Each estimate must contain the name and place of
 residence of the person making the same, the names of
 all persons interested with him therein, and if no other
 person be so interested it shall distinctly state that fact.
 That it is made without any connection with any other
 person making an estimate for the same work, and is in
 all respects fair and without collusion or fraud. That no
 member of the Common Council, head of a department,
 chief of a bureau, deputy thereof, or clerk therein, or
 her officer of the Corporation, is directly or indirectly
 interested in the estimate or in the work to which it
 relates or in the profits thereof.

Each bid or estimate must be verified by the oath, in
 writing, of the party making the same, that the several
 matters therein stated are true, and must be accompa-
 nied by the consent, in writing, of two householders or
 freeholders in the City of New York, to the effect that
 if the contract is awarded to the person making the
 estimate, they will, upon its being so awarded, become
 bound as his sureties for its faithful performance; and
 that if he shall refuse or neglect to execute the same,
 they will pay to the Corporation any difference between
 the sum to which he would be entitled upon its comple-
 tion, and that which the Corporation may be obliged to
 pay to the person to whom the contract shall be awarded
 at any subsequent letting; the amount to be calculated
 upon the estimated amount of the work by which the
 bids are tested.

The consent last above mentioned must be accom-
 panied by the oath or affirmation, in writing, of each of
 the persons signing the same, that he is a householder
 or freeholder in the City of New York, and is worth the
 amount of the security required for the completion of
 the contract, over and above all his debts of every
 nature, and over and above his liabilities as bail, surety,
 or otherwise, and that he has offered himself as surety,
 in good faith, with the intention to execute the bond
 required by law.

No estimate will be considered unless accompa-
 nied by either a certified check upon one of the
 State or National banks of the City of New York,
 drawn to the order of the Comptroller, or money to the
 amount of five per centum of the amount of the security
 required for the faithful performance of the contract.
 Such check or money must not be inclosed in a sealed
 envelope containing the estimate, but must be handed
 to the officer or clerk of the Department who has
 charge of the estimate-box, and no estimate can be
 deposited in said box until such check or money has
 been examined by said officer or clerk and found to be
 correct. All such deposits, except that of the successful
 bidder, will be returned to the persons making the same,
 within three days after the contract is awarded. If the
 successful bidder shall refuse or neglect, within five days
 after notice that the contract has been awarded to him,
 to execute the same, the amount of the deposit made
 by him shall be forfeited to and retained by the
 City of New York as liquidated damages for such neglect
 or refusal; but if he shall execute the contract within
 the time aforesaid, the amount of his deposit will be
 returned to him.

The Commissioner of Street Improvements of the
 Twenty-third and Twenty-fourth Wards reserves the
 right to reject all bids received for any particular work
 if he deems it for the best interests of the City.

 OFFICE, NEW YORK, December 26, 1895.

**NOTICE TO TENANTS AND PROPERTY HOLD-
 ERS IN REGARD TO REMOVAL OF SNOW.**

ATTENTION IS CALLED TO THE PROVIS-
 ions of an act passed by the Legislature of this
 State on April 1st, 1895, as follows:

CHAPTER 201.
 "AN ACT to provide for the assessment and collection
 of the expense of removal of snow and ice from the
 sidewalks of public streets and avenues in the City of
 New York."

The People of the State of New York, represented in
 Senate and Assembly, do enact as follows:

Section 1. Whenever any owner, lessee, tenant, or
 occupant or person having charge of any building or
 lot of ground in the City of New York shall fail to
 comply with the provisions of any ordinance of the
 said city for the removal of snow and ice from the
 sidewalk or gutter in the street, on the side of the
 street on which the said building or lot fronts, the
 Commissioner of Public Works of the said city shall
 cause such removal to be made, and thereupon the
 expense of such removal as to each particular lot of
 ground shall be ascertained and certified by the
 said Commissioner of Public Works to the Comptroller
 of the said city, who shall pay the same in the same
 manner as the expense of removing snow from the
 streets of the city is paid; and immediately after the
 making of the payment of such expense so certified
 to him, the said Comptroller shall make and deliver a
 certificate thereof to the Board of Aldermen of the said
 city, and the said amounts so certified shall, by the
 said Board of Aldermen, annually be added to and made
 to form a part of the annual taxes of the next ensuing
 fiscal year against the lots against which the said
 amounts shall be so certified respectively, and the same
 shall be collected in and with and as part of the annual
 taxes for such fiscal year, for or during which the same
 shall have been so incurred and certified.

Section 2. This act shall not be regarded as inter-
 fering with the owner of any lots throwing into the
 roadway of the streets or avenues any snow or ice
 which may be removed from the sidewalk or gutter
 directly in front of such lot.

Section 3. The term lot, as used in this act, shall
 include a space not to exceed twenty-five feet in width
 fronting the street, avenue or lane upon which the
 violation is charged to have been committed or omitted.

Section 4. This act shall take effect on the first day of
 November, eighteen hundred and ninety-five.

The City Ordinance to which the above statute applies
 reads as follows:

"Section 669. Every owner, lessee, tenant, occupant
 or person having charge of any building or lot of ground
 in the city of New York shall, within eight hours after the
 fall of any snow, and within eight hours after the form-
 ing of any ice on the sidewalk or in the gutter in front
 of any such building or lot, remove, or cause the same
 to be removed, from such sidewalk or gutter, under the
 penalty of three dollars for every such neglect, to be
 paid by the said owner, lessee, tenant, occupant or
 person having charge severally and respectively; but
 where said snow falls or ice forms between the hours
 of eight o'clock in the evening and five o'clock in the
 morning, this ordinance will be complied with by re-
 moving, or causing the same to be removed, before nine
 o'clock of the morning succeeding its fall or forma-
 tion."

It becomes my duty to give notice that the provisions
 of the foregoing statute will be rigidly enforced in all
 cases where the City Ordinance is not complied with.

 W.

awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

The Coal to be of good quality, and the quantity that will be required will be about Five Hundred (500) Tons of White Ash Coal, to be well screened and in good order, each ton to be 2,240 pounds, in accordance with the specifications attached to and which form a part of the contract aforesaid.

Delivery to be made at the Willard Parker and Reception Hospitals, near the foot of East Sixteenth street, at the time required by the Board of Health; any changes in the time or place of delivery, however, may be made, in writing, by the Board of Health.

The above quantity is estimated and approximated only and bidders are notified that the Board of Health reserves the right to increase or diminish said quantities by an amount not exceeding fifteen per cent. of the estimated quantities, and the contractor will be paid therefor only at the rate or price named in the contract, and that in case the above-named quantity shall not be required by the Department, no allowance will be made for any real or supposed damage or loss of profit.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal sum of 1,200 dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters therein stated are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Bidders will be required to furnish testimonials that they are engaged in the coal business in the City of New York, and have the plant necessary to carry out promptly and regularly the contract, if it be awarded, to the entire satisfaction of the Board of Health, and must furnish an undertaking for the faithful performance of all the provisions thereof in the manner provided by law, executed by two householders or freeholders of the City of New York, each justifying in the penal sum of 1,200 dollars, and agreeing that if he shall omit or refuse to execute the said contract they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or estimate, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are cautioned to examine the form of contract and the specifications for particulars before making their estimates. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment for the Coal will be made by requisition on the Comptroller, and as more specifically and particularly is set forth in the contract form.

Bidders are informed that no deviation from the contract and specifications will be allowed, unless under the written instruction of the Board of Health.

The form of the agreement, including specifications, showing the manner of payment, will be furnished at the office of the Department, Criminal Court Building, Centre, White, Elm and Franklin streets.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in a well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York,

drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or their bid or proposal, or if he or they accept but do not execute the contract, and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

The quality of the merchandise must conform in every respect to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commission may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner of the Department of Correction will insist upon its absolute enforcement in every particular.
