No. 604.

By Councilmen Cassidy—

To the Honorable the Municipal Assembly of The City of New York:

The petition of the undersigned, the Mount Sinai Cemetery, respectfully represents: That your petitioner is a cemetery corporation duly organized and existing under and by virtue of the Membership Corporation Law, article 3 thereof, being chapter 491 of the Laws of 1895, and the site acquisition thereof; and that a duly executed certificate of incorporation was heretofore duly filed in the office of the Secretary of State on or about the 24th day of March, 1896, and that a certified copy of said certificate as approved was heretofore duly filed in the office of the Clerk of the County of Queens on or about the 24th day of March, 1896.

That the Mount Sinai Cemetery is a charitable corporation organized for the purpose of furnishing burial grounds for various Jewish people and burial societies, who, owing to the crowded condition of other cemeteries, find it impossible to secure suitable space for the burial of their dead.

That, as appears from the said certificate of incorporation duly approved, the land proposed to be used is situated in the Town of Newtown, County of Queens, State of New York, and was previously being a part of The City of New York, and now known as the Borough of Queens, and the said plot of land is about twenty-five acres in extent, being known as the Denon Farm, located on the westerly side of the Fresh Pond road in the said Town of Newtown, and is bounded and surrounded on all sides by other cemetery property, to wit: On the north, by Mt. Sinai Cemetery and by Cypress Hill Cemetery; on the east, by Cypress Hill Cemetery; on the south, by West Jewish Cemetery and Salem Field Cemetery, and on the west, with said Fresh Pond road, between, by Metropolitan Cemetery and Union Field Cemetery. The map presented with this petition shows the exact location of the said property.

That the Mount Sinai Cemetery has entered into a contract for the purchase, with its own funds, of the said above-mentioned Denon Farm property, and merely asks of your Honorable Body, as required by law, for the burial permission to use its own property in carry and the purposes for which the said corporation was organized.

That the granting of this petition will not extend or enlarge the territory and/or cemetery purposes, as the ground proposed by the Mount Sinai Cemetery is situated in the very heart of the cemetery district, is completely isolated by residences, and is, as a consequence, unsuited for any other use.

Wherefore, your petitioner prays that the consent required by law is be granted from your Honorable Body (Laws of 1895, chapter 530, section 45, as amended by chapter 375 of the Laws of 1896) be granted to it, and that the Mount Sinai Cemetery be allowed to use its said property as a cemetery, and to establish and maintain a cemetery thereupon.

Dated May 10, 1898.

Respectfully submitted,

ROBERT STRAHL, President.

JULIUS HAAS, Secretary.

To the Honorable the Board of Commissioners:

The undersigned, in behalf of the Mount Sinai Cemetery of The City of New York, hereby most respectfully apply for permission to establish and maintain a cemetery on the land known as Denon Farm, and situated on Fresh Pond road, in the Town of Newtown, Borough of Queens, this city. Accompanying petition fully explains the purpose and general character of our society.

Dated May 17, 1898.

ROBERT STRAHL, President.

JULIUS HAAS, Secretary.

New York, April 17, 1898.

To the Honorable the Board of Commissioners:

The petition of the undersigned represents that the application of Mount Sinai Cemetery Association for permission of your Honorable Body to use lands for cemetery purposes located on the easterly side of "Fresh Pond road" and known as the "Denon Farm," at Newtown, Borough of Queens, City of New York, is made for the benefit of various Jewish benevolent and burial societies. The limited amount of space, the crowded condition and the restrictions existing in the different cemeteries make it almost impossible to obtain sufficient acreage for the purposes of benevolent associations.

The Mount Sinai Cemetery Association has made a contract of purchase on this land and asks your Honorable Board for nothing more than the formal permission to use its own property situated in the heart of a purely cemetery district for the same purpose as the adjoining lands.

This ground is situated, being part of a parcel of land entirely surrounded by cemeteries, that it does not enlarge or extend the territory used for cemetery purposes, and is not suitable, on account of such location, for any other purpose.

Therefore we pray the permission will be granted.

Be it Ordained by the Municipal Assembly of New York, that the Mount Sinai Cemetery be and it hereby is empowered and authorized to establish and maintain a cemetery on lands situated on the land known as Denon Farm, and situated on Fresh Pond road, in Newtown, in the Borough of Queens, of this city; the same to be incorporated, governed and controlled in accordance with and conformity to chapter 530 of the Laws of 1895 of the State of New York, and all acts amendatory thereof and supplementary thereto.

All ordinances inconsistent herewith are hereby repealed.

This ordinance shall take effect immediately.

Dated May 17, 1898.

Which was referred to the Committee on Public Health.

THE ORPHAN AID SOCIETY,  
CHARLESTON, S. C., April 20, 1898.

To the Mayor and City Council of New York City:

DEAR SIRS—Believing that your Honorable Body is in sympathy with the condition of the colored people South we write you the following facts: the Jenkins Orphanage is in a sad condition at present for the want of clothing and food. We have an orphan band of boys and have played in every city of note North. We have many friends in your city who are anxious to have the boys play in your streets and let the charitably disposed people chip in their pennies, which will aid the Home very much, as it is run simply on voluntary contributions.

During the band's four years' tour on the road there has not been one case of trouble, neither complaint. They travel every summer after the closing of the school session. Your city is a place of love and sympathy. We played there 235 days a year ago and took in \$100. Should the Council grant us the privilege to play 3 hours for 6 days they will, in one sense of the word, donate to this Orphanage more than can be expressed through this medium. Hundreds of orphans who are on the verge of starvation can be helped by granting us this permit. Please oblige the Orphan Aid Society.

E. A. CLARK, Secretary.

REV. D. J. JENKINS, President.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative.

## PRESENTATION OF PETITIONS AND COMMUNICATIONS.

No. 742.

By Alderman Keegan—

To the Honorable the Municipal Assembly of the City of New York:

GENTLEMEN:—The petition of John C. Sawkins respectfully shews to your Honorable Body: That he is the owner of certain property situated in the late Town of New Utrecht, Kings County, described on the assessment-roll as Bennett's lane and Benson avenue, formerly belonging to C. E. McManis.

That the said property was assessed upon the assessment-roll for the Town of New Utrecht for the year 1899, hereinafter set forth as follows:

| Roll. | OWNER.         | YEAR. | STREET OR AVENUE.                 | VALUE.   | AMOUNT. |
|-------|----------------|-------|-----------------------------------|----------|---------|
| 44    | C. E. McManis. | 1899. | Bennett's lane and Benson avenue. | \$200.00 | \$4.74  |

That, as your petitioner is informed and believes, the said tax was not paid either to the Collector of Taxes or the County Treasurer within the period allowed by law, and the said County Treasurer thereupon returned said tax for collection, but the same was returned by the latter to the said County Treasurer and due credit made therefor as rejected taxes, for the reason that the lands were imperfectly described and could not be located.

That said tax is not now a valid lien upon the premises formerly of said C. E. McManis, and as your petitioner is informed and believes has not been reimposed. However, said tax is upon the assessment-roll for the year aforesaid in the office of the said County Treasurer and an apparent lien upon the said premises.

That your Honorable Body is directed by chapter 951 of the Laws of 1896, in event of any taxes being rejected by the State Comptroller, to direct that such rejected taxes be cancelled upon the tax rolls in the office of the Treasurer of the County for the years for which said taxes were levied.

Wherefore, your petitioner prays your Honorable Body to pass the resolution hereto annexed, directing the said County Treasurer to cancel the tax aforesaid upon the assessment-rolls. And your petitioner prays, etc.

Dated May 10, 1898.

JOHN C. SAWKINS.

State of New York, City of New York, County of Kings, ss:

John C. Sawkins, being duly sworn, deposes and says, that he is the petitioner hereinabove named; that the foregoing petition is true, of his own knowledge, except as to the matters therein alleged, on information and belief, and, as to those matters, he believes it to be true.

JOHN C. SAWKINS.

Sworn to before me, this 10th day of May, 1898.

HENRY D. LOTT, Notary Public for Kings County.

Whereas, It appears from the annexed petition of John C. Sawkins that the tax shown on the assessment-roll of the Town of New Utrecht, Kings County, as follows:

| Roll. | OWNER.         | YEAR. | STREET OR AVENUE.                 | VALUE.   | AMOUNT. |
|-------|----------------|-------|-----------------------------------|----------|---------|
| 44    | C. E. McManis. | 1899. | Bennett's lane and Benson avenue. | \$200.00 | \$4.74  |

—is rejected tax within the meaning of chapter 951 of the Laws of 1896; be it

Resolved, That the Treasurer of the County of Kings be and he hereby is directed to cancel said tax upon the assessment-rolls for the year aforesaid, now in his office.

Which was referred to the Committee on Law.

By Alderman Kenney—

To the President, Aldermen and Councilmen, Members of Local Board of Improvement in the Borough of Brooklyn:

The petition of the taxpayers and residents of Warren street, between Third and Fourth avenues. The petitioners aver:

1. That Warren street, between Third and Fourth avenues, is about 800 feet long.

2. That there are eighty (80) tenement-houses which accommodate about one hundred and thirty (130) families.

3. That for the past three years there have been situated about midway in the block two electric-lights for the accommodation of the public.

4. That for the past four weeks said electric-lights have been cut off and the block is in total darkness, to the great inconvenience and displeasure of the public and particularly to the tenants living in the houses above mentioned.

The petitioners most respectfully request this Honorable Board to consider the circumstances above related and give them some relief by ordering that the said electric-lights be replenished, and your petitioners will be ever thankful.

No. 745.

By Alderman Cohen—

To the Honorable the Municipal Assembly of the City of New York:

The petition of the undersigned, the Mount Sinai Cemetery, respectfully represents:

That your petitioner is a cemetery corporation duly organized and existing under and by virtue of the Incorporation Law, article 3 thereof, being chapter 539 of the Laws of 1893, and the acts amendatory thereof; and that a duly executed certificate of incorporation was heretofore duly filed in the office of the Secretary of State on or about the 27th day of March, 1898, and that a certified copy of said certificate, as approved, was heretofore duly filed in the office of the Clerk of the County of Queens on or about the 20th day of March, 1898.

That the Mount Sinai Cemetery is a charitable corporation organized for the purpose of furnishing burial grounds for various Jewish benefit and burial societies, who, owing to the crowded condition of other cemeteries, find it impossible to secure suitable space for the burial of their dead.

That, as appears from the said certificate of incorporation, duly approved, the land proposed to be used is situated in the Town of Newtown, County of Queens, State of New York, said town now being a part of the City of New York, and now known as the Borough of Queens; and the said plot of land is about 25 acres in extent, being known as the Denton Farm, located on the easterly side of the Fresh Pond road, in the said Town of Newtown, and the said Denton Farm is bounded and surrounded on all sides by other cemetery property, to wit: On the north by Mount Nebo Cemetery, and by Cypress Hills Cemetery; on the East by Cypress Hills Cemetery; on the south by Pinal Jesurun Cemetery and Salem Field Cemetery, and on the west, with said Fresh Pond road between, by Macpelah Cemetery and Union Field Cemetery. The map presented with this petition shows the exact location of the said property.

That the Mount Sinai Cemetery has entered into a contract for the purchase, with its own funds, of the said above-mentioned Denton Farm property, and merely asks of your Honorable Body, as required by law, for the formal permission to use its own property to carry out the purposes for which the said corporation was organized.

That the granting of this petition will not extend or enlarge the territory used for cemetery purposes, as the ground acquired by the Mount Sinai Cemetery is situated in the very heart of the cemetery district, is completely inclosed by cemeteries and is as a consequence unsuited for any other use.

Wherefore, Your petitioner prays that the consent required by law to be obtained from your Honorable Body (Laws of 1893, chapter 539, section 45, as amended by chapter 325 of the Laws of 1896) be granted to it, and that the Mount Sinai Cemetery be allowed to use its said property as a cemetery and to establish and maintain a cemetery thereupon.

Dated May 10, 1898.

Respectfully submitted,  
MOUNT SINAI CEMETERY,  
ROBERT STRAHL, President.

JULIUS HAAS, SECRETARY.

NEW YORK, April 18, 1898.

To the Honorable the Board of Aldermen:

The petition of the undersigned represents that the application of Mount Sinai Cemetery Association for permission of your honorable body to use lands for cemetery purposes located on the easterly side of Fresh Pond road and known as the "Denton Farm," at Newtown, Borough of Queens, City of New York, is made for the benefit of various Jewish benevolent and burial societies. The limited amount of space, the crowded condition and the restrictions existing in the different cemeteries make it almost impossible to obtain sufficient acreage for the purposes of benevolent associations.

The Mount Sinai Cemetery Association has made a contract of purchase for this land and asks your honorable board for nothing more than the formal permission to use its own property situated in the heart of a purely cemetery district for the same purpose as the adjoining lands.

This ground is so situated, being part of a parcel of land entirely surrounded by cemeteries, that it does not enlarge or extend the territory used for cemetery purposes, and is not suitable, on account of such location for any other purpose.

Therefore, we pray the permission will be granted:

No. 747.

LAW DEPARTMENT,  
OFFICE OF THE CORPORATION COUNSEL,  
NEW YORK, May 10, 1898.

#### To the Honorable Board of Aldermen:

GENERAL—I am in receipt of your resolution inquiring whether "resolution or ordinances calling for public improvements in the various subdivisions of The City of New York should be first passed upon by the Local Boards of Improvements and transmitted to this Board," or whether such resolutions or ordinances may originate and be passed in either branch of the Municipal Assembly.

1. It is not generally "lawful for the Municipal Assembly to enter directly into contract for any public work or improvement whatsoever." But "proposals to enter upon public work of any character falling within the jurisdiction of the various departments, represented in the Board of Public Improvements," may originate in the Municipal Assembly. In such case and "before an ordinance or resolution authorizing the same or providing money therefor shall be adopted, a report must be had from the Board of Public Improvements as to the desirability thereof" (Greater New York Charter, section 414).

I therefore answer that resolutions or ordinances proposing public improvements may originate in the Municipal Assembly, but before being adopted must be reported upon by the Board of Public Improvements.

2. "If the report of the Board of Public Improvements be favorable in the project, an ordinance or resolution authorizing the same may be passed in the usual manner; but if the report of the Board of Public Improvements be unfavorable, an ordinance or resolution authorizing the project shall be passed only by a vote of five-sixths of both houses of the Municipal Assembly and be approved by the Mayor" (Greater New York Charter, section 414).

I therefore answer that ordinances proposing public improvements may be adopted as proposed by the Municipal Assembly after action by the Board of Public Improvements, as above set forth.

Respectfully yours,

JOHN WEALEN, Corporation Counsel.

Which was ordered on file.

Sec. 15. Upon a written petition by the owner or owners in front of or adjoining whom property and such booth or stand shall have been erected, of any person which shall have been given therefor, signed by such owner or owners and filed in the office of the mayor, said mayor shall have power, after a hearing of the parties, to revoke the license to permit for such booth or stand and the same shall thereupon cease, terminate and become null and void.

Sec. 16. The mayor, upon being satisfied that any of the provisions of this ordinance, or any other conditions upon which any such permit has been granted, have been violated, shall have power to revoke the permit in respect to which such violation has taken place, and such permit and the privileges thereby conferred or enjoyed thereunder, shall thereupon cease, terminate and become void.

Sec. 17. The penalty for a violation of any of the provisions of sections 10 to 17, inclusive, shall not exceed the sum of ten dollars.

No such booth or stand or any projection therefrom shall be erected which is wider than the width of the stairs under which it is placed or which extends along the sidewalk a greater distance than to a point where the outer surface of the stairs is not over seven feet from the level of the sidewalk; and stands shall be constructed, erected and maintained at the applicant's expense, under the direction of the Commissioner of Highways, upon plans to be approved by the Chief Engineer of the elevated railroad company affected, so as to prevent or a ready removal of so much thereof as may be necessary to enable the said company, its agents or employees to get convenient access to the under part of said stairways for the inspection, painting or repairing thereof, and shall be painted the same color as the stairs of the elevated railroad, and no advertisement shall be painted or displayed thereon. The permission shall continue for the period of one year only, and an annual fee of ten dollars shall be paid to the Bureau of Licenses for each permit granted by the mayor for stands under the stairs of the elevated railroad, as above provided.

Sec. 20. Every permit for stands underneath the stairs of the elevated railroad stations granted pursuant to this ordinance shall contain the following reservation:—

"It is expressly agreed and understood that this permit is given subject to the right of the elevated railroad company affected, its agents, employees, successors or assigns, or the owner of said stairway, at any time properly to inspect, paint, repair, reconstruct or remove from said stairway, or any portion thereof, and without claim on the part of said licensee or against said company, its agents, employees, successors or assigns, or the owner of said stairway, for damages to or interference with said booth or stand, or the business therein conducted, occasioned by such inspection, painting, repair, renewal, reconstruction or removal."

Sec. 21. All permits issued by the Bureau of Licenses, in accordance with certified resolutions of the Municipal Assembly, shall date from the date of approval of said resolutions by the mayor, and the chief of the Bureau of Licenses may transfer permits issued under the provisions of this ordinance from one location to another provided that in each case the consent of the owner or occupant of the premises to which transfer is made has given his consent to the placing of a stand at such location.

DEPARTMENT OF DOCKS AND FERRIES,  
PIER "A," NORTH RIVER.

**TO CONTRACTORS.**

(No. 612)

**PROPOSALS FOR ESTIMATES FOR DREDGING NORTH OF WEST THIRTY-FOURTH STREET, ON THE NORTH RIVER, BOROUGH OF MANHATTAN.**

**ESTIMATES FOR DREDGING NORTH OF West Thirty-fourth street, on the North river, will be received by the Board of Commissioners at the head of the Department of Docks and Ferries, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 1:45 o'clock P.M.**

**FRIDAY, MAY 27, 1898.**

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall forward the same to a sealed envelope or mail, marked as such, and addressed to the head of the Department of Docks and Ferries, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, the date of its presentation and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Twenty Thousand Dollars.

The Engineer's estimate of the quantities of material necessary to be dredged is as follows:

Mud dredging, not to exceed 1,000,000 cubic yards.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and be a part of every estimate received:

(1) Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and Ferries, and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor, per cubic yard, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under this contract is to be completed within five days after receiving a notification from the Engineer in Chief of the Department of Docks and Ferries that any part or portion of the dredging herein mentioned is required. The dredging to be done under this contract will be in slips or portions of slips between the southerly side of West Thirty-fourth street and the southerly side of West One Hundred and Fifty-ninth street, on the North river, and it to be done from time to time, and in such quantities and at such times as may be directed by the Engineer. And all the work under this contract is to be fully completed on or before the 1st day of September, 1898.

The damages to be paid by the contractor for each day that the contractor, or any part thereof, may be ordered or directed by the Engineer, may be ascertained after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price per cubic yard for doing work dredging, in conformity with the approved form of agreement and the specifications thereon or forth, by which price the bids will be rated. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work contemplated.

Bidders will distinctly state out, both in words and in figures, the amounts of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at the office with the estimates offered by him or them, and execute the contract within five days from the date of the award, and a notice to that effect, and in case of failure or refusal to do so, he or they will be considered as having abandoned it, and as in default in the City of New York, and the contract will be re-awarded and price, and as an anti-trust to be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person is interested, the estimate shall distinctly state the fact; also that the estimate is made without any consultation, connection or agreement with, and the amount thereof that has been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and as in all respects fair and without collusion or fraud; that no combination or pool exists in which the bidder is a member, or in which the bidder is directly or indirectly interested, or of which the bidder has knowledge, either personal or otherwise, to his advantage, or to keep others from bidding thereon; and also that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk thereof, or any other officer or employee of the City of New York, or any of its departments, is directly or indirectly interested in the estimate or in the profits thereof, and has not been given, offered or promised, either directly or indirectly, any money or other consideration by the bidder or anyone in his behalf with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this Department (which estimate must be verified by the oath in writing of the party making the estimate that the several matters stated therein are in all respects true. Where money then one person is interested, it is required that the certification be made and subscribed to by all the parties interested).

In case a bid shall be submitted by or in behalf of any corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe the name and office. If practicable the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being awarded, become bound as surety for the faithful performance of the contract, and that if said person or persons shall fail to execute the contract, they will pay to the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said City may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are rated. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as surety to good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a verified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money in the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.
