New York's global involvement was demonstrated by the warm and enthusiastic reception extended by thousands of New Yorkers lining the streets in all five boroughs during the first-ever global Olympic Torch Relay in honor of the ATHENS 2004 Olympics. Torchbearers were also welcomed by our City's diplomatic community at a moving ceremony at the United Nations that highlighted the Olympic Truce.

This special occasion was a wonderful tribute to our City's special and important relationship to the diplomatic community. The publication of this directory is another effort by the Office of the Mayor to support the diplomatic and protocol communities and to acknowledge their significance. I hope you find the National Protocol Directory 2005 helpful.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg".

LENI LIFTIN
DIRECTOR OF PROTOCOL

September 2004

Dear Friends:

It is New York City's privilege to host the largest diplomatic community in the world. With the support of Mayor Michael R. Bloomberg, the City has had the honor hosting some of the world's greatest leaders as well as an increasing number of international visitors.

The Mayor's Office for Protocol, a division of the New York City Commission for the United Nations, Consular Corps and Protocol, has put together the 2005 edition of the National Protocol Directory. I hope it will serve as a valuable tool for members of the diplomatic community, government agencies, and individual citizens throughout the United States.

Sincerely

Marjorie B. Tiven

PREFACE

The **National Protocol Directory 2005** is prepared by the Office for Protocol of the *New York City Commission for the United Nations, Consular Corps, and Protocol*. It includes listings of United States Government offices, protocol offices throughout the fifty states and territories, United Nations missions, embassies, and consulates.

Great effort was made through telephone calls and correspondence to keep the listings in the *Directory* accurate and current. Changes of which we were not informed or that may have occurred after printing will not be noted.

All communications should be directed to this office, the address of which is found on the Update and Order Forms in the back of this book.

For additional information, please visit our homepage on the New York City website at www.nyc.gov/international. In addition, dial **311**, the Citizen Service Center, for responses to inquiries in over 170 languages.
