### Calendar Item 1 — NYPD Evidence Storage Erie Basin (180256 PQQ)

An application submitted by the New York City Police Department (NYPD), pursuant to Section 197-c of the New York City Charter, for site selection and acquisition of a 937,034 square-foot (sq. ft.) property, located at 700 Columbia Street in the Red Hook neighborhood of Brooklyn Community District 6 (CD 6). Applications submitted by PHD Summit LLC for zoning map and text amendments to a portion of a block on the north side of Summit Street between Columbia Street and Hamilton Avenue, in the Columbia Street Waterfront District neighborhood of CD 6. The amendments

would modify the M1-1/R6B district boundary line to place five lots within the R6B zoning district and establish a Mandatory Inclusionary Housing (MIH) area coterminous with the rezoning area. Such actions would facilitate the development of two residential buildings, with one at nine stories and another at six stories, together providing 122 units, of which approximately 31 would be offered as affordable housing. Units, pursuant to MIH would be required to be permanently affordable. The development would provide 46 enclosed and unenclosed parking spaces.

Compete To Win More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and

NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)

**What authorizes Department of Finance to make this rule?** New York State Vehicle and Traffic Law Section 237, Section 19-203 of the Administrative Code of the City of New York, and New York City Charter (“Charter”) Sections 1043 and 1504 authorize the Department to make this proposed rule. This proposed rule was not included in the Department’s regulatory agenda for this Fiscal Year because it was not contemplated when the Department published the agenda.

**What laws govern the rulemaking process?** The Department must meet the requirements of Section 1043 of the Charter when creating or amending rules. This notice is made according to the requirements of Section 1043 of the Charter.

**STATEMENT OF BASIS AND PURPOSE**

Section 19-203(b) of the Administrative Code of the City of New York allows the Department to provide for penalties, other than imprisonment, for parking violations. The Department’s rule in 19 RCNY § 39-05 (“Rule 39-05”) codifies all fines pertaining to parking violations in violation of 34 RCNY § 4-08. The Department adjudicates and then collects and processes these fines, remitting the fines to the Commissioner. The Department cannot collect and process a fine without that fine being specified in Rule 39-05.

This proposed rule is being amended to conform to the proposed rule amendments to 34 RCNY § 4-08 that are in the process of being enacted by DOT. The proposed rule amendments to 34 RCNY § 4-08 are being enacted by DOT to make clear that misuse and fraudulent use of agency authorized parking permits is a violation of DOT rules.

The Department’s authority for this rule is found in Section 237 of the New York State Vehicle and Traffic Law, Section 19-203 of the Administrative Code of the City of New York, and Sections 1043 and 1504 of the New York City Charter.

■ NOTICE

**Notice of Public Hearing and Opportunity to Comment on Proposed Rules**

**What are we proposing?** The Department of Housing Preservation and Development (“HPD”) proposes to repeal Section 18-03 of Chapter 18 of Title 28 of the Rules of the City of New York titled “Finder’s Fees.” This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor’s Office of Operations, working with the City’s rulemaking agencies, the Law Department, and the Office of Management and Budget.

**When and where is the hearing?** HPD has determined, pursuant to New York City Charter Section 1043(e), that a public hearing on the proposed rule would serve no public purpose.

**How do I comment on the proposed rules?** Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to HPD through the NYC rules website at <http://rules.cityofnewyork.us>.
- **Email.** You can email comments to [rules@hpd.nyc.gov](mailto:rules@hpd.nyc.gov).

- **Mail.** You can mail comments to Daniel Y. Shin, 100 Gold Street, Room 5-W6, New York, NY 10038.
- **Fax.** You can fax comments to HPD, (212) 863-8375, ATTN: Daniel Y. Shin.
- **Speaking at the hearing.** HPD has determined, pursuant to New York City Charter Section 1043(e), that a public hearing on the proposed rule would serve no public purpose.

**Is there a deadline to submit written comments?** All written comments must be submitted on or before May 11, 2018.

**Can I review the comments made on the proposed rules?** You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. A few days after the hearing, copies of all comments submitted online, copies of all written comments, and an audiotape of oral comments concerning the proposed rules will be available to the public at the Department of Housing Preservation and Development, 100 Gold Street, Office of Legal Affairs, New York, NY 10038.

**What authorizes HPD to make this rule?** Sections 1043 and 1802 of the City Charter and Section 26-301 of the Administrative Code of the City of New York authorize HPD to make these proposed rules. The proposed rule was included in HPD's regulatory agenda.

**Where can I find the HPD rules?** The HPD rules are in Title 28 of the Rules of the City of New York.

**What laws govern the rulemaking process?** HPD must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

**Statement of Basis and Purpose of Proposed Rule**

HPD provides relocation services to tenants whose buildings have been issued vacate orders. Section 18-03 of Chapter 18 of Title 28 of the Rules of the City of New York was adopted decades ago to establish procedures for providing "finder's fee" payments to persons or entities furnishing permanent accommodations to relocatees. HPD ceased using outside parties to identify available apartments for relocatees many years ago. Instead, HPD's own staff identifies such housing opportunities. Thus, this rule no longer serves any purpose, and it may be repealed.

This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget. The initiative identified rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance.

## LATE NOTICE

### HEALTH AND MENTAL HYGIENE

#### ■ NOTICE

#### NOTICE OF ADOPTION OF AMENDMENTS TO CHAPTERS 10 AND 13 OF TITLE 24 OF THE RULES OF THE CITY OF NEW YORK

In accordance with §1043(b) of the New York City Charter (the "Charter") and, pursuant to the authority granted to the Department of Health and Mental Hygiene (the "Department") by §556 of the Charter, a notice of intention to amend Title 24 of the Rules of the City of New York was published in the City Record on February 12, 2018, and a public hearing was held on March 14, 2018. After consideration of the testimony and written comments received, and to carry out the directives of Local Law 187, the Department now adopts the following amendments.

#### Statement of Basis and Purpose

##### Introduction

Smoking is a leading cause of preventable premature death in New York City, increasing the risks of lung cancer, heart disease, and many other health hazards. To counter this threat, in 1988 the City enacted the Smoke-Free Air Act (SFAA), which has been amended several times. The 2002 amendments restricted tobacco smoking in various indoor and outdoor public places. Despite the substantial progress in reducing both environmental smoke exposure and smoking, hookah smoking has been increasing in popularity as more establishments serve hookah, and its prevalence has been increasing, in particular, among the City's youth.

Hookah or water pipe smoking involves heating "shisha", which is typically composed of tobacco and/or other flavored or unflavored herbal substances, over burning charcoal, to create smoke that travels through a pipe immersed in cooling water, and that is inhaled by the smoker through a mouthpiece. Regardless of whether the shisha contains tobacco, hookah smoking poses significant health risks to smokers and nonsmokers, including employees, at establishments that serve hookah. Hookah smoking produces emissions from burning both charcoal and shisha. Burning charcoal creates health hazards by emitting carbon monoxide, fine particulate matter, and various toxicants. Burning shisha has also been shown to emit multiple harmful substances regardless of its tobacco content, including carbon monoxide, polycyclic aromatic hydrocarbons, fine particulate matter, tar, and volatile aldehydes.

While risks associated with non-tobacco hookah smoking are established, air quality in the City's hookah establishments is further compromised by evidence that many of them have been found to be serving shisha that contains tobacco. Tobacco-containing shisha has been shown to emit phenols, nicotine, and NNAL, a tobacco-specific nitrosamine. Therefore, patrons of hookah establishments may be smoking tobacco unwittingly, in addition to inhaling the harmful substances emitted by charcoal and shisha. To address these concerns, Local Law 187 of 2017 amended the SFAA to ban the smoking of non-tobacco shisha except at existing establishments that require a permit from the Department. Local Law 190 of 2017 also requires establishments that obtain a permit for serving non-tobacco shisha to post signage developed by the Department that warns of its risks. These proposed amendments implement these laws.

Furthermore, given the health risks posed by non-tobacco smoking, Local Law 191 increases the minimum age for legal sales to 21 years of age for non-tobacco smoking products, including shisha that does not contain tobacco, pipes, water pipes, rolling papers, and herbal cigarettes.

##### No Changes Made in Response to Comments Received by the Department

Approximately 20 people commented on the proposed rule at the public hearing held on March 14, 2018. Nearly all of the comments related to the requirement that an establishment generate at least 50% of its annual gross sales from the on-site sale of non-tobacco smoking products in order to obtain or renew a permit to operate as a non-tobacco hookah establishment. However, Local Law 187 already added this requirement to the Administrative Code:

To obtain and renew a permit issued pursuant to this section for a non-tobacco hookah establishment, a person shall demonstrate

that: 1. Such non-tobacco hookah establishment generated 50 percent or more of its total annual gross sales during the preceding calendar from the on-site sale of non-tobacco smoking products...

See Administrative Code § 17-513.5(g)(1). The Department does not have the authority to eliminate this requirement. Thus, no changes are being made to the definition of a non-tobacco hookah establishment in subdivision (bb) of Section 10-01 or to the requirement in Section 10-18 that a non-tobacco hookah establishment generated 50% or more of its total annual gross sales during the preceding calendar year from the on-site sale of non-tobacco smoking products in order to obtain a permit.

The Department has made two additional changes to the proposed rule to clarify their application.

Section 10-21(c) has been amended to provide that the required warning signs, which will be provided by the Department and will vary in content, must contain two of four possible warning statements.

Section 10-23(b) has been amended to provide that a person is responsible for expert costs incurred by the Department only in the event that the Department proves at a hearing that such person violated subdivision (a) of Section 17-508 of the New York City Administrative Code or subdivision 1 of Section 1399-s of the New York State Public Health Law.

##### Statutory Authority

The Department's authority for these rules is found in Section 1043 of the New York City Charter and Sections 17-513 and 17-706 of the New York City Administrative Code.
