## SALE OF THE ASTORIA FERRY, LONG ISLAND.

THE FRANCHISE OF THE FERRY FROM Ninety-second street, East river, to Astoria, Long Island, will be offered for sale by the Comptroller of the City of New York, at public auction, to the highest bidder, at his office, Room No. 15, Stewart Building, No. 280 Broadway, on Monday, January 21, 1895, at twelve o'clock M., together with the wharf property belonging to the Corporation of said city, used and required for ferry purposes, for a term of ten years, from May 1, 1894, and the following terms and conditions of sale:

The highest bidder for the lease of the franchise and wharf property of said ferry will be required to pay the auctioneer's fee, and to deposit with the Comptroller, at the time of sale, twenty-five per cent. of the yearly rental of the wharf property, and twenty-five per cent. also of the minimum amount, paid yearly for the franchise of the ferry, to be credited upon the first quarter's rent, or to be forfeited to the City if the lease is not executed by the purchaser when notified that it is ready for execution.

The minimum or upset price for the franchise for the first five years of said term is two thousand five hundred (\$2,500) dollars per annum. For the second five years of said term the minimum or upset price for said franchise is five per cent. per annum of the gross receipts, such five per cent., however, not to be less in any one year of such second five years of said term than four thousand five hundred (\$4,500) dollars. The yearly rental of the wharf property is fixed at seven hundred (\$700) dollars.

Bids for the franchise only will be received, and the wharf property belonging to the City will be subject to the yearly rental fixed by the Commissioners of the Sinking Fund, in addition to the rental to be paid for the franchise or license to operate the ferry.

No bids will be received for this ferry franchise

which shall be less than its value as appraised and fixed by the Commissioners of the Sinking Fund.

The lessee will be required to give bonds in double the amount of the minimum yearly rentals, with two sufficient sureties, to be approved by the Comptroller, conditioned for the faithful performance of the covenants and conditions of the lease and the payment of the rent quarterly and in advance for the fixed rent payable on the wharf property.

The lease will contain the usual covenants and conditions in conformity with the provisions of law and the ordinances of the Common Council relative to ferries, that the lessee will maintain and operate the ferry during the whole term and will provide ample accommodation in the way of safe and capacious boats and frequency of trips as to the sufficiency of which boats and the number of trips to be made on said ferry the decision of the Mayor and Comptroller shall be final; also conditions that the lessee will dredge the ferry slip, as required by the Department of Docks, and that during the term of the lease they will erect and build, at their own expense, and will at all times well and sufficiently repair, maintain and keep in good order all and singular the floats, racks, fenders, bridges and other fixtures at the landing places, and in the event of any damage to the bulkheads or piers, from collision by their ferry-boats or otherwise, from any accident or negligence on their part, they will immediately repair and restore said wharf property to its previous condition, free of cost and expense to the City of New York, and also that if at any time during the term of the lease the Department of Docks shall require any of the wharf property used for ferry purposes, in order to proceed with the water-front improvement in the vicinity of the ferry landings, the said lessee shall surrender and vacate the premises without any claim upon the City for any damage whatever, upon written notice being given to the lessee three months in advance of the intention of said department.

The rates of ferriage and charges for vehicles and freight shall not exceed the rates now charged.

Sworn returns of the amounts of the ferry receipts shall be made to the Comptroller, when required by him, and the books of account of the ferry shall be subject to his inspection.

The lease shall also contain a covenant providing for the purchase, at a fair valuation, of the boats, buildings and other property of the lessee used in and actually necessary for the operation of said ferry, upon the termination of the lease and the surrender and yielding up of the premises by the lessee, if the lessee shall not become the purchaser of the franchise for another term; but the Mayor, Aldermen and Commonality of the City of New York shall not be deemed thereby to covenant to purchase said property in any event.

The form of lease which the purchaser will be required to execute can be seen at the office of the Comptroller, and is made part of these terms of sale.

The right to reject any bid is reserved, if deemed for the interest of the City.

By order of the Commissioners of the Sinking Fund, under a resolution dated October 12, 1894.

## ARMORY BOARD.

ARMORY BOARD—OFFICE OF THE SECRETARY,  
No. 280 BROADWAY,  
NEW YORK, JANUARY 12, 1895.

PROPOSALS FOR ESTIMATES FOR FURNISHING MATERIALS AND WORK FOR ALTERATIONS AND REPAIRS TO THE SHIP "NEW HAMPSHIRE," IN USE AS AN ARMORY FOR THE FIRST NAVAL BATTALION, AND NOW MOORED AT THE FOOT OF EAST TWENTY- EIGHTH STREET, NEW YORK CITY.

PROPOSALS FOR ESTIMATES FOR FURNISHING materials and work in making the alterations and repairs to the Ship "New Hampshire," now moored at the foot of East Twenty-eighth street, and in use as an armory, in the City and County of New York, will be received by the ARMORY BOARD, at the MAYOR'S OFFICE, CITY HALL, UNTIL 10.30 O'CLOCK A. M., WEDNESDAY, THE 30TH DAY OF JANUARY, 1895, at which time and place they will be publicly opened and read by said Board.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the President of said Armory Board, indorsed "Estimate for Furnishing Materials and Work in Making the Alterations and Repairs to the Ship 'New Hampshire,' in use as an Armory at the foot of East Twenty-eighth street, New York City," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, in the amount of FIFTEEN HUNDRED DOLLARS (\$1,500).

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein

set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet, and so on, until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of SEVENTY-FIVE DOLLARS (\$75). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-book; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or the contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be seen upon application at the Ship "New Hampshire," now moored at the foot of East Twenty-eighth street, New York City.

The Board reserves the right to reject any or all estimates not deemed beneficial to or for the public interest. The Ship may be examined and specifications and blank forms for bids or estimates obtained by application to John Guy, Clerk of the Works, at the Ship, between the hours of two and five P. M., each day.

### TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thereupon be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.
