George Cromwell, President of the Borough of Richmond.
Joseph Bermel, President of the Borough of Queens, by Lawrence Gresser,
Commissioner of Public Works.

Louis F. Haffen, President of the Borough of The Bronx.

Bird S. Coler, President of the Borough of Brooklyn.

The President announced that Alderman Davies had been excused.

The Clerk proceeded to read the minutes of the stated meeting of May 8, 1906.

On motion of Alderman Wentz, further reading was dispensed with and the minutes were approved as printed.

MESSAGES FROM THE MAYOR.

The President laid before the Board the following communication from his Honor the Mayor:

No. 706.

City of New York, Office of the Mayor, }
May 11, 1906.

To the Honorable, The Board of Aldermen:

Sirs—I return herewith, with my disapproval, a resolution adopted by your Honorable Board on May 1, 1906, as follows:

"Resolution permitting Martin Walter to erect two hitching posts."

Resolved, That permission be and the same is hereby given to Martin Walter to place and keep two iron hitching posts in front of his premises, Nos. 765 and 767 Tre-

mont avenue, in the Borough of The Bronx; the work to be done at his own expense, under the direction of the President of the Borough of The Bronx, such permission to continue only during the pleasure of the Board of Aldermen.

The passage of a resolution of this character is clearly forbidden by section 50 of the Charter, and I therefore cannot approve the same.

Respectfully,

GEO. B. McCLELLAN, Mayor.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

MOTIONS, ORDINANCES AND RESOLUTIONS.

Alderman Keely asked and obtained unanimous consent to introduce the following:

No. 750.

Resolved, That his Honor the Mayor be and he is hereby respectfully requested to return to this Board for further consideration resolution now in his hands (Int. No. 717) designating a public park in the Borough of Brooklyn under the name "Greenpoint Park."

Which was adopted.

Subsequently the paper was received from his Honor the Mayor, and is as follows:

No. 717.

The Committee on Parks, to whom was referred on May 1, 1906 (Minutes, page 369), the annexed resolution in favor of designating "Greenpoint Park," Borough of Brooklyn, respectfully

REPORTS.

That, having examined the subject, they recommend that the said resolution be adopted:

Whereas, It has been customary to name an improvement after a locality in order to thus historically perpetuate old surroundings and landmarks; and

Whereas, Such course has been pursued in the cases of the "Williamsburgh Bridge" and "Bushwick Park"; therefore be it

Resolved, That the new park of the Borough of Brooklyn, bounded by Berry street, Nassau avenue, Lorimer street, Driggs avenue, Manhattan avenue, Leonard street, Bayard street, Union avenue and North Twelfth street, in the Fourteenth, Fifteenth and Seventeenth Wards, be and the same shall hereafter be known and designated as "Greenpoint Park."

ROBERT F. DOWNING, JACOB BARTSCHERER, FREDERICK LINDE, JOHN J. COLLINS, CHARLES P. COLE, Committee on Parks.

Subsequently Alderman Keely moved a reconsideration of the vote by which the said resolution was adopted.

Which motion was lost, a majority of all the members elected failing to vote in favor thereof.

PETITIONS AND COMMUNICATIONS.

No. 751.

United States Senate, }
Washington, May 9, 1906. }

Mr. P. J. SCULLY, City Clerk, Board of Aldermen, New York City:

Dear Sir—I beg to acknowledge the receipt of a petition of the Board of Aldermen of The City of New York, praying for the enactment of the bill for the relief of the victims of the "General Slocum" disaster, introduced by Representative Sulzer, and to say that I have taken pleasure in presenting the same to the Senate to-day.

Very truly yours,

T. C. PLATT.

Which was ordered on file.

No. 752.

The Women's Prison Association and Isaac T. Hopper Home, }
No. 110 Second avenue, New York City, }
May 11, 1906. }

To Hon. PATRICK F. McGOWAN, President of the Board of Aldermen, City Hall, New York:

Dear Sir—The Women's Prison Association, of No. 110 Second avenue, New York, having learned that the Commissioner of Police, General Theodore A. Bingham, has petitioned your Honorable Body for an appropriation to make repairs in the police stations of this City, desires to call your attention to the existing conditions of certain station-houses in which women are received. The association desires further to state that this information has been obtained through daily visitations to the station-houses extending over a long period of years, and is therefore able to speak from actual knowledge.

BOROUGH OF BROOKLYN.

The cells for women in the Fifty-third Precinct (Liberty and Miller avenues), the Forty-third (Forty-third street and Fourth avenue), the Forty-eighth (Amity and Emmet streets), the Fifty-fifth (Gates and Throop avenues), the Sixty-fourth (Hamburg and DeKalb avenues), the Fifty-seventh (Flushing and Clermont avenues) and the Sixty-second (Herbert and Humboldt streets), need painting. They have not been painted since the incorporation of the Greater City and have become germ and vermin infected to such an extent as to be a menace to public health. They cannot be cleaned until painted.

The prison for women at the Forty-third street precinct consists of two cells located in a small extension one story in height and about ten feet square. The only means of ventilation is a small window high in the wall at one side, and in summer, if the door opening into the corridor is closed, the women are in a fainting condition; if opened they can be seen by and converse with the men prisoners. A ventilator should be cut in the roof of the women's prison, and the door could then be closed. The room for matrons at this station is extremely small and a partition separating it from an adjoining room should be removed. The ceiling in the toilet is falling and there is but one whole chair: the lounge is broken and unfit for use.

The ceiling in the room assigned for matrons in the Fifty-seventh Precinct is falling and the walls need painting.

The prison for women in the Sixty-second consists of two cells. From three to eight prisoners are received nightly, and to prevent overcrowding women are locked in the cells of the men's prison. It often happens that men and women are in adjoining cells, a direct violation of law. The ceiling in the Matron's room has fallen and the pipes of the men's toilet directly over this room are exposed and leak down upon the Matrons.

The room for Matrons in the Forty-ninth street precinct is in an unsanitary condition. The Captain's toilet ventilates into this room. The cells here also need painting.

In all the station-houses mentioned the boards on which the women sleep are badly infested, and steel cots swinging from the wall should be provided.

BOROUGH OF QUEENS.

The prison for women at Far Rockaway consists of a single small room in the basement. The room is reached only by a steep, narrow stairway down which but one person can pass at a time, and it is extremely difficult to take an intoxicated woman down these stairs. The room is in total darkness at night, there being but a single gas jet to light the men's and women's prison. The men's prison is near at hand and the toilet for both men and women is close to the door of the women's prison. This room contains a broken lounge on which the prisoner sleeps. There is plenty of room for a women's prison on the ground floor.

BOROUGH OF MANHATTAN.

In four station-houses to which Matrons are assigned in the Borough of Manhattan there are no toilet accommodations for Matrons and lost children save such as are found in the cells of prisoners. These are in Macdougall street, West Thirtieth

street, West Thirty-seventh street and East Sixty-seventh street. At West One Hundred and Twenty-fifth street, one of the toilets for Patrolmen has been assigned to Matrons. It is located in the cellar and separated from the others only by a thin board partition.

The room assigned to Matrons in the Tenth Precinct (Macdougall street) is up three flights of stairs and far removed from the prison. The lost children are cared for in this room and must be carried up and down these stairs. There is ample room on the ground floor to build a room for Matrons.

The prisons for women in the Second Precinct (Church street), the Fifth (Oak street), the Sixth (Elizabeth street), the Twelfth (Eldridge street), the Fifteenth (First avenue and Fifth street), the Sixteenth (Mercer street), the Nineteenth (West Thirtieth street), the Twenty-first (East Eighty-fifth street) and the Thirty-second (East One Hundred and Twenty-sixth street), need painting. With one or two exceptions they have not been painted in ten years.

The stone floor of the prison at Elizabeth street is so worn that pools of water stand in the depressions days after the place is cleaned. The bricks are falling out of the cell walls. The matrons' room is unsanitary, the wall black with smoke and grime and the furniture broken and unfit for use.

The room for matrons in East Thirty-fifth street station house does not contain a chair that is safe to sit on. The paper hangs in streamers from the walls and the ceiling is black with smoke.

The prison for women at First avenue and Fifth street is in the basement. It is ventilated by a small window opening on First avenue. When this window is open crowds gather to jeer at and converse with the prisoners. In hot weather, with the window closed, the prison is unbearable.

The walls and ceiling in the matrons' room in the Twenty-second (West Thirty-seventh street) are black with smoke and need painting.

The cells for women in the Thirty-second (East One Hundred and Twenty-sixth street) are in the second story of the building and reached only by stairs from the outside. These stairs are long, steep and dangerous. It often requires three officers to take an intoxicated woman up these stairs, and she is liable to reach the top with her clothes torn from her. Even the people in the adjoining apartments protest against such scenes. In rain, snow and sleet the matron has to mount these stairs every half hour to make inspections. The prison for women consists of two rows of cells opening on a passage so narrow that when the cell door is open it completely closes the passage. A single gas jet is the only means of lighting, and to learn the condition of her prisoners the matron must light a match and go into the cell. She could easily be killed before help could reach her.

The ceiling over the cells is falling and the place is badly infested with vermin. This prison should be abolished and part of the men's prison on the ground floor partitioned off for a prison for women. From 150 to 200 women are now dragged up and down these stairs each month. The matrons' room is up one flight and far removed from the prison. A room should be provided on the ground floor.

The cells for women at the Thirty-first (West One Hundred and Twenty-fifth street) are separated only by a narrow open passageway from those assigned to men. Men and women can converse and there is no privacy for either.

We are ready to affirm that the present condition of the station houses above mentioned renders them a menace both to public health and public morals; and we therefore indorse the request of Commissioner Theodore A. Bingham and urge that a sum sufficient to insure these most needed improvements be appropriated.

Yours respectfully,

SARAH H. EMERSON, First Director.

425 West End Avenue.

No. 753.

Whereas, At the election held in the Fifty-fourth Aldermanic District on the 7th day of November, 1905, one Michael J. Monahan was the candidate of the Democratic party, and at said election claims to have received the highest number of legal votes cast thereat, and declared elected, and is now performing the duties of said office; and

Whereas, James J. Lanigan, the candidate of the Municipal Ownership ticket, has long since protested against the election and the seating of said Michael J. Monahan, and has duly filed his protest with the Board of Aldermen with a request that a hearing be accorded him thereon on the ground that said Michael J. Monahan is not now and never was a citizen of the United States, having been born in the District of Drumlish, in the Union of Longford, and in the County of Longford, in Ireland, on the 4th day of May, 1868, and never has been naturalized as a citizen of the United States; and

Whereas, The said Board of Aldermen has not taken action upon the protest of said James J. Lanigan, but has ignored the same and permitted the said Michael J. Monahan to sit as the representative in said body of this District, in violation of the Constitution of the United States and of the Constitution of the State of New York, which provides that none but citizens of the United States shall hold a public office; therefore be it

Resolved, That we, the members of the Municipal Ownership League of the Ninth Assembly District, in which is embraced the Fifty-fourth Aldermanic District, of The City of New York, do hereby protest against any further delay in the matter of the hearing of the petition of said James J. Lanigan, who was duly elected as our representative in this District, by virtue of having received the highest number of legal votes cast at the last election, and we demand that we be accorded the representation to which we are entitled, and to that end demand that the Board of Aldermen of The City of New York take the necessary steps in the premises to secure to us our rights through the ejection of said Michael J. Monahan and the seating of James J. Lanigan as the Alderman from the said Fifty-fourth Aldermanic District; and be it further

Resolved, That a copy of this resolution be forthwith transmitted to the Board of Aldermen at its next meeting.

JOHN J. FLYNN,
JAMES J. REILLY,
EDWARD J. CASSIDY,
JOHN NICHOLS, Jr.,
EDWARD FARLEY,

MOTIONS, ORDINANCES AND RESOLUTIONS RESUMED.

Alderman Brown asked and obtained unanimous consent to introduce the following:

No. 754.

Whereas, The Recording Tax Bill, substituting a tax on Mortgages of one-half of one per cent., paid once for all at the time of the recording of the mortgage, for the annual tax of a like amount, has passed both houses of the Legislature by large majorities; and

Whereas, The enactment of this bill into law is earnestly desired by a preponderant sentiment in every section of the city as a relief from the burdens imposed on borrowers by the operation of the present Annual Mortgage Tax; and

Whereas, The Governor has said that the State does not need the revenue from the Mortgage Tax Law; and

Whereas, The home owners of The City of New York have sought by every means in their power to voice their opposition to this law as a tax on thrift and a discouragement to the poorer members of the community, whose homes are mortgaged and who feel keenly the hardship of the high interest rates demanded by lenders of money on this security;

Now, therefore, the Board of Aldermen of The City of New York, on behalf of the people represented by its membership respectfully petition his Excellency, Governor Higgins, to relieve the home owners of this city from the burdens of the Mortgage Tax by signing the Recording Tax Bill now before him for consideration.

Which was adopted.

Alderman McCall asked and obtained unanimous consent to introduce the following:

No. 755.

Whereas, There has passed away from among us, in ripeness of years, energetic to the last, a great American citizen,

CARL SCHURZ,

Resolved, That this Board of Aldermen deem it their duty to record their appreciation of our fellow citizen, whose devotion to liberty and the highest ideals of human happiness for sixty years, rendered him distinguished far beyond the confines of the land he made his own and loved.

A revolutionist as a boy, he was forced to fly from the Fatherland in 1848 and, after a sojourn in England, came to this country and early became prominent as an earnest advocate of everything tending to the betterment of men, measures and materialities. As Meagher was an inspiration to the Irish, so was Carl Schurz to our citizens of German descent. When the Civil War broke out he largely helped to fill our armies and, as a Division General, earned a reputation for steady, steel-like, soldierly virtue. At Gettysburg he gloriously commanded the Eleventh Corps of the Army of the Potomac, which had been grievously shattered at Chancellorsville under another commander. As Cabinet Officer, Minister to Spain, United States Senator, editor, orator, it may truly be said that "whatever he touched he adorned."

Resolved, That our heartfelt sympathy is extended to the family of the deceased warrior and statesman, who may be consoled by the memory of this well spent, stainless, illustrious and esteemed life. Be it further

Resolved, That a copy of this preamble and resolutions, suitably engrossed and duly authenticated by the City Clerk, be forwarded to the family of the late General Carl Schurz.

Which was unanimously adopted by a rising vote.

On motion of Alderman Meyers, the Board proceeded to the order of business of Special Orders.

SPECIAL ORDERS.

Alderman Meyers called up Special Order 39, being a report and resolution, as follows:

No. 600.

The Committee on Finance, to whom was referred on April 17, 1906 (Minutes, page 212), the annexed resolution requesting the issue of Revenue Bonds to the amount of \$1,200 to pay salary of Female Probationary Officer, Court of Special Sessions, Second Division, respectfully

REPORTS:

That the issue of these bonds is for the purpose to provide funds for the payment of a salary fixed by this Board. They therefore recommend that the said resolution be adopted.

Resolved, That the Board of Estimate and Apportionment be and hereby is requested, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, to authorize the Comptroller to issue Special Revenue Bonds to the amount of twelve hundred dollars (\$1,200), or as much thereof as may be necessary, the proceeds whereof shall be applied to the payment of the salary for 1906 of the Female Probation Officer in the Court of Special Sessions, Second Division, authorized by resolution of the Board of Aldermen adopted March 27, 1906, and approved by the Mayor April 3, 1906.

JOHN R. DAVIES, JOHN DIEMER, JAMES W. REDMOND, THOS. J. MULLIGAN, A. L. KLINE, Committee on Finance.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Brown, Bunting, Callahan, Carter, Clifford, Cole, Collins, Cronin, Diemer, Dinwoodie, Doull, Dowling, Downing, Doyle, Ellery, Everson, Falk, Farrell, Freeman, Grifenhagen, Gunther, Haggerty, J. J. Hahn, Hann, Herold, Higgins, Jacobson, Keely, Kenneally, Kline, Krulish, Kuck, Linde, Markert, McCall, Meyers, Moffitt, Monahan, Morris, Mulligan, Murphy, Noonan, Olvany, O'Neill, Peters, Redmond, Rendt, Richter, Rowcroft, Smith, Sturges, Sullivan, Torpey, Wafer, Wentz, President Berml, by Lawrence Gresser, Commissioner of Public Works; the Vice-Chairman, the President—60.

Alderman Ahner called up Special Order No. 36, being a report and resolution, as follows:

No. 472.

The Committee on Public Letting, to which was referred on March 20, 1906 (Minutes, page 1090), the annexed resolution authorizing the Fire Commissioner to purchase an automobile without public letting, respectfully

REPORTS:

That the automobile, by reason of its rapidity and convenience, has become a necessity in the transaction of public business; especially is this so when inspection of public utilities requires the visits of the President of the Borough and other heads of the departments to places many miles distant from each other. The Committee believes, however, that the maximum cost of an automobile should be \$4,000. They therefore recommend that the words five thousand five hundred and the figures 5,500 be stricken out of the resolution and the words four thousand and the figures 4,000 inserted in lieu thereof. They further recommend that the resolution as so amended be adopted.

Resolved, That, pursuant to the power conferred upon it by the provisions of section 419 of the Greater New York Charter, the Board of Aldermen, deeming such course to be in the public interest, hereby authorizes and empowers the Fire Commissioner to purchase in the open market, instead of by contract at public letting, for the official use of his Department, one automobile, at an expense not to exceed the sum of five thousand five hundred dollars (\$5,500).

A. L. KLINE, WM. CLIFFORD, DAVID S. RENDT, FRANCIS J. O'NEILL, JOSEPH SCHLOSS, MAX S. LEVINE, Committee on Public Letting. Alderman Freeman raised the point of order that this resolution was in contravention to section 1554 of the Charter, and that the Board had no power to act in the matter.

The President ruled that the point of order was not well taken.

The President then put the question whether the Board would agree to accept said report and adopt said resolution as amended.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Bunting, Callahan, Carter, Clifford, Cole, Collins, Cronin, Dinwoodie, Dotzler, Doull, Dowling, Downing, Doyle, Ellery, Everson, Falk, Farrell, Gunther, Haggerty, C. Hahn, J. J. Hahn, Hann, Hatton, Herold, Higgins, Jacobson, Keely, Kenneally, Kline, Krulish, Kuck, Lawlor, Linde, Markert, McCall, Meyers, Moffitt, Monahan, Morris, Mulligan, Murphy, Noonan, Olvany, O'Neill, Peters, Potter, Redmond, Rendt, Richter, Rowcroft, Schloss, Smith, Stapleton, Sturges, Sullivan, Torpey, Wafer, Wright, President Cromwell, President Berml, by Lawrence Gresser, Commissioner of Public Works, President Haffen and the Vice-Chairman—65.

Negative—Alderman Freeman—1.

Alderman Morris called up Special Order No. 38, being a report and resolution, as follows:

No. 660.

The Committee on Public Letting, to which was referred on April 24, 1906 (Minutes, page 296), the annexed communication from the Commissioner of Parks, Borough of The Bronx, requesting authority to purchase an automobile without public letting, respectfully

REPORTS:

That, Whereas, The Committees on Finance and Public Letting made a report to the Board of Aldermen April 24, 1906 (Minutes, page 263), which report was adopted by the Board of Aldermen, that automobiles are necessary to the City Departments to adequately meet modern conditions; especially is this so when it is the duty of the head of the Department to make inspections covering a large area of territory. As the Department of Parks for the Borough of The Bronx, with its widely scattered parks meets this condition, the Committee recommends the adoption of the annexed resolution.

Resolved, That, pursuant to the power conferred upon it by the provisions of section 419 of the Greater New York Charter, the Board of Aldermen, deeming such course to be in the public interest, hereby authorizes and empowers the Com-

mission of Parks for the Borough of The Bronx to purchase in the open market, instead of by contract at public letting, for the official use of his Department, one automobile, at an expense not to exceed the sum of four thousand dollars (\$4,000).

A. L. KLINE, F. J. O'NEILL, WM. CLIFFORD, JACOB BARTSCHERER, MAX S. LEVINE, Committee on Public Letting.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Bunting, Callahan, Carter, Clifford, Collins, Cronin, Dinwoodie, Dotzler, Doull, Dowling, Doyle, Ellery, Everson, Falk, Farrell, Griffenhagen, Gunther, Haggerty, C. Negative—Alderman Freeman—1.

President Cromwell called up Special Order 37, being a report and resolution, as follows:

No. 511.

The Committee on Public Letting, to which was referred on March 20, 1906 (Minutes, page 1090), the annexed resolution authorizing the President of the Borough of Richmond to purchase an automobile without public letting, respectfully

REPORTS:

That the automobile, by reason of its rapidity and convenience, has become a necessity in the transaction of public business, especially is this so, when inspection of public utilities require the visits of the President of the Borough and other heads of the Departments to places many miles distant from each other. The committee believes, however, that the maximum cost of an automobile should be \$4,000. They therefore recommend that the words five thousand and the figures 5,000 be stricken out of the resolution and the words four thousand and the figures 4,000 inserted in lieu thereof. Resolved, That, pursuant to the power conferred upon it by the provisions of section 419 of the Greater New York Charter, the Board of Aldermen, deeming such course to be in the public interest, hereby authorizes and empowers the President of the Borough of Richmond to purchase in the open market, instead of by contract at public letting, for the official use of the President of the Borough of Richmond and his office, one automobile at an expense not to exceed the sum of five thousand dollars (\$5,000).

A. L. KLINE, WM. CLIFFORD, DAVID S. RENDT, F. J. O'NEILL, JOSEPH SCHLOSS, MAX S. LEVINE, Committee on Public Letting.

The President put the question whether the Board would agree to accept said report and adopt said resolution as amended.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Bunting, Callahan, Carter, Clifford, Cole, Collins, Cronin, Dinwoodie, Dotzler, Doull, Downing, Doyle, Ellery, Everson, Falk, Farrell, Griffenhagen, Gunther, Haggerty, C. Negative—Alderman Freeman—1.

Alderman McCall called up Special Order 35, being a report and resolution, as follows:

No. 452.

The Committee on Public Letting, to which was referred on March 20, 1906 (Minutes, page 1090), the annexed resolution authorizing the President of the Borough of Brooklyn to purchase an automobile without public letting, respectfully

REPORTS:

That the automobile, by reason of its rapidity and convenience, has become a necessity in the transaction of public business; especially is this so when inspection of public utilities require the visits of the President of the Borough and other heads of the departments to places many miles distant from each other. The committee believes, however, that the maximum cost of an automobile should be \$4,000. They, therefore, recommend that the words five thousand nine hundred and the figures 5,900 be stricken out of the resolution and the words four thousand and the figures 4,000 inserted in lieu thereof. They further recommend that the resolution as so amended be adopted.

Resolved, That, pursuant to the power conferred upon it by the provisions of section 419 of the Greater New York Charter, the Board of Aldermen, deeming such course to be in the public interest, hereby authorizes and empowers the President of the Borough of Brooklyn to purchase in the open market instead of by contract at public letting, for the official use of his department, one (1) automobile, at an expense not to exceed the sum of five thousand nine hundred dollars (\$5,900).

A. L. KLINE, WM. CLIFFORD, DAVID S. RENDT, FRANCIS J. O'NEILL, JOSEPH SCHLOSS, MAX S. LEVINE, Committee on Public Letting.

The President put the question whether the Board would agree to accept said report and adopt said resolution as amended:

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bartscherer, Brown, Bunting, Callahan, Carter, Clifford, Cole, Collins, Cronin, Dinwoodie, Dotzler, Doull, Downing, Doyle, Ellery, Everson, Falk, Farrell, Griffenhagen, Gunther, Haggerty, C. Hahn, J. J. Hahn, Hann, Harnischfeger, Herold, Higgins, Jacobson, Keely, Kenneally, Kline, Krulish, Kuck, Kuntze, Lawlor, Leverett, Linde, Markert, McCall, Meyers, Moffitt, Monahan, Morris, Mulligan, Olvany, O'Neill, Potter, Redmond, Rendt, Richter, Schneider, Smith, Sturges, Sullivan, Torpey, Wafer, Wentz, Wright, President Cromwell, President Bermel, by Lawrence Gresser, Commissioner of Public Works; President Haffen, President Coler and the Vice-Chairman—62.

Negative—Alderman Freeman—1.

Alderman Clifford called up Special Order 34, being a report and resolution, as follows:

No. 408.

The Committee on Public Letting, to which was referred on March 13, 1906 (Minutes, page 1027), the annexed resolution authorizing the President of the Borough of Queens to purchase an automobile without public letting, respectfully

REPORTS:

That, according to a communication from the President of the Borough of Queens, it is absolutely essential that an automobile should be procured for the use of the Borough officials. The Borough of Queens embraces about 80,000 acres. There are sewerage disposal plants located in remote sections nine to ten miles apart, with no transit facilities. The Committee believes, however, that the maximum cost of an automobile should be \$4,000. The Committee therefore recommends that the words five thousand and the figures 5,000 should be stricken out and the words four thousand and the figures 4,000 inserted in lieu thereof. The Committee further recommends that the resolution, as so amended, be adopted.

Resolved, That, pursuant to the provisions of section 419 of the Greater New York Charter, the Board of Aldermen, deeming it in the public interest, hereby authorizes and empowers the President of the Borough of Queens to purchase, in the open market, instead of by contract at public letting, for the official use of the President of the Borough of Queens, one automobile at an expense not exceeding the sum of five thousand dollars (\$5,000).

A. L. KLINE, WM. CLIFFORD, DAVID S. RENDT, FRANCIS J. O'NEILL, JOSEPH SCHLOSS, MAX S. LEVINE, Committee on Public Letting.

The President put the question whether the Board would agree to accept said report and adopt said resolution as amended.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Brown, Bunting, Callahan, Carter, Clifford, Cole, Cronin, Dinwoodie, Doull, Doyle, Ellery, Everson, Falk, Farrell, Griffenhagen, Gunther, Haggerty, C. Alderman Richter called up Special Order No. 33, being a report and resolution, as follows:

No. 300A.

The Committee on Public Letting, to which was referred on February 20, 1906 (Minutes, page 799), the annexed communication from the Police Department, requesting authority to purchase three automobiles without public letting, respectfully

REPORTS:

That Commissioner Bingham appeared before the Committee and stated that these automobiles were to be used by the Commissioner and his deputies while on inspection tours. These machines would enable the Commissioner and his deputies to cover the vast area of the boroughs of the city in a quick and convenient way. The Committee believes, however, that the maximum cost of a machine should be \$4,000. They therefore recommend that the Commissioner of Police be authorized to purchase one automobile at \$4,000 and two automobiles at \$2,500 each. They further recommend that the annexed resolution be adopted.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Police Commissioner be and he hereby is authorized to purchase in the open market, instead of by contract at public letting, for the official use of the Police Department, three automobiles, at an expense not to exceed nine thousand dollars (\$9,000), one of said automobiles not to exceed the cost of four thousand dollars (\$4,000), and the other two not to exceed the cost of twenty-five hundred dollars (\$2,500) each.

A. L. KLINE, WM. CLIFFORD, DAVID S. RENDT, FRANCIS J. O'NEILL, JOSEPH SCHLOSS, Committee on Public Letting.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Brown, Bunting, Callahan, Carter, Clifford, Cole, Collins, Diemer, Dotzler, Doull, Dowling, Downing, Doyle, Ellery, Everson, Falk, Farrell, Fried, Griffenhagen, Gunther, Haggerty, C. Negative—Aldermen Dinwoodie, J. J. Hahn, Lawlor, Markert, Moffitt and Rowcroft—6.

Alderman Richter called up Special Order No. 32, being a report and resolution, as follows:

No. 300.

The Committee on Finance, to whom was referred on February 20, 1906 (Minutes, page 799), the annexed communication from the Police Department, requesting an issue of \$16,000 Special Revenue Bonds for the purchase of three automobiles, respectfully

REPORTS:

That your Committee has given this matter careful consideration and has heard Commissioner Bingham, who spoke in favor of same. He stated that the automobiles were required to properly perform and supervise the police work under modern conditions, and your Committee agree with him as to that. Your Committee, however, believe that the amount requested was excessive, and so stated to him that it felt that \$9,000 would be adequate, with which sum he said he would manage to do. Your Committee therefore report favorably upon the annexed substitute resolution.

Resolved, That, pursuant to subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of nine thousand dollars (\$9,000), the proceeds whereof shall be applied to the purchase of three automobiles by and for the use of the Department of Police.

JOHN R. DAVIES, JOSEPH FALK, B. W. B. BROWN, JOHN DIEMER, A. L. KLINE, Committee on Finance.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Brown, Callahan, Carter, Clifford, Cole, Collins, Cronin, Diemer, Dotzler, Doull, Dowling, Downing, Ellery, Falk, Fried, Griffenhagen, Haggerty, C. Hahn, J. Negative—Alderman Freeman—1.

MOTIONS, ORDINANCES AND RESOLUTIONS AGAIN RESUMED.

Alderman Peters asked and obtained unanimous consent to introduce the following:

No. 756.

Whereas, This Board has expressed itself in favor of all department automobiles bearing the initials of their respective departments; that such automobiles be of American make and not to cost more than four thousand dollars (\$4,000); therefore be it

Resolved, That the Committee on Laws and Legislation of this Board be directed to draw up the necessary ordinance covering this matter.

Which was adopted.

Alderman Meyers asked and obtained unanimous consent to introduce the following:

No. 757.

Resolved, That when this Board adjourns it do adjourn to meet on Tuesday, May 22, 1906, at 12 noon, in special meeting, and then to organize and proceed to divide the counties embraced within The City of New York into Assembly districts as required by law.

Which was adopted.

No. 758.

By the same—

Resolved, That the next regular session of the Board of Aldermen shall be held on Tuesday, May 29, 1906, at the usual hour.

Which was adopted.

No. 759.

By the same—

Resolved, That the Corporation Counsel be and he is hereby requested to advise the members of the Board of Aldermen assembled in a special meeting as required by law on the 22d day of May, 1906, whether the President of the Board of Aldermen and the Presidents of the Boroughs, or any of them, are entitled to vote upon the subject of division into Assembly districts of the several counties embraced within The City of New York.

Which was adopted.

Alderman McCall moved to go into the order of Reports of Standing Committees.

Which was adopted.

REPORTS OF STANDING COMMITTEES.

Report of Committee on Public Letting—

No. 686—(S. O. 40).

The Committee on Public Letting, to which was referred on May 1, 1906 (Minutes, page 338), the annexed communication from the Police Commissioner requesting authority to expend money for reviewing stands, music, etc., in connection with the Police Parade without public letting, respectfully

REPORTS:

That at a hearing on the above matter, Commissioner Bingham stated this is a customary resolution introduced in reference to the annual Police Parade. It is the

purpose of the Commissioner to have the parade on June 2, 1906. On account of the short space of time, it will be necessary for the Commissioner to immediately contract for the erection of the stands and the supply of music. They therefore recommend the adoption of the annexed resolution.

Resolved, That the Police Commissioner is hereby authorized in pursuance of the provisions of section 419 of the Greater New York Charter, to contract without public letting for the erection and decoration of reviewing stands, providing music and such other matters as may be necessary to the holding of the annual Police Parade in the year 1906. The sum total of the expenditures made on this account, however, not to exceed the amount set aside for said purpose in the Budget of the Police Department for the year 1906.

A. L. KLINE, JOSEPH SCHLOSS, JACOB BARTSCHERER, WILLIAM CLIFFORD, DAVID S. RENDT, Committee on Public Letting.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Kline moved the adoption of this report.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the negative by the following vote:

Affirmative—Aldermen Bartscherer, Brown, Bunting, Callahan, Cole, Collins, Doull, Dowling, Doyle, Everson, Haggerty, C. Hahn, Keely, Kenneally, Kline, Kuck, McCall, Meyers, Monahan, Morris, Redmond, Rendt, Schloss, Schneider, Stapleton, Sturges, Wentz, President Cromwell, President Bermel, by Lawrence Gresser, Commissioner of Public Works, and the Vice-Chairman—30.

Negative—Aldermen Carter, Cronin, Dotzler, Downing, Ellery, Freeman, Gunther, Hatton, Herold, Kuntze, Markert, Moffitt, O'Neill, Wafer and Wright—15.

On motion of Alderman Doull, the vote by which the above report was lost was reconsidered, and the paper was made a special order for the next meeting at 2 o'clock p. m.

No. 732.

Report of Committee on Finance—

The Committee on Finance, to whom was referred on May 8, 1906 (Minutes, page 431), the annexed resolution in favor of an issue of \$55,000 to pay salaries of employees to operate new permanent interior and summer free floating baths, respectfully

REPORTS:

That this is an application for \$55,000 Special Revenue Bonds, \$25,000 of which is to pay attendants at the free floating baths and the balance the attendants of the new interior bath on West Sixtieth street, between Amsterdam and Eleventh avenues, about to be opened.

Mr. Davis, of the Borough President's office, appeared before your Committee and urged the adoption of the resolution. He explained that the floating baths were always opened on June 15, and that the money should be available then. There are fifteen floating baths, and they require about one hundred attendants, male and female. The salaries ranging from \$2 to \$2.50 per day. The period of working days averaged in a year is about 125. The Budget allowance was about \$90,000 short of the estimate, and for this reason revenue bonds are requested.

Your Committee realize the urgency of the floating bath appropriation, and for that reason alone report favorably at this time upon that part of the appropriation. They wish further opportunity to investigate the interior bath application, and for that reason reject this at this time, and will take it up if the application is renewed. The Committee believe these applications should be taken into consideration in the Budget, as they are annual charges. But under the present circumstances the Board has no alternative but to recommend the floating bath application without delay, as this is one branch of municipal activity with which it is in great accord.

The Committee therefore recommends the adoption of the annexed substitute resolution.

(SUBSTITUTE.)

Resolved, That, pursuant to subdivision 8 of section 188 of the amended Greater New York Charter, the Board of Estimate and Apportionment be and is hereby requested to authorize the Comptroller to issue Special Revenue Bonds in an amount not to exceed twenty-five thousand dollars (\$25,000), for the purpose of employing Bath Attendants, etc., to operate the summer free floating baths.

(ORIGINAL.)

Resolved, That, pursuant to subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and is hereby requested to authorize the Comptroller to issue Special Revenue Bonds in an amount not to exceed fifty-five thousand dollars (\$55,000) for the purpose of employing Bath Attendants, Engineers, Firemen, etc., to operate the new permanent interior and summer free floating baths.

JOHN R. DAVIES, JOHN DIEMER, J. E. BUNTING, JAMES W. REDMOND, A. L. KLINE, Committee on Finance.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Diemer moved the adoption of this report.

The President put the question whether the Board would agree to accept said report and adopt said substitute resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Clifford, Cronin, Diemer, Dinwoodie, Doull, Dowling, Downing, Doyle, Ellery, Everson, Falk, Farrell, Freeman, Fried, Grifenhagen, Gunther, Haggerty, C. Hahn, Hatton, Herold, Jacobson, Keely, Kenneally, Kline, Krulish, Kuck, Kuntze, Lawlor, Leverett, Linde, Markert, McCall, Moffitt, Meyers, Monahan, Morris, Mulligan, Murphy, Noonan, Olvany, O'Neill, Peters, Potter, Redmond, Rendt, Richter, Schloss, Schneider, Smith, Stapleton, Sturges, Torpey, Wafer, Wentz, Wright, President Cromwell, President Bermel, by Lawrence Gresser, Commissioner of Public Works, and the Vice-Chairman—60.

COMMUNICATIONS FROM CITY, COUNTY AND BOROUGH OFFICES.

The President laid before the Board the following communications from the Board of Estimate and Apportionment, transmitting ordinances:

No. 760.

Board of Estimate and Apportionment, City of New York,
Financial Branch, No. 280 Broadway,
May 12, 1906.

Hon. PATRICK F. MCGOWAN, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment May 11, 1906, approving of the issue of Corporate Stock to the amount of \$750,000 to provide means for repaving streets and avenues in The City of New York, together with copy of a report of the Borough Presidents relative thereto.

I also inclose form of ordinance for adoption by the Board of Aldermen to indicate its concurrence therein.

Yours very truly,
JOSEPH HAAG, Secretary.

Board of Estimate and Apportionment, City of New York,
Financial Branch, No. 280 Broadway,
May 1, 1906.

To the Board of Estimate and Apportionment, City of New York:

Gentlemen—At a meeting of the Board of Estimate and Apportionment, held April 27, 1906, applications were presented from the several Borough Presidents for additional appropriations for repaving by the issue of Corporate Stock, under section 47 of the Charter, as follows:

Borough of Manhattan.....	\$250,000 00
Borough of Brooklyn.....	1,500,000 00
Borough of The Bronx.....	100,000 00
Borough of Queens.....	268,800 00
Borough of Richmond.....	50,000 00

The Board determined to limit the authorization for this purpose to seven hundred and fifty thousand dollars (\$750,000), and that the apportionment of said sum to the several boroughs be referred to the Borough Presidents.

We beg to report that the following amounts have been agreed upon:

Borough of Manhattan.....	\$250,000 00
Borough of Brooklyn.....	250,000 00
Borough of The Bronx.....	100,000 00
Borough of Queens.....	100,000 00
Borough of Richmond.....	50,000 00

A resolution authorizing an issue of Corporate Stock in accordance with this distribution is herewith submitted.

Respectfully,

JOHN F. AHEARN,
President, Borough of Manhattan.
BIRD S. COLER,
President, Borough of Brooklyn.
LOUIS F. HAFEN,
President, Borough of The Bronx.
JOSEPH BERMEI,
President, Borough of Queens.
GEORGE CROMWELL,
President, Borough of Richmond.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of seven hundred and fifty thousand dollars (\$750,000), to provide means for repaving streets and avenues in The City of New York.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment May 11, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York to an amount not exceeding seven hundred and fifty thousand dollars (\$750,000), to provide means for repaving streets and avenues in The City of New York, as follows:

"Borough of Manhattan.....	\$250,000 00
"Borough of Brooklyn.....	250,000 00
"Borough of The Bronx.....	100,000 00
"Borough of Queens.....	100,000 00
"Borough of Richmond.....	50,000 00
	<u>\$750,000 00</u>

—"and that when authority therefor shall have been obtained from the Board of Aldermen the Comptroller is authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding seven hundred and fifty thousand dollars (\$750,000), the proceeds whereof to be applied to the purposes aforesaid; provided, however, that no contract shall be made for repaving any street or avenue unless the Borough President having charge thereof submits to the Comptroller, with such contract, evidence showing that original pavement on such street or avenue was laid at the expense of the abutting property owners, or by local taxation, or by bond issues paid by the locality before consolidation, unless the Board of Estimate and Apportionment shall otherwise determine upon presentation to it of the facts and circumstances affecting such street or avenue."

No. 761.

Board of Estimate and Apportionment, City of New York,
Financial Branch, No. 280 Broadway,
May 12, 1906.

Hon. PATRICK F. MCGOWAN, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment May 11, 1906, approving of an issue of Corporate Stock to the amount of \$9,500, for the purpose of providing means for furnishing metallic furniture in the Kings County Hall of Records, under the jurisdiction of the President of the Borough of Brooklyn, together with copy of a report of the Principal Assistant Engineer, Department of Finance, approved by the Comptroller, relative thereto.

I also inclose form of ordinance for adoption by the Board of Aldermen to indicate its concurrence therein.

Yours very truly,
JOSEPH HAAG, Secretary.

April 28, 1906.

Hon. HERMAN A. METZ, Comptroller:

Sir—Hon. Bird S. Coler, President of the Borough of Brooklyn, in communication under date of April 11, 1906, requests the Board of Estimate and Apportionment to authorize the issue of Corporate Stock of The City of New York to the amount of \$10,650, for furnishing metallic furniture for the preservation of books, etc., in the Kings County Hall of Records, Borough of Brooklyn.

I would report that since the new furniture installed in the reconstructed Hall of Records has been furnished and the rooms occupied, it has been found that cases for certain sizes of books, records, etc., have not been provided, also that more desks, etc., are needed in parts of the building.

After a careful examination of the detailed list of furniture needed furnished me by the Superintendent of Public Buildings, I am of the opinion that \$9,500 will provide all furniture needed, including architects' fees in connection with same.

The work being necessary in order to make the equipment of the building complete, I would recommend that the Board of Estimate and Apportionment, pursuant to section 47 of the Greater New York Charter, as amended by chapter 409 of the Laws of 1904, authorize the Comptroller to issue Corporate Stock to the amount of \$9,500, the proceeds to be used by the President of the Borough of Brooklyn, for furnishing metallic furniture in the Kings County Hall of Records.

Respectfully,

CHANDLER WITHINGTON, Principal Assistant Engineer.

Approved:
(Signed) H. A. Metz, Comptroller.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of nine thousand five hundred dollars (\$9,500) for the purpose of providing means for furnishing metallic furniture in the Kings County Hall of Records, under the jurisdiction of the President of the Borough of Brooklyn.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment May 11, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York to an amount not exceeding nine thousand five hundred dollars (\$9,500) for the purpose of providing means for furnishing metallic furniture in the Kings County Hall of Records, under the jurisdiction of the President of the Borough of Brooklyn, and that when authority therefor shall have been obtained from the Board of Aldermen the Comptroller is authorized to issue Corporate Stock of The City of New York in the manner provided by section 169 of the Greater New York Charter to an amount not exceeding nine thousand five hundred dollars (\$9,500), the proceeds whereof to be applied to the purposes aforesaid."

No. 762.

Board of Estimate and Apportionment, City of New York,
Financial Branch, No. 280 Broadway,
May 12, 1906.

Hon. PATRICK F. MCGOWAN, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment May 11, 1906, authorizing the issue of \$3,350 Corporate Stock for the purpose of providing means for the construction of a new

coal vault for the Kings County Court House and paving the alleyway between the Kings County Court House and the Hall of Records, Borough of Brooklyn, together with report of the Principal Assistant Engineer, Department of Finance, approved by the Comptroller, relative thereto.

I also inclose form of ordinance for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,
JOSEPH HAAG, Secretary.

April 28, 1906.

Hon. HERMAN A. METZ, Comptroller:

Sir—Hon. Bird S. Coler, President of the Borough of Brooklyn, in communication under date of April 11, 1906, requests the Board of Estimate and Apportionment to authorize the issue of Corporate Stock of The City of New York to the amount of \$3,350 for the construction of a new coal vault and paving of the alleyway adjoining the Kings County Court House, Borough of Brooklyn.

I would report that the proposed coal vault is about fifty-three (53) feet long, and runs from the curb on Livingston street under the alleyway between the Kings County Court House and the Hall of Records. This will allow the delivery of all coal at a point near the boilers and will be a great improvement over the present arrangement. At present only a small amount of coal is delivered near the boilers, the remainder being stored in distant rooms in the cellar and handled several times before being used. The rooms now used for coal will be useful as storerooms for the Department of Public Buildings. After the vault is complete it will be advisable to pave the alleyway between the buildings.

This improvement being a permanent betterment, I would recommend that the Board of Estimate and Apportionment, pursuant to section 47 of the Greater New York Charter, as amended by Chapter 409 of the Laws of 1904, authorize the Comptroller to issue Corporate Stock to the amount of \$3,350 to provide for the construction of a new coal vault for the Kings County Court House, and paving the alleyway between the Kings County Court House and the Hall of Records, Borough of Brooklyn.

Respectfully,
CHANDLER WITHINGTON,
Principal Assistant Engineer.

Approved:
(Signed) H. A. Metz, Comptroller.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of three thousand three hundred and fifty dollars (\$3,350), to provide means for the construction of a new coal vault for the Kings County Court House, and paving the alleyway between the Kings County Court House and the Hall of Records, Borough of Brooklyn.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment May 11, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York to an amount not exceeding three thousand three hundred and fifty dollars (\$3,350) for the purpose of providing means for the construction of a new coal vault for the Kings County Court House and paving the alleyway between the Kings County Court House and the Hall of Records, Borough of Brooklyn, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue Corporate Stock of The City of New York in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding three thousand three hundred and fifty dollars (\$3,350), the proceeds whereof to be applied to the purposes aforesaid."

Which were severally referred to the Committee on Finance.

The President laid before the Board the following communication from the Board of Estimate and Apportionment transmitting resolution:

No. 763.

Board of Estimate and Apportionment, City of New York,
Financial Branch, No. 280 Broadway,
May 12, 1906.

Hon. PATRICK F. McGOWAN, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment May 11, 1906, approving of the establishment of the position of Automobile Engineman for one additional incumbent, in the Department of Bridges, and recommending the fixing of the salary at \$1,200 per annum, together with copy of communication from the Commissioner of Bridges relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,
JOSEPH HAAG, Secretary.

Department of Bridges—City of New York,
Nos. 13 to 21 Park Row,
New York, April 26, 1906.

Hon. JOSEPH HAAG, Secretary, Board of Estimate and Apportionment:

Sir—On March 20, 1906, I respectfully requested the Honorable Board of Estimate and Apportionment to adopt the necessary resolution, and forward the same to the Board of Aldermen, establishing the grade of Automobile Engineman in the Department of Bridges at a salary of \$1,200 per annum.

The request for the establishment of this grade was made so that two Automobile Enginemen could be selected from the eligible Civil Service list to operate the two automobiles which this Department has been authorized to purchase by resolution of the Board of Aldermen, which has been signed by his Honor the Mayor. The use of both of these machines will be so constant, in order to meet the demands of the Department in properly supervising and maintaining the forty bridges now built, and five bridges under construction, which are under the jurisdiction of this Department, that two Automobile Enginemen will be essential.

Your Honorable Board, at a meeting held April 20, 1906, adopted a resolution approving of the establishment of the position of Automobile Engineman for one incumbent in the Department of Bridges, and recommended to the Board of Aldermen that the salary of said position for one incumbent be fixed at the rate of \$1,200 per annum. In view of the necessity of having an Engineman for each of the automobiles which this Department has been authorized to purchase, I beg respectfully to request that your Honorable Board adopt another resolution so as to provide for an additional Automobile Engineman.

I respectfully request that this action be taken instead of amending the resolution adopted by your Honorable Board on the 20th inst., so that this Department may have the services of the one Engineman already authorized as soon as possible.

Respectfully,
J. W. STEVENSON,
Commissioner of Bridges.

Whereas, The Board of Estimate and Apportionment, at a meeting held May 11, 1906, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the position of Automobile Engineman for one additional incumbent in the Department of Bridges, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said position, for one additional incumbent, be fixed at the rate of twelve hundred dollars (\$1,200) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the position of Automobile Engineman for one additional incumbent in the Department of Bridges, at the rate of twelve hundred dollars (\$1,200) per annum.

Which was referred to the Committee on Salaries and Offices.

The President laid before the Board the following communication from the Board of Estimate and Apportionment transmitting ordinance:

No. 764.

Board of Estimate and Apportionment, City of New York,
Financial Branch, No. 280 Broadway,
May 12, 1906.

Hon. PATRICK F. McGOWAN, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment May 11, 1906, authorizing the issue of \$25,000 Corporate Stock for the purpose of providing means for the preliminary studies, plans and specifications for the establishment, building and equipment of a new fire alarm telegraph system in the Borough of Manhattan, together with copy of report of the Principal Assistant Engineer, Department of Finance, relative thereto.

I also inclose form of ordinance for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,
JOSEPH HAAG, Secretary.

April 26, 1906.

Hon. HERMAN A. METZ, Comptroller:

Sir—Hon. John H. O'Brien, Commissioner, Fire Department, in communication under date of April 12, 1906, requests the Board of Estimate and Apportionment to authorize the issue of Corporate Stock, not exceeding \$1,625,000, for the purpose of establishing, building and equipping a fire alarm telegraph system for the Fire Department, in the Borough of Manhattan.

I would report that I have made a very careful study of the report of Kempster B. Miller, addressed to the New York Board of Fire Underwriters, under date of September 9, 1905, upon the condition of the present fire alarm telegraph system.

Mr. J. J. Carty, Consulting Engineer, makes the following comments upon Mr. Miller's report:

"I have studied with due care the facts set forth in his report and have satisfied myself that his data are trustworthy and that his findings are correct, and I concur in his recommendations."

"Before making up my mind upon this subject, I made a careful study of the facts bearing upon the present condition of the fire alarm telegraph system of Manhattan and found that the evidence proving its unsafe condition is conclusive, and that it is bad beyond repair."

"In view of the fact that the establishment of a new fire alarm telegraph system in the Borough of Manhattan would require that The City of New York should expend a large sum of money, I carefully studied the question as to whether to bring about satisfactory conditions, it would be necessary to establish an entirely new system, or whether, by a system of extensive repairs, the present apparatus and cables might be utilized. I find that any plan looking to the utilization of any substantial part of the present fire alarm system is impracticable and wholly out of the question. The only alternative, therefore, is that an entirely new system should be established and that when it is ready for service the present one should be abandoned."

"Having reached this conclusion, I next studied in every detail the plan proposed by Mr. Miller for establishing a new system in Manhattan. I find that the plan which he proposes will, in every reasonable manner, provide the maximum degree of reliability of operation, the minimum expense of maintenance and that it will be in first cost, all things considered, the most economical one for The City of New York to adopt in place of the defective system now in use."

From Mr. Miller's report, which is made in great detail, and Mr. Carty's comments, I am led to believe that the present fire alarm system is in a very dilapidated condition, and is beyond repair, and should be substituted by the installation of a complete new system.

All of the suggestions for a new system are only generally specified, and it will take eight or nine months to fully outline and detail the system; for this part of the work, I estimate that \$25,000 will be sufficient.

In my opinion, the installation of a new fire alarm system is necessary, and in order that preliminary studies may be made by the Fire Department, I would recommend that the Board of Estimate and Apportionment authorize the Comptroller, pursuant to section 47 of the Greater New York Charter, as amended by chapter 409 of the Laws of 1904, to issue Corporate Stock to the amount of \$25,000, to provide for the preliminary studies, plans and specifications, for the purpose of establishing, building and equipping a new fire alarm telegraph system in the Borough of Manhattan.

Respectfully,
CHANDLER WITHINGTON,
Principal Assistant Engineer.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of twenty-five thousand dollars (\$25,000), for the purpose of providing means for the preliminary studies, plans and specifications for the establishment, building and equipment of a new fire alarm telegraph system in the Borough of Manhattan.

Be it Ordained by the Board of Aldermen of The City of New York:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment May 11, 1906, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York, to an amount not exceeding twenty-five thousand dollars (\$25,000) for the purpose of providing means for the preliminary studies, plans and specifications for the establishment, building and equipment of a new fire alarm telegraph system in the Borough of Manhattan, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue Corporate Stock of The City of New York in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding twenty-five thousand dollars (\$25,000), the proceeds whereof to be applied to the purposes aforesaid."

Which was referred to the Committee on Finance.

The President laid before the Board the following communication from the Fire Department:

No. 765.

Fire Department, City of New York,
Nos. 157 and 159 East Sixty-seventh street,
Borough of Manhattan, May 9, 1906.

Hon. PATRICK F. McGOWAN, President, Board of Aldermen:

Sir—This Department stands greatly in need of the replenishment of its stock of hose, a very considerable portion of which, by reason of the long and severe use to which it has been subjected in the work of fire extinguishment, has materially deteriorated in effectiveness and should be replaced with new hose.

The paid system of fire protection, which formerly embraced within its limits the Boroughs of Manhattan and The Bronx, Brooklyn and Long Island City, Borough of Queens, has been already extended to include Rockaway Beach, Arverne and Far Rockaway, in the last mentioned borough, and a large part of the Borough of Richmond; the uniformed force now consists of more than 3,600 officers and men, assigned (with the exception of the chief officers), to 215 apparatus companies, and the numerical strength of the force as well as the number of companies will be augmented in the early future.

It is of the utmost importance for the protection of life and property in this vast area of territory, with its population of more than four millions, that the fire-fighting force of this Department should always have at hand an ample supply of strong and well made hose—an indispensable adjunct to the successful prosecution of their work.

The Chief of Department has reported to me that the Department requires at the earliest possible date a supply of 75,000 feet of 2½-inch hose, 50,000 feet of 3-inch hose and 10,000 feet of 3½-inch hose, to take the place of that no longer fit for use for fire extinguishing purposes, and I have therefore the honor to request that the Board of Aldermen, pursuant to the provisions of subdivision 8 of section 188 of the Greater New York Charter, request the Board of Estimate and Apportionment to authorize the Comptroller to issue Special Revenue Bonds to an amount not exceeding one hundred and fifty-five thousand dollars (\$155,000) for the purchase of such hose.

I inclose draft of resolution designed to accomplish the object in view, the prompt and favorable action of the Board of Aldermen on which is earnestly requested.

Respectfully,
JOHN H. O'BRIEN, Commissioner.

Resolved, That, pursuant to the provisions of subdivision 8 of section 188 of the Greater New York Charter, and for the purpose of providing the Fire Department with an adequate supply of fire hose to replace that which has been worn out as the result of long use, as set forth in a communication of the Commissioner of said Department, dated May 9, 1906, the Board of Aldermen hereby requests the Board of Estimate and Apportionment to authorize the Comptroller to issue Special Revenue Bonds to an amount not exceeding one hundred and fifty-five thousand dollars (\$155,000).

Which was referred to the Committee on Finance.

The President laid before the Board the following communication from the Department of Water Supply, Gas and Electricity:

No. 766.
Department of Water Supply, Gas and Electricity,
Nos. 13 to 21 Park Row,
New York, May 10, 1906.

Hon. PATRICK F. MCGOWAN, President, Board of Aldermen, City Hall, New York City:

Dear Sir—In pursuance of the provisions of section 188 of the Revised Greater New York Charter, application is hereby made for an issue of special revenue bonds in the sum of fifteen thousand dollars (\$15,000), to provide for the purchase of a boat to be used by the Water Register in the inspection of boats taking water from the public hydrants. The territory of inspection to cover the entire five boroughs.

Said boat to be from 45 to 55 feet in length, propelled by steam or naphtha power, and to be capable of attaining a speed of not less than eighteen miles per hour.

My reasons for the above application are as follows:

For the year 1905 the sum of \$128,820 was appropriated for salaries for the Bureau of Water Register. The total money collected from all sources was \$5,354,755.22. It therefore cost about two cents to collect every dollar turned into the City treasury. Now, during the year 1905 there were collected from boats alone in this Borough \$24,247.50. The cost of collecting this money was \$13,200 (12 Inspectors at \$1,000 per annum and 1 Clerk at \$1,200 per annum). It therefore cost the City about fifty-five cents to collect one dollar of this revenue.

Realizing that this was not a proper proportion, I have placed six Inspectors, who were on this work in the Borough of Manhattan, in other branches of the inspection force, where their services will be of much greater value to the City. Three of the Inspectors left on this work are now patrolling the water front formerly covered by twelve men in 1905, and three are temporarily on a launch borrowed from the Department of Docks and Ferries, to ascertain whether boats are using water for purposes which their permits do not allow, and to overhaul boats that take water but have not taken out permits.

This launch can make eleven miles an hour and, allowing for such stops as duty requires, can patrol the river fronts of Manhattan and Brooklyn twice daily. It formerly averaged by use of street cars about two hours for an Inspector to cover the district from the Battery to Ninety-seventh street and North river.

The Inspectors on this launch have reported a number of instances where tugboats were paying the City \$45 or \$90 per annum as towboats, but in reality were acting as water boats for the supply and sale of water to shipping, and now pay \$300 per annum. There are about 300 boats of different kinds in the harbor which have never taken permits to use Croton water, and, due to the operation of this launch, about fifty of them have been driven to taking permits. These men are thoroughly conversant with the locations of the twenty-one shipping hydrants in Brooklyn and the forty-one in Manhattan.

Exclusive of the cost of the maintenance and repairs to this boat, the expense of collecting this revenue would be reduced to three Inspectors at \$1,000 and one Clerk at \$1,200 per annum, resulting in a saving to the City of \$9,000 in this Borough and \$6,000 in Brooklyn.

The men on this boat will have on board a card index record of every permit issued by this office, giving name of boat, character (i.e., high or low pressure, or water boat), and the date of the expiration of permit. By this method any boats which are paying the City \$45 per annum as low-pressure boats, and are found working under high pressure—for which they should pay \$90 per annum, thereby defrauding the City of its proper revenue—can be readily detected. They could also readily ascertain what boats are furnishing water to shipping and are not paying the required \$300 per annum for such permit.

In order to centralize this particular branch of the collection of water rents, I have ordered all permits for water to shipping, throughout the entire City, to be issued by the Water Register in the Borough of Manhattan; the records and other data pertaining to this work having been transferred from the Boroughs of Brooklyn and The Bronx. This has resulted in six Inspectors who were formerly patrolling the water front in Brooklyn being assigned to other duties.

The launch borrowed from the Dock Department now patrols their districts.

There are about three hundred and sixty miles of water front to be looked after, and with the old system of land patrol only a very small portion of this was properly patrolled.

I feel satisfied that this is the best method of obtaining proper inspections, thereby largely increasing the revenue of this Department from this source at the least possible expenditure.

Very truly yours,
WILLIAM B. ELLISON, Commissioner.

Resolved, That upon the annexed communication the Board of Estimate and Apportionment be and is hereby requested, in pursuance of the provisions of section 188 of the Greater New York Charter, to authorize the Comptroller to issue Special Revenue Bonds in the amount of fifteen thousand dollars (\$15,000), the proceeds to be applied to the purchase of a boat to be used by the Department of Water Supply, Gas and Electricity.

The President laid before the Board the following communication from the President, Borough of The Bronx:

No. 767.
Office of the President of the Borough of The Bronx,
Municipal Building, Crotona Park,
New York, May 12, 1906.

Hon. PATRICK F. MCGOWAN, President, Board of Aldermen:

Dear Sir—I respectfully ask the Board of Aldermen to authorize the issue of \$20,000 Corporate Stock of The City of New York, towards rebuilding of the East One Hundred and Forty-ninth street sewer, for which a contract has been let and is now in progress.

From a report made to me by Chief Engineer Briggs of this borough, it appears that when the original investigation was made for these repairs it was impossible to get into the sewer and determine definitely just how much damage had been done. Since the sewer has been uncovered and opened up and the flow taken care of it is found that a greater length will need to be restored than was first thought necessary, and the additional work required will amount to the following items:

8,000 cubic yards of excavation of all kinds.
3,600 cubic yards of concrete.
21,000 pounds of 1-inch steel bars.
2,000 pounds of ½-inch steel bars.
800 square feet of expanded metal.
20,000 feet (B. M.) of timber.
4,500 linear feet of piles.
100 cubic yards of broken stone.
25 cubic yards of brick masonry.

The total estimated cost of this additional work is \$16,200, but in view of possible variations in prices and other contingencies, it is suggested that the Board of Aldermen and the Board of Estimate and Apportionment provide for an appropriation of \$20,000 for this purpose.

The necessity of these additional repairs is shown in the report of Mr. Charles H. Graham, Engineer in Charge of Sewers, dated March 30, 1906, a copy of which is inclosed herewith.

Yours truly,
LOUIS F. HAFEN,
President of the Borough of The Bronx.

March 30, 1906.

Mr. JOSIAH A. BRIGGS, Chief Engineer of the Borough of The Bronx:

Sir—Supplementing mine of March 16, 1906, in relation to the necessity of rebuilding about 100 feet in length of the East One Hundred and Forty-ninth street sewer north of the point to which the present contract for rebuilding such sewer reaches, I present the following as the approximate estimate of cost for the reconstruction of the 100 feet in question:

8,000 cubic yards of excavation of all kinds.
3,600 cubic yards of concrete.
21,000 pounds of 1-inch steel bars.
2,000 pounds of ½-inch steel bars.
800 square feet of expanded metal.
20,000 feet (B. M.) of timber.
4,500 linear feet of piles.
100 cubic yards of broken stone.
25 cubic yards of brick masonry.

Estimated cost equals \$13,500, to which add 20 per cent for engineering and inspection and contingencies, which equals \$2,700, making a total estimated cost of \$16,200.

In my judgment, the reconstruction of this 100 feet of the sewer is necessary as the same shows signs of failure as set forth in mine of March 16, 1906; and it is therefore respectfully recommended that the Board of Estimate and Apportionment be requested to appropriate the sum of \$16,200 in addition to the appropriation of \$40,000 provided by an issue of Corporate Stock for the purpose of rebuilding the sewer in East One Hundred and Forty-ninth street, near the New York, New Haven and Hartford crossing, Borough of The Bronx, under authority of resolution of the Board of Estimate and Apportionment dated September 15, 1905, and the resolution of the Board of Aldermen dated September 26, 1905, approved by his Honor the Mayor on October 3, 1905.

It is further respectfully recommended that authority be obtained by the President to contract for the additional work hereinbefore set forth without public letting for the reason that the contractor who is now rebuilding the portion of the sewer covered by the original appropriation of \$40,000 is well equipped to do this work, his plant being on the ground, and the additional work could be thereby taken up under the present organization and carried forward to satisfactory completion under an arrangement which would be practically the same as a single contract for all of the rebuilding necessary.

Respectfully,
CHARLES H. GRAHAM,
Engineer in Charge of Sewers.

Which was referred to the Committee on Finance.

The President laid before the Board the following communication from the Commissioner of Public Charities:

No. 768.
Department of Public Charities,
Foot of East Twenty-sixth Street,
May 10, 1906.

To the Honorable the Board of Aldermen:

Gentlemen—I respectfully request that this Department be permitted to award without public letting a contract amounting to about \$1,565 for additional plumbing fixtures (as required by the State Board of Charities) for the male dormitory now in course of construction at Metropolitan Hospital, Blackwell's Island. The reasons for this request are as follows:

The installation of these fixtures, namely: eleven water closets will necessitate a rearrangement of the original layout and the alteration of the stalls for the water closets, as it is impossible to place them and carry out the original plan. Therefore it is advisable that the contractor for the original work do this extra work. To bring another plumber on the building would lead to serious controversy and mean considerable trouble and loss of time, and furthermore, a separate arrangement would have to be made with the original contractor relative to the changes; therefore I think the contract ought to be considered with the present plumbing contract and avoid trouble and, at the same time save money. The cost of this additional work (considered in connection with the original contract) will be about \$1,565, which is in excess of the 5 per cent allowance for extra work mentioned in the contract, as the amount of the plumbing contract is only \$4,300.

I inclose a form of resolution. Trusting that in this form or in some other form that may seem to you more appropriate, the resolution may be adopted at the next meeting of the Board, I have the honor to remain

Respectfully yours,
ROBT. W. HEBBERD, Commissioner.

Whereas, The Commissioner of Public Charities, in a communication to this Board dated May 10, 1906, has reported that in order to comply with the requirements of the State Board of Charities it is necessary to do additional plumbing in the male dormitory now in course of construction at the Metropolitan Hospital, Blackwell's Island; and request permission to award a contract for this extra work, amounting to about \$1,565, without public bidding; therefore be it

Resolved, That the Commissioner of Public Charities be and hereby is authorized to contract for additional plumbing, without public bidding, for the male dormitory, Metropolitan Hospital, Blackwell's Island, amount of said contract for the extra plumbing not to exceed the sum of \$1,565, without further authorization by this Board.

The President laid before the Board the following communication from the Police Commissioner:

No. 769.
Police Department of The City of New York,
No. 300 Mulberry Street,
New York, May 12, 1906.

To the Honorable Board of Aldermen:

Gentlemen—The following proceedings were this day directed by the Police Commissioner:

Whereas, The Board of Aldermen at a meeting held May 8, 1906, adopted the following resolution:

Resolved, That, in pursuance of the provisions of the Greater New York Charter, the Commissioner of Police Department be and is hereby authorized to purchase in open market, from month to month, coal for the year 1906, to an amount not to exceed the sum of \$5,000;

—and

Whereas, On account of the impending strike in the coal industry, the Police Department was unable to obtain bids for supplying coal for use in the station-houses of the Police Department and on the steamboat "Patrol," and the amount hereinbefore referred to, namely, \$5,000, having been insufficient to pay for coal absolutely required during such impending strike,

Ordered, That the Board of Aldermen be and is hereby respectfully requested to authorize the payment of all claims for coal during the year 1906, where bills have been filed with the Finance Department for such purpose, in amount not exceeding the sum of \$5,000, in addition to that authorized by the resolution adopted May 8, 1906.

Very respectfully,
THEO. A. BINGHAM, Police Commissioner.

Which was referred to the Committee on Public Letting.

The President laid before the Board the following communication from the Police Commissioner:

No. 770.
Police Department of The City of New York,
No. 300 Mulberry Street,
New York, May 10, 1906.

To the Honorable Board of Aldermen:

Gentlemen—Referring to my letter of March 10, transmitting an estimate of funds to provide for future necessary accommodations for the work of the Police Department in the way of station-houses, etc., I have the honor to transmit herewith copies

of thirty-two communications from the Health Department relative to the condition of thirty-two police station-houses, referred to therein, showing the necessity for the adoption of a broad scheme for the improvement of this branch of the City government, and emphasizing the urgent necessity therefor.

Very respectfully,

THEO. A. BINGHAM, Police Commissioner.

Copy of Order No. 5383.

Department of Health of The City of New York,
Southwest Corner of Sixth Avenue and Fifty-fifth Street,
New York, May 3, 1906.

To Police Commissioner of City of New York, No. 300 Mulberry Street (in charge of premises hereinafter named):

Sir—Take notice that you are hereby ordered and required by the Board of Health of the Department of Health of The City of New York, pursuant to the provisions of section 1176 of the Charter of The City of New York, to alter and otherwise improve and purify the premises Nos. 17 and 19 Elizabeth street, in the City and State of New York, as herein specified, to wit: That in the rear house: The floors, walls and ceilings throughout the cells be thoroughly scraped and cleaned, said floors be properly tiled or covered with other suitable non-absorbent material, and the walls and ceilings of said cells be properly plastered with a hard finished, smooth white surface. That all boards upon which the prisoners sleep be properly coated with white enamel paint. That the use of the cells in which water-closets are located be discontinued as sleeping rooms. That a properly trapped, sewer-connected sink be placed under the faucet in each cell, or that the croton water pipe be cut off and the opening at the disconnection be sealed gas tight. That the defective bell traps in the floors of the corridors be replaced by properly adjusted, suitable traps and water supplied faucets be provided in each corridor to flush the floors. That each line of main soil pipe be ventilated by extending the same in full calibre, with all joints properly lead caulked, through and not less than two feet above the roof. That the cells on the ground floor be ventilated and lighted by properly constructed shafts opening into the external air. That the walls and the ceilings throughout the part of the house not used as cells be thoroughly cleaned and whitewashed. That in the front house: The bell traps of the floor drains in the cellar be replaced by properly adjusted suitable traps and water-supplied faucets be provided to flush said floors and traps. That the air court drains be properly trapped. That the connections between the earthenware traps and branch soil pipe of the water-closets on the first and second floors be properly made gas tight. That the wash basins on the top floor be properly water-supplied and flushed. That all filthy oilcloth and carpets be removed from the Matron's room. That the walls and ceilings throughout the house be cleaned and whitewashed or painted.

Any application to have this order or its execution stayed or modified must be made to the Board of Health of the Department of Health of The City of New York, in writing, within three days after service hereof.

Your attention is called to section 1262 of the Charter of The City of New York which makes a failure to comply with an order of the Board of Health a misdemeanor, and subjects the party responsible therefor to arrest and penalties.

Copy of Order No. 5359.

Department of Health of The City of New York,
Southwest Corner of Sixth Avenue and Fifty-fifth Street,
New York, May 2, 1906.

To the Commissioner of Police of The City of New York, No. 300 Mulberry Street (in charge of premises hereinafter named):

Sir—Take notice that you are hereby ordered and required by the Board of Health of the Department of Health of The City of New York, pursuant to the provisions of section 1176 of the Charter of The City of New York, to alter and otherwise improve and purify the premises No. 24 Macdougall street, in the City and State of New York, as herein specified, to wit:

That the urinals in cellar and on the second, third, fourth and fifth floors be properly water supplied so as to properly flush the fixtures at all times, and all obstructions be removed from the waste pipes of same, and the floors beneath same be thoroughly cleaned and scrubbed. That the iron flushing tank over urinals on the fifth floor be thoroughly cleaned, all rust scales removed and the croton connection to same repaired. That the flushing apparatus of the water-closet in the cellar be repaired so that said closet may be properly flushed at all times. That all obstructions be removed from the waste pipe of the slop sink in the cellar. That the seats of the water-closets in the cellar be properly repaired and adjusted. That the opening in the branch waste pipe from urinal in cellar be sealed gas tight. That the water-closet apartment in Captain's room on the first floor be ventilated to the external air by a special shaft at least 12 inches in diameter, and the door of the said apartment cut away at least 3 inches at the bottom to promote ventilation. That the walls and ceiling of the sergeant's room on first floor, boiler room, bath and water-closet room in cellar be cleaned and whitewashed. That the faucets of the wash basins on the first floor be repaired so as to prevent waste of croton water. That the walls and ceilings of cells and entire cell apartments in cellar and first floor and cell building be thoroughly whitewashed. That a properly trapped, sewer-connected sink be placed beneath the croton water faucet in cells, or that the croton water pipe be cut off, and the opening at the disconnection sealed gas tight. That the use of cells where water-closets are located, for sleeping purposes, be discontinued.

Any application to have this order or its execution stayed or modified must be made to the Board of Health of the Department of Health of The City of New York, within three days after service hereof, in writing.

Your attention is called to section 1262 of the Charter of The City of New York, which makes a failure to comply with an order of the Board of Health a misdemeanor, and subjects the party responsible therefor to arrest and penalties.

By order of the Board,

EUGENE W. SCHEFFER, Secretary.

Which was referred to the Committee on Finance.

The President laid before the Board the following communication from the President, Borough of Brooklyn:

No. 771.

The City of New York,
Office of the President of the Borough of Brooklyn,
Brooklyn, May 9, 1906.

The Honorable the Board of Aldermen:

Gentlemen—In accordance with resolution adopted by your Board, I asked the Bureau of Combustibles of the Fire Department for information with regard to the disposition of gasoline and other combustible materials in this borough. I forward to you herewith report on the matter transmitted to me by Mr. Charles C. Wise, Deputy Fire Commissioner of this borough and Queens.

Yours very truly,

BIRD S. COLER,

President of the Borough of Brooklyn.

Bureau of Combustibles for the Boroughs of Brooklyn and Queens,
Nos. 365 and 367 Jay Street, Brooklyn,
New York, May 7, 1906.

Hon. CHARLES C. WISE, Deputy Fire Commissioner, Boroughs of Brooklyn and Queens:

Sir—In compliance with your inquiry as to "whether gasoline or other inflammable liquid is discharged in quantities into the sewers of Brooklyn," as requested by Borough President Coler, I have the honor to report as follows:

Paragraph 2 of section 26 of the Garage Regulations of The City of New York, approved by the Mayor December 28, 1905, which relates to the "handling and use of volatile inflammable liquids," reads: "No volatile inflammable liquid shall be allowed to run upon the floor or to fall or pass into the drainage system of the garage." This Bureau has been particularly careful to impress upon all licensees of garages the importance of this regulation and in making their frequent inspections the representatives of the Bureau report to me that they have discovered no violations of same.

In the Borough of Brooklyn the public garages are more widely separated than in Manhattan, no large number being connected with any one sewerage system, and in this fact alone is an element of safety.

However, the best evidence that licensees are living up to the regulations is that no explosions have occurred in Brooklyn that are in any way attributable to the presence of gasoline vapor in the sewers.

To avoid accident, which is liable to occur despite the greatest watchfulness, I have directed the district man to keep a closer watch, if possible, on the garages, so that the chance of sewer explosions may be reduced to a minimum.

Respectfully,

WILLIAM A. HERVEY,

Assistant Inspector of Combustibles.

Which was referred to the Committee on Streets, Highways and Sewers.

GENERAL ORDERS.

Alderman Everson called up General Order 119, being a report and resolution as follows:

No. 461.

The Committee on Salaries and Offices, to whom was referred on March 20, 1906 (Minutes, page 1096), the annexed resolution in favor of an increase in salary of per diem employees of City Departments, respectfully

REPORTS:

The Committee has given careful consideration to this resolution, and has heard Alderman Mulligan and a representative of the per diem employees in its favor. The Committee has certain objections to the resolution itself—for instance, that by its wording it would be made to apply to others than those who are ordinarily known as day laborers, such as mechanics, whose compensation is fixed by the Prevailing Rate of Wages Law, but it is unnecessary to make any criticism of the resolution in view of the action recommended in this report.

Your Committee has endeavored to confine the action of the Board of Aldermen to matters strictly within the legal jurisdiction of the Board, and an examination of the subject matter of this resolution from that standpoint shows that the Board is specifically prohibited by section 56 of the charter from fixing the salary of "day laborers," together with other City employees specified.

The Committee has already declared its view that it should be the policy of the Board of Aldermen to discourage resolutions of recommendation respecting salaries of City employees addressed to the Board of Estimate and Apportionment, for the reason that the Board would thereby lose the power of impartial revision with respect to salaries which it now possesses, and also that the consideration of such resolutions would open the door to continual applications direct to the Board of Aldermen from employees desirous of an increase of salary, who would enlist the sympathies of members of the Board, and whose petitions it would be difficult to ignore. The Committee has pointed out in previous reports that the proper course is for an application to the head of the Department affected, or for an application direct to the Board of Estimate and Apportionment.

Inasmuch as because of the Charter prohibition referred to above, the Board of Aldermen cannot take any effective action, or make any authoritative recommendation in respect to the wages of day laborers, this subject matter has been considered by the Committee in an entirely general way. From the representations made, and from the personal knowledge of members of the Committee, the Committee believes that the cost of living in The City of New York has increased materially during recent years, and that in some Departments the pay of day laborers has not kept pace with such increase, nor with the increases of salaries of salaried employees. The Committee believes that this is a matter for serious and honest consideration, and although a general increase of wages for day laborers would involve an enormous increase in the City's annual expenditure, this fact should not deter the proper authorities from making a thorough examination of the subject. It has been urged upon the Committee, and the Committee thinks that it might be well for the Board of Estimate and Apportionment and the heads of Departments to refrain from any increases of compensation to salaried men until this matter has been so examined and a definite and just conclusion reached. Because of the limit of Special Revenue Bonds and the amount of such bonds already provided for during this year, it would be impossible to provide for any wholesale increase until the Budget of 1907, and this fact insures sufficient time for the proper study of the subject.

In view of the considerations urged above, the Committee recommends that the particular resolution referred to be placed on file, and that a copy of this report be sent by the City Clerk to each Borough President and the head of each City Department.

Whereas, It has been the custom of the heads of the various City Departments to advance the salaries of employees on the monthly pay-roll from time to time; and

Whereas, The same consideration has not been accorded to per diem or day laborers; therefore be it

Resolved, That, owing to the increase in cost of rent and other necessities of life, this Board respectfully recommends that the pay of per diem employees be increased twenty-five per cent;

Resolved, further, That a copy of this preamble and resolutions be forwarded to the heads of all City Departments and borough officers.

JAMES COWDEN MEYERS, JOHN J. CRONIN, MICHAEL J. CARTER, CHARLES KUNTZE, JOHN J. CALLAHAN, FRANK D. STURGES, Committee on Salaries and Offices.

Which report was accepted.

Alderman Everson called up General Order No. 120, being a report and resolution as follows:

No. 631.

The Committee on Salaries and Offices, to whom was referred on April 24, 1906 (Minutes, page 231), the annexed resolution in favor of fixing salary of position of Veterinarian in Department of Finance at \$1,800 per annum, respectfully

REPORTS:

Comptroller Metz appeared before the Committee and explained that a similar resolution had been adopted by the Board of Estimate and Apportionment in 1905, but had not reached a vote in the Board of Aldermen of that year. He urged that the payment of a salary to the veterinarian in place of fees, as was formerly the custom, had made a considerable saving to the City, and that the increase in salary of \$300 contemplated by this resolution was reasonable and brought the cost of the work well within the limit of the fees to which this employee would be entitled if the former system were still in effect and he was paid \$2 for each horse that he examined.

The Committee recommends the adoption of the resolution, which has been amended by the Board of Estimate and Apportionment, in accordance with our request, in order to provide for the grade of but one incumbent.

Whereas, The Board of Estimate and Apportionment at a meeting held April 20, 1906, adopted the following resolution:

"Resolved, That the resolution adopted by the Board of Estimate and Apportionment December 22, 1905, which approved of the establishment of an additional grade of the position of Veterinarian in the Department of Finance, and recommended the fixing of the salary of said additional grade at the rate of \$1,800 per annum, be and the same is hereby rescinded; and be it further

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade for one position of Veterinarian in the Department of Finance, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of such additional grade be fixed at the rate of eighteen hundred dollars (\$1,800) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of an additional grade for one position of Veterinarian in the Department of Finance at the rate of Eighteen hundred dollars (\$1,800) per annum.

JAMES COWDEN MEYERS, JOHN J. CRONIN, MICHAEL J. CARTER, CHARLES KUNTZE, JOHN J. CALLAHAN, FRANK D. STURGES, Committee on Salaries and Offices.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Callahan, Carter, Cole, Collins, Cronin, Diemer, Dowling, Downing, Doyle, Everson, Farrell, Freeman, Fried, Grifenhagen, Gunther, Haggerty, C. Hahn, Hatton, Jacobson, Keely, Kline, Krulish, Kuck, Lawlor, Linde, Markert, Meyers, Moffitt, Monahan, Morris, Mulligan, Murphy, Olvany, O'Neill, Peters, Potter, Redmond, Rendt, Richter, Schloss, Schneider, Stapleton, Sturges, Torpey, Wafer, Wentz, Wright, President Bermel, by Lawrence Gresser, Commissioner of Public Works and the Vice-Chairman—51.

Alderman Freeman called up General Order No. 128, being a report and ordinance, as follows:

No. 195.

The Committee on Railroads, to whom was referred on January 30, 1906 (Minutes, page 610), the annexed ordinance in relation to car transfers in The City of New York, respectfully

REPORTS:

That they have had two public hearings on the matter and, having examined the subject, they believe the proposed ordinance to be necessary for the proper protection of the rights of the public.

They, therefore, recommend that the said ordinance be adopted.

Whereas, The street surface railways of The City of New York have and are being operated in total disregard of the rights and comfort of the passengers riding upon the cars of said railways; and

Whereas, Passengers riding on the cars of said surface railways have, in all kinds of weather, been arbitrarily ordered by some officious hiring of the railroad company to leave the car in which they were riding and to take the car ahead, in total disregard of the destination or terminus marked on the signboard or placard upon such car; and

Whereas, The interests of the passengers suffering such inconvenience and discomfort should be looked after and protected and such practices immediately stopped; therefore be it ordained as follows:

AN ORDINANCE in relation to car transfers in The City of New York.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. That every car operated, owned, managed or controlled by a street surface railroad company in the streets or highways of The City of New York, shall carry throughout its route on the outside, in front and on top of each and every car so operated, a signboard or placard upon which shall appear conspicuously the destination

of the said car, under a penalty of \$100 for each offense, recoverable against the company so offending in an action to be brought in the name of The City of New York.

Sec. 2. That every such street surface railroad company must carry for a single fare upon such car, without change therefrom, each and every passenger to any regular stopping place desired by him upon said car's route, in the direction of the destination so designated, under a penalty of \$100 for each offense, recoverable against the company so offending by the person affected by the violation.

Sec. 3. That the preceding section of these ordinances shall not apply to a transfer made to a connecting line, going in a different direction from that in which such car may be going, nor where by reason of disability of the car compliance with the ordinance is rendered impossible.

Sec. 4. That all ordinances or parts of ordinances, contrary to or inconsistent with the provisions of this ordinance, are hereby repealed.

Sec. 5. That this ordinance shall take effect immediately.

JOHN DIEMER, THOS. J. MULLIGAN, ROBT F. DOWNING, A. L. KLINE, JOSEPH M. TORPEY, Committee on Railroads.

The President put the question whether the Board would agree to accept said report and adopt said ordinance.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Callahan, Carter, Cole, Collins, Cronin, Dowling, Downing, Doyle, Ellery, Everson, Farrell, Freeman, Gunther, Haggerty, C. Hahn, Hann, Jacobson, Kline, Krulish, Kuck, Lawlor, Leverett, Linde, Markert, Meyers, Monahan, Morris, Mulligan, Murphy, O'Neill, Peters, Redmond, Rendt, Richter, Schloss, Schneider, Smith, Sturges, Torpey, Wafer, Wentz, Wright, and President Bermel, by Lawrence Gresser, Commissioner of Public Works—45.

Alderman Freeman called up General Order No. 126, being a report and resolution, as follows:

No. 257—(S. O. No. 41).

The Committee on Finance, to whom was referred on February 14, 1906 (Minutes, page 732) the annexed resolution in favor of an issue of Special Revenue Bonds, \$10,000, for reindexing records of vital statistics of the Board of Health, respectfully

REPORTS:

That the appropriation is requested by the Health Commissioner to continue the plans of reindexing and consolidating the records of vital statistics in his Department.

This work consists of indexing principally the birth and marriage records of the City, so that a record can be obtained without the present delay incident to a search.

The Commissioner states that these were never properly done, and that there is constant demand for same.

He started the work last year with an appropriation of \$5,000 and your Committee believe that the work should be continued. They feel, however, that at present an appropriation of \$5,000 should be sufficient, and if that should not suffice, another application could be made.

The Committee recommend the adoption of the substitute resolution.

Resolved, That, pursuant to the provisions of subdivision 8 of section 188 of the Charter of The City of New York, the Board of Aldermen be and is hereby respectfully requested to adopt a resolution requesting the Board of Estimate and Apportionment, by concurrent vote of all the members of said Board, to authorize the Comptroller to issue Special Revenue Bonds to the amount of five thousand dollars (\$5,000) for the purpose of defraying the necessary expense required to be incurred in reindexing and consolidating the records of vital statistics on file in the Bureau of Records of the Department of Health, and for the payment of the salaries of Typewriting Copyists and for the purchase or rental of typewriting machines required for the purpose.

JOHN R. DAVIES, JOHN DIEMER, PH. HARNISCHFEGER, JAMES W. REDMOND, THOS. J. MULLIGAN, B. W. B. BROWN, Committee on Finance.

Which was again laid over and made a Special Order for the next meeting at 2 o'clock p. m.

Alderman Freeman called up General Order No. 123, being a report and resolution, as follows:

No. 668.

The Committee on Salaries and Offices, to whom was referred on May 1, 1906 (Minutes, page 311), the annexed resolution in favor of establishing grade of Interpreter to Children's Court at \$1,800 per annum, respectfully

REPORTS:

A similar resolution was returned to the Board of Estimate and Apportionment for amendment, fixing the number in the grade. Justice Zeller appeared before the Committee, and has also written the Committee, explaining the purpose of the resolution. He states that it is the intention to increase the salary of the Interpreter of the Children's Court, who has received a salary of \$1,500 since September 2, 1902; "that he has proved himself to be faithful, punctual and thoroughly competent, and that on account of the limited office force at said court he has during all the time of his employment acted as clerk in the preparation of complaints and other papers, besides performing his duties as Interpreter, rendering efficient service in both capacities, wherefore the Justices consider him a very valuable employee." Justice Zeller also called attention to the fact that the Interpreter in the other part of Special Sessions, First Division, receives a salary of \$2,000 and does not perform additional clerical services. The increase of salary was provided for in the Budget of 1906.

The Committee thinks the salary reasonable, and recommends the adoption of the resolution.

Whereas, The Board of Estimate and Apportionment, at a meeting held April 27, 1906, adopted the following resolution:

"Resolved, That the resolution adopted by the Board of Estimate and Apportionment March 2, 1906, which reads as follows:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Interpreter of the Children's Court, Court of Special Sessions, First Division, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of eighteen hundred dollars per annum."

—be and the same is hereby amended to read as follows:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Interpreter of the Children's Court, for one incumbent, in the Court of Special Sessions, First Division, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade for one incumbent, be fixed at the rate of eighteen hundred dollars (\$1,800) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of an additional grade for one position of Interpreter of the Children's Court, in the Court of Special Sessions, First Division, at the rate of eighteen hundred dollars (\$1,800) per annum.

JAMES COWDEN MEYERS, JOHN J. CRONIN, MICHAEL J. CARTER, CHARLES KUNTZE, JOHN J. CALLAHAN, FRANK D. STURGES, Committee on Salaries and Offices.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Callahan, Carter, Cole, Cronin, Doull, Dowling, Doyle, Ellery, Everson, Farrell, Freeman, Gunther, Haggerty, J. J. Hahn, Hann, Herold, Jacobson, Keely, Kline, Krulish, Kuck, Lawlor, Linde, Markert, Meyers, Monahan, Morris, Mulligan, Murphy, O'Neill, Peters, Redmond, Rendt, Richter, Schloss, Schneider, Sturges, Torpey, Wafer, Wentz, Wright, President Bermel, by Lawrence Gresser, Commissioner of Public Works, and the Vice-Chairman—45.

Alderman Farrell called up General Order No. 121, being a report and resolution, as follows:

No. 632.

The Committee on Salaries and Offices, to whom was referred on April 24, 1906 (Minutes, page 232), the annexed resolution in favor of fixing salary of position of Inspector of Repairs and Supplies, Department of Finance, at \$1,800 per annum, respectfully

REPORTS:

A similar resolution was returned to the Board of Estimate and Apportionment to fix the number in the grade, and the present resolution complies with our request in that regard. The Comptroller appeared before the Committee and urged the adoption of the resolution, and the Committee has received a letter from the First Deputy

Comptroller explaining that the Inspector who is intended to be promoted has received his present salary of \$1,500 for more than eight years, "and during that time has saved the City thousands of dollars, and has done more perhaps than any other man in bringing to light certain irregularities in sewer construction in the Borough of Brooklyn, which from present indications will result in a large saving to the taxpayers of this City."

The Committee believes that the increase of \$300 is a proper reward for services rendered, and recommends the adoption of the resolution.

Whereas, The Board of Estimate and Apportionment, at a meeting held March 30, 1906, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of additional grades of the position of Inspector of Repairs and Supplies in the Department of Finance, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salaries of said additional grades be fixed at the rates of sixteen hundred and fifty dollars (\$1,650) and eighteen hundred dollars (\$1,800) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salaries of said additional grades of the position of Inspector of Repairs and Supplies in the Department of Finance at the rates of sixteen hundred and fifty dollars (\$1,650) and eighteen hundred dollars (\$1,800) per annum.

JAMES COWDEN MEYERS, JOHN J. CRONIN, MICHAEL J. CARTER, CHARLES KUNTZE, JOHN J. CALLAHAN, FRANK D. STURGES, Committee on Salaries and Offices.

(Papers Referred to in Preceding Report.)

The Committee on Salaries and Offices, to whom was referred on April 3, 1906 (Minutes, page 8), the annexed resolution in favor of fixing salaries of positions of Inspectors of Repairs and Supplies, Department of Finance, respectfully

REPORTS:

The Comptroller appeared before the committee and stated that this resolution is desired for the purpose of promoting one man to the grade of \$1,650, leaving the grade of \$1,800 for a subsequent promotion. The committee explained to the Comptroller that the Board of Aldermen now desires these resolutions to fix the number in the grade, and the committee, therefore, recommends the return of the resolution to the Board of Estimate and Apportionment for amendment, and to that end it submits the following resolution:

Resolved, That the Board of Aldermen hereby returns to the Board of Estimate and Apportionment the following resolution, being No. 496, with the request that the resolution be amended by fixing the number of Inspectors to be employed in each grade.

Whereas, The Board of Estimate and Apportionment, at a meeting held April 20, 1906, adopted the following resolution:

"Resolved, That the resolution adopted by the Board of Estimate and Apportionment March 30, 1906, which approved of the establishment of additional grades of the position of Inspector of Repairs and Supplies in the Department of Finance, and recommended the fixing of the salaries of said additional grades at the rates of \$1,650 and \$1,800 per annum, be and the same is hereby amended to read as follows:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade for one position of Inspector of Repairs and Supplies in the Department of Finance, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of such additional grade be fixed at the rate of eighteen hundred dollars (\$1,800) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of an additional grade for one position of Inspector of Repairs and Supplies in the Department of Finance at the rate of eighteen hundred dollars (\$1,800) per annum.

JAMES COWDEN MEYERS, JOHN J. CRONIN, FRANK D. STURGES, MICHAEL J. CARTER, CHARLES KUNTZE, LEONARD L. JACOBSON, M. D., Committee on Salaries and Offices.

The President put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Callahan, Carter, Cole, Collins, Cronin, Diemer, Dotzler, Doull, Dowling, Doyle, Ellery, Everson, Farrell, Freeman, Fried, Grifenhagen, Haggerty, C. Hahn, J. J. Hahn, Hann, Herold, Jacobson, Keely, Kline, Krulish, Kuck, Leverett, Linde, Markert, Meyers, Moffitt, Monahan, Morris, Mulligan, Murphy, Olvany, O'Neill, Peters, Potter, Rendt, Richter, Schloss, Sturges, Torpey, Wafer, Wentz, Wright and President Bermel, by Lawrence Gresser, Commissioner of Public Works—50.

Alderman Farrell called up General Order No. 122, being a report and resolution, as follows:

No. 666.

The Committee on Salaries and Offices, to whom was referred on May 1, 1906 (Minutes, page 307), the annexed resolution in favor of establishing positions of Law Clerk, office of Board of Estimate and Apportionment, three at \$1,200 and one at \$1,500 per annum, respectfully

REPORTS:

Mr. Haag, the Secretary of the Board of Estimate and Apportionment, appeared before the Committee and explained that this resolution provides for a simple change of title from Clerk to Law Clerk in respect to two men now employed by said Board, and does not involve an increase of salary. It makes possible also the employment of two additional Law Clerks at \$1,200 each; Mr. Haag explained the necessity for this, and the increase of work in the Bureau of Franchises since it has been placed under the jurisdiction of the Board of Estimate and Apportionment is known to members of the Committee. The Board of Estimate and Apportionment has the funds necessary to pay the salaries.

The Committee recommends the adoption of the resolution.

Whereas, The Board of Estimate and Apportionment, at a meeting held April 27, 1906, adopted the following resolution:

"Resolved, That the resolution adopted by the Board of Estimate and Apportionment February 16, 1906, which reads as follows:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the position of Law Clerk in the office of the said Board, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salaries of said position be fixed at the rates of twelve hundred dollars (\$1,200), thirteen hundred and fifty dollars (\$1,350) and fifteen hundred dollars (\$1,500) per annum."

—be and the same is hereby amended to read as follows:

Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of additional grades of the position of Law Clerk for four incumbents in the office of the Board of Estimate and Apportionment and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salaries of said additional grades be fixed as follows:

Three (3) Law Clerks at, per annum.....	\$1,200 00
One (1) Law Clerk at, per annum.....	1,500 00

—to take effect May 1, 1906.

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salaries of additional grades of the position of Law Clerk for four incumbents in the office of the Board of Estimate and Apportionment, as follows:

Three (3) Law Clerks at, per annum.....	\$1,200 00
One (1) Law Clerk at, per annum.....	1,500 00

—to take effect May 1, 1906.

JAMES COWDEN MEYERS, JOHN J. CRONIN, MICHAEL J. CARTER, CHARLES KUNTZE, JOHN J. CALLAHAN, FRANK D. STURGES, Committee on Salaries and Offices.

The President put the question whether the Board would agree to accept said report and adopt said resolution:

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Bartscherer, Callahan, Carter, Cole, Cronin, Diemer, Dotzler, Dowling, Everson, Farrell, Haggerty, C. Hahn, J. J. Hahn, Hann, Herold, Jacobson, Keely, Kline, Krulish, Kuck, Leverett, Linde, Markert, Meyers, Moffitt,

No. 773.

By President Ahearn—

Whereas, A contract having been entered into between The City of New York and Charles H. Peckworth on October 13, 1904, for "furnishing labor and material for painting, cabinet and carpenter work, ornamental plaster work, parquet flooring and rugs, in the City Hall, Borough of Manhattan," which work among other things included the redecorating and refurnishing of certain rooms in the said building known as the three (3) Governor's rooms; and

Whereas, That part of the contract and specifications relating to the redecorating and refurnishing of the aforesaid three (3) Governor's rooms having been referred by the Mayor to the Art Commission for its approval after the contractor had purchased materials and entered upon the performance of the work as required by the contract and specifications; and

Whereas, The Art Commission having modified and changed said plans and specifications for redecorating and refurnishing the Governor's rooms, thereby increasing the cost of the aforesaid contract to the extent of several thousand dollars; it is therefore

Resolved, Pursuant to section 419 of the Greater New York Charter, that the Borough President of Manhattan be and is hereby authorized to enter into a supplemental agreement with Charles H. Peckworth for carrying out the plans and specifications as approved by the Art Commission for the redecorating and refurnishing of the aforesaid three (3) Governor's rooms, the cost whereof shall not exceed the sum of four thousand seven hundred and eighty-five dollars (\$4,785).

Which was referred to the Committee on Public Letting.

Wefelman to erect and maintain a retaining wall, not to exceed four feet in height, within the stoop line in front of his premises on the north side of One Hundred and Ninety-eighth street, 29 feet west of Bainbridge avenue, Borough of The Bronx; the work to be done at his own expense under the direction of the President of the Borough of Th Bronx, such permission to continue only during the pleasure of the Board of Aldermen.

Which was adopted.

No. 786.

By Alderman Murphy—

Resolved, That permission be and the same is hereby given to P. Wirsing to erect and maintain a retaining wall, four feet in height, within the stoop line, in front of his premises No. 2116 Mohegan avenue, Borough of The Bronx, the work to be done and water supplied at his own expense under the direction of the President of the Borough of The Bronx, such permission to continue only during the pleasure of the Board of Aldermen.

Which was adopted.

No. 787.

By Alderman Redmond—

AN ORDINANCE to prohibit the soliciting of business in public buildings and providing penalties for the same.

Be it ordained by the Board of Aldermen of The City of New York as follows: That on and after the first day of June, 1906, it shall be unlawful for any person to seek, ask for or solicit business of any kind or description in any public building belonging to The City of New York or to any of its sub-divisions. This ordinance, however, shall not apply to or affect the business of blacking shoes or the business of selling newspapers and periodicals when carried on by virtue of permits or licenses lawfully granted.

Any person convicted of a violation of this ordinance shall be subject to a fine which shall not exceed \$5, or to imprisonment of a term which shall not exceed five days.

Which was referred to the Committee on Laws and Legislation.

No. 788.

By Alderman Schloss—

Resolved, That permission is hereby granted to Charles Schnackenberg to erect and maintain a booth adjoining his property known as No. 735 Columbus avenue, Borough of Manhattan.

The erection of said booth to be under the jurisdiction of the President of the Borough.

This permit to be operative during the pleasure of the Board of Aldermen.

Which was referred to the Committee on Streets, Highways and Sewers.

No. 789.

By Alderman Torpey—

Whereas, Assistant Sergeants-at-Arms John V. Campbell, Andrew Govan, John Maguire, Charles Watson, James Smith and Rudolph Confield receive compensation at the rate of one thousand dollars annually; and

Whereas, Their duties are identical with those performed by Assistant Sergeants-at-Arms receiving compensation at the rate of \$1,200 per annum; be it

Resolved, That henceforth the above named Sergeants-at-Arms receive compensation at the rate of \$1,200 per annum.

Resolved, further, That the Board of Estimate and Apportionment be and hereby is requested, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, to authorize the Comptroller to issue Special Revenue Bonds to the amount of seven hundred dollars (\$700), the proceeds whereof shall be applied to an equalization of the salaries of the Assistant Sergeants-at-Arms of the Board of Aldermen for the year 1906 as indicated in the preamble hereof.

Which was referred to the Committee on Finance.

No. 790.

By Alderman Mulligan—

Resolved, That permission be and the same is hereby given to William Flood to place and keep a watering trough on the sidewalk near the curb in front of his premises on the southwest corner of Two Hundred and Twenty-sixth street and White Plains avenue, in the Borough of The Bronx; the work to be done and water supplied at his own expense, under the direction of the President of the Borough of The Bronx, such permission to continue only during the pleasure of the Board of Aldermen.

Which was adopted.

J. W. SAVAGE, Secretary.

DEPARTMENT OF DOCKS AND FERRIES.

ACTIONS OF THE COMMISSIONER OF DOCKS, APRIL 23, 1906.

The following communications were received, action being taken thereon as noted, to wit:

From the Municipal Civil Service Commission (67330)—Advising that a public hearing will be held on the request of this Department for the classification of "Ferry Police" on April 25, 1906, at 10 o'clock a. m. Request for the classification withdrawn, the Police Commissioner having rescinded his former action refusing to detail Patrolmen on the Staten Island Ferry.

From the Department of Public Charities (67214)—Requesting repairs to the pier foot of Twenty-sixth street, East river, and to the City Hospital Dock on the easterly side of Blackwell's Island, as well as to the City Hospital Dock on the westerly side of Blackwell's Island. Engineer-in-Chief directed to make the necessary repairs at the three locations.

From the Wells Brothers Company (67270)—Requesting permission to place structural steel on the north side of the pier foot of West Forty-fourth street, North river. Request denied; company notified to remove the material, which it has already placed thereat, immediately, and Dockmaster directed to collect top wharfage for the period of occupation.

From the New England Navigation Company (67324)—Requesting permission to drive a cluster of about 20 piles on the northwest corner of Pier 17, North river, in order to prevent its boats from coming in contact with the pier while making their berths at Pier (new) 18, North river. Permit granted, the work to be done under the supervision of the Engineer-in-Chief, the consent of the New York Central & Hudson River Railroad Company to be first obtained.

From the Patten Line (67102)—Requesting permission to enlarge structure located on the pier foot of Bloomfield street, North river, and also to place a large sign on the pier. Permit granted, to continue during the pleasure of the Commissioner, the work to be done under the supervision of the Engineer-in-Chief.

From the New York Telephone Company (67313)—Requesting permission to erect a pole for the purpose of carrying telephone wires at the inshore end of the westerly side of Pier (new) 7, East river. Permit granted, to continue during the pleasure of the Commissioner, the work to be done under the supervision of the Engineer-in-Chief, upon the condition that the upright will be removed from time to time as required in order that the work of this Department will not be hampered or interfered with by reason of its existence.

From the New York Central and Hudson River Railroad Company (66907)—Stating in relation to the track trestle adjoining the West Fifty-ninth Street Pier they cannot admit that that portion of the structure extending from the easterly line of Thirteenth avenue to the end of the pier is an illegal structure, although they have not yet executed a lease with the Commissioners of the Sinking Fund for the land under water covered by the trestle, but they have requested their general counsel to take up the question of their trackage rights with the Board of Estimate and Apportionment. Company requested to adjust with the Board of Estimate and Apportionment the question of the track approaches so that the land-under-water lease may be settled with the Commissioners of the Sinking Fund.

From Howard Carroll (67350)—Requesting the Department to proceed as soon as possible with the completion of the bulkhead wall near the foot of Rector street, North river, and asking the removal of Pier (old) 7, North river, in order to facilitate the building of the wall. Notified that this Department is proceeding with the

work and that it would have been commenced sooner but for the occupation of the premises by his tenants.

From Pinney, Thayer & VanSlyke (67328)—Returning transcript of testimony taken at the hearing in the matter of charges against Captain H. W. Cattermole, and requesting, in view of the fact that Cattermole is a veteran volunteer fireman and has a long and honorable record with the old ferry company, and also that the punishment meted out to him seems to have been unnecessarily severe, he be reinstated in the service of the Department. Notified that the discharge was for the best interests of the service and that no further action will be taken.

From the Riverside and Fort Lee Ferry Company (67323)—Stating that in accordance with the request of this Department it will begin the operation on May 1 of one additional ferry trip, leaving the Edgewater, N. J., terminal at 1.20 a. m. and an additional trip, leaving the New York terminal at 1.30 a. m. Edgewater Improvement Association requested to advise whether the additional service is satisfactory.

From the Clyde Steamship Company (67279)—Advising the Department that repairs are required to the asphalt pavement in the vicinity of Pier (new) 45, North river, and requesting that such repairs be made at once. Engineer-in-Chief directed to order the necessary repairs and report the cost of the work for collection from the Company.

From the Engineer-in-Chief—
1 (67404). Stating that the ferryboat "Goshen" of the Erie Railroad Company collided with the southerly side of the extension to Pier 20, North river, now in course of construction, and caused damage amounting to about \$100, and recommending that such cost be included in the construction charges for the extension, which is to be occupied under lease by the said company, and also that the Erie Railroad Company be advised of such action in order that they may place the responsibility for the damage. Company notified as recommended.

2 (67405). Recommending that the President of the Borough of Manhattan be requested to construct a permanent masonry connection between the old terminal of brick sewer at the foot of Seventy-fourth street, East river, to the opening left in the bulkhead wall thereat. Borough President requested to construct the sewer extension as recommended.

3 (67406). Reporting that the ferryboat "Montclair" of the Delaware, Lackawanna and Western Railroad Company collided with and damaged the northerly side of the ferry rack at Christopher street, North river, and in addition seriously damaged the outer end of Pier (new) 44, and recommending that the Lehigh Valley Railroad Company, sublessees of the pier, be directed to make the necessary repairs at once, and that the Delaware, Lackawanna and Western Railroad Company be directed to restore the ferry rack to good condition. Railroad companies notified to make the repairs as recommended.

4 (67407). Reporting that the work of building derrick scow under Class 4 of Contract No. 907 was commenced on April 18, 1906, by J. Edward Ogden Company, contractors. Filed.

5 (67408). Recommending that an order be issued for the making of the necessary repairs to the fender piles at the outer end of the pier foot of East Twenty-fourth street, East river, the cost thereof to be reported for collection from the New York, New Haven and Hartford Railroad Company. Engineer-in-Chief directed to make the repairs and report the cost for collection.

From John J. Herrick, Mechanical Engineer (67294)—Requesting that he be given pay at the rate of \$4,000 per annum from November 21, 1905, the date on which his salary increase was approved by the Mayor and Board of Aldermen, to December 18, 1905, the date on which he commenced receiving salary at the rate of \$4,000 per annum. Request granted.

The following Department orders were issued:

No.	Issued To and For.	Price.
22920	Hamilton Bank Note Engraving and Printing Company, ferry tickets.....	\$500 00
22921	Theo. A. Crane's Sons Company, repairing tug "Manhattan".....	50 00
22922	Maine-McCormick Company, rope, per pound.....	12 3/4
22923	Cambell & Gardiner, Custom House documents for old ferryboats..	50 00
22924	Sherman, Brown, Clements Company, self-closing bibbs.....	18 00

T. Francis McKeon, Dock Laborer, having furnished the certificate as to the illness of his mother, in accordance with directions given him on April 12, the Commissioner ordered that he be reassigned to work.

A communication (67352) was received from the Police Department stating, in response to request from this Department, that a Patrolman would be detailed for each Staten Island ferryboat, not to exceed four at any one time, which communication was filed.

Captain F. W. Collins appeared before the Commissioner in relation to charges preferred against him on April 20. Action was deferred in the matter of the Whitehall slip accident until such time as the Board of United States Local Inspectors, after investigation, determine whether Captain Collins or the captain of the tug "Gilkinson" is at fault. As to the St. George slip matter, the Commissioner stated that the captains would have to enter the slips without hitting the racks, and that the captains would be held absolutely responsible for doing so.

J. W. SAVAGE, Secretary.

DEPARTMENT OF DOCKS AND FERRIES.

ACTIONS OF THE COMMISSIONER OF DOCKS, APRIL 24, 1906.

The following communications were received, action being taken thereon as noted, to wit:

From the Comptroller, submitting substitution of Title Guarantee and Surety Company and National Surety Company as sureties in the place of W. A. Roffe and G. A. Berger on the estimate of Kelly & Kelly for building storehouse and offices between Fifty-sixth and Fifty-seventh streets, North river, under Contract No. 987. Consent granted for the substitution.

From the Municipal Civil Service Commission—

1 (67389). Recertifying the names of Thomas F. McDonald and Arthur Comrie for the position of Dockbuilder in this Department. McDonald and Comrie appointed as Dockbuilder, with compensation at the regular rate of 43 3/4 cents per hour, while employed.

2 (67391). Requesting that the Department notify Joseph L. McDonald and Simon Brennan to call at the office of the Commission in order to correct their declaration sheets. Commission again notified that McDonald and Brennan are no longer in the service of the Department.

3 (67392). Advising that Barnet Sanders, Ship Carpenter, has passed the necessary practical examination for the position of Carpenter, and that, if so requested by this Department, his transfer to Carpenter will be approved by the Commission. Commission requested to issue the necessary certificate of transfer.

From the President of the Borough of Manhattan (67385)—Stating that Gerald Griffin, John Nestor, Thomas M. Mathewson, William Daly and William Clifford, formerly employed as Laborers in this Department, have been transferred to his office. Names dropped from the list of employees of this Department.

From Mrs. H. Morris (67269)—Requesting permission to occupy space about 35 by 60 feet in dimensions at the foot of Ocean avenue, Sheepshead Bay, Borough of Brooklyn, upon which to conduct a restaurant. Notified that permit will be granted, if desired, at a rental of \$50 per annum.

From the Superintendent of Ferries (67403)—Transmitting report of Captain W. H. Lockwood relative to the collision of the ferryboat "Richmond" with the long rack in the Whitehall ferry slip on April 20, 1906. Filed.

The Erie Railroad Company, having executed the lease of the extensions of Piers 20 and 21, North river, the Engineer-in-Chief was directed to construct such extensions out to the pierhead line of 1897.

The lease of land under water for extension to Pier 32, North river, having been executed by the Hudson Navigation Company, the Engineer-in-Chief was directed to superintend the construction of the extension and shed thereon by said company in accordance with plans and specifications to be first submitted to and approved by him.

Sealed bids or estimates were received and opened for repairing asphalt pavement on the North and East rivers, together with all work incidental thereto, under Contract No. 993, as follows:

	Class I. Wearing Surface and Binder. Per Square Yard.	Class II. Concrete Foundation and Laying New Foundation. Per Square Yard.	Total.
Uvalde Asphalt Paving Company.....	\$1 03	\$0 70	\$124,000 00
The Barber Asphalt Paving Company.....	98	85	123,500 00
The Sicilian Asphalt Paving Company.....	1 20	1 00	150,000 00

Contract awarded to the Barber Asphalt Paving Company, the lowest bidders, subject to the approval of the Metropolitan Surety Company as surety, by the Comptroller.

The following Department orders were issued:

J. W. SAVAGE, Secretary.

DEPARTMENT OF DOCKS AND FERRIES.

ACTIONS OF THE COMMISSIONER OF DOCKS, APRIL 25, 1906.

The following communications were received, action being taken thereon as noted, to wit:

From the Comptroller—

1 (67290). Transmitting map of property at the foot of Conover street, Borough of Brooklyn, and asking whether the Department has any need for property in the vicinity. Notified that the location at the foot of Conover street, Brooklyn, would be inadvisable for recreation pier purposes and that the Department is at present endeavoring to secure some space around the easterly tower of Brooklyn Bridge No. 1.

2 (67339). Requesting map of water front in the vicinity of Two Hundred and Seventh and Two Hundred and Ninth streets, Fordham, Borough of The Bronx. Map furnished.

From the Department of Education (67280)—Advising that it will require the use of the East Third street recreation pier for school purposes on September 10 next, when the schools reopen. Notified that the pier will be kept open for recreation purposes to and including September 7, and that it will be surrendered for use for school purposes on September 8, 1906.

From the Bureau of Public Buildings and Offices of the Borough of Brooklyn (67382)—Requesting permission to use the Dock street bulkhead, Borough of Brooklyn, for a floating bath during the season of 1906. Permit granted, the consent of the adjoining property owners to be obtained.

From the Municipal Civil Service Commission—

1 (67399). Approving the action of the Commissioner of Docks in rescinding the discharge of Edward Coleman, Deckhand. Coleman reinstated as Deckhand, with compensation at the rate of \$60 per month.

2 (67241). Submitting eligible list from which to appoint Financial Clerks to act as Ticket Agents and a list from which to appoint Attendants to act as Ticket Choppers. Municipal Civil Service Commission notified that since making request for the list of Financial Clerks, some of the present employees of the Department have become eligible for promotion to the \$80 grade, and that, therefore, no action will be taken on the certification. Commission requested to submit new list of Attendants, those certified having failed to accept the position.

3 (67205). Submitting list of persons eligible for appointment to the position of Financial Clerk. Municipal Civil Service Commission requested to submit new list from which appointments may be made to the position of Financial Clerk at \$60 per month, those certified having failed to accept appointment.

From the Supervisor of the Harbor of New York (67347)—Asking that, in view of the coming visit of the Battleship Squadrons on or about the 26th inst., the temporary landing at the foot of Seventy-ninth street be replaced, and that the landing at West Fifty-seventh street pier be cleared of the boats and material thereat. Notified that the landings will be placed in condition as requested, and also notified of other locations on the North river where landings may be made.

From Bartow S. Weeks (67237)—Submitting information in relation to the Sea Gate Association and requesting that a reduction be made in the rate charged for the landings of its boats at the Battery during the season of 1906, in view of the fact that the said association is not a real estate development company, but an association of the property owners of Sea Gate, and that no fares are paid on the boats. Rental fixed at \$1,200 for the season of 1906, to be paid in three installments of \$400 each on June 1, July 1 and August 1, 1906.

From the Richmond Light and Railroad Company (67343)—Requesting permission to lay temporary tracks for use during the construction of the trolley portion of the new St. George Ferry terminal, and to make temporary connection from end of present bridge span. Permit granted for the temporary tracks in accordance with plans submitted, but requesting that no changes be made at present in the tracks leading from the trolley loop.

From the New York and Baltimore Transportation Company (67337)—Requesting permission to maintain house, about 15 feet in length, on Pier (new) 10, East river. Permit granted, to continue during the pleasure of the Commissioner, the work to be done under the supervision of the Engineer-in-Chief.

From E. Kalbfleisch (67326)—Complaining of pipe smoking at the entrance to the women's cabins on the ferryboats of the Staten Island Ferry. Notified that the matter will be investigated and that an effort will be made to prevent the practice complained of.

From William C. Arnold (67349)—Complaining of smoking on the upper decks of the Staten Island ferryboats. Notified that the matter will be investigated and that an effort will be made to prevent the practice complained of.

From Joab H. Banton (67278)—Calling attention, on behalf of the Veterans' Protective Association, to the differences in the rate of pay of Watchmen in this Department and requesting that, if possible, the pay be made uniform. Notified that Watchmen in this Department are paid a higher rate than persons similarly employed by private concerns and that the persons referred to by him as receiving higher rates are Laborers performing laboring work.

From William Blumenauer (67191)—Requesting permission to use the bulkhead at the foot of Lincoln avenue, Borough of The Bronx, for the storage of sand. Denied; notified that the premises are maintained for general wharfage purposes.

From the Engineer-in-Chief (67446)—Recommending that the Manhattan Borough President be requested to cause repairs to be made at once to the asphalt pavement at

the foot of One Hundred and Sixth street, Harlem river. Borough President requested to make the repairs as recommended.

From the Superintendent of Docks—

1 (67460). Submitting list of the occupants of space for storage purposes between West Fiftieth and West Fifty-sixth streets, North river. All permittees notified that the privileges which expire April 30, 1906, will not be renewed and that the premises must be vacated.

2 (67445). Stating that the Peerless Brick Company were prevented by the Dock Master from dumping brick bats and broken stone into the Harlem river, between One Hundred and Eighteenth and One Hundred and Nineteenth streets, Harlem river, and that said company were notified that they must obtain a permit from this Department to build a bulkhead structure thereat. Company notified that no work can be done without permit from this Department.

The permit granted to the New York and Long Branch Steamboat Company April 6, 1906, for the landing of its boats at the Battery wharf during the season of 1906 was amended by fixing the rental to be paid at the sum of \$1,800, to be paid in three installments of \$600 each on June 1, July 1, and August 1, 1906, to the Cashier.

The Police Commissioner was requested to consent to the transfer of John P. Dalton, Deckhand, to this Department.

The amount of security will be fifty per cent. (50%) of the amount of the bid or estimate.

For particulars as to the quantity and quality of the supplies or the nature and the extent of the work required or of the materials to be furnished, bidders are referred to the specifications and the blank proposals and lists of articles, materials, supplies and apparatus to be furnished and delivered to the places designated. Such work and materials must conform in every respect to the specifications and schedules. The quality of the articles, supplies, goods, wares and merchandise must conform to and must be the same or equal in quality, character, finish and design to the samples furnished, or to those described by the names of well-known dealers and manufacturers and referred to by catalogue numbers. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any samples or specifications other than those furnished by the Board of Trustees. Such references are cause for rejecting bids whereon they are written, and will in no case govern the action of the Board of Trustees in passing upon tenders. Bidders must state the price of each item. Awards will be made to the lowest bidder on each item whose goods are the same or equal to the samples furnished for inspection or referred to by catalogue number.

Bidders shall describe the various items by reference to the particular maker's catalogue or circular, or by the submission of a sample. Only one bid will be received from a bidder for each item.

Samples will be on exhibition at the College of The City of New York, No. 17 Lexington avenue, Room 15, until the bids are opened. All goods must be delivered as directed, in the original bottles or packages, at the Department of Public Charities, the College of The City of New York, One Hundred and Fortieth street and Convent avenue, Borough of Manhattan (unless otherwise stated in the specifications). The weight, measure, etc., will be allowed as received at the institution.

No charge will be allowed for freight expenses, boxes or cartage, but boxes may be taken away by the contractor.

Contractors who fail to make prompt deliveries will be considered as in default and debarred from bidding in the future.

BOARD OF ESTIMATE AND APPORTIONMENT.

AT A MEETING OF THE BOARD OF Estimate and Apportionment, held April 27, 1906, in the Old Council Chamber, City Hall, Borough of Manhattan, the following proceedings were had:

Whereas, The Seaboard Refrigeration Company has made application to this Board for a grant of the right, privilege and franchise to construct, maintain and operate a pipe line and all necessary appurtenances for the transportation of refrigeration under and along certain streets in Coney Island, Borough of Brooklyn; and Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by chapters 629 and 630 of the Laws of 1905, provide for the manner and procedure for making such grants; and

Whereas, The Mayor has, in pursuance of such law, designated the Brooklyn Daily "Eagle" and Brooklyn "Citizen" as the two daily newspapers published in said City in which the publications hereinafter provided for are to be made, other than those required to be made in the City Record; and

Whereas, This Board has made inquiry as to the money value of the franchise or right applied for and proposed to be granted to the Seaboard Refrigeration Company, and the adequacy of the compensation proposed to be paid therefor, and the results of such inquiry and notice of a public hearing to be had thereon before this Board have been published at least ten days in the City Record and at least twice in the Brooklyn Daily "Eagle" and the Brooklyn "Citizen," two daily newspapers published in The City of New York, and a public hearing has been had thereon by this Board; now therefore it is

Resolved, That the following form of the resolution for the grant of the franchise or right applied for by the Seaboard Refrigeration Company, containing the form of proposed contract for the grant of such franchise or right be hereby introduced and entered in the minutes of this Board, as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to the Seaboard Refrigeration Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all of the terms and conditions including the provisions as to rates and charges upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

PROPOSED FORM OF CONTRACT.

This contract, made this day of 190 , by and between The City of New York, party of the first part, by the Mayor of said City acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City, and the Seaboard Refrigeration Company, a domestic corporation of the State of New York, hereinafter called the Company, party of the second part, witnesseth:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree as follows:

Section 1. The City of New York hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the franchise, right and privilege to construct, maintain and operate a conduit not to exceed eighteen inches in diameter, with the necessary branches and connections therefrom, leading directly into private property, for the sole purpose of supplying refrigeration to consumers, said conduit and branches to be beneath the surface of each of the following-named streets, avenues and highways, between the points described as follows, all situate in the Borough of Brooklyn, City of New York, to wit:

In, under and along West Twenty-first street, West Twelfth street and West Eighth street, between Surf avenue and Neptune avenue; in, under and along Neptune avenue, between West Twenty-first street and West Eighth street; and in, under and along Surf avenue, between West Twenty-fifth street and West Fifth street; said routes being shown on a map entitled "Map to accompany the petition of the Seaboard Refrigeration Company to the Board of Estimate and Apportionment, dated November 2, 1905, for laying conduits along designated streets and avenues on Coney Island, Borough of Brooklyn, New York," signed by Charles E. Booth, President, and Henry Guttin, Engineer, copy of which is annexed hereto and made a part of this grant.

Sec. 2. The grant of this franchise, right and privilege is subject to the following conditions:

First—The said franchise, right and privilege to lay one conduit line in each of the streets, avenues or highways, and between the limits as hereinbefore described, and the franchise, right and privilege to maintain and operate the same shall be held and enjoyed by the said Company, its lessees or successors, for a term of fifteen years from the date of the signing of this contract, with the privilege of renewal of said grant for a further period of ten years, upon a fair revaluation of said franchise, right and privilege.

If the Company shall determine to exercise its privilege of renewal, it shall make application to the Board of Estimate and Apportionment of The City of New York, or to any authority which shall be authorized by law to act for the City in place of the said Board. Such application shall be made at any time not earlier than two years and not later than one year before the expiration of the original term of this grant. The determination of the revaluation shall be sufficient, if agreed to in writing by the Company and by the Board of Estimate and Apportionment, or by such other authority in its place. If the Company and the Board, or such other authority in its place for the City, shall not reach such agreement on or before the day one year before the expiration of the original term of this grant, then the annual rate

of compensation for such succeeding ten years shall be reasonable, and either the City (by the Board or by such other authority in its place) or the Company shall be bound upon request of the other to enter into a written agreement with such other authority, fixing the rate of such compensation at such amount as shall be reasonable; and if the parties shall not forthwith agree upon what is reasonable, then the parties shall enter into a written agreement fixing such annual rate at such amount as shall be determined by three disinterested freeholders selected in the following manner:

One disinterested freeholder shall be chosen by the Board of Estimate and Apportionment, or its successors in authority; one disinterested freeholder shall be chosen by the Company; these two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluations aforesaid. Such appraisers shall be chosen at least six months prior to the expiration of the contract, and their report shall be filed with the Board of Estimate and Apportionment, or its successors in authority, within three months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations without the presence of either party. They shall have the right to examine the books of the Company and its officers under oath. The valuations so ascertained, fixed and determined shall be conclusive upon both parties, but shall not in any event be less than the minimum amount fixed as the sum to be paid annually for the last year of this original grant. If in any case the annual rate shall not be fixed prior to the termination of the original term of this grant then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—Upon the termination of this contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any other cause, all conduit lines and appurtenances thereto, constructed pursuant to this contract, shall be and become the property of The City of New York, without compensation therefor, and the same may be used by the City for any purpose whatsoever. If, however, at the termination of this grant, as above, the City by the Board of Estimate and Apportionment, or its successors in authority, shall so order by resolution, the said Company shall remove, at its own expense, said conduit line and all appurtenances thereto, and shall restore the streets and pavements to their original condition.

Third—The Company, its successors or assigns, shall pay for this privilege to The City of New York the following sums of money, to wit:

1. Fifty thousand dollars (\$5,000) in cash within thirty (30) days after the signing of the contract.

2. During the first five years of this contract an annual sum which shall in no case be less than eight hundred and fifty dollars (\$850), and which shall be equal to 4 per cent. of the gross receipts of the Company, if such percentage shall exceed the sum of eight hundred and fifty dollars (\$850).

During the second five years of this contract an annual sum which shall be in no case less than eleven hundred dollars (\$1,100), and which shall be equal to 5 per cent. of the gross receipts of the Company, if such percentage shall exceed the sum of eleven hundred dollars (\$1,100).

During the third and remaining five years of this contract an annual sum which shall in no case be less than fourteen hundred dollars (\$1,400), and which shall be equal to 6 per cent. of the gross receipts of the Company, if such percentage shall exceed the sum of fourteen hundred dollars (\$1,400).

3. An annual payment of ten (10) cents for each linear foot of conduit line and two dollars (\$2) for each manhole constructed within the limits of any street, avenue or highway. The sums due shall be calculated from the day when the permit is obtained to open the streets for any section of the work.

All sums herein provided for shall be paid into the Treasury of The City of New York on November 1 of each year, and shall be for the amount due to September 30 next preceding. Any and all payments made by the terms of this franchise to The City of New York by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of The City of New York or by any law of the State of New York.

Fourth—The annual charges or payments shall continue throughout the whole term of the privilege hereby granted, whether original or renewal, as hereinbefore provided, notwithstanding any clause in any statute or in the charter of any other company, providing for payments of refrigerating rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted, whether original or renewal, or of any part thereof, or of any of the routes mentioned herein, or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this grant, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said condition as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise, exemption from liability to perform each and all of the conditions of this grant. Nothing herein contained shall apply to any mortgage or mere lien, but shall apply to any purchaser upon foreclosure or under or by virtue of any provision of a mortgage or lien.

Fifth—The rights and privileges granted hereby shall not be assigned either in whole or in part, or leased or sublet in any manner, nor shall title thereto or right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the Company, its successor or assigns, or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of The City of New York, acting by the Board of Estimate and Apportionment, or its successor in authority, evidenced by an instrument under seal, anything herein contained to the contrary thereof in anywise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents. This provision, however, shall not apply to the making of a mortgage, but shall apply to a sale under foreclosure.

Sixth—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the streets, avenues and highways on the route heretofore described.

Seventh—If a conduit line as herein described shall not be constructed and in actual operation in all the streets and avenues, and upon all the routes hereby described, on May 1, 1911, all rights hereby given shall be thereupon forthwith and immediately forfeited without judicial or other proceedings, unless at least 50 per cent. of the conduit line shall then be constructed and in operation, when, in such case, the forfeiture shall affect only the Company's rights, privileges and franchises on the remaining portion of the conduit line hereby granted.

Eighth—All construction which shall be made under this grant shall be done in a manner solely upon the terms and conditions hereafter to be imposed by the President of the Borough of Brooklyn and the Commissioner of Water Supply, Gas and Electricity, or their respective successors in authority. The said Company shall submit a working plan of construction to the said President and to the said Commissioner, which shall include and show in detail the method of construction of said conduit line, connections, manholes and other appurtenances, and the mode of protection of all subsurface construction under the streets, avenues and highways described in the routes.

Ninth—The said Company shall bear the expense of keeping in repair for one year after it has been replaced all pavement which may at any time be removed by said Company, either for the purpose of construction or for the repairing of the conduit line and its appurtenances.

Tenth—The said Company shall bear the expense of inspection, which may be required by the President of the Borough of Brooklyn and the Commissioner of Water Supply, Gas and Electricity, of all the work of construction required, or removal of the said conduit line, which shall be done under this grant.

Eleventh—The Company shall cause a test to be made of the pipes laid under this grant before said pipes shall be used for the conveyance of gas or fluid under pressure for refrigerating purposes. The pipes so tested shall be submitted to a pressure of 450 pounds per square inch, and such test shall be made under the supervision of the Commissioner of Water Supply, Gas and Electricity. A certificate showing that such a test has been made, without injury to the pipes, shall be executed by an officer of the Company, indorsed by the Commissioner of Water Supply, Gas and Electricity, and filed with the Board of Estimate and Apportionment.

Twelfth—The Company, its successors or assigns, shall not charge consumers more than three dollars and fifty cents (\$3.50) for the same amount of refrigeration which is produced by one ton of ice. During the term of this contract the Board of Estimate and Apportionment shall have absolute power to regulate the maximum and minimum rates, provided that such rates shall be reasonable and fair. All refrigeration which may be required by The City of New York at any point along the routes herein described, shall be furnished by the Company without cost to the City.

The Company, upon the application for refrigeration of any person or corporation located along the routes herein authorized, shall extend its conduit to such premises and furnish to said applicant refrigeration at the prices which are here prescribed, or at which such prices may be hereafter fixed, in properly insulated compartments, under contracts containing fair and reasonable regulations for such service; otherwise this contract shall cease and determine at the option of the Board of Estimate and Apportionment.

It is mutually understood and agreed by and between the parties hereto that in the event of any dispute arising between the company and any consumer or user of its refrigeration, as to the fairness and reasonableness of the regulations contained in said contracts, the Board of Estimate and Apportionment on the application of either said consumer, user or Seaboard Refrigeration Company shall have the power to pass upon and decide as to the fairness and reasonableness of such regulations, and said Seaboard Refrigeration Company hereby agrees to abide by such decision and conform such regulations thereto.

Thirteenth—A correct map shall be furnished to the Board of Estimate and Apportionment by the Company, showing the exact location of all the conduit lines and manholes laid with reference to the curb lines of the streets and the street surface, and the same shall be furnished on the first day of November of each year until all conduit lines which are authorized by this grant are constructed or until the right hereby authorized to construct conduit lines along the routes described have ceased by limitation, as herein provided.

Fourteenth—The grant of this privilege shall not affect in any way the right of The City of New York to grant a similar privilege upon the same or other terms and conditions to any other person or corporation.

Fifteenth—The Company shall assume all liability by reason of the construction and operation of the conduit line and the City shall assume no liability whatsoever to either persons or property by reason of its construction.

As a condition of this grant, the Company, its successor or assigns, hereby agrees to repay to the City any damages which the City shall be compelled to pay by reason of any acts or defaults of the Company, its successor or assigns. Due notice of any such demand shall be given to the Company.

Sixteenth—In case of any violation or breach or failure to comply with any of the provisions herein contained, this contract may be forfeited or avoided by The City of New York by a suit brought by the Corporation Counsel, on notice of ten days to the said Company.

Seventeenth—If the Company has in position a conduit or pipe line in streets or avenues other than those herein described, then the Company shall remove such conduit or pipe line at its own expense, within one year from the date of signing this contract. If the Company owns a conduit or pipe line in the streets or avenues herein described, such conduit or pipe line shall be deemed to be a conduit line herein authorized, but no right is hereby given to lay or construct a conduit line in addition to that which the Company already has in such streets or avenues.

Eighteenth—The conduit line hereby authorized shall be used only by the Company and for no other purpose than for supplying refrigeration for the ammonia process or such other process as may be consented to by the Board of Estimate and Apportionment.

Nineteenth—The Company hereby agrees not to issue stock or bonds other than have been heretofore issued, until a certificate of authority therefor has been issued by the Board of Estimate and Apportionment, or until such Board shall further certify in writing as to the amount of stock or bonds reasonably required for the purposes of the Company. The stock and bonds of the said Company shall not be issued in excess of the amount so certified.

The Company shall not increase its capital stock or its bonded indebtedness without the consent in writing of the Board of Estimate and Apportionment stating the amount of the authorized increase. For the purpose of making this determination as to the amount of stock and bonds to be issued, or the amount of the authorized increase of the capital stock and bonded indebtedness of the Company, the Board of Estimate and Apportionment may take and hear testimony under oath and examine the books and

papers of the Company, and require verified statements from the officers thereof, pertaining to the value of the property and of the franchise owned or operated by the Company. Such determination shall be made within sixty (60) days after the final submission of the papers or of final hearing on the application for the issue or increase of capital stock or bonds of indebtedness.

The Company shall submit a report to the Board of Estimate and Apportionment not later than November 1 of each year, for the year ending September 30 next preceding, which shall state:

1. The amount of stock issued; for cash; for property;
2. The amount paid in as by last report;
3. The total amount of capital stock paid in;
4. The funded debt by last report;
5. The total amount of funded debt;
6. The floating debt as by last report;
7. The amount of floating debt;
8. The total amount of funded and floating debt;
9. The average rate per annum of interest on funded debt;
10. Statement of dividends paid during the year;
11. Number of feet of conduit now laid;
12. The total amount expended for same;
13. Amount, kind and capacity of machinery now in use and required for operation;
14. The total amount expended for same;
15. Number of tons of refrigeration furnished during the year;
16. Total receipts from refrigeration and the average price per ton received during the year;
17. Amounts paid by Company for damage to persons or property on account of construction and operation;
18. Total expenses for operation; including salaries;
19. An inventory of all the property of the Company.

—and such other information in regard to the business of the Company as may be required by the Board. For each failure to comply with the foregoing, the Company shall pay a penalty of one hundred dollars (\$100), which may be collected by the Comptroller without notice.

Twentieth—The Company shall at all times keep accurate books of accounts of the gross earnings from the privileges granted under this contract. The Company shall, on or before November 1 in each year, make a verified report to the Comptroller of The City of New York, of the business done by the Company for the year ending September 30 next preceding, as he may prescribe. Such report shall contain the number of feet of conduit laid and the number of manholes constructed during the year, and also a statement of the gross receipts from all business of furnishing refrigeration to consumers, together with such other information and in such detail as the Comptroller may require. The Comptroller shall have access to all books of the Company for the purpose of ascertaining the correctness of its report and may examine its officers under oath.

Twenty-first—If the said Company, its successors or assigns, shall fail to give efficient public service at the rates herein fixed, or fails to maintain its structures in good condition throughout the full term of its occupancy of such streets, the Board of Estimate and Apportionment of The City of New York may give written notice to the said Company specifying any default on the part of said Company, and requiring said Company to remedy the same within a reasonable time, and upon the failure of the Company to remedy said default within a reasonable time, said Company shall for each day thereafter during which the default or defect remains, pay to The City of New York a sum of fifty dollars (\$50) as fixed or liquidated damages, or the said City, in case such structures which may affect the surface of the streets, shall not be put in good condition within a reasonable time after notice by the Board as aforesaid, shall have the right to make all needed repairs at the expense of the Company, in which case the said Company shall pay to the City the amount of the cost of such repairs with legal interest thereon, all of which sums may be deducted from the fund heretofore provided.

Twenty-second—This grant is upon the express condition that the Company, within thirty days after the execution of this contract and before anything is done in exercise of the rights conferred thereby, shall deposit with the Comptroller of The City of New York the sum of five thousand dollars (\$5,000), either in money or in securities to be approved by him, which fund shall be security for the performance by the Company of the terms and conditions of this grant, especially those which relate to the payment of the annual charge for the privilege and the penalties herein provided, and in case of default in the performance by said Company of such terms and conditions The City of New York shall have the right, after due notice, to collect the same from the said fund without legal proceedings, or after default in the payment of the annual charges shall collect the same, with interest, from said fund after ten days' notice in writing to the said Company. In case of any drafts so made upon this security fund the said Company shall, upon thirty days' notice in writing, pay to the Comptroller of The City of New York a sum of money sufficient to restore the said fund to the original amount of five thousand dollars (\$5,000), and in default thereof the grant hereby made may be canceled and annulled at the option of the Comptroller of The City of New York, acting on behalf of said City. No action or proceeding or rights under the provisions of this section shall affect other legal rights, remedies or causes of action belonging to The City of New York.

Twenty-third—The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

Twenty-fourth—The Company agrees to assume and comply with any of the existing provisions or future amendments of Article V. of the Transportation Corporations Law relating to pipe lines, imposing conditions, restrictions or penalties should the Board of Estimate and Apportionment from time to time so require, in the same manner and to the same extent as if the Company had been incorporated under the said Transportation Corporations Law.

In witness whereof the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed, and the corporate seal of said City to be hereunto affixed, and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate name to be hereunto signed, and its corporate seal to be hereunto affixed, this day and year first above written.

THE CITY OF NEW YORK.

By Mayor.

[SEAL] SEABOARD REFRIGERATION CO.,

By President.

Attest:

Secretary.

[SEAL]

Resolved, That the results of the inquiry made by this Board as to the money value of such franchise or right proposed to be granted, and the adequacy of the compensation proposed to be paid therefor are that the money value of such right or franchise proposed to be granted is the total amount of money which it is proposed, as provided in and by the form of proposed contract, for the grant of such franchise or right, as hereinbefore fully set forth, shall be paid for such franchise or right, and that such compensation is adequate therefor.

Resolved, That these preambles and resolutions, including the said resolution for the grant of the franchise or right applied for by the Seaboard Refrigeration Company, and the said form of proposed contract for the grant of such franchise or right, and said results of such inquiry, after the same shall be entered in the minutes of this Board, shall be published at the expense of this Seaboard Refrigeration Company, for at least twenty days immediately prior to May 25, 1906, in the City Record and at least twice during the ten days immediately prior to May 25, 1906, in the Brooklyn Daily "Eagle," and Brooklyn "Citizen," two daily newspapers designated by the Mayor therefor, and published in The City of New York, together with the following notice, to wit:

Notice is hereby given that the Board of Estimate and Apportionment, before authorizing any contract for the grant of the franchise or right applied for by the Seaboard Refrigeration Company, and fully set forth and described in the foregoing form of proposed contract for the grant of such franchise or right, and before adopting any resolution authorizing any such contract, will, at a meeting of said Board, to be held in the Old Council Chamber, City Hall, Borough of Manhattan, City of New York, on May 25, 1906, at 10.30 o'clock a. m., hold a public hearing thereon, at which citizens shall be entitled to appear and be heard.

AT THE REQUEST OF THE BOARD OF Education, public notice is hereby given that the Commissioners of the Sinking Fund of The City of New York, by virtue of the powers vested in them by law, will offer for sale at public auction, the buildings, parts of buildings, etc., standing within the lines of property owned by The City of New York, acquired for school purposes, in the

Borough of Manhattan.

All the buildings, parts of buildings, etc., standing upon land acquired for the Board of Education, and described as follows:

Beginning at a point in the southerly line of East Fifty-seventh street distant 100 feet westerly from the westerly line of Second avenue; running thence southerly and parallel with Second avenue 100 feet 5 inches; thence westerly and parallel with East Fifty-seventh street 75 feet; thence northerly and again parallel with Second avenue 100 feet 5 inches to the southerly line of East Fifty-seventh street; thence easterly along the southerly line of East Fifty-seventh street 75 feet to the point or place of beginning.

By direction of the Comptroller, the sale of the above-described buildings and appurtenances thereto will be made under the supervision of the Collector of City Revenue, Department of Finance. The sale will take place on

FRIDAY, JUNE 8, 1906,

at 11 a. m., on the premises, and will be sold for the highest marketable price at public auction on the following

TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay immediately cash or a certified check drawn to the order of the Comptroller of The City of New York, and must give either a cash bond or an approved bond of a surety company in the amount of the purchase price as security for the proper performance of the work of removal, which must be completed within thirty working days thereafter.

All the buildings, structures and parts thereof, their fixtures and foundations of every class and description within the described area, are to be torn down to a level two feet below the existing curb; and any structures which may exist within any of the buildings, such as engine beds, boiler settings, etc., and all stoops and area walls shall also be torn down to the same level. All tin from roofs, cornices, sides of buildings, or partitions, sheds and fences shall be removed from the premises. All brick laid in mortar, all floor beams, joists, studding, flooring, ceiling, roofing, boards and woodwork of every description, and all gas, water, steam and soil piping shall be removed from the premises. All combustible matter, such as tar and felt roofing, broken lathe and fragments of timber, chips, splinters, etc., which are of no value, shall be gathered together by the contractor and burned or carried away.

Failure to remove the said buildings and appurtenances, or any portion thereof, within said period, will work forfeiture of ownership of such buildings or appurtenances or portion as shall then be left standing, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and the said City of New York will without notice to the purchaser cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and from all suits and actions, claims and demands, of every name and description brought against it, them or any of them, and against and from all damages and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work or in guarding the same, or from any improper or defective materials or machinery, implements or appliance used in the removal of the said buildings by the said successful bidder, and the bidder's assent and agreement to the above conditions are understood to be implied by the act of bidding.

Party walls and fences, when existing against adjacent property not sold shall not be taken down, but all furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls shall be taken down and removed. The walls shall be made permanently self-supporting without the aid of braces, the beamholes, etc., bricked up and the wall pointed and made to exclude wind and rain, and present a clean exterior. The roofs of the adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operation of the contractor.

The Comptroller of The City of New York reserves the right on the day of the sale to withdraw from sale any of the buildings or parts of buildings and machinery included in the foregoing parcel.

Thence northerly and still along the westerly side of said pier about 7 feet;
Thence northerly in a line parallel with the first-mentioned course about 241 feet to the southerly line of South street;
Thence easterly and along the southerly line of South street and along the inner end of said pier 31 feet, more or less, to the point or place of beginning, be said several distances more or less.

Together with all right, title and interest in and to said pier or any portion thereof not now owned by The City of New York.
Parcel "B."
Pier (old) 3, East river, bounded and described as follows:
Beginning at a point in the easterly side of Pier (old) 3, where it intersects the present bulkhead at the inshore end of said pier, and running thence southerly and along the easterly side of said pier 458.4 feet;
Thence westerly and along the outer end of said pier 40.4 feet;
Thence northerly and along the westerly side of said pier 457.4 feet to the inshore or northerly end of said pier;
Thence easterly and along the present bulkhead at the inshore end of said pier 40.9 feet to the point or place of beginning.
Together with all right, title and interest in and to said pier or any portion thereof not now owned by The City of New York.

Parcel "C."
The bulkhead, dock or wharf property between Piers (old) 2 and 3, East river, extending along the southerly line of South street, from the easterly side of said Pier (old) 3, to the westerly side of said Pier (old) 2, a distance of 116.61 feet, more or less.

Parcel "D."
The bulkhead, dock or wharf property extending along the southerly side of South street, beginning at the easterly side of Pier (old) 3, East river, and extending easterly therefrom, a distance of 106.4 feet, more or less, to property now owned by The City of New York.

Parcels "A" and "C" are, and each of them is, to be acquired for ferry purposes, and Parcels "B" and "D" are, and each of them is, to be acquired for the execution of a certain plan for the improvement of the water front of The City of New York, pursuant to the statutes in such case made and provided, and determined upon by the Board of Docks on the 13th day of April, 1871, and approved by the Commissioners of the Sinking Fund on the 27th day of April, 1871, as altered and amended by the Board of Docks on the 3d day of November, 1899, which alteration and amendment was approved by the Commissioners of the Sinking Fund on the 6th day of December, 1899, and which said plan and alteration and amendment thereof are on file in the office of the Department of Docks and Ferries.

All parties and persons interested in the said wharf property, wharfage rights, terms, easements, emoluments and privileges taken or to be taken for the said improvement of the water front of The City of New York on the East river, or affected thereby, and having any claim or demand on account thereof, are hereby required to present the same, duly verified, to us, the undersigned Commissioners of Estimate and Assessment, at our office, Room 401, on the fourth floor of the building No. 258 Broadway, in The City of New York, Borough of Manhattan, with such affidavits or other proofs as the said owners or claimants may desire, within twenty days after the date of this notice, and we, the said Commissioners, will be in attendance at our office above specified on the 29th day of May, at 10 o'clock in the forenoon of that day,

to hear the parties and persons in relation thereto, and at such time and place, or at such other or further times and places as we may appoint, we shall hear such owners in relation thereto, and examine the proofs of such claimant or claimants, or such additional proofs or allegations as may be then offered by such owners, or on behalf of The City of New York.

In the matter of the application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands and premises required for the purpose of opening and extending of WEIHER COURT (although not yet named by proper authority), between Washington avenue and Third avenue, in the Twenty-third Ward, Borough of The Bronx, City of New York.

PURSUANT TO THE STATUTES IN SUCH cases made and provided, notice is hereby given that an application will be made to the Supreme Court of the State of New York, First Department, at a Special Term of said Court, to be held at Part III. thereof, in the County Court House, in the Borough of Manhattan, in The City of New York, on Thursday, the 24th day of May, 1906, at the opening of the Court on that day, or as soon thereafter as counsel can be heard thereon, for the appointment of Commissioners of Estimate and Assessment in the above-entitled matter. The nature and extent of the improvement hereby intended is the acquisition of title by The City of New York, for the use of the public, to all the lands and premises, with the buildings thereon and the appurtenances thereto belonging, required for the purpose of opening and extending of Weiher Court (although not yet named by proper authority), between Washington avenue and Third avenue, in the Twenty-third Ward, Borough of The Bronx, City of New York, being the following-described lots, pieces or parcels of land, viz:

Beginning at a point in the western line of Third avenue distant 146.89 feet southerly from the intersection of said line with the southern line of East One Hundred and Sixty-fifth street;
1. Thence southerly along the western line of Third avenue for 25.15 feet;
2. Thence westerly deflecting 96 degrees 18 minutes 30 seconds to the right for 146.12 feet;
3. Thence southerly deflecting 90 degrees 12 minutes 37 seconds to the left for 3 feet;
4. Thence westerly deflecting 90 degrees 12 minutes 37 seconds to the right for 161 feet;
5. Thence northerly deflecting 89 degrees 47 minutes 23 seconds to the right for 3 feet;
6. Thence westerly deflecting 89 degrees 47 minutes 23 seconds to the left for 105 feet to the eastern line of Washington avenue;
7. Thence northerly along last-mentioned line for 25 feet;
8. Thence easterly deflecting 90 degrees 12 minutes 37 seconds to the right for 105 feet;
9. Thence northerly deflecting 90 degrees 12 minutes 37 seconds to the left for 7 feet;
10. Thence easterly deflecting 90 degrees 12 minutes 37 seconds to the right for 161 feet;
11. Thence southerly deflecting 89 degrees 47 minutes 23 seconds to the right for 7 feet;
12. Thence easterly for 143.45 feet to the point of beginning.

Weiher Court is laid out on two maps, entitled "Map or Plan showing the locating and laying out of Weiher Court in the block bounded by East One Hundred and Sixty-fourth street, Washington avenue, East One Hundred and Sixty-fifth street and Third avenue, running east of the easterly side of Washington avenue for about 266 feet in the Twenty-third Ward, Borough of The Bronx, City of New York," and "Map or Plan showing the proposed extension of Weiher Court from its easterly end to Third avenue, in the Twenty-third Ward, Borough of The Bronx, City of New York," which maps were filed in the office of the President of the Borough of The Bronx on June 24, 1902, and January 2, 1906; in the office of the Register of the County of New York on June 23, 1902, as Map No. 335, and December 29, 1905, as Map No. 1103, and in the office of the Counsel to the Corporation of The City of New York on or about the same dates as Maps Nos. 8 and 25, all respectively.

The land to be taken for Weiher Court is located in Block 2369 of Section 9 of the Land Map of The City of New York.

In the matter of the application of The Mayor, Aldermen and Commonalty of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the purpose of opening MORRIS AVENUE (although not yet named by proper authority), from the east side of the New York and Harlem Railroad to the Grand Boulevard and Concourse, as the same has been heretofore designated as a first-class street or road, in the Twenty-third and Twenty-fourth Wards of The City of New York.

WE, THE UNDERSIGNED COMMISSIONERS of Estimate and Assessment in the above entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our supplemental and amended estimate of assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby and having objections thereto, do present their said objections in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 23d day of May, 1906, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 25th day of May, 1906, at 11 o'clock a. m.

Second—That the abstract of our said supplemental and amended estimate of assessment, together with our benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making our report, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said City, there to remain until the 2d day of June, 1906.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described as follows, viz:

Beginning at a point formed by the intersection of a line parallel to and 100 feet south-easterly from the southeasterly line of Cortlandt avenue with a line parallel to and 100 feet south-westerly from the southeasterly line of East One Hundred and Forty-ninth street; running thence northwesterly along said last-mentioned parallel line to its intersection with the southeasterly line of Spencer place; thence northeasterly along a straight line to a point formed by the intersection of the northeasterly line of East One Hundred and Fifty-third street with a line parallel to and 100 feet northwesterly from the northwesterly line of Sheridan avenue; thence north-easterly along said parallel line to its intersection with a line parallel to and 100 feet south-westerly from the southwesterly line of Belmont street; thence northwesterly along said last-mentioned parallel line to its intersection with a line parallel to and 100 feet northwesterly from the northwesterly line of Walton avenue; thence northeasterly along said last-mentioned parallel line to its intersection with the southwesterly line of Burnside avenue; thence in a general direction southeasterly along said southwesterly line of Burnside avenue to its intersection with a line parallel to and 100 feet southeasterly from the southeasterly line of Grand Boulevard and Concourse; thence southwesterly along said parallel line to its intersection with a line parallel to and 100 feet easterly from the easterly line of Monroe avenue; thence southerly along said last-mentioned parallel line to its intersection with a line parallel to and 100 feet southerly from the southerly line of Belmont street; thence westerly along said last-mentioned parallel line to its intersection with the middle line of Claremont Park; thence southerly and southwesterly along said middle line and its prolongation to its intersection with a line parallel to and 100 feet northeasterly from the northeasterly line of Teller avenue; thence southeasterly, southerly and southwesterly along said parallel line to its intersection with the northwesterly prolongation of a line parallel to and 100 feet northeasterly from the northeasterly line of East One Hundred and Sixty-second street; thence southeasterly along said last-mentioned prolongation and parallel line and its southeasterly prolongation to its intersection with a line parallel to and 100 feet southeasterly from the southeasterly line of Courtlandt avenue; thence southwesterly along said last-mentioned parallel line to the point or place of beginning, as such streets are shown upon the final maps and profiles of the Twenty-third and Twenty-fourth Wards of The City of New York, excepting from said area all streets, avenues and roads, or portions thereof, heretofore legally opened, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That our report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Court House, in the Borough of Manhattan, in The City of New York, on the 1st day of October, 1906, at the opening of the Court on that day.

FIRST DEPARTMENT.

In the matter of the application of The City of New York, by the Corporation Counsel, for the appointment of Commissioners of Estimate and Assessment to ascertain and determine the compensation which should justly be made for the discontinuance and closing of WEST ONE HUNDRED AND FIFTY-FIRST STREET, from the easterly side of Riverside drive extension to the United States bulkhead line, Hudson river, in the Twelfth Ward, in the Borough of Manhattan, in The City of New York.

NOTICE IS HEREBY GIVEN, PURSUANT to the statute thereto relating, that it is the intention of the Corporation Counsel to make application to a Special Term of the Supreme Court, First Department, to be held at Part III. thereof, in the County Court House, in the Borough of Manhattan, in The City of New York, on Friday, the 18th day of May, 1906, at the opening of the Court on that day, or as soon thereafter as counsel can be heard thereon, for the appointment of three discreet and disinterested persons as Commissioners of Estimate and Assessment, who are to ascertain and determine the compensation which should justly be made to the several owners, lessees and parties re-

spectively entitled unto or interested in the lands, tenements and hereditaments and premises, or rights or interests therein taken, affected or damaged, extinguished or destroyed, by the discontinuance and closing of that part of West One Hundred and Fifty-first street, from the easterly side of Riverside drive extension to the United States bulkhead line, Hudson river, in the Twelfth Ward, in the Borough of Manhattan, in The City of New York, which is more particularly bounded and described as follows, to wit:

Beginning at a point in the northerly line of West One Hundred and Fifty-first street distant 470 feet westerly from Broadway; thence westerly along the northerly line of said street distant 340.92 feet to the easterly line of Twelfth avenue; thence southerly along the said line distant 63.01 feet to the southerly line of said West One Hundred and Fifty-first street; thence easterly along said line, distance 338.55 feet to a point distant 453.12 feet westerly from Broadway; thence northerly, distance 62.33 feet to the point or place of beginning.

Also, beginning at a point in the northerly line of West One Hundred and Fifty-first street and the westerly line of Twelfth avenue, said point being the continuation of the northerly line of said West One Hundred and Fifty-first street; thence westerly and in continuation of said northerly line, distance 293.32 feet to the United States bulkhead line, established by the Secretary of War October 18, 1890; thence southerly along said line, distance 60.02 feet to the southerly line of said street; thence easterly along said line to the westerly line of Twelfth avenue, distance 310.14 feet; thence northerly along the westerly line of Twelfth avenue, distance 63.01 feet to the point or place of beginning.

The map or plan of The City of New York was duly changed so as to discontinue and close the aforesaid part of West One Hundred and Fifty-first street, by resolution of the Board of Estimate and Apportionment, adopted on the 7th day of July, 1905, approved by the Mayor on the 12th day of July, 1905, and the maps showing such part of West One Hundred and Fifty-first street to be discontinued and closed, were filed in the following offices:

One copy in the office of the Register of the County of New York on the 3d day of August, 1905; one copy thereof in the office of the Corporation Counsel on the 3d day of August, 1905, and one copy thereof in the office of the President of the Borough of Manhattan on the 7th day of August, 1905.

Dated New York, May 5, 1906.

SECOND JUDICIAL DISTRICT.

In the matter of the application of George B. McClellan, Herman A. Metz, Alexander E. Orr, Charles Stewart Smith, Morris K. Jesup, John H. Starin, Woodbury Langdon and John Clafin, constituting the Board of Rapid Transit Railroad Commissioners of The City of New York, for and on behalf of said city, for the appointment of Commissioners of Appraisal to acquire the triangular parcel of land situated in the Borough of Brooklyn, bounded by Flatbush avenue, Fourth avenue and Atlantic avenue, for rapid transit purposes.

NOTICE IS HEREBY GIVEN THAT AN application will be made at a Special Term of the Supreme Court for the hearing of motions, to be held at the County Court House in the Borough of Brooklyn, on the 22d day of May, 1906, at the opening of Court on that day, or as soon thereafter as counsel can be heard, for the appointment of three disinterested freeholders, being citizens of the United States and residents of The City of New York, to ascertain and appraise the compensation to be made to the owners and all persons interested in certain property situated in the Borough of Brooklyn, described as follows:

Beginning at the corner formed by the intersection of the northerly line of Atlantic avenue with the easterly line of Fourth avenue, running thence northeasterly along Fourth avenue thirty (30) feet two (2) inches to Flatbush avenue; thence southerly along Flatbush avenue fifty-four (54) feet to Atlantic avenue, and thence westerly along Atlantic avenue forty-four (44) feet one (1) inch to the point or place of beginning, being Lot No. 1, in Block 926.

It is intended to acquire the fee of the above-described property, which is laid out and indicated on three similar maps, one of which was filed in the office of the chief executive department having control of streets on the 25th day of March, 1904; another in the office of the Register of the County of Kings on the 6th day of April, 1906, and one in the office of the Board of Rapid Transit Railroad Commissioners on the 25th day of March, 1904. Said maps were adopted and approved by said Board on the 18th day of March, 1904.

SECOND DEPARTMENT.

In matter of the application of The City of New York relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the opening and extending of EAST TWO HUNDRED AND TWENTY-SECOND STREET (although not yet named by proper authority), from Seventh avenue to the Hutchinson river, in the Twenty-fourth Ward, Borough of The Bronx, City of New York.

NOTICE IS HEREBY GIVEN THAT WE, the undersigned, were appointed by orders of the Supreme Court, bearing date the 24th day of March, 1906, and duly entered in the office of the Clerk of the County of New York at his office in the Borough of Manhattan, in The City of New York, on the 30th day of March, 1906; in the office of the Clerk of the County of Kings at his office in the Borough of Brooklyn on the 30th day of March, 1906, and in the office of the Clerk of the County of Westchester at his office at White Plains on the 24th day of March, 1906, a copy of which order was duly filed in the office of the Register of the County of New York, and indexed in the Index of Conveyances, "Annexed Territory." Commissioners of Estimate and Assessment for the purpose of making a just and equitable estimate and assessment of the loss and damage, if any, or of the benefit and advantage, if any, as the case may be, to the respective owners, lessees, parties and persons respectively entitled unto or interested in the lands, tenements, hereditaments and premises required for the purpose by and in consequence of opening the above-mentioned street or avenue, the same being particularly set forth, and described in the petition of The City of New York, and also in the notice of the application for the said order thereto attached, filed herein, in the office of the Clerk of the County of New York on the 30th day of March, 1906; in the office of the Clerk of the County of Kings on the 30th day of March, 1906, and in the office of the Clerk of the County of Westchester on the 24th day of March, 1906, and a just and equitable estimate and assessment of the value of the benefit and advantage of said street or avenue so to be opened or laid out and formed, to the respective owners, lessees, parties and persons respectively entitled unto or interested in the said respective lands, tenements, hereditaments and premises not required for the purpose of opening, laying out and forming the same, but benefited thereby, and of ascertaining and defining the extent and boundaries of the respective tracts or parcels of land to be taken or to be assessed therefor, and of performing

the trusts and duties required of us by chapter 17, title 4 of the Greater New York Charter, as amended, and the acts or parts of acts supplementary thereto or amendatory thereof.

All parties and persons interested in the real estate taken or to be taken for the purpose of opening the said street or avenue, or affected thereby, and having any claim or demand on account thereof, are hereby required to present the same, duly verified, to us, the undersigned Commissioners of Estimate and Assessment, at our office, fourteenth floor, Nos. 90 and 92 West Broadway, Borough of Manhattan, in The City of New York, with such affidavits or other proofs as the said owners or claimants may desire, within twenty days after the date of this notice.

And we, the said Commissioners, will be in attendance at our said office on the 1st day of June, 1906, at 3:30 o'clock in the afternoon of that day, to hear the said parties and persons in relation thereto. And at such time and place, and at such further or other time and place as we may appoint, we will hear such owners in relation thereto and examine the proofs of such claimant or claimants, or such additional proofs and allegations as may then be offered by such owner, or on behalf of The City of New York.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be included in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
