BOARD OF ARMORY COMMISSIONERS.

MAYOR'S OFFICE, CITY HALL, NEW YORK CITY, September 29, 1887.

A meeting of the Armory Board was held this day, at 2 P.M., at the office of his Honor Mayor Hewitt.

Present—Ac Assessments, the Fitzgerald. Acting Mayor H. R. Beekman, The President of the Department of Taxes and the Commissioner of the Public Works Department, and Brigadier-General Louis

Fitzgerald. No bids were received for the iron work of the Eighth Regiment Armory as advertised for. The Board decided to reject the bids of Moran & Armstrong, of Thomas Overington, of George Cody and of Baker, Smith & Co. for work on the same building, and the Secretary was directed to so notify the Comptroller, that their deposits may be returned to them. The construction of the armory was then referred to the Committee on Flans to revise the plans and specification, and if possible reduce the expense of the building so as to come within the limit of the appropriation.

A communication was received and read from the Corporation Counsel, and ordered on file :

LAW DEPARTMENT, OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, September 24, 1887.

Hon. MICHAEL COLEMAN, Secretary of the Armory Board :

SIR-I have received your letter of the 17th instant, enclosing the resolution of your Board asking my opinion whether "under the law this Board must supply each regiment of the N.G. S. N.Y. in this city, with an armory, or whether there is any lawful impediment to assigning more than one regiment to an armory."

In this city, with an armory, or whether there is any lawful impediment to assigning more than one regiment to an armory." I. The power of the Armory Board is derived from the amendment to section 62 of the Military Code, embodied in chapter 487 of the Laws of 1886, as follows: "In the City and County of New York the demands of commandants of regiments, battalions, batteries or troops for suitable armores, or for alterations, enlargements and furnishing of armores, as hereinbefore provided, shall be made to a board hereby created, consisting of the Mayor, the two senior ranking officers of the National Guard in said city and county, the President of the Depart. Taxes and Assessments and the Commissioner of Public Works, who shall consider such applications, and if they approve shall make their recommendations to the Commissioners of the Sinking Fund, who, if they concur in such recommendations, shall specify the sums to be appropriated for such purchase, rental, erection, enlargement, alteration or furnishing of armores, including suitable accommodations for division and brigade headquarters, which sum shall be inserted by the Computoller in his departmental estimate." It follows, therefore, that the power to approve or disapprove the demand of commandants of regiments is vested in your Board, and it is authorized to excise a legal discretion in relation thereto. 2. I find nothing in the Military Code, or in the act, chapter 330 of the Laws of 1887, in relation to the acquisition of armory sites, or any other statute, which provides that a separate building must be supplied for each regiment.

I remain, yours respectfully, MORGAN J. O'BRIEN, Counsel to the Corporation.

A communication was received and read from Chauncey B. Ripley, Esq., in owner of the premises No. 129 West Sixty-first street, adjoining the Twelfth Reg-Which was referred to the Commissioner of the Public Works Department. in behalf of the A communication was received from Colonel G. D. Scott, of the Eighth Regiment, enclosing correspondence in relation to cleaning, repairing, calcimining, etc., the armory of that organization :

NEW YORK, September 28, 1887.

M. COLEMAN, Esq., Secretary Armory Board :

SIR-In complance with instructions from General Newton, Commissioner of Public Works, I directed my Adjutant (J. O. Johnston) to address a letter to W. D. F. Manice, owner of the armory occupied by the Eighth Regiment, asking him to calcimine the drill-rooms, etc., and to put the water-closets in a sanitary condition. I enclose his reply, marked "A," from which you can see we have nothing to expect from him. Under these circumstances, I respectfully appeal to the Armory Board to take immediate action in the matter.

Very respectfully yours, etc., GEORGE D. SCOTT, Colonel Eighth Regiment.

"A."

No. 55 WILLIAM ST., NEW YORK, September 23, 1887. I. O. JOHNSTON, Esg., Adjutant :

J. O. JOHNSTON, Esq., Adjutant : DEAR SIR-I have received your communication of the 20th instant, informing me that you are directed by Colonel George D. Scott, commanding Eighth Regiment, and occupying the armory comer Thirty-fifth street and Broadway, to call my attention to certain repairs alleged to be neces-sary to be done to the building. In answer, I would say that I have not undertaken, nor am I under any obligation as landlord, to do the repairs mentioned by you, nor have I during the many years the premises have been leased to the City for an armory ever done or been requested to do such repairs, except that I have, in my own interest only, at times caused some repairs to be done to and alterations made in the plumbing. This was reported to me to be in good order in May last. Recently also I have directed my plumber to make some trifling repairs, and since receiving your communication I have directed him to examine and report to me what requisit, if any, may be needed. Permit me to say that more than ordinary care of the closets is requisite, where they are used by so many. They are properly constructed, and it has heretofore been because of the neglect of such care of them that any repairs have become necessary.

Construction and exercises of the repairing of armories, including water-closets, etc. The Military Code, section 62, provides for the repairing of armories, including water-closets, etc. Yours truly, W. D. F. MANICE.

The Secretary was directed to write to the owner asking him to attend to the repairs, in con-formity with the terms of the lease, and enclose him a list of such repairs, the list to be obtained from Colonel Scott.
