R3-2, R4, R4B, R5, R6, R7, R8, R9 and R10 - General Residence Districts

These districts are designed to provide for all types of residential buildings, in order to permit a broad range of housing types, with appropriate standards for each district on density, open space, and spacing of buildings. However, R4B Districts are limited to single- or two-family dwellings, and zero lot line buildings are not permitted in R3-2, R4 (except R4-1 and R4B), and R5 (except R5B) Districts. The various districts are mapped in relation to a desirable future residential density pattern, with emphasis on accessibility to transportation facilities and to various community facilities, and upon the character of existing development. These districts also include community facilities and open uses which serve the residents of these districts or benefit from a residential environment.

R7-3 and R9-1 Districts may be mapped only as specified in this paragraph. Such districts may be mapped within the waterfront area and in the Special Mixed Use Districts, and, in addition, R7-3 Districts may be mapped in the Special Long Island City Mixed Use District, and R9-1 Districts may be mapped in Mandatory Inclusionary Housing areas.

With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should

frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

AGENCY RULES

FINANCE

■ NOTICE

NOTICE OF RULE MAKING

Pursuant to the power vested in me as Commissioner of Finance by New York State General Municipal Law Section 99-m and Sections 1043 and 1504 of the New York City Charter, I hereby promulgate rules to waive the deposit fees for cash bail or a partially secured bail bond. This rule was published in the proposed form on November 17, 2017. A hearing for public comment was held on December 21, 2017.

S/S

Jacques Jiha, Commissioner of Finance

Statement of Basis and Purpose of Rule

Currently, when a criminal defendant pleads guilty or is convicted, the Department of Finance (DOF) returns to the person who originally deposited the bail only 97% of the money deposited for the defendant's cash bail or a partially secured bail bond. Two percent of the bail payment is transferred to New York City's general fund, and one per cent is deposited as an additional credit to the New York City alternatives to incarceration service plan. Section 99-m of the General Municipal Law provides that the City is "entitled" to this three percent fee but does not require that the City collect it. Recent amendments to Section 1504 of the New York City Charter authorize DOF to waive this fee after considering: 1) the budgetary impact; 2) the purpose of orders of bail; and 3) the equitable administration of justice.

The Department considered the above factors and found:

- Budgetary impact.** The bail fee applies in about 60% of instances in which cash bail or a partially secured bail bond is deposited and the fee waiver proposed in this rule would result in a loss of about \$650,000 in revenue intended for the City's general fund and the alternatives to incarceration plan, according to the Mayor's Office of Management and Budget.
- The purpose of orders of bail.** The primary purpose of orders of bail is to secure the defendant's attendance in court. The three percent fee is charged when a defendant appears in court, and either pleads guilty or is convicted. The total deposit, which would include the fee, is forfeited if the defendant does not appear. No fee is charged, as the full deposit is returned, if the criminal charges are resolved in favor of the defendant. The fee should thus not affect whether or not defendants appear in court.
- The equitable administration of justice.** This fee has a disproportionate impact on people with fewer assets, who are least able to afford it.

Based on the above findings, DOF has determined that the small loss in revenue is far outweighed by the benefits of reducing the

cost burden on those who can least afford it. It has therefore been determined that the 3% fee to which the City is entitled under Section 99-M of the General Municipal Law should be waived.

Matter underlined is new. Matter in [brackets] is to be deleted.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

Rule Amendment

Section 1. Subdivision (a) of Section 8-06 of Chapter 8 of Title 19 of the Rules of the City of New York is amended to read as follows:

(a) The Commissioner of Finance is entitled, for services, to the following fees:

- For each certificate of deposit-\$1
- Upon moneys paid out of court-2% except as set forth in subdivision (c)
- Upon moneys invested-1/2 of 1%
- Upon securities deposited in court and received by the Commissioner-2 percent of the par value of the securities
- Upon investments transferred or assigned out of court by the Commissioner, when the investments have been made by the Commissioner-2 percent of the par value of the investments.

§ 2. Section 8-06 of Chapter 8 of Title 19 of the Rules of the City of New York is amended by adding a new subdivision (c) to read as follows:

(c) The Department waives the fees to which the Commissioner is entitled pursuant to subdivisions 1, 3 and 4 of Section 99-m of the general municipal law.
