PETITIONS.

By the President—
Petition of the President of the Musical Mutual Protective Union for the suppression of itinerant street musicians.
Which was referred to the Committee on Law Department.

(G. O. 445.)

By Alderman Tait—
Petition of Naval Post No. 516, G. A. R., to be allowed use of rooms in Centre Market.

HEADQUARTERS, NAVAL POST NO. 516,
DEPARTMENT OF NEW YORK,
GRAND ARMY OF THE REPUBLIC,
July 26, 1888.

To the Honorable Board of Aldermen of the City of New York :

Naval Post 516, Grand Army of the Republic, composed of naval veterans of War of the Rebellion, do most respectfully request in accordance with an act entitled an Act to enable any county, city, or town in the State of New York to lease its public buildings, or any part thereof, to the Grand Army of the Republic, a copy of which is enclosed.

A part of some public building or armory in any portion of the City below Fourteenth street. A preference is given to the upper part of Centre Market, formerly used as an armory, but now used for business purposes.

The Naval Veterans most respectfully urge this request, on the grounds that though some recognition has been given to the Army, and which was deserved, yet the Navy has never asked nor received any recognition from the State of New York for their valuable services, and sincerely hope your Honorable Board will at least grant them the use of a room where they can meet, and preserve the trophies dear to them, that have been won while protecting the honor of the flag.

We have the honor to be, very respectfully,

Comdr. F. H. GROVE, 39 Burling Slip.
E. F. JENNINGS.
JAMES MCCLINCHY.
A. J. GILLMAN.
S. L. B. MCALEMOUNT.
T. HALLIGAN.
J. M. JOHNSON.

Resolved, That the Comptroller be and is hereby directed to set aside, for the use of Naval Post 516, Grand Army of the Republic, the unoccupied portion of the Armory over Centre Market, or other armory not used as such, without expense, in accordance with the power granted by chapter 62, Laws of 1888.

Which was laid over.

REPORTS.

The Committee on Salaries and Offices, to whom was referred the annexed resolution introduced by Alderman Rinckhoff on February 28, on the subject of the payment of unskilled laborers employed in the several departments, respectfully

REPORT :

That they have examined the subject, and they believe some action thereon to be just ; but before arriving at a conclusion as to what action should be taken, your Committee think the views of the Department of Public Parks and the Commissioner of Street Cleaning should be obtained. Your Committee would therefore recommend the passage of the following resolutions :

Resolved, That the Department of Public Parks be and hereby are respectfully requested to inform the Board of Aldermen why the pay of laborers employed in that Department should not be the same as the rate of wages now paid for the same class of labor in the Department of Public Works, namely, two dollars a day.

Resolved, That the Commissioner of Street Cleaning be and he hereby is respectfully requested to inform the Board of Aldermen what wages per day are paid to each of the laborers employed in cleaning the streets above Fourteenth street, and what compensation is paid to the foreman, and whether there is any reason why the employees of the Street Cleaning Department above Fourteenth street should not be not only residents of the city, but also citizens of the United States.

Resolved, That the Clerk of the Board of Aldermen transmit a copy of so much of this resolution as refers to each department to the head of such department forthwith, and request an answer to this inquiry at the earliest convenience of such head of the department.

To the Honorable the Board of Aldermen:

The Committee on Finance, to whom was referred the Assessment Rolls of the estates, real and personal, subject to taxation, of and within the City and County of New York for the year 1888, and a communication from the Comptroller of the City of New York transmitting to the Board of Aldermen the Final Estimate made and adopted by the Board of Estimate and Apportionment for said year 1888, with his certificate of the amount of the appropriations authorized by law to be raised by tax in and for said year, respectfully submit the following

REPORT:

The assessed valuation of the real and personal estates subject to taxation within the City and County of New York for the year 1888, as shown by the Assessment Rolls submitted by the Commissioners of Taxes and Assessments, amounts to the sum of one thousand five hundred and fifty-three million four hundred and forty-two thousand four hundred and thirty-one dollars and sixty-six cents (\$1,553,442,431.66), which sum is a net increase of forty-five million eight hundred and one thousand seven hundred and sixty-eight dollars and sixty-six cents (\$45,801,768.66) over the amount of the assessed valuation for the preceding year, 1887.

As shown by the Comptroller's certificate, submitted to the Board of Aldermen, May 29, 1888, the aggregate amount of the appropriations included in the Final Estimate for the year 1888, made and adopted by the Board of Estimate and Apportionment, on the 29th day of December, 1887, is thirty-seven million fifty-one thousand and fifty-three dollars and ninety-three cents (\$37,051,053.93), from which sum is deducted the sum of three million two hundred and fifty-one thousand and fifty-

three dollars and ninety-three cents (\$3,251,053.93), for and on account of the estimated revenues of the General Fund available for the reduction of taxation in said year 1888, as certified also by the Comptroller, leaving the sum of thirty-three million eight hundred thousand dollars (\$33,800,000) as the amount to be raised by tax in and for the year 1888.

By section 830 of the New York City Consolidation Act of 1882, the Board of Aldermen is directed to provide for deficiencies in the actual product of taxes which may arise from insolvencies, discount or rebate for prompt payments, errors in valuations, etc., as follows, to wit:

"It shall be the duty of the said Board of Aldermen of the City of New York to include in any and every ordinance or resolution passed by them imposing and levying taxes for any purpose or purposes authorized by law, such sum, in addition to the aggregate amount required for such purposes, as they shall deem necessary, not exceeding three per cent. of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

Having conferred with the Comptroller in relation to the amount which will be required to provide for such deficiencies in the actual product of taxes to be imposed and levied in and for the year 1888, your Committee have concluded to recommend that the sum of five hundred and twenty-nine thousand eight hundred and sixty dollars and twelve cents (\$529,860.12) be added to and included in the amount required to be raised by tax for the support of the Government of the City and County of New York and for other purposes, as authorized by law, which sum is less than three per centum of the amount required to be raised by tax after deducting the estimated revenues of the general fund available for the reduction of taxation in said year from the amount of appropriations therefor, the addition of which sum makes the total amount to be raised by tax in and for the year 1888, thirty-four million three hundred and twenty-nine thousand eight hundred and sixty dollars and twelve cents (\$34,329,860.12).

Section 11 of article VIII. of the Constitution of the State, as amended in 1884, provides as follows:

"* * * The amount hereafter to be raised by tax for county or city purposes, in any county containing a city of over one hundred thousand inhabitants, or any such city of this State, in addition to providing for the principal and interest of existing debt, shall not in the aggregate exceed in any one year two per centum of the assessed valuation of the real and personal estate of such county or city, to be ascertained as prescribed in this section in respect to county or city debt.

The amount of taxes to be raised in and for the year 1888, for city or county purposes, exclusive of the State tax and the principal and interest of the existing city and county debt, does not exceed two per centum of the assessed valuation of the real and personal estate of the City and County of New York, which is shown, as follows:

| | |
|--------------------------------------------------------------------------|-----------------|
| The total amount of taxes to be raised in 1888, as above stated, is..... | \$34,329,860 12 |
| Deduct: | |
| State tax..... | \$4,064,179 24 |
| Interest on the City Debt to be provided for..... | 7,116,171 54 |
| Principal of the City Debt to be provided for..... | 1,773,844 01 |
| | 12,954,194 79 |
| Total..... | \$21,375,665 33 |

The assessed valuation of real and personal estate within the City and County of New York for the year 1888, being, as above stated, one thousand five hundred and fifty-three million four hundred and forty-two thousand four hundred and thirty-one dollars and sixty-six cents (\$1,553,442,431.66), two per cent. of this sum is thirty-one million six hundred and eighty-eight thousand and forty-eight dollars and sixty-three cents (\$31,688,848.63), while the amount of the tax to be raised for city and county purposes in 1888, exclusive of the State Tax and the principal and interest of existing debt, is, as above stated, twenty-one million three hundred and seventy-five thousand six hundred and sixty-five dollars and thirty-three cents (\$21,375,665.33).

Section 3 of chapter 361 of the Laws of 1881 provides that "every corporation, joint-stock company or association whatever, now or hereafter incorporated or organized under any law of this State, or now or hereafter incorporated or organized by or under the laws of any other State or country, and doing business in this State, except savings banks and institutions for savings, life insurance companies, banks and foreign insurance companies, and manufacturing corporations carrying on manufacture within this State, which exception shall not be taken to include gas companies or trust companies, shall be subject to and pay a tax, as a tax upon its corporate franchise or business, into the treasury of the State, annually, to be computed as follows, etc."

Section 8 of chapter 361 of the Laws of 1881 provides, also, that each and all of such corporations, joint-stock companies or associations doing business within the State of New York "shall hereafter be exempt from assessment and taxation for State purposes, except upon their real estate and as herein provided; but they shall in all other respects be liable to assessment and taxation as heretofore."

The total amount of the assessed valuation of the personal estate of corporations, joint-stock companies or associations doing business in the City of New York, which under this statute are exempt from assessment and taxation for "State purposes" in 1888, is fifty-seven million six hundred and twenty-three thousand and sixty dollars (\$57,623,060), as appears by statements thereof which are filed in the office of the Comptroller of the City of New York, specifying in detail the assessed valuations of such corporations of their personal estate. The valuations of such personal estate are therefore subject to taxation for city and county purposes only, and it is therefore necessary to impose and levy taxes under two rates of taxation, one of which shall be the general rate of tax to be imposed and levied upon property for both State and City purposes, and one for the special tax to be imposed and levied upon corporations, joint-stock companies and associations which are exempt from taxation on their personal estate for State purposes, the assessed valuations of both classes of property being as follows:

| | |
|-----------------------------------------------------------------------------------------------------------------------|--------------------|
| Amount of assessed valuations of real and personal estate subject to taxation for both State and City purposes..... | \$1,495,819,371 66 |
| Amount of assessed valuations of personal estate of corporations exempt from taxation thereon for State purposes..... | 57,623,060 00 |
| Total assessed valuations..... | \$1,553,442,431 66 |

As hereinbefore stated the total amount of taxes required to be raised in 1888 is thirty-four million three hundred and twenty-nine thousand eight hundred and sixty dollars and twelve cents (\$34,329,860.12).

This amount cannot be raised exactly without extending the decimal fractions of the rates of taxation beyond the point of practicability, on account of the immense number of items of valuations upon which calculations are required in extending the taxes upon the tax books against each separate piece of property which is assessed.

The two rates of tax, therefore, which can be most conveniently fixed to raise, approximately, the amount of taxes required to be raised in and for the year 1888, is 2.22 per cent. upon the valuations of property subject to taxation for both State and City purposes, and 1.9483 per cent. upon the valuations of the personal estate of corporations exempt from taxation for State purposes.

An ordinance to impose the taxes and to fix the rates of taxation which will produce the total amount of taxes required to be raised in and for the year 1888, for the objects and purposes as above set forth in this report, is respectfully submitted herewith for the approval and adoption of the Board of Aldermen.

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
May 28, 1888.

To the Honorable the Board of Aldermen of the City of New York:

Section 212 of the New York City Consolidation Act of 1882 provides as follows:

"Section 212. It shall be the duty of the comptroller of said city to prepare and submit to the board of aldermen, at least four weeks before their annual meeting, in each and every year, for the purpose of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year on account of the corporation of the city of New York, or for city purposes within said city, and also an estimate of the probable amount of receipts into the city treasury during the then current year, from all the sources of revenue of said general fund, including surplus revenues from the sinking fund available in accordance with law, other than the surplus revenues of the sinking fund for the payment of the city debt; and the said board of aldermen are hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year for the purposes aforesaid, and to cause to be raised by tax only the balance of said aggregate amount, after making such deduction."

In pursuance of the foregoing provision I have the honor to submit to your Honorable Body a statement setting forth the amounts by law authorized to be raised by tax in and for the year 1888, on account of the Corporation of the City of New York, or for city purposes within said city, viz.:

The Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the fiscal year 1888, as adopted by the Board of Estimate and Apportionment on Thursday, December 29, 1887, aggregating the sum of thirty-seven million fifty-one thousand and fifty-three dollars and ninety-three cents (\$37,051,053.93), which estimate includes the sums necessary to be raised by tax to pay the principal and interest of all stocks and bonds becoming due and payable by said city within said fiscal year, not otherwise provided for; also the amounts required to be raised by tax and paid into the Sinking Fund annually to provide for the payment of the stocks and bonds of the City and County of New York payable by law from taxation and issued after June 3, 1878, pursuant to section 192 of the New York City Consolidation Act of 1882; also the amount to be raised by tax annually, which, with the accumulations of interest thereon, will be sufficient to redeem the stocks and bonds issued as provided by section 11 of article VIII. of the Constitution of the State of New York, as amended in 1884; and also the amount fixed and required to be paid as the quota of State tax for the County of New York in said year.

From the said aggregate amount of the Final Estimate for the year 1888 is to be deducted the sum of three million two hundred and fifty-one thousand and fifty-three dollars and ninety-three cents (\$3,251,053.93), supplied by the General Fund for the reduction of taxation, the amount of the estimated receipts of said fund payable into the City Treasury during the said year 1888, derived from all sources of its revenues available for this object, as follows:

MESSAGES FROM HIS HONOR THE MAYOR.

The Vice-President laid before the Board the following message from his Honor the Mayor:
MAYOR'S OFFICE, NEW YORK, July 9, 1888.

To the Honorable the Board of Aldermen:

I return herewith, without my approval, a resolution directing the Comptroller to draw his warrant in favor of Harris Brothers, for the sum of \$90, and Farrell Brothers, for the sum of \$60, for expenses attendant upon the funeral of the late William Dorsheimer.

I am reluctant to object to any expenses to be paid out of the Contingent Fund of the Common Council, and particularly where these expenses have been incurred in doing honor to a citizen of such eminent position and high character as the late Governor Dorsheimer. But I can find no justification whatever in the law for incurring such expenditures. Governor Dorsheimer was a private citizen, not connected with the city government, and therefore occupying no different position from that of any other eminent citizen whose death may occur in our midst. It was quite proper for the Common Council to pass resolutions of respect, and there was certainly no reason why its members could not attend the funeral, as the Mayor did, without any expense to the city. There was no occasion for any carriages, nor is it believed that the use of gloves on such an occasion adds in any way to the solemnity of the event. Even if the lamented dead had been a member of the city government, I doubt whether such expenditures could be justified; but, under the circumstances, I feel that I have no choice but to return this resolution for the reconsideration of your Honorable Body.

ABRAM S. HEWITT, Mayor.

Resolved, That the Comptroller be and he is hereby authorized and directed to draw a warrant in favor of Harris Brothers, for the sum of ninety (90) dollars, and Farrell Brothers, for the sum of sixty dollars (\$60), to be in full for bills hereto annexed incurred by the Special Committee appointed by your Honorable Body to attend to all matters relative to the funeral of the late William Dorsheimer, and charge the amounts to the account of "City Contingencies."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that Croton-mains be laid in West End avenue, from One Hundred and Fifth to One Hundred and Seventh street, pursuant to section 356 of the New York City Consolidation Act.

The Commissioner of Public Works reports that this portion of the avenue is not sewered, and there are no houses to be supplied with water. The sewers will have to be built in rock, and should be completed before water-mains are laid. The resolution is therefore premature.

ABRAM S. HEWITT, Mayor.

Resolved, That Croton-mains be laid in West End avenue, from One Hundred and Fifth to One Hundred and Seventh street, pursuant to section 356 of the New York City Consolidation Act.

Which was laid over, ordered to be printed in the minutes, published in full in the CITY RECORD, and placed on file.

The Vice-President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that One Hundred and Forty-eighth street, from Avenue St. Nicholas to Grand Boulevard, be regulated and graded, etc.

The Commissioner of Public Works reports that this street is not legally opened, and until the city acquires title to it, no assessment can be levied for work done, as provided in the ordinance.

ABRAM S. HEWITT, Mayor.

Resolved, That One Hundred and Forty-eighth street, from Avenue St. Nicholas to Grand Boulevard, be regulated and graded, the curb-stones set and sidewalks flagged a space four feet wide through the centre thereof, where not already done, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, to lay a noiseless pavement on the carriageway of Thirty-fifth street, from the crosswalk on the west side of Fifth avenue to a point one hundred and fifty feet west thereof.

The Commissioner of Public Works reports that the laying of noiseless pavements in small patches, as herein proposed, is deemed injudicious. If such pavements are to be laid at all, the work should be done in large sections, and systematically, to secure adaptation to the street traffic. Where the application is made for private convenience, as in this case, the parties seeking the privilege should defray the cost.

ABRAM S. HEWITT, Mayor.

Resolved, That the Commissioner of Public Works be and is hereby authorized to lay a noiseless pavement on the carriageway of Thirty-fifth street, from the crosswalk on the west side of Fifth avenue to a point one hundred and fifty feet west thereof, the work to be done without public letting, as provided in section 64, chapter 410, Laws of 1882, and to be done under the direction and to the satisfaction of said Commissioner; the expense to be charged to the appropriation for the "Repairs and Renewal of Pavements and Regrading."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that the carriageway of Westchester avenue, from Bergen to Tinton avenue, be paved, etc.

The President of the Department of Public Parks reports that the resolution should be amended so as to extend only between the westerly crosswalk of Brook avenue and the westerly crosswalk of Trinity avenue, for the reason, that beyond Trinity avenue, eastward, there are no sewers yet built in Westchester avenue, and from Bergen avenue to Brook avenue the pavement has already been laid under a previous ordinance of the Common Council.

ABRAM S. HEWITT, Mayor.

Resolved, That the carriageway of Westchester avenue, from Bergen avenue to Tinton avenue, be paved with trap-block pavement, except that a crosswalk of two courses of blue stone be laid across said Westchester avenue, at or near each intersection, and within the lines of the sidewalks of each intersecting street or avenue, and that a crosswalk of three courses of blue stone, with a row of trap-blocks between each course, be laid across each intersecting street or avenue, within the lines of the sidewalks thereof, under the direction of the Commissioners of the Department of Public Parks; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that Twelfth avenue, from Ninety-sixth to One Hundred and Sixth street, be regulated and graded, under the direction of the Commissioner of Public Works.

The Commissioner of Public Works reports that this portion of Twelfth avenue is under the jurisdiction of the Department of Public Parks. The resolution should therefore be amended so as to have the work done under the direction of the Department of Public Parks.

ABRAM S. HEWITT, Mayor.

Resolved, That Twelfth avenue, from Ninety-sixth to One Hundred and Sixth street, be regulated and graded, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that a drinking-fountain, for man and beast, be erected in front of No. 30 Peck Slip.

The Commissioner of Public Works reports that this fountain is unnecessary, as there is one now on South street but two blocks distant from the proposed location. A new fountain as proposed would therefore lead to a needless waste of water.

ABRAM S. HEWITT, Mayor.

Resolved, That an improved iron drinking-fountain, for man and beast, be erected in front of No. 30 Peck Slip, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that a crosswalk be laid across Broadway, on the southerly side of Canal street.

The Commissioner of Public Works reports that there is now a crosswalk at this place which is being repaired by the Department repair force. The resolution is therefore unnecessary.

ABRAM S. HEWITT, Mayor.

Resolved, That a crosswalk of three courses of bridge-stone be laid across Broadway, within the lines of the sidewalks on the southerly side of Canal street, under the direction of the Commissioner of Public Works, the expense to be charged to and taken from the appropriation for "Repairs and Renewals of Pavements and Regrading."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 2, 1888, that permission be given to John McCaffery to place and keep a watering-trough on northwest corner of Avenue A and Seventy-ninth street.

The Commissioner of Public Works reports that there is a public drinking-hydrant for man and beast at Seventy-eighth street and Avenue A, one block from the proposed location. The watering-trough provided for in this resolution is therefore unnecessary and would lead to a waste of water.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to John McCaffery to place and keep a watering-trough on northwest corner of Avenue A and Seventy-ninth street, the work to be done and water supplied at his own expense, under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 19, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 9, 1888, to lay a forty-eight-inch water-main in One Hundred and Tenth street, between Tenth and Manhattan avenues. I have already approved a similar resolution passed by your Honorable Body on the same date. The present resolution is therefore unnecessary.

ABRAM S. HEWITT, Mayor.

Resolved, That the Commissioner of Public Works be and he is hereby authorized to lay a forty-eight-inch water-main in One Hundred and Tenth street, between Tenth and Manhattan avenues, with the necessary connections, blow-offs and air-cocks, pursuant to section 356 of the New York City Consolidation Act of 1882.

Which was laid over, ordered to be printed in the minutes, published in full in the CITY RECORD and placed on file.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 19, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 9, 1888, that Twelfth avenue, from One Hundred and Thirty-third to the centre of One Hundred and Thirty-fourth street, be regulated and graded, etc.

The Commissioner of Public Works reports that this work is already provided for in an ordinance for regulating and grading Twelfth avenue, from One Hundred and Thirty-third to One Hundred and Thirty-fifth street, approved March 26, 1888, and for which the preliminary survey, contract and specifications have been prepared. The present ordinance is therefore unnecessary.

ABRAM S. HEWITT, Mayor.

Resolved, That Twelfth avenue, from One Hundred and Thirty-third to the centre of One Hundred and Thirty-fourth street, be regulated, graded, curb-stones set and sidewalks flagged a space four feet wide through the centre thereof, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 19, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 9, 1888, giving permission to Nicholas Drouot to place and keep a watering-trough in front of his premises, near the northerly junction of Morris and Third avenues.

The Commissioner of Public Works reports that there is at present a public drinking-fountain at the southwest corner of One Hundred and Thirty-eighth street and Third avenue. A watering-trough at the proposed location is therefore not needed, and would lead to an unnecessary waste of water.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Nicholas Drouot to place and keep a watering-trough in front of his premises, near the northerly junction of Morris and Third avenues, the work to be done and water supplied at his own expense, under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 19, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 9, 1888, giving permission to Jacob Waegle to place and keep a sign at Jerome avenue and One Hundred and Sixty-ninth street.

The Commissioner of Public Works reports that the pole and sign are to be placed on the sidewalk near the curb where they would be an obstruction to public travel. The courts have decided that the Common Council has no power to authorize incumbrances in the public streets. The Mayor would violate his oath of office by approving resolutions of this character.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Jacob Waegle to place and keep a sign about one by two feet, on a pole about seven feet high and six inches in diameter, at Jerome avenue and One Hundred and Sixty-ninth street, provided such post and sign shall not be an obstruction to the free use of the street by the public ; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 19, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 9, 1888, that an improved iron drinking-fountain for man and beast, be erected in front of No. 55 Centre street.

The Commissioner of Public Works reports that there is now a drinking-hydrant in front of the Tombs, a distance of two and one-half blocks from the proposed location. The proposed hydrant is therefore not needed, and would lead to an unnecessary waste of water.

ABRAM S. HEWITT, Mayor.

Resolved, That an improved iron drinking-fountain, for man and beast, be erected in front of No. 55 Centre street, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 19, 1888.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 9, 1888, that permission be given to lay a crosswalk across Pearl street, opposite Nos. 140 and 142 to Nos. 139 and 141 Pearl street, at the expense of the owners of the property. The resolution in its present form is too indefinite and uncertain, as it should specify by name the person or persons to whom the permission is granted and by whom the expense is to be borne.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and is hereby given to lay a crosswalk across Pearl street, opposite Nos. 140 and 142 to Nos. 139 and 141 Pearl street, at the expense of the owners of the property, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, July 9, 1888.

To the Honorable the Board of Aldermen :

GENTLEMEN—In answer to your resolution of 2d instant, requesting me to inform your Board what action has been taken by me to compel the Eighth Avenue Railroad Company to restore the carriageway of Hudson street, from Fourteenth street to Canal street, to the grade established by law, as directed by resolution approved December 1, 1887, I have the honor to report :

Under the law, the Eighth Avenue Railroad Company can only be compelled to relay its tracks, and the pavement within the tracks, and a space two feet wide on each side thereof, and without the simultaneous relaying by this Department of the pavement between this space and the curb on

each side, the work would be of no benefit whatever, and would probably put the carriageway of the street in worse condition than it is now. The company was duly notified to do its portion of the work, and expressed its readiness to proceed with it as soon as this Department should be ready to relay the other portions of the carriageway. The present paving blocks in Hudson street are so worn as not to be fit for relaying. A new pavement should be laid throughout, but the appropriation for "Repairing Streets and Avenues" for this year will not admit of the expenditure, in addition to the repavements already recommended and authorized. This repavement will be recommended next year, if sufficient appropriation be made for the purpose.

Very respectfully,

JOHN NEWTON, Commissioner of Public Works.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY
New York, June 1, 1888.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a paper of enrollment notice, requiring them to appear before me this year. Whether liable or not, such notices must be answered in person, if possible, and at this office only under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or intercession permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between thirty and seventy years of age, summer absentees, persons temporarily ill, and United States jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury or lodge, except when such paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

HEALTH DEPARTMENT, NO. 301 MOTT STREET,
New York, January 31, 1888.

AT A MEETING OF THE BOARD OF HEALTH of the Health Department of the City of New York, held at its office, No. 301 Mott street, January 27, 1888, the following resolution was adopted:

Resolved, That section 13 of the Sanitary Code be and is hereby amended so as to read as follows:
Sec. 13. The no owner or lessee of any building, or any part thereof, shall lease or let, or hire out the same or any portion thereof, to be occupied by any person, or allow the same to be occupied, as a place in which, or for any one, to dwell or lodge, except when such buildings or such parts thereof are sufficiently lighted, ventilated, provided and accommodated, and are in all respects in that condition of cleanliness and wholesomeness, for which this Code or any law of this State provides, or in which they or either of them require any such premises to be kept. Nor shall any such person rent, let, hire out, or allow, having power to prevent the same to be used as or for a place of sleeping or residence, any portion or apartment of any building, which apartment or portion has not at least one foot of its height and space above the level of every part of the sidewalk and curbstone of any adjacent street, nor of which the floor is damp by reason of water from the ground, or which is impregnated or penetrated by any offensive gas, smell, or exhalation prejudicial to health. But this section shall not prevent the leasing, renting, or occupancy of cellars or rooms less elevated than aforesaid, and as a part of any building rented or let, when they are not let or intended to be occupied or used by any person as a sleeping apartment, or as a principal or sole dwelling apartment.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,
No. 66 THIRD AVENUE.

TO CONTRACTORS.

PROPOSALS FOR MATERIALS AND WORK REQUIRED FOR STEAM HEATING, ETC., A PAVILION ON HART'S ISLAND, NEW YORK.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 9:30 o'clock A. M. of Friday, August 10, 1888. The person or persons making any bid or estimate shall furnish the same

in a sealed envelope, indorsed "Bid or Estimate for Steam Heating, etc., a Pavilion on Hart's Island, New York," and with his or her name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or her bond, with two sufficient sureties, each in the penal amount of ONE THOUSAND (\$1,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person or persons, and estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, or who is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the same, that he is a householder or freeholder in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, by any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every kind and over and above all his liabilities as bail, surety or otherwise; and that he has executed himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, 1880, if the contract shall be awarded to him, and that he consents to become surety. The adequacy and sufficiency of this security shall, in addition to the justification and acknowledgment, be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and provide such proper security as is required by law, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.
Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.
BIDDERS ARE INFORMED THAT NO DEVIATION FROM THE SPECIFICATIONS AND PLANS, OR FROM THE WRITTEN INSTRUCTIONS OF THE COMMISSIONERS OF PUBLIC CHARITIES AND CORRECTION.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department where the plans will be on exhibition for the information of bidders.

Dated New York, July 31, 1888.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or her bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, or who is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one party has been named, the estimate must be verified by the oath of each of them, and that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, by any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above all his liabilities as bail, surety and otherwise; and that he has executed himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security or sureties shall, in addition to the justification and acknowledgment, be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and provide such proper security as is required by law, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

The form of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particularity of articles, etc., required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

HEADQUARTERS FIRE DEPARTMENT,
157 AND 159 EAST SIXTY-SEVENTH STREET,
NEW YORK, July 25, 1888.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING FOUR thousand 4,000 feet of 2½-inch cotton rubber-lined hose, with standard couplings attached, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 10 o'clock A. M., Tuesday, August 7, 1888, at which time and place they will be publicly opened by the head of said Department and read.

Special attention is directed to the test of the hose by the Fire Department and the guarantee of the hose by the contractor, required by the specifications.

No estimate will be received or considered after the hour named.

For information as to the description of the hose, bidders are referred to the specifications, which form part of these proposals, and bidders will furnish samples of the hose to the Board of Commissioners.

The form of the agreement, with specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The hose is to be delivered at the Repair Shops of the Fire Department, Nos. 130 and 132 West Third street, between the thirtieth and thirty-first streets, after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at twenty dollars per day.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be endorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the supply to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of one thousand six hundred (\$1,600) dollars; and that if he shall omit or refuse to execute the same, he shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath, or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be determined by the Controller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of eighty dollars (\$80). Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be reawarded and relet as provided by law.

RICHARD CROKER,
FITZ JOHN PORTER,
Commissioners.
