First—That the provisions of chapter 252 of the Laws of 1884, pertinent thereto, shall be compiled with.

Second—That the right, franchise and privilege of using the said streets and avenues to construct, maintain, use and operate a street surface railroad upon the said streets and avenues, subject to all the provisions of chapter 252 of the Laws of 1884, and of chapter 642 of the Laws of 1886, shall be sold at public auction to the bidder, which shall be an incorporated railroad or railway company organized to construct, maintain and operate the street railroad in the City of New York for which such consent is given, and which will agree to give the largest percentage per annum of its gross receipts with adequate security by a bond or undertaking in writing, and under seal, in such form, condition, amount and sureties as shall be required and approved by the Comptroller of the said City for the Infillment of the said greenent and for the commencement and completion of such road according to the plan or plans, and on the route or routes fixed for its construction within the time or times designated and prescribed therefor by the provisions of chapter 642 of the Laws of 1886.

Third—That in the construction of the said railroad and its equipment the materials and work employed shall be of the best quality and character, and the said railroad shall be constructed with side-bearing rail, having the outer edge of bearing flush with the pavement, with misde drop, rot exceeding one inch in depth, and that the cars thereon shall be run as frequently as the convenience of the public may require; and that no freight cars shall be run as frequently as the convenience of the public may require; and that no freight cars shall be run and turn-tables, shall be subject to the approval of the Commissioner of Public Works of said city.

Fourth—That the bidder to which the aforesaid sale shall be made, and any p

the tracks, the rails of the tracks and a space two feet in width outside of and adjoining the outside rails of the track or tracks so long as such tracks so constructed shall continue to be used, and this obligation in respect to the repairing of the streets shall not be dependent upon the requirements of the local authorities, but is hereby made an absolute and unqualified obligation; and they shall in like manner and to a like extent be bound to and shall remove the snow from the same parts of the streets or avenues immediately after it shall have fallen, or as soon as possible thereafter, and not merely to clear the tracks and the curb-stones, but to remove the snow entirely from that portion of the streets or avenues made use of for the construction and operation of the rairoad, so far as such snow may have fallen or ice may have been formed upon the said tracks, or upon the space between them, or the designated two feet of space upon each side of the outside of said tracks; the snow or ice so removed to be taken from the street and deposited at the nearest and most convenient place used by the City authorities for the deposit of snow removed by themselves.

Fifth—That the railroad to the construction or operation of which this consent is given may be operated by a nimal or horse-power, or any other power other than locomotive steam power, provided that no cars shall be operated by any person or company over the route hereinabove described, and under or by virtue of this consent, by any other than animal or horse power, unless the right so to do shall be acquired as provided by section 12 of chapter 252 of the Laws of 1884.

Sixth—That any person or company who shall use or operate a railroad upon the tracks, or any part of the tracks, constructed upon the route hereinabove described, and under or by virtue of the source of the same and any apparents in respect to such use or operation by him or it of or any part of the tracks, or the sale had in pursuance thereof, shall be subject to the same conditions,

made annually on the first day of November for the year ending on the next preceding thirtieth day of September.

Eighth—That the said St. Nicholas Avenue and Crosstown Railroad Company shall provide for the expense of publication of the aforesaid notice of sale before the said notice shall be published, and the Company which, at the said sale, shall be the highest bidder, shall at the time and place of sale reimburse the said St. Nicholas Avenue and Crosstown Railroad Company for all expenses of printing and publishing necessarily incurred by it upon the application and sale herein, under the provisions of said chapter 252 of the Laws of 1884, and of said chapter 642 of the Laws of 1886.

Ninth—This consent is given and the said sale shall be made upon the express understanding that the conditions herein stated do not relieve the said bidder or any person or company operating a road upon any of the tracks constructed under this consent from any conditions, olligations, liabilities, payments or duties to which they might have been liable in the absence of such conditions.

a road upon any of the traces constitute in the absence of such conditions.

Tenth—That if the bidder shall not furnish satisfactory security, the said Comptroller may cancel the bid and sell this consent and the license in the same manner as is provided by chapter 642 of the Laws of 1886.

Eleventh—That the said bidder shall, within thirty days after the sale at public auction, execut under its corporate seal, to be attested by its president or treasurer, and by virtue of a resolution of its Board of Directors, an instrument in writing which shall be delivered to the Comptroller of the City of New York, and which shall contain and express the acceptance by the said bidder of this consent of the Common Council for the construction, maintenance, use and operation of the proposed railroad upon the streets and avenues above mentioned upon the terms and conditions.

And be it further.

Resolved, That the sale at public auction of the right, franchise and privilege mentioned above shall be attended and conducted by the Comptroller of the City of New York, and shall be held at a place in the City of New York to be designated by the said Comptroller, and on the earlhest practicable day to be designated by the said Comptroller, or at such time to which the same may be adjourned from the day specified in the notice so published, not exceeding twice, for a period not exceeding four weeks in the aggregate, and only after notice of the time, place and terms thereof, and of the route or routes to be sold, and of the conditions upon which this consent is given, shall have been published by the said Comptroller times a week for at least three weeks in two daily newspapers in said city to be designated by his Honor the Mayor of said city; and if the todder shall not furnish satisfactory security, the said Comptroller may cancel the bid and sell this consent and the license in the same manner as is provided by chapter 642 of the Laws of 1886.
