NEW YORK, SATURDAY, JUNE 26, 1875.

NUMBER 616.

EXECUTIVE DEPARTMENT.

[Communication.]

EXECUTIVE DEPARTMENT, CITY HALL,
NEW YORK, June 25, 1875.

Hon. HENRY G. STEBBINS,

President Department of Public Parks:

SIR—My attention has been called to the fact that proceedings have been instituted to have Commissioners of Estimate and Assessment appointed by the Supreme Court, on Monday next, in the matter of a parade ground in the upper part of the island.

I am surprised at this information, and had supposed that, after our conference on the subject in April last, the Department of Public Parks had decided that such proceedings should not be prosecuted.

I do not consider that there is any necessity or justification at this time for the large expenditure which would be required if these proceedings are continued. And I recommend that such steps be taken as will cause them to be withdrawn.

Very respectfully,
WM. H. WICKHAM,
Mayor.

BOARD OF ESTIMATE AND APPORTIONMENT.

BOARD OF ESTIMATE AND APPORTIONMENT,

NEW YORK, June 23, 1875.

JOHN WHEELER, Esq., Secretary, etc.:

SIR—At a meeting of the Board of Health, held on the 22d inst., the following preamble and resolution were adopted:

Whereas, The efforts of this Board to reduce the amount of small-pox, by sending a large force of Vaccinators into the districts in which the disease prevails, has been successful in preventing such a marked increase of the disease as was dreaded, but has not as yet controlled the epidemic force of the disease;

BOARD OF TRUSTEES OF
THE NEW YORK AND BROOKLYN BRIDGE,
June 19, 1875.

To the Honorable WM. H. WICKHAM, Mayor, and
ANDREW H. GREEN, Comptroller of the City of New York:

GENTLEMEN—I have the honor to transmit to you a copy of a resolution adopted by this Board on the ninth instant, in pursuance of the powers conferred by the act of the Legislature organizing this Board.

As the greater portion of the sum called for will be necessary to repay moneys borrowed on the resumption of the work on the bridge this spring, and to meet the certificates of indebtedness given to private stockholders on the retirement of their stock, the whole amount is desirable at once, and a considerable portion is absolutely required at least by the first of July next.

Respectfully yours,
HENRY C. MURPHY,
President.

At a meeting of the Board of Trustees of the New York and Brooklyn Bridge, held at their office on the 9th day of June, 1875—

"On motion of Mr. Turnure, it was resolved, that this Board make a requisition on the City of Brooklyn for the sum of one million dollars, and on the City of New York for five hundred thousand dollars."

(A true copy from the minutes.)

O. P. QUINTARD,
