No. 705A.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
June 20, 1899.

To the Honorable the Council:

I return herewith, without my approval, an ordinance adopted by you on May 16, 1899, directing the issue of Corporate Stock to pay for water-mains in Seventieth and Seventy-first streets, between Eighteenth and Nineteenth avenues, Borough of Brooklyn.

My objections to this ordinance are, that it is incorrect and insufficient in form.

No. 849.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
June 20, 1899.

To the Honorable the Council:

I return herewith, without my approval, a resolution adopted by you on June 6, 1899, giving permission to Messrs. Vlachos & Lales to keep a stand for the sale of fruit in front of the premises No. 256½ West One Hundred and Sixteenth street, in the Borough of Manhattan.

My objection to this resolution is, that since its adoption and on June 16 last, the Board of Aldermen adopted a resolution requesting me to return it to the Municipal Assembly "for further consideration." In view of this fact, the resolution should not be permitted to become a law to-day.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to Messrs. Vlachos and Lales to place and keep a stand for the sale of fruit in front of the premises No. 256½ West One Hundred and Sixteenth street, in the Borough of Manhattan and The City of New York, the consent of the occupant of the said premises, to wit, F. And that said tunnel or tunnels shall be so built, and at all times kept in such condition as to make the surfaces of the ground above the same and in the neighborhood thereof safe for buildings and other erections thereon, and if surface excavations are made, the surface shall be restored to its former condition as soon as can be done, except so far as may be actually required for ventilation of the tunnel or tunnels beneath the same, or access thereto.

No. 1045.

By Councilman Ryder—

In the Matter
of
The Manhattan Tunnel Railway Company.

Memorandum.

The resolution drawn and presented with the petition herein is under sections 73 and 74 of the Charter of The City of New York (and under section 16 of the General Railroad Law of the State as to tunnel railroads so far as providing for the consent of the local authorities).

So that although sections 73 and 74 of the Charter provide for the grant of a franchise and right to use streets, etc., and which would seem to include consent, still the separate provision for consent in terms, as required by section 16 of the railroad law, is added to be on the safe side.

It will be noticed that under sections 73 and 74 of the Charter the procedure is the introduction in the first place of a proposed ordinance which is to be published as therein provided. This is entirely different from the procedure for surface street car railroads, as that comes under Article IV., section 90, etc., of the General Railroad Law.

This procedure, under sections 73 and 74 of the Charter is plainly pointed out therein; but as no form now exists, known to the applicant, especial care has been taken to fulfill every requirement. Such procedure, it is noticed, also requires the Assembly to refer the matter, after introduction, to the Board of Estimate and Apportionment.

The rate of fare, as stated in the petition, is already provided by law applicable to such a case in section 37, subdivision 5, of the General Railroad Law.

Which was referred to the Committee on Railroads.

The President laid before the Council the following communication from the Board of Public Improvements:

No. 1049.
BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,
No. 21 PARK ROW, BOROUGH OF MANHATTAN,
NEW YORK, June 15, 1899.

To the Municipal Assembly:

GENTLEMEN—At a meeting of the Board of Public Improvements yesterday, in response to an urgent demand from the residents of the Twenty-sixth Ward, of the Borough of Brooklyn, the following resolution was unanimously adopted:

Resolved, That the Commissioner of Water Supply be authorized to supply the necessary quantity of water to the Long Island Water Company to meet the present emergency existing in the Twenty-sixth Ward, of the Borough of Brooklyn, and to charge said Company for the same at the present meter measurement rates.

The President of this Board was also instructed to forward a copy of the resolution to the Municipal Assembly, the Board of Estimate and Apportionment, the Comptroller of the City and the Corporation Counsel, with a view of bringing about prompt and decisive action, so as to remedy the present alarming condition of affairs in regard to the present and growing demand for more water.

Until the City gains possession of the plant of Long Island Water Company, by which the present machinery can be put in first-class order, and additional wells provided, the residents of the Twenty-sixth Ward must suffer for the lack of water. At present, the City is furnishing between 300,000 and 400,000 gallons daily to the Company, and the resolution adopted by this Board yesterday authorizes the Commissioner of Water Supply to furnish an additional supply to meet the needs of the residents of that locality, which will be an extra 1,000,000 gallons daily. The Chief Engineer freely admits that the total additional amount cannot be supplied, but that the Department will exert every effort to meet the needs of the people as near as possible.

There are two ordinances in the Municipal Assembly awaiting official action, viz.:
One relating to the construction of a conduit between Spring creek and Milburn pumping station, and the other for an additional pumping engine at Milburn. The enactment of both ordinances are a stern necessity and will do much to avert serious consequences in the near future so far as the supply of water is concerned.

Respectfully,
MAURICE F. HOLAHAN, President.

Which was ordered on file.

No. 1052.

By Councilman Goodwin—

Whereas, July 3, 1899, will be the first anniversary of the destruction of the Spanish fleet at Santiago, and

Whereas, It is anticipated that the people in general, joyous over the success of the American forces, desire to make July 3 a holiday, and

Whereas, July 3 of this year falls between the Sabbath and the anniversary of our independence, and no inconvenience to public business can come from the closing of the offices of the city on that day, therefore be it

Resolved, That the heads of the several departments of The City of New York be and they are hereby respectfully requested to close their offices on July 3, 1899, unless otherwise by law required to be kept open.

Which was adopted, the President voting in the negative.

No. 1053.

By Councilman Doyle—

Whereas, The City of New York is the owner of certain properties located in the Seventh Assembly District of Kings County which was purchased for Park purposes as follows:

Coney Island Park and Concourse, area seventy acres, with a beach fronting on the ocean two thousand seven hundred feet.

Bensonhurst Park, area eight acres, five hundred feet of beach fronting on Gravesend Bay.

Dyker Beach Park, area one hundred and forty-four acres, one thousand five hundred feet of beach fronting on Gravesend Bay.

Fort Hamilton Park at end of Shore Road, with three miles of water front on New York Bay, and a part of which is a sandy beach.

Sunset Park, between Fifth and Seventh avenues and Forty-first and Forty-third streets, area fourteen and three-quarter acres; and

Whereas, It appears that the Park Department has not sufficient funds to improve and maintain the said parks in a manner to be appreciated and enjoyed by the people of this City.

The Coney Island Park is almost a barren waste, without a fence to enclose it, a single bench on which to rest, or piece of shade to protect the visitor from the heat of the sun or protection from a summer shower.

The Concourse is in a dangerous condition from ruts and breaks, and riding and driving over it is attended with risk to life and limb.

The beach is littered with refuse, tin cans and driftwood cast up by the action of the waves.

Dyker Beach Park—The road here, which is of macadam pavement, is going to ruin for want of care, its surface being covered with loose stones. The beach here is strewn with driftwood, and the creek which runs through this park (which was always kept open by the authorities of the late Town of New Utrecht) is now closed, its waters, having no outlet, have become stagnant, the grasses and other vegetable matter rotting and breeding malaria throughout the neighborhood.

Bensonhurst Park presents a like condition, the road broken, loose stones scattered over its surface, and the beach incumbered with driftwood, decayed vegetables and the like.

Fort Hamilton Park—This park has had no improvement since the buildings thereon were razed, and is now used only as dumping ground for old tins and other debris. The beach is in the same condition as the Bensonhurst and Dyker Beach Parks.

Sunset Park has not been improved to the extent required, the absence of benches, walks and drinking fountains being a constant cause of complaint from visitors, the most of whom are women and children.

In view of this condition of the parks which are intended to be of practical use to the people of our City as "breathing spots in the Metropolis," therefore be it

Resolved, That the Honorable the Board of Estimate and Apportionment be respectfully requested to appropriate and set apart the sum of two hundred and fifty thousand dollars (\$250,000) for the purpose of improving and maintaining the parks, beaches and roads above mentioned.

Which was adopted.

No. 1054.

Bootblack Stands—Dominic Griffo and Peter Cavallo, No. 15 Borden avenue, Borough of Queens, and Joseph Cavagnara, No. 1 Borden avenue, Borough of Queens.

COMMUNICATIONS FROM DEPARTMENTS AND CORPORATION OFFICERS RESUMED.

No. 1055.

The President laid before the Council the following communication from the Board of Public Improvements, together with ordinance:

BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,
No. 21 PARK ROW, BOROUGH OF MANHATTAN,
NEW YORK, June 20, 1899.

To the Honorable the Municipal Assembly:

GENTLEMEN—I transmit herewith form of ordinance for laying water-mains in Sterling place, between Brooklyn and New York avenues, in the Borough of Brooklyn, approved by the Board of Public Improvements at their regular meeting held on the 14th day of June, 1899.

Respectfully,

JOHN H. MOONEY, Secretary.

AN ORDINANCE to provide for water-mains in Sterling place, Borough of Brooklyn.

Be it Ordained by the Municipal Assembly of the City of New York, as follows:

That, in pursuance of section 413 of the Greater New York Charter, the following resolution of the Board of Public Improvements, adopted by that Board on the 14th day of June, 1899, be and the same hereby is approved, and the public work or improvement therein provided for is hereby authorized, viz:

Resolved, by the Board of Public Improvements, that in pursuance of section 413 of the Greater New York Charter the laying of water-mains in Sterling place, between Brooklyn and New York avenues, in the Borough of Brooklyn, and the making of a contract for the same by the Commissioner of Water Supply, be and the same is hereby authorized and approved, the cost of said public work or improvement to be paid for from the issue of bonds of the Corporate Stock of The City of New York.

Councilman Leich moved the adoption of the ordinance.

The President put the question whether the Council would agree to adopt said ordinance.

Which was decided in the affirmative by the following vote:

Affirmative—The Vice-Chairman, Councilmen Bodine, Brice, Cassidy, Christman, Conly, Doyle, Engel, Foley, Francisco, Goodwin, Hart, Hester, Hottenroth, Leich, McGarry, Mundorf, Murphy, Murray, O'Grady, Ryder, Van Nosstrand, Williams, and Wise—24.

MOTIONS AND RESOLUTIONS RESUMED.

No. 1056.

By Councilman Murray—

Whereas, A message from the Mayor was received by the Council at their meeting, June 6, 1899, calling attention to the delay of the said Council in passing upon the proposed issue of Corporate Stock to the amount of two hundred and fifty thousand dollars for the purposes of water supply, as called for by the requisition of the Commissioner of said Water Supply, dated October 10, 1896; and

Whereas, Said message was accompanied by a letter from the Comptroller to the Commissioner of Water Supply purporting to explain the purpose for which the said funds are to be appropriated and used; and

Whereas, Said letter shows that on May 26, 1899, there was to the credit of the fund out of which an average weekly pay-roll of five hundred and fifteen dollars is to be paid or a pay-roll for labor of twenty-six thousand seven hundred and eighty dollars, said letter also shows an estimated liability still remaining on the old contracts of the former City of New York as appears from record, eighty-one thousand nine hundred and sixty-two dollars and fifty cents, and also shows

that sixty-four vouchers are in the Finance Department for miscellaneous purposes aggregating sixty-nine thousand one hundred and seventy-five dollars and ninety-seven cents; all the above amounts making a total of one hundred and seventy-six thousand seven hundred and twenty-seven dollars and seven cents, and as this is the first and only information given the Council as to the proposed issue of said two hundred and fifty thousand dollars of Corporate Stock, and as this information only shows part of the said amount is needed; therefore be it

Resolved, That the Council return said resolution No. 1192 to the Board of Estimate and Apportionment, with the request that only the amount of Corporate Stock be authorized by the Board that appears by the letter of the Comptroller to be necessary, namely one hundred and seventy-six thousand seven hundred and twenty-seven dollars and seven cents.

Councilman Goodwin moved to refer this matter to the Committee on Finance.

The President put the question whether the Council would agree to adopt said motion.

Which was decided in the negative by the following vote:

Affirmative—The Vice-Chairman, Councilmen Engel, French, Goodwin, Hester, Murphy, and the President—7.

Negative—Councilmen Bodine, Cassidy, Doyle, Hart, Hottenroth, Leich, McGarry, Mundorf, Murray, O'Grady, Van Nostrand, Williams, and Wise—13.

Councilman Murray then moved the adoption of the resolution.

Which was adopted.

(Papers referred to in preceding Report.)

The Committee on Finance, to whom was referred the annexed resolution in favor of authorizing the Corporation Counsel to draw upon the Comptroller for a sum not exceeding five hundred (500) dollars, and to renew the same when deemed by him necessary, to the extent of the appropriation set apart for contingencies of the Law Department (see Minutes, August 2, 1898, page 279), respectfully

REPORT:

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, July 21, 1898.

To the Honorable the Municipal Assembly of The City of New York:

GENTLEMEN—On the 17th day of September, 1895, the Board of Aldermen passed, and on the 23d day of September, 1895, the Mayor approved, a resolution, authorizing the Comptroller of The City of New York to advance the sum of two hundred dollars to the Corporation Counsel for the payment of incidental expenses in the transaction of the business of the Law Department.

It has been found that a sum not less than five hundred dollars is required for the largely increased business in the Law Department, and that the Finance Department would thereby be relieved from incessant contingent warrants.

I have the honor to submit a proposed resolution in the exact terms of the resolution now in force with the exception of the amount, and ask that it be speedily adopted.

Respectfully,

CHAS. BLANDY, Acting Corporation Counsel.

Resolved, That, for the purpose of defraying any minor or incidental expenses contingent to the Law Department, Office of the Corporation Counsel, the Corporation Counsel may, by a requisition, drawn upon the Comptroller for a sum not exceeding five hundred dollars. [The Corporation Counsel may in like manner renew the draft as often as may by him be deemed necessary to the extent of the appropriation set apart for the contingencies of the Law Department, Office of Corporation Counsel; but no such renewal shall be made until the money paid upon the preceding draft shall be accounted for to the Comptroller by the transmittal of a voucher or vouchers, certified by the Corporation Counsel, covering the expenditure of money paid thereon.] Which was referred to the Committee on Finance.

GENTLEMEN—Section 174 of the Charter, relating to payments out of the fund for Street and Park Openings, provides "That in each and every case in which, by virtue of any existing statute or any statute hereafter enacted, or by virtue of any act or resolution heretofore or hereafter adopted by any board or body pursuant to any statute, the whole or any portion of the awards made in any proceeding, and of the costs and expenses thereof, are payable out of the fund for street and park openings and are not to be assessed upon the property benefited, but are to be borne and paid by The City of New York, the Board of Estimate and Apportionment may, in its discretion, by a majority vote, direct that the amount so to be borne and paid by said City of New York shall be raised by the issue and sale of Corporate Stock of The City of New York, and the Comptroller shall thereupon issue and sell said stock at such times and in such amounts as may be necessary, and shall pay the proceeds thereof into said fund for Street and Park Openings."

The following payments have been made from the fund for Street and Park Openings, pursuant to law in the following proceedings:

For awards, with interest and costs in the proceeding for acquiring title to lands required for a public park at the junction of East One Hundred and Ninety-second street, the Kingsbridge road and the Grand Boulevard and Concourse, in the Twenty-fourth Ward, Borough of The Bronx, pursuant to chapter 537 of the Laws of 1896; confirmed February 16, 1899	\$114,005 58
For awards and interest in the proceeding for acquiring title to certain lands required for an addition to the public driveway on its westerly side, between One Hundred and Fifty-fifth street and Highbridge Park, pursuant to chapter 894 of the Laws of 1895 (First Separate Report), confirmed February 24, 1899	363,282 62
	<u>\$477,288 20</u>

In addition to the foregoing, the report of the Commissioners appointed in the proceeding for acquiring title to certain lands in the Twenty-third Ward, Borough of The Bronx, for a public park, pursuant to chapter 224 of the Laws of 1896, was confirmed on April 4, 1899. The awards amount to \$1,181,844.16; the cost and expenses amount to \$27,865.34, and the interest, calculated from March 18, 1897, to July 1, 1899, amounts to \$162,109.62, making a total of \$1,371,819.12.

It is necessary, therefore, pursuant to the provisions of section 174 of the Charter, to issue bonds to replenish the fund for Street and Park Openings to the amount of \$1,849,107.32. Otherwise the cost of these permanent public improvements would have to be included in the tax levy for the year 1900.

The following resolution is therefore offered for adoption:

Resolved, That, pursuant to the provisions of section 174 of the Greater New York Charter, the Comptroller be authorized, subject to concurrence herewith by the Municipal Assembly, to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to the amount of one million eight hundred and forty-nine thousand one hundred and seven dollars and thirty-two cents (\$1,849,107.32), the proceeds whereof shall be applied to replenishing the fund for Street and Park Openings for the following expenses, payable from said fund and chargeable against The City of New York:

Awards, interest and costs in the proceeding for acquiring title to lands required for a public park at the junction of East One Hundred and Ninety-second street, Kingsbridge road and Grand Boulevard and Concourse, in the Twenty-fourth Ward, pursuant to chapter 537 of the Laws of 1896	\$114,005 58

Hon. FRANK J. GOODWIN, Chairman of Committee on Finance of the Council:

DEAR SIR—I am informed that the letter of the Comptroller to you dated February 3, 1899, in regard to the introduction of a resolution to concur with the resolution of the Board of Estimate and Apportionment adopted on that date authorizing the issue of Corporate Stock to the amount of \$2,100,000, for the new Hall of Records, has not been received.

I transmit herewith a copy of the communication in question, together with a certified copy of the resolution of the Board of Estimate and Apportionment, and a form of resolution for introduction in the Municipal Assembly.

Very truly yours,

EDGAR J. LEVEY, Deputy Comptroller.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE,
February 3, 1899.

Hon. FRANK J. GOODWIN, Chairman of Committee on Finance of the Council:

DEAR SIR—I transmit herewith a certified copy of a resolution adopted by the Board of Estimate and Apportionment on February 3, 1899, authorizing the Comptroller to issue Corporate Stock of The City of New York to the amount of \$2,100,000, for the purpose of providing means for defraying the expenses of acquiring the site and for constructing and equipping the building for a new Hall of Records in the Borough of Manhattan.

These bonds had previously been authorized by the Board of Estimate and Apportionment of The City of New York, as constituted prior to January 1, 1899, and when the resolution authorizing such bonds was introduced in the Board of Estimate and Apportionment on June 7, 1898, this item was at first included; but a question having been raised in regard to the validity of the contract of Mr. John Pierce for erecting this building, the item in question was stricken out before the resolution was passed, which was subsequently concurred in by the Municipal Assembly.

The Board of Estimate and Apportionment, at its meeting on February 3, 1899, received from the Corporation Counsel an opinion to the effect that the contract in question was valid and must be carried out.

This contract having been executed before consolidation is a valid liability of the present City of New York, and funds must be provided to pay the expense thereof.

I transmit herewith a form of resolution for introduction in the Council.

Very truly yours,

BIRD S. COLER, Comptroller.

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, January 23, 1899.

Hon. BIRD S. COLER, Comptroller:

SIR—I am in receipt of your communication, bearing date 14th September, 1898, stating that at a meeting of the Board of Estimate and Apportionment, at which bonds authorized by the Board of Estimate and Apportionment of the former City of New York, and unissued, were reauthorized, the item for the new Hall of Records was eliminated, so that I might render an opinion as to the validity of the contract awarded to Mr. John Pierce.

The contract in question is one for "furnishing materials and performing work in the erection of a Hall of Records building on Chambers, Centre, Reade and a new street in New York City, pursuant to chapter 59 of the Laws of 1897, as amended by chapter 793 of the Laws of 1897."

Bids on this contract were received on December 15, 1897, and a resolution was passed by the Board of Estimate and Apportionment of the former City of New York on December 16, 1897, awarding the contract to John Pierce at his bid of \$1,997,900 "for granite from Hallowell, Maine, as per sample submitted," and the Commissioner of Public Works was directed to execute said contract.

The contract, which had been approved as to form by the then Counsel to the Corporation of the former City of New York, was duly executed on December 18, 1897.

I have carefully examined the contract in question and find that it is valid.

It is true that it was awarded to the highest and not to the lowest bidder, but this was authorized in the wording of the amendment, chapter 793 of the Laws of 1897, which took out of the original act the provision requiring a letting to the lowest bidder, and put in its place that the Board of Estimate and Apportionment "shall award the contract * * * to the bidder or bidders therefor, the acceptance of whose bid will, in the judgment of the said Board of Estimate and Apportionment, best secure the prompt and proper erection of said building according to said plans and specifications."

However unwise the action of the Board in awarding the contract may have been, I am forced to the conclusion that this action was perfectly regular and the contract is a valid one.

I herewith return you the contract in question with the correspondence between Mr. John Pierce and the Commissioner of Public Buildings, Lighting and Supplies.

Yours,

JOHN WHALEN, Corporation Counsel.

And offered the following:

Whereas, The Board of Estimate and Apportionment, by a resolution adopted June 7, 1898, reauthorized the issue of bonds to the amount of fifteen million six hundred and eighty-seven thousand and sixteen dollars and sixty-seven cents (\$15,687,016.67), which had been previously authorized by the Board of Estimate and Apportionment of The City of New York, as constituted prior to January 1, 1898, which resolution did not include an item of two million one hundred thousand dollars (\$2,100,000), for acquiring a site and for constructing and equipping the building for a new Hall of Records on Chambers street, Borough of Manhattan, which item was referred to the Corporation Counsel for examination and report on the question of the validity of the contract for said building; and

Whereas, The Corporation Counsel, in an opinion dated January 23, 1899, has advised the Comptroller that the said contract is valid.

Resolved, That the Comptroller be and he hereby is authorized to issue Corporate Stock of The City of New York, when authority therefor shall have been obtained from the Municipal Assembly, to the amount of two million one hundred thousand dollars (\$2,100,000), for the purpose of providing means for defraying the expenses of acquiring the site and for constructing and equipping the building for a new Hall of Records in the Borough of Manhattan, said stock to be issued in the manner provided by section 169 of the Greater New York Charter.

EDWARD M. GROUT, President of the Borough.

REGARDING A CEMETERY THE PROPERTY OF THE TOWN OF FLATLANDS.

At a town meeting of the electors of the Town of Flatlands, County of Kings and State of New York, held in the spring of the year 1888, Joseph G. Morrell, Town Clerk, a resolution was adopted authorizing the purchase of a tract of land to be used for the purpose of a cemetery, for the use and benefit of all of the people of the said town, and appropriating the sum of six thousand (\$6,000) dollars for such purpose, and authorizing the issue of town bonds, to run from one to six years, to meet such appropriation.

Pursuant to such resolution, a contract to purchase certain land from the executors of one John Remsen, deceased, was executed and filed in the office of the Register of Kings County on June 16, 1888, in Liber 1816, page 368, and on August 2, 1888, a deed from the executors of John Remsen, deceased, to the Town of Flatlands, conveying a certain tract of land containing about twelve (12) acres, for a consideration of six thousand (\$6,000) dollars, was recorded in the said Register's office in Liber 1826, page 104.

The cemetery was established and opened under the charge and control of the Town Board, and was cared for by the Town Sexton, an elected officer of the town. The land was surveyed and laid off in plots, and any resident of the town was entitled to the possession and use of a plot, but no writing or deed of any kind was passed to show right or title to it. At a town meeting held in 1889 an effort was made to have plots sold at certain fixed prices, the proceeds to be used for improvements to and maintenance of the property, but this resolution was defeated and the cemetery was maintained as a free burial place for the townspeople, not as a charity, not for the town poor, but as a right of citizenship on the same basis as police protection or law courts, open and for the benefit of rich and poor alike, and it was so kept, plots being taken by the wealthiest persons; many handsome monuments were erected and considerable sums of money expended in fences and other of the customary improvements of cemetery plots; many bodies were interred, and it became the principal place of burial for the entire town.

Before the town was annexed to the City of Brooklyn (i. e., before 1896) all of the bonds issued for this account had been paid and redeemed by the Town.

On the first day of January, 1896, the Town of Flatlands became part of the City of Brooklyn, under chapter 450, Laws of 1894, which provided that all the property of the town should rest in the City of Brooklyn. We cannot find that the City of Brooklyn ever took any action regarding this cemetery; it was not known to have been in charge of any department of that city, and nothing was done in the matter of caring for or improving it.

On the first day of January, 1898, the City of Brooklyn merged into The City of New York. No action seems to have been taken relative to this cemetery, it is not in charge of any of the departments, and matters are in the same position as under the former City of Brooklyn.

The last Town Sexton continues nominally in charge of the premises, acts as grave-digger and collects fees therefor; and burials are being made, residents of the former town paying only for the opening of the grave, and other persons paying a further additional sum for the use of the ground.

It is our desire to protect this property and to secure its benefits to the people who paid for it. It was not intended as a "Potter's Field," nor has it ever been used as such, but that, we fear, will be its ultimate fate, and not remotely, unless some protection is put around it.

If we may suggest action, it would be that it be placed in charge of the Department of Parks, and that such action be taken as shall secure the rights of present holders of plots, and that some system of conditions be devised as shall properly control its future use.

This land is now the resting-place of the remains of many persons who were dear to various of our prominent families, and we have spent our money in the belief that these bodies would remain undisturbed and their surroundings protected.

Trusting that the interests of the people of the former Town of Flatlands will be fully protected, the above is respectfully submitted.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
No. 300 MULBERRY STREET,
NEW YORK, April 3, 1899.

To the Honorable the Municipal Assembly:

GENTLEMEN—At a meeting of the Police Board held this day the following proceedings were had:

Whereas, A large number of horses, the purchase of which would amount to more than one thousand dollars, are required for immediate service for the purposes of the Police Department of The City of New York; and

Whereas, The character of such horses for such purpose cannot be sufficiently described in any specification required for advertisement for proposals to furnish the same; therefore

Resolved, That, in pursuance of section 419, chapter 378 of the Laws of 1897 (Charter of The City of New York), the Municipal Assembly be and is hereby respectfully requested to authorize the Police Department to purchase in the open market horses for service in the Police Department without advertising for competing bids therefor.

In accordance with the directions of the Police Board, I herewith transmit copies of resolution relative to the above matter.

Very respectfully,

WM. H. KIPP, Chief Clerk.

In connection with the foregoing report, Councilman Goodwin presented the following communication:

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
No. 300 MULBERRY STREET,
NEW YORK, May 23, 1899.

Hon. FRANK J. GOODWIN, Chairman, Finance Committee of the Council:

DEAR SIR—I understand that the resolution authorizing the Police Board to purchase horses in the open market and without competing bids is to receive consideration by your Committee to-day, and, in accordance with your request for information upon the subject, I beg to state that the horses required are those for mounted service.

For twenty-five years the Police Department has purchased horses for such service from reputable dealers and without public advertising and without competing bids. Under the provisions of the Charter the Department cannot purchase more than three horses at one time as, the cost averaging \$230, a greater number than three would bring the amount over \$1,000.

The services required of these horses are of a peculiar nature. They require endurance and speed for catching runaways, and they are only purchased from dealers when they have such stock on hand. It has been the custom for them to notify the Department on receipt of horses having these requirements, and they are then reserved for the Department until it is able to purchase them.

It is impossible to prepare specifications for competing bids for this purpose.

The horses for Mounted Squad are frequently injured in runaways, and they are condemned as unfit for service. It is necessary that these horses should be replaced as soon as possible, and the requirements of the service are such that at least forty horses will be necessary. Appropriation has been made by the Board of Estimate and Apportionment for this purpose.

I would be glad to give to your Committee any further information upon this subject that may be desired, and trust that this measure may receive favorable consideration.

Very respectfully,

WM. H. KIPP, Chief Clerk.

The President put the question whether the Council would agree to accept said report and adopt said resolution.

Which was decided in the negative by the following vote:

Affirmative—The Vice-Chairman, Councilmen Foley, Goodwin, Hester, Mundorf, O'Grady, Ryder, and Van Nostrand—8.

Negative—Councilmen Bodine, Cassidy, Francisco, Leich, Williams, and Wise—6.

Councilman Mundorf moved that the vote by which the above report and resolution was lost be reconsidered.

Which was adopted.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

No. 2913.

CITY OF NEW YORK—OFFICE OF THE MAYOR,
June 20, 1899.

To the Honorable the Board of Aldermen:

I return herewith, without my approval, a resolution adopted by you on May 31, 1899, giving permission to Marc Eidlitz & Son to place a bridge across the carriageway of Cedar street, east of Broadway, as shown upon an accompanying diagram.

My objections to this resolution are that the structure proposed, as shown upon the diagram, covers the entire street, and that no consideration is shown to the interests of any property-owner except those of the owner of the building in the course of construction.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to Marc Eidlitz & Son to place and keep a temporary bridge, as shown upon the accompanying diagram, across the carriageway of Cedar street, just east of Broadway, and on Broadway at the northeast corner of Cedar street, in the Borough of Manhattan, during the course of erection of the new American Exchange National Bank Building at the said location, the work to be done at their own expense, under the direction of the Commissioner of Highways; such permission to continue only during the pleasure of the Municipal Assembly.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

No. 2818.

CITY OF NEW YORK—OFFICE OF THE MAYOR,
June 20, 1899.

To the Honorable the Board of Aldermen:

I return herewith, without my approval, a resolution adopted by you on June 6, 1899, directing the Commissioner of Water Supply to place a public man and beast hydrant at the southwest corner of Forty-sixth street and Eleventh avenue.

My objection to this resolution is that mandatory directions for the performance of work at the expense of the City tend to the embarrassment of the administrative departments by imposing charges not contemplated by the head of the department in the disbursement of the funds placed at his disposal by the Board of Estimate and Apportionment.

ROBT. A. VAN WYCK, Mayor.

Resolved, That the Commissioner of Water Supply is hereby directed to place a public man and beast hydrant at the southwest corner Forty-sixth street and Eleventh avenue, to be paid from appropriation for "Public Drinking Hydrants," 1899.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

No. 3039.

By Alderman Goodman—

Whereas, For many years past there has been a strong public sentiment recognizing the necessity for the erection of a Municipal Building sufficient to accommodate all the main City departments under one roof; and

Whereas, This sentiment has resulted in legislation providing for such accommodation for the several departments of the municipality, as shown by chapter 299 of the Laws of 1890, and chapter 414 of the Laws of 1892, and other laws amending and altering the same; and

Whereas, There has been much consideration given to the subject, resulting in the presentation of many plans, one of which was published in the CITY RECORD of December 19, 1893, but all such plans for a Municipal Building have failed for the reason that they were located within the City Hall Park, and legislation having been enacted forbidding the use of said Park for a Municipal Building; and

Whereas, There was, at the last session of the Legislature, introduced a bill entitled "An Act to Provide for the Erection of a Municipal Building in The City of New York," which was ordered to a third reading in both houses, but failed to be reached before adjournment; and

Whereas, The completion of the new Hall of Records, upon the original plan, now in the course of erection, may forever interfere with the realization of this much-desired improvement and compel a continuance of the improvident policy of leasing private property for public uses, widely and inconveniently separating the departments; therefore

Resolved, That the Joint Committees on Public Buildings, Lighting and Supplies, of the Council and of this Board, be and they are hereby instructed to investigate this subject, to have public hearings thereon, to confer with his Honor the Mayor, with the Board of Estimate and Apportionment, with the Sinking Fund Commission and the heads of departments, and to present a report with such recommendations as they may deem advisable and proper.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

No. 3040.

By the same—

Whereas, There are frequent occasions when one branch of the Municipal Assembly communicates with the head of a department, requiring prompt reply in order to prosecute some work of public necessity; and

Whereas, There has been error committed by the transmission of an answer to the house other than that from which the communication emanated, causing unnecessary delay, therefore

Resolved, That Commissioners and heads of departments generally are respectfully requested to cause answer to all official communications to be made to the particular branch of the Municipal Assembly from which said communication is received, and not to the said Assembly in its dual capacity.

Resolved, That a copy hereof be transmitted to all departments of the City Government.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

To the Board of Education:

The Committee on Supplies respectfully reports that the School Board for the boroughs of Manhattan and The Bronx, in connection with the summer playgrounds established this year, gave eight excursions in and about the harbor to the children whose homes are located in the crowded eastside tenement districts. At the time these free entertainments were permitted the provisions of the Charter were overlooked.

Section 39 of the Charter provides:

"No money shall be expended for any celebration, procession, funeral ceremony, reception, or entertainment of any kind or on any occasion, unless by the votes of four-fifths of all the members elected to each house" (of the Municipal Assembly).

The bill in question is that of John H. Starin for eight excursions on barge "Starina" on August 10, 11, 12, 15, 16, 17, 18 and 19, 1898—\$960.

Under the circumstances, the Committee recommends that the matter be presented to the Municipal Assembly, coupled with the request that such action will be taken as will enable the bill to be paid.

Resolved, That the Municipal Assembly be and it is hereby respectfully requested to take such action as may be necessary in the premises, in order that the bill of John H. Starin for nine hundred and sixty dollars, incurred by the School Board for the boroughs of Manhattan and The Bronx, for eight excursions on barge "Starina" on August 10, 11, 12, 15, 16, 17, 18 and 19, 1898, may be paid.

BIDS OR ESTIMATES, INCLOSED IN A sealed envelope, with the title of the work and the name of the bidder indorsed thereon, also the number of the work as in the advertisement, will be received at Nos. 13 to 21 Park row, in Room No. 1601, until 11 o'clock A. M.,

TUESDAY, JUNE 27, 1899.

The bids will be publicly opened by the head of the Department, in Room 1612, Nos. 13 to 21 Park Row, at the hour above-mentioned.

Borough of Richmond.

NO. 1. FOR FURNISHING AND DELIVERING TO THE DEPARTMENT OF HIGHWAYS, BROKEN STONE AND SCREENINGS OF TRAP ROCK OR SYENITE, TO BE DISTRIBUTED WHERE REQUIRED ALONG CERTAIN STREETS NORTH OF RICHMOND TURNPIKE.

NO. 2. FURNISHING AND DELIVERING TO THE DEPARTMENT OF HIGHWAYS, BROKEN STONE AND SCREENINGS OF TRAP ROCK OR SYENITE, TO BE DISTRIBUTED WHERE REQUIRED ALONG CERTAIN STREETS SOUTH OF RICHMOND TURNPIKE.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or in the work to which it relates or in any portion of the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting, the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF HIGHWAYS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained in Room No. 1636, Nos. 13 to 21 Park row.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

 No bonds or deposit required on bids under One Thousand Dollars.
 No empty packages are to be returned to bidders or contractors except such as are designated in the specifications.
 Bidders will state the price for each article, by which the bids are tested.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 493, CHAPTER 278, LAWS OF 1897.
 No bid or estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
 Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate of \$1,000 or over shall be accompanied by the consent, in writing, of two householders or freeholders, or security, trust or deposit companies in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time as the Commissioners may determine.
 The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, Nos. 126 and 128 Livingston street, Brooklyn, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

JOHN W. KELLER, President,
 ADOLPH SMIS, Jr., Commissioner,
 JAMES FEENEY, Commissioner,
 Department of Public Charities.

 If two or more bids are alike, the Department reserves the right to allot the article or articles among the bidders, or to award to any one of them. Bidders are not compelled to furnish more than 20 per cent. of any article in excess of the mentioned amount. But if they are willing, and the Department deems it advantageous, further purchases of the respective articles may be made, at the contract price, during the balance of the year.

The Department reserves the right to take more or less, or none at all, of any of the articles according as the demand therefor may be.

The articles, supplies, goods, wares and merchandise are to be delivered, free of expense, at the Storehouse, Flatbush, and are to be delivered in such quantities and at such times as may be required.

The quality of the Hospital Supplies must conform in every respect to the specifications and samples, and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 410, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate of \$1,000 or over shall be accompanied by the consent, in writing, of two householders or freeholders or security, trust or deposit companies in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith and with the intention to execute the bond required by law if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, Nos. 126 and 128 Livingston street, Brooklyn, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.
