## TO CONTRACTORS.

SEALED BIDS OR ESTIMATES FOR FURNISH-  
ing and laying Submarine Telegraph Cables, will be  
received by the Board of Commissioners of the Depart-  
ment of Public Charities and Correction, at the office of  
said Department, No. 66 Third Avenue, New York City,  
until 9 o'clock A. M. of December 15, 1880. The person  
or persons making any bid or estimate shall furnish the  
same in a sealed envelope, which envelope shall be  
indorsed with the name or names of the person or persons  
presenting the same, the date of its presentation, and a  
statement of the work to which it relates, to the head  
of said Department, at said office, on or before the day  
and hour above named, at which time and place the bids  
or estimates received will be publicly opened by the head  
of said Department. No bid or estimate will be ac-  
cepted from, or contract awarded to, any person who  
is in arrears to the Corporation upon debt or contract, or  
who is a defaulter, as surety or otherwise, upon any obli-  
gation to the Corporation.

The contract, if awarded, will be awarded as soon as  
practicable after the opening of the bids, to the bidder  
whose proposal or bid, considering the price, quality, and  
durability of the Cables which he offers to lay, will, in the  
opinion of the said Department, be most advantageous to  
the city. But the Department will reject all bids or es-  
timates received if it shall deem it for the interest of the  
city to do so, and may readvertise until a satisfactory pro-  
posal or estimate shall be received. And the contract,  
when awarded, will be awarded to the lowest bidder for  
the particular kind of Cable which is or shall be adopted  
by the said Department. The entire work to be com-  
pleted within thirty (30) days after award of contract.

The following is a statement, as near as is possible, in  
advance of the quantity and quality of the supplies and  
nature and extent of the work required, to wit:

Three Submarine Telegraph Cables to be furnished and  
laid, in all about 2,500 feet in length, viz.:  
From at or near the foot of East Fifty-sixth street, New  
York, to Blackwell's Island, about 1,250 feet;  
From at or near the foot of East One Hundred and  
Twenty-second street, New York, to Randall's Island,  
about 650 feet; and  
From Randall's Island across Little Hell Gate to  
Ward's Island, about 600 feet.

The Cables are to be Submarine Cables of three con-  
ducting wires, each consisting of not less than four No. 19  
Copper Wires twisted. The insulation to be not less than  
nine thirty-seconds of an inch in diameter, with bedding  
of woven burlap and hemp, tarred, and armor to be of  
not less than fifteen No. 5 Galvanized Iron Wires, spirally  
laid. The weight of the cables to be about 8,200 pounds  
to the mile.

The Cables to be furnished with proper and sufficient  
cable boxes, posts, connections with the land lines, light-  
ning arresters, keys, and sounders.

The amount in which security is required for the  
performance of the contract is Two Thousand Dollars.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; and the names of all persons interested with him or them  
therein; and if no other person be so interested, it shall  
distinctly state that fact; also that it is made without any  
connection with any other person making an estimate for the  
same purpose, and is in all respects fair and without  
collusion or fraud; and that no member of the Common  
Council, head of a Department, Chief of a Bureau,  
Deputy thereof or Clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein, or  
in the supplies or work to which it relates, or in any por-  
tion of the profits thereof. The bid or estimate must be  
verified by the oath, in writing, of the party or parties  
making the estimate, that the several matters stated  
therein are in all respects true. Where more than one  
person is interested, it is requisite that the verification be  
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse to  
execute the same, they will pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion and that which the Corporation may be  
obliged to pay to the person or persons to whom the con-  
tract shall be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work by which the bids are tested. The  
consent above mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons sign-  
ing the same that he is a householder or freeholder in the  
City of New York, and is worth the amount of the security  
required for the completion of the contract over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, or otherwise; and that he  
has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 27 of  
chapter 8 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be ap-  
proved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept to contract within  
forty-eight (48) hours after written notice that the same  
has been awarded to his or their bid or proposal, or if he  
or they accept but do not execute the contract and give  
the proper security, he or they shall be considered as  
having abandoned it and as in default to the Corporation,  
and the contract will be readvertised and relet as pro-  
vided by law.

Bidders are cautioned to examine the specifications for  
particulars of the work, etc., required, before making their  
estimates.

Bidders will state a price per linear foot for furnishing  
and laying in all respects completing Cables, by which  
the price the bids will be tested. This price is to include the  
furnishing, setting, and placing of all the cable-boxes, the  
posts, therefore, the lightning arresters, the keys and  
sounders, the connections with the land lines, and all the  
latest improvements.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Compt-  
roller, issued on the completion of the contract.

The form of the agreement, including specifications, will  
be furnished at the office of the Department.

The Police Department reserves the right to reject any or all estimates not deemed beneficial or satisfactory.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of twenty thousand dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the profits or work to which it relates, or in any portion of the supplies thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within forty-eight (48) hours after written notice that the same has been awarded to his or her bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Plans may be examined and specifications and blank proposals obtained by application to the undersigned, at his office in the Central Department, on and after the 1st day of December, 1880.

S. C. HAWLEY,

## JURORS.

NOTICE  
IN RELATION TO JURORS FOR  
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, July 1, 1880.

**APPLICATIONS FOR EXEMPTIONS WILL BE**  
heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,  
County Court-house (Chambers street entrance).
