

B. FOIL - Please complete the yellow fields in the two tables below

Objective: To uncover datasets used to respond to freedom of information law (FOIL) requests that should be published as a dataset on the Open Data Portal.

Table 1. Please list quantity of FOIL responses that included the release of data in the following categories for the last fiscal year FY2019 (July 1, 2018 - June 30, 2019)

	Total number for last fiscal year (July 1, 2018 - June 30, 2019) Note: Only numerical values will be accepted in this chart
Total number of FOIL responses that included the release of any data (public or not)	4
Number of FOIL responses* that included the release of a public dataset not yet published on the Open Data Portal or on the plan for future	4
Total number of FOIL responses* that included the release of a public dataset already published Open Data Portal	0
Total number of FOIL responses that resulted in data being posted voluntarily on the Open Data Portal	0

*These datasets must be itemized in Table 2.

Table 2. Please list the following information for the datasets reported in cell B8.

Dataset Title	Dataset Description	Number of FOIL request	Is the dataset on Open Data	Reason not public
The title of dataset used to respond to FOIL requests containing data.	Include a plain language description of the dataset.	The number of responses to FOIL requests, in the past fiscal year, using data from this dataset.	Is this dataset published on the Open Data portal or listed on the Open Data plan for future publication? (Yes or No)	If "No" in Column D of Table 2 on this tab, what is the reason the dataset should not be made public? Please add reason (e.g., privacy, security, other)
FOIL requests Sept 2018 - March 2019	Provided point-in-time information about FOIL requests received by the agency over the past 6 months	1	No	Requests filed through OpenRecords are automatically included on OpenData, but requests received via email are not posted
Runaway and Homeless Youth Site Listings	Provided point-in-time information about current RHY sites, including type of site, number of beds funded, number of beds open, date site opened, and specialties in population served	1	No	In review to determine posting
ThriveNYC Funding - FY16 Mental Health Enhancements	Provided spreadsheet outlining how ThriveNYC funding was apportioned to enhance existing Runaway and Homeless Youth programs	1	No	In review to determine posting
Discretionary Contracts Payment History Fiscal Years 2016-2018	Provided spreadsheet outlining details of discretionary contracts, including provider names, contract numbers, and contract amounts for Fiscal Years 2016-2018	1	No	In review to determine posting
Unregistered Discretionary Contracts Fiscal Years 2018-2019	Provided spreadsheet outlining details of discretionary contracts, including provider names, contract numbers, and contract amounts, that we not registered for Fiscal Years 2016-2019	1	No	No plan to publish, as fluctuations of data would cause data set to be confusing
Registered Discretionary Contracts Fiscal Years 2016-2019	Provided spreadsheet outlining details of approved budgets and expenses for registered discretionary contracts for Fiscal Years 2016-2019	1	No	In review to determine posting
Discretionary Contract Withdrawals Fiscal Years 2016-2019	Provided spreadsheet outlining details of discretionary contracts where providers withdrew from registration process for fiscal years 2016-2019	1	No	No plan to publish, as fluctuations of data would cause data set to be confusing
Discretionary Contract Registration and Cash Flow Report Fiscal Years 2016-2019	Provided spreadsheet outlining details of registered discretionary contract amounts for Fiscal Years 2016-2019	1	No	In review to determine posting
