BOARD OF ESTIMATE AND APPORTIONMENT.

BOARD OF ESTIMATE AND APPORTIONMENT—CITY OF NEW YORK, MAYOR'S OFFICE, CITY HALL, SATURDAY, October 30, 1880, 11 o'clock A. M.

The Board met in pursuance of an adjournment.
Present—All the members, viz.:

Edward Cooper, the Mayor of the City of New York; John Kelly, the Comptroller of the City of New York; John J. Morris, the President of the Board of Aldermen; John Wheeler, the President of the Department of Taxes and Assessments.

On motion, the reading of the minutes of the meeting held October 29, 1880, was dispensed with.

On motion, the Board proceeded to the consideration of the Departmental Estimates for the year 1881.

Messrs. Wenman and Lane, Commissioners of the Department of Public Parks, appeared before the Board and submitted a modified estimate for the said Department, and made statements relative thereto.

Professor Chandler, President of the Health Department, appeared before the Board, and made a statement in relation to the estimate of the said Department.

On motion, the Board took a recess for half an hour.

The Board reassembled at 3 o'clock P. M.

Present—All the members.

The Chairman presented the following communication:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, October 30, 1880.

To the Honorable the Board of Apportionment:

GENTLEMEN—My attention has been called to the estimates of the Law Department, by his Honor the Mayor, in relation to the application thereto of the provisions of section 3 of chapter 521 of the Laws of 1880.

Upon examination of the estimate for salaries of the clerks, assistants and messengers, in that portion of the Department which is under my personal charge, it will be seen that the aggregate sum required is ten per cent. less than the aggregate amount paid for the salaries and compensation of such persons during the year 1880.

The estimates of the Corporation Attorney and Public Administrator, for the expenses of their respective bureaus, were submitted separately, and are subject to the application of the same statutory provision requiring a reduction thereof, to a sum at least ten per centum less than the aggregate amount paid for the salaries and compensation in such bureaus during the present year.

I am also asked to advise as to whether the Attorney for the Collection of Personal Taxes is an officer of the Law Department or of the Finance Department.

Under the law, chapter 334 of the Laws of 1867, the Attorney for the Collection of Arrears of Personal Taxes was made the Chief Officer of a Bureau in the Finance Department.

Under the present Charter the Counsel to the Corporation is authorized to appoint the attorney (section 36, Charter of 1873). In the case of Gale vs. The Mayor, 8 Hun., 370, the effect of this provision in the Charter of 1873 was considered, and the General Term of this district held that it had the effect of transferring the Bureau to the Law Department.

I am, sir, yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

Which was ordered to be printed in the minutes.

The Chairman presented the following communication:

THE WESTERN UNION TELEGRAPH COMPANY.

EVERETT HOUSE, October 30, 1880.

To Hon. EDWARD COOPER, Mayor and Chairman Board of Estimate and Apportionment, City Hall, N. Y.:

Documents and figures presented to you by Commissioner Lane are of his own making and have never received the approval of our Board. Please have matter postponed so as to allow us to take proper action. A special meeting will be held by us for that purpose.

SAMUEL CONOVER, Treasurer D. P. P.

Which was ordered to be printed in the minutes.

On motion, the Board took a recess for half an hour.

The Board reassembled at 9 o'clock P. M.

Present, all the members.

The Chairman moved that the sum of \$1,000,000 be inserted in the Budget for the coming year, to be applied on the interest and debt of the city.

N. B.—As the above mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

(1.) Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of their estimate, dispute or complain of such Engineer's estimate, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the several classes of the work before enumerated which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

All the old material taken from said old embankment and old platform, between Forty-ninth street and Fifty-first street, East river, to be removed under this contract, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the prices for which they will do the several classes of work under the contract and as affected thereby.

The work to be done under the contract is to be commenced within five days after the date thereof, and all the work to be done under the contract is to be fully completed on or before the 20th day of April, 1881; and the damages to be paid by the contractor for each day

that the contract, or any part thereof, may be unfulfilled, after the time fixed for the fulfillment thereof has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates the price for each separate class above specified of the work to be done, in conformity with the approved form of contract and specifications therein set forth, by which the bids will be tested. These prices are to cover the expenses of furnishing all the necessary materials and labor, and the performance of all the work set forth in the annexed agreement.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to him or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the same is ready for execution, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, and over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 574, Laws of 1871, and by section 27 of chapter VIII, of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered are to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable jurors, and equalize the duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prose cuted.
