CERTIFICATE 24164

RESOLVED That the Design Commission, having considered designs for the installation of streetscape improvements, Phase I, Diamond District, West 47th Street between Fifth Avenue and Sixth Avenue, Manhattan, submitted by the Department of Transportation, represented by exhibits 5882-O, P, Q, R & S of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) the hanging baskets will not be placed on the pedestrian poles; (2) a City 24/7 touch screen will be installed in the existing telephone booth, instead of free-standing information kiosks, and (3) eliminating/consolidating the numerous plastic newsboxes, telephone kiosks and bollards on the street, which add to the visual clutter, will be explored. The Commission recommends that the 47th Street Business Improvement District develop a branding program to distinguish the block-long Diamond District, and suggested that it look at the design proposed for Restaurant Row, another distinctive single-block district.

Preliminary approval is conditioned upon submission of this project for final review and approval before June 6, 2013.

Jackie Snyder
Executive Director

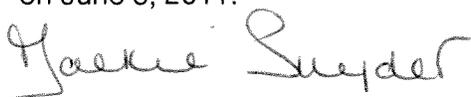

June 6, 2011

CERTIFICATE 24173

RESOLVED That the Design Commission, having considered designs for the construction of the Arts Plaza as part of the BAM Cultural District master plan, Ashland Place between Lafayette Avenue and Fulton Street, Brooklyn, submitted by the Economic Development Corporation, the Department of Cultural Affairs and the Department of Transportation, represented by exhibits 3257-BF, BG, BH, BL & BM of record in this matter, hereby gives to the same unanimous final approval with the understanding that (1) street tree planting option A will be pursued; (2) in the absence of a unifying streetscape design, an effort should be made, moving forward, to create a connection among all of the cultural institutions to give the cultural district a distinct identity; (3) artworks will be commissioned through Percent for Art, rather than purchased, for the site, and consequently both the gateway and sculpture park strategies are viable; and (4) the Economic Development Corporation will request capital allocations for Fiscal Year 2012 to reconstruct BAM Park, which is now closed. Commissioner Nordenson recused himself.

Final approval is conditioned upon commencement of work before June 6, 2013 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.

CERTIFICATE 24158

RESOLVED That the Design Commission, having considered the final report for the conservation of *Shadows and Flags* (1977) by Louise Nevelson, Louise Nevelson Plaza, Liberty Street, William Street and Maiden Lane, Manhattan, submitted by the Department of Design and Construction, represented by exhibits 4165-T, U, V & W of record in this matter, hereby gives to the same unanimous final approval subject to confirmation of the maintenance plan and allocation of responsibilities.

A true copy of resolution adopted by
the Design Commission at its meeting
on June 6, 2011.

Jackie Snyder
Executive Director

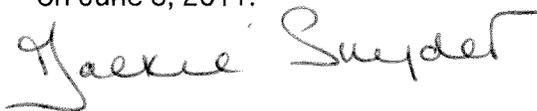

June 6, 2011

CERTIFICATE 24170

RESOLVED That the Design Commission, having considered designs for the reconstruction of portions of Grand Army Plaza, including the expansion of the northern berm and traffic islands at the north and south ends of the plaza, Flatbush Avenue and Eastern Parkway, Brooklyn, submitted by the Department of Transportation, represented by exhibits 912-BA, BB, BC & BD of record in this matter, hereby gives to the same preliminary approval with the understanding that (1) exposed aggregate concrete will be used instead of tinted concrete; (2) the specifications for the exposed aggregate concrete will match what the Prospect Park Alliance has previously installed around Prospect Park and intends to continue; (3) confirmation of the need for striping island A, rather than expanding it, will be submitted; and (4) clarification of how the colors for the bike and bus lanes were determined will be provided. Commissioner Simmons opposed. The Commission encourages the Department of Transportation and the Prospect Park Alliance to explore providing access to Soldier' and Sailors' Arch, possibly through the existing subway tunnel.

Preliminary approval is conditioned upon submission of this project for final review and approval before June 6, 2013.

A true copy of resolution adopted by
the Design Commission at its meeting
on June 6, 2011.
