Statement of Basis and Purpose of Proposed Rules

Administrative Code section 27-2056.4 provides that owners of multiple dwellings must annually inform tenants that they may request stove knob covers for gas stoves. Recent amendments to section 27-2056.4 by Local Law 44 of 2022, added that tenants may request either stove knob covers, or permanent stove safety knobs with integrated locking mechanisms.

Tenants must affirmatively request either device in writing to the owner after receiving the required annual notice. The owner does not have to provide either the stove knob covers or the permanent stove safety knobs if there is no such available device for the stove, if the owner has already fulfilled two requests for replacement of such devices within the previous year, or if the owner has not received a request for installation of such devices.

Owners must keep a record of providing the annual notice, written tenant responses, units for which devices were provided, and a list of requests for such devices. Owners must also document where requests were made for stove knob covers or permanent stove safety knobs with integrated locking mechanisms but not provided because there was no such available device for the stove.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section one. Section 55-01 of chapter 55 of title 28 of the rules of the city of New York is amended to read as follows:

§55-01 Records.

An owner must keep a record of the following documents for five years, and produce such documents upon request of the Department:

(1) a documented notification of refusal of stove knob covers tenants;]

(2) (1) documentation of annual notification to tenants [attempts] by the owner to make stove knob covers or permanent stove safety knobs with integrated locking mechanisms available for apartments [where the owner knows or reasonably should know that a child under age six resides, for which the tenant did not return the annual notice to the owner];

(3) (2) a list of units for which stove knob covers or permanent stove safety knobs with integrated locking mechanisms were made available;

(4) (3) a list of [tenants who requested] written requests received from units for stove knob covers or permanent stove safety knobs with integrated locking mechanisms and attempts to make them available.]

(5) (4) a list of units where, after written request by the tenant, stove knob covers or permanent stove safety knobs with integrated locking mechanisms could not be made available for the particular stove in the unit, with documented proof that compatible knob covers, or permanent stove safety knobs with integrated locking mechanisms for such stove are unavailable or that the stove was not a gas-powered stove.

§55-02 Annual Notice.

On or prior to [January 5, 2019, and every year, thereafter] January 16th annually, an owner of a unit in a multiple dwelling, other than a dwelling unit in a multiple dwelling owned as a condominium or cooperative and used as the primary residence of such owner, must provide an annual notice to each tenant of a unit with a gas-powered stove regarding the owner's obligation to provide stove knob covers or permanent stove safety knobs with integrated locking mechanisms pursuant to New York City Administrative Code section 27-2046.4(a). [Such notice may be combined with other annual notices required to be provided to tenants.] Such notice must provide the following information:

CONSUMER AND WORKER PROTECTION

■ NOTICE

Notice of Tobacco Retail Dealer License Lottery

Pursuant to Section 20-202 of the New York City Administrative Code and Section 2-13 of Title 6 of the Rules of the City of New York, the Department of Consumer and Worker Protection (DCWP) has conducted an annual review of Tobacco Retail Dealer licenses in each Community District to determine if the number of current licenses has fallen below the Community District cap. DCWP determined that four Community Districts have available licenses:

Community District	Available Licenses
Manhattan Community District 12	2
Bronx Community District 1	5
Bronx Community District 9	4
Brooklyn Community District 5	13

As set forth below, DCWP will begin accepting Lottery Application Forms for the available Tobacco Retail Dealer licenses in these Community Districts only.

Application Period:

DCWP will accept Lottery Application Forms from May 1, 2022 to May 31, 2022. Lottery Application Forms submitted after the Application Period will not be considered.

Lottery Application Form Submission Guidelines:

- DCWP will only accept the DCWP-approved Lottery Application Form, which is available online at nyc.gov/BusinessToolbox.
- All Lottery Application Forms must be completed and submitted by 5:00 P.M. on May 31, 2022.
- If the address where you operate your business is not within the Community Districts where there are available Tobacco Retail Dealer licenses, you cannot apply for the lottery.
 - o Visit, <https://communityprofiles.planning.nyc.gov>, to look up a Community District based on a business address.
- DCWP will accept only one Lottery Application Form per applicant per business address in a particular Community District.
- Submit your Lottery Application Form in ONE of the following ways only:
 - o Online, at nyc.gov/BusinessToolbox (recommended)
 - o In person by appointment* only at:

- DCWP Licensing Center, 42 Broadway, Lobby, New York, NY 10004 OR
 - NYC Small Business Support Center, 90-27 Sutphin Boulevard, 4th Floor, Jamaica, NY 11435
- *To schedule an appointment, email LicensingAppointments@dca.nyc.gov or call (212) 436-0441 (Monday - Friday, 8:00 A.M. - 4:00 P.M.).

Selection Process:

- At the close of the Lottery Application Period, DCWP will assign each accepted application a "Priority Number" using a computer-generated random number selection program.
 - o If the number of accepted Lottery Application Forms exceeds the number of available Tobacco Retail Dealer licenses for the Community District, DCWP will issue offers to apply for the license in the order of the assigned Priority Numbers.
- Businesses randomly selected to apply for a Tobacco Retail Dealer license in a Community District will receive notification from DCWP by mail and email, if provided. Within 65 days of receiving that notice, an applicant must submit a complete Tobacco Retail Dealer license application and satisfy all requirements under New York City laws and rules.
- DCWP's offer to an applicant will be void, the applicant removed from the application pool, and an offer made to the applicant with the next Priority Number in the following situations:
 - o Applicant fails to submit a complete application within the allotted time.
 - o DCWP denies the application because applicant previously had a revoked Tobacco Retail Dealer license or a Tobacco Retail Dealer license has already been issued to the specific premises location.
 - o The business does not qualify for a license for any other reason.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
