NEW YORK, January 26, 1875.

Hon. A. DISBECKER, Chairman Street Cleaning Committee.

SIR—In answer to the complaint of the residents of Fiftieth street, between Fifth and Sixth avenues, I most respectfully make the following report:

The records of this office show that the block complained of was swept May 11 and 27, June 8 and 16, July 13 and 23, August 13 and 28, September 16 and November 17, 1874.

I judge the reasons it was not cleaned oftener, was owing to the fact that it was swept by private parties. If the residents did not employ private parties to sweep that block it would receive the same attention that the other streets do in the same locality.

Respectfully,  
THOS. W. THORNE,  
Inspector of Bureau.

On recommendation of the Committee on Street Cleaning, it was

Resolved, That the New York Plaster Works be granted permission to dump ashes, etc., at the Dump foot of Jackson street, East river.

Resolved, That the resignation of Foreman George W. Delaney be and is hereby accepted.

The Committee on Street Cleaning made the following report, which was approved:

That they have communicated with the Department of Docks, requesting that repairs be made to Pier No. 2 and pier foot East Forty-sixth street, and have received a reply from said Department stating that the necessary repairs would be made.

That they have also requested the Department of Docks to designate additional piers, which are required for the business of the Bureau of Street Cleaning, and the same have been designated by said Department.

Adjourned.

#### MOTIONS AND RESOLUTIONS.

By Alderman McCarthy—

Whereas, Senator Hugh H. Moore has introduced a bill into the Senate of the State, providing for rapid transit in this city, a copy of which is herewith submitted; and as it is very desirable that all means looking to such a desirable end, should be submitted for the consideration of the Committee of this Board to whom that subject is committed; be it therefore

Resolved, That the accompanying bill, introduced into the State Senate, by Senator Hugh H. Moore, of this city, be and it is hereby referred to the Special Committee of this Board, having the subject of rapid transit in charge, to the end that it may receive the careful and earnest consideration of the Committee.

AN ACT in relation to laying out, constructing, and operating a Rapid Transit Road in the City of New York.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The Mayor, Aldermen, and Commonality of the City and County of New York, be and they are hereby authorized to appoint three Commissioners—the Mayor to nominate, and the Board of Aldermen to confirm the same—to lay out, construct, and operate a rapid transit road at the expense of the City and County of New York, with the consent of the owners one half in value of the property bounded on the street or highway upon which the same shall be constructed and operated; and in case the consent of such property-owners cannot be obtained, the General Term of the Supreme Court in the First Judicial District shall, upon application to be made, appoint three Commissioners, who shall determine, after a hearing of all parties interested, whether such rapid transit road ought to be constructed or operated, and their determination, confirmed by the Court, shall be taken in lieu of the consent of the said property-owners. That said Commissioners shall be appointed respectively for one, two, and three years, and may be removed by the Mayor of the City of New York for cause, and the said Mayor of the City of New York shall appoint in the place of the Commissioners, or either of them so removed, Commissioners for the unexpired term, which said Commissioners shall have the same power; and the said Mayor of the City of New York shall, upon the expiration of the term of each of the said Commissioners, appoint a Commissioner for the same period as the said Commissioner was appointed whose term shall then expire.

Sec. 2. The Mayor, Aldermen, and Commonality of the City and County of New York, be and they are hereby authorized to create a public fund or stock, to be denominated "Rapid Transit Stock," for the amount of

dollars, which said stock shall bear date day of 1875, and shall bear interest at and after the rate of seven per centum per annum, and be redeemable on the day of

The said Mayor, Aldermen, and Commonality being hereby authorized to pledge the faith of the City and County of New York, and the same is hereby specifically pledged for the redemption of said stock, and the several parts thereof, when the same shall become due and payable under the provisions of this section, by tax upon the estates, real and personal, in the City of New York, subject to taxation.

Sec. 3. The Comptroller of the said City of New York is hereby authorized within thirty days after being required in writing by said Commissioners, when duly appointed as aforesaid so to do, prepare and issue the said stock specified in the preceding section for the full amount of

dollars, and offer the same for sale, such offer to be by advertisement in not less than three newspapers published in the City of New York, of the largest circulation, and continued for not less than twenty nor more than thirty days, at the expiration of which time said stock shall be awarded to the highest bidder therefor, and the proceeds thereof forthwith deposited with the Chamberlain of said City of New York, to the credit of the "Rapid Transit Fund;" the said Comptroller shall determine what shall be the nominal amount or value of said stock per share, and of what number of shares the same shall consist; but he shall not be authorized to issue, sell, or dispose of any of the same at a less rate than its par value.

Sec. 4. The Chamberlain of the City of New York shall receive from said Comptroller as above

specified the proceeds of said stock, and shall pay over the same in such sums and to such persons as said Commissioners, or a majority of them, shall by their draft or order direct in writing.

Sec. 5. The Board of Aldermen of the City and County of New York are hereby authorized to raise by tax, in addition to the ordinary taxes, yearly, and every year, a sum sufficient to pay the interest semi-annually upon the stock provided to be created by the second section of this act, and for the payment of the same at the maturity thereof.

Sec. 6. The stock to be created by this act, and money raised thereon, shall be applied solely and only to the erection and completion of the Rapid Transit Road specified in this act, and for the expenses incident thereto, and for no other purpose whatever.

Sec. 7. The Board of Aldermen of said City of New York may fix and determine the salaries to be paid to said Commissioners per annum, and the same shall be paid said Commissioners, by the warrant of the Comptroller of the said City of New York, drawn upon the Chamberlain of said City, in favor of said Commissioners.

Sec. 8. All acts and parts of acts, inconsistent with this act, are hereby repealed.

Sec. 9. This act shall take effect immediately. The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

Resolved, That Eighty-second and Eighty-third streets be regulated and graded, curb and gutter stones set, and the sidewalks flagged, full width, where not already done, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was referred to the Committee on Street Pavements.

By Alderman McCarthy—

Resolved, That the Commissioner of Public Works be, and he is hereby directed to erect an improved iron drinking-fountain for man and beast, on the northwest corner of Eighty-third street and Second avenue.

Resolved, That the Commissioner of Public Works be, and he is hereby requested to report to this Board, at his earliest convenience, the names of all streets, avenues, or public places in this city in which more than double tracks are laid by any one or more railroad companies, with his opinion of the practicability of compelling the removal of all such tracks in excess of two, and providing that two or more companies shall use the same tracks in every such street, avenue, or public place.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

By Alderman Reilly—

Whereas, It has been publicly alleged that Andrew H. Green, Comptroller, has unjustly resisted the payment of legal claims against this City, thereby causing the unnecessary expenditure, out of the public treasury, of large sums of money in costs, disbursements, and interest; and

Whereas, It has been publicly alleged that said Comptroller has, at various times, employed numerous favorite lawyers for the purpose of affecting legislation and of resisting the payment of legal claims, all of whose fees have been paid out of the public treasury; and

Whereas, It has been publicly alleged that said Comptroller has illegally diverted certain sums set apart for special purposes by the Board of Apportionment and the laws of this State to other purposes, not authorized by said Board or laws; and

Whereas, It has been publicly alleged that said Comptroller has, at various times, unjustly and maliciously delayed the payment of the salaries and wages of public officials and servants, thereby temporarily depriving them of their just dues and inflicting upon them great loss and damage; and

Whereas, It has been publicly alleged that the management of the financial affairs of this City by said Andrew H. Green, Comptroller, has been such as to depreciate the credit of this City and retard its growth and prosperity; now, therefore,

Resolved, That the several matters mentioned in the foregoing preamble be and the same are hereby referred to the Committee on Law Department to investigate the same, with power to send for persons and papers, and to report the result of their investigations to this Board, with such recommendations as to them may seem advisable and for the best interests of the City.

Alderman Billings moved to amend, by referring to the "Committee on Finance."

The President put the question whether the Board would agree with said motion.

Which was decided in the negative by the following vote:

Negative—The President, Aldermen Billings, Blessing, Cole, Deane, Gilon, Gross, Guntzer, Howland, Lysaght, McCarthy, Power, Purroy, Reilly, Robinson, Seery, Simonson, and Strack—18.

Which was decided in the affirmative.

By Alderman Guntzer—

Resolved, That his Honor the Mayor be and he is hereby respectfully requested to take such necessary measures as he may consider necessary, to compel the Department charged with the work of clearing the streets, to cause the ice and snow to be immediately removed from the several crosswalks intersecting the streets and avenues in this city.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

By Alderman Seery—

Resolved, That the Commissioners of Docks be

requested to report to this Board at the next meeting what work in connection with that Department is done outside of this city; if by contract, the names of the contractors, the work so contracted for, the place or places at which said work is performed, and all other information in connection with said work.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

By Alderman Strack—

Resolved, That Ignatz Sametz be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York, in place and stead of George J. Krauss, resigned.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The President, Aldermen Billings, Blessing, Cole, Deane, Gilon, Gross, Guntzer, Howland, Lysaght, McCarthy, Power, Purroy, Reilly, Robinson, Seery, Simonson, and Strack—18.

By Alderman Seery—

Resolved, That the resolution recently passed, appointing Andrew J. Dowd a Commissioner of Deeds, be amended so as to read "Andrew Dowd," and as amended the same be adopted.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The President, Aldermen Billings, Blessing, Cole, Deane, Gilon, Gross, Guntzer, Howland, Lysaght, McCarthy, Power, Purroy, Reilly, Robinson, Seery, Simonson, and Strack—18.

By Alderman Seery—

Whereas, Great inconvenience, delay, and serious loss to business is caused by the obstruction to travel from the heavy snow-falls of each winter; and

Whereas, The present method of removing snow from the streets by carting is not only very expensive, but entirely inadequate to meet the demands of the public; and

Whereas, The process now employed, while it fails to meet the requirements of business, is not only very expensive, tedious, and wholly inefficient, but is altogether too limited in the area of its operations; and

Whereas, It is essential to the business interests of the City that every facility should be afforded to travel, and the transportation of goods between the warehouses, wharves, and railroad depots, by clearing the snow off a greater extent of street surface; therefore

Resolved, With the view of ascertaining the exact cost to the City of the present method of removing the snow by the existing means of carts, and of devising, if possible, a cheaper, more expeditious, and more effective process, that his Honor the Mayor is hereby requested to obtain from the Board of Police, at the earliest day, information on the following points:

1. The amount paid by the City, each year, for the last five years, for the removal of snow.

2. The extent of street surface, linear and superficial, cleared from snow each winter.

3. The streets on which such clearing was done.

4. The number of men and carts employed each winter.

5. The aggregate number of cart loads of snow removed.

6. And such other information as may bear on the subject of this inquiry.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

By Alderman Gross—

Resolved, That the Counsel of Corporation be and is hereby requested and directed to inform this Board whether the various provisions contained in the Charter of 1873, and having reference to the cleaning of streets, are not in conflict with each other, and in particular those sections giving the street cleaning in charge of the Police Department and the Board of Aldermen.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

By Alderman McCarthy—

ARTICLE I.  
Of Pawnbrokers and Loanbrokers, or Keepers of Loan Offices.

Section 1. The Mayor may from time to time grant licenses, under his hand and seal, to such persons as shall produce to him satisfactory evidence of their good character to exercise or carry on the business of a pawnbroker, or of a loanbroker or keeper of a loan office.

Sec. 2. Every person receiving such license shall pay therefor the sum of fifty dollars for the use of the City.

Every person so licensed shall, at the time of receiving such license, enter, with two sureties, into a joint and several recognizance to the Mayor and Aldermen of the City of New York in the penalty of five hundred dollars, conditioned for the due observance of all such ordinances of the Common Council as may be passed or in force respecting pawnbrokers and loanbrokers, or keepers of loan offices, at any time during the continuance of such license.

Sec. 4. Every pawnbroker and loanbroker, or keeper of a loan office, shall keep a book in which shall be fairly written, at the time of each loan, an accurate account and description of the goods, article, or thing pawned or pledged, the amount of money loaned thereon, the time of pledging the same, the rate of interest to be paid on such loan, and the name and residence of the person pawning or pledging the said goods, article, or thing.

Sec. 5. Every pawnbroker and loanbroker, or keeper of a loan office, shall, at the time of each loan, deliver to the person pawning or pledging any goods, article, or thing, a memorandum or note, signed by him or her, containing the substance of the entry required to be made in his or her book by the last preceding section; and no charge shall be made or received by any pawnbroker or loanbroker, or keeper of a loan office, for any such entry, memorandum, or note.

Sec. 6. The said book shall, at all reasonable times, be open to the inspection of the Mayor, Recorder, Aldermen, and special justices for preserving the peace of the City of New York, or any or either of them, or of any person who shall be duly authorized in writing for that purpose, by any or either of them, and who shall exhibit such written authority to such pawnbroker, loanbroker, or keeper of a loan office.

Sec. 7. Every pawnbroker, loanbroker, or keeper of a loan office, who shall violate or neglect, or refuse to comply with any or either of the provisions of the fourth, fifth, or sixth sections of this chapter, shall, for every such offense, forfeit and pay the sum of twenty-five dollars.

Sec. 8. No pawnbroker, loanbroker, or keeper of a loan office, shall ask, demand, or receive any greater rate of interest than twenty-five per cent. per annum upon any loan not exceeding the sum of twenty-five dollars, or than ten per cent. per annum upon any loan exceeding the sum of twenty-five dollars, under the penalty of one hundred dollars for every such offense.

Sec. 9. No pawnbroker, loanbroker, or keeper of a loan office, shall sell any pawn or pledge until the same shall have remained one year in his or her possession; and all such sales shall be at public auction, and not otherwise, and shall be conducted by such auctioneer as shall be designated and approved of for that purpose by the Mayor of the City of New York.

Sec. 10. Notice of every such sale shall be published for at least six days previous thereto, in one or more of the daily newspapers printed in the City of New York; and such notice shall specify the time and place at which such sale is to take place, the name of the auctioneer by whom the same is to be conducted, and a description of the goods or articles to be sold.

Sec. 11. The surplus money, if any, arising from any such sale, after deducting the amount of the loan, the interest then due on the same, and the expenses of the advertisement and sale shall be paid over by the pawnbroker, loanbroker, or keeper of a loan office, to the person who would be entitled to redeem the pledge in case no such sale had taken place.

Sec. 12. No pawnbroker, loanbroker, or keeper of a loan office, shall make any loan on the separate or divided part or parts of any one article or thing, and which article or thing shall have been offered entire or collectively to him or her by way of pawn or pledge.

Sec. 13. No pawnbroker, loanbroker, or keeper of a loan office, shall, under any pretense whatever, purchase or buy any second-hand furniture, metals, or clothes, or any other article or thing whatever, offered to him or her as a pawn or pledge.

Sec. 14. Every pawnbroker, loanbroker, or keeper of a loan office, who shall violate or neglect, or refuse to comply with any or either of the provisions of the eighth, ninth, tenth, eleventh, twelfth, and thirteenth sections of this chapter, shall, for every such offense, forfeit and pay the sum of one hundred dollars.

Which was referred to the Committee on Law Department.

The Mayor, Aldermen, and Commonalty of the City of New York, in Common Council convened, do ordain as follows:

Sec. 1. It shall not be lawful for any or either of the street or horse-car railroad or stage companies, proprietors, or corporations within the limits of the City of New York, or their officers, agents, or servants, to cause or allow any snow-plough, sweeping-machine, or other similar instrument to pass over the tracks or lines occupied or used by them within the said limits, unless by the express permission in that behalf to be granted to them by the Common Council.

Sec. 2. Any of the said companies, proprietors, or corporations who shall violate the provisions of the above section, shall be punished by a fine not exceeding one hundred dollars for each offense, and the officers, agents, or servants of such companies, proprietors, or corporations who shall violate the said provisions, shall be punished by a fine not exceeding one hundred dollars for each offense.

Sec. 3. No such permit, or renewal thereof, shall be granted, unless upon the express condition and agreement, to be assented to on the part of the company, proprietor, or corporation applying for such permit or renewal, that in case of any fall of snow so deep that the throwing up of the snow by any such snow-plough or machine will render the highway unsafe for travel, or make inconvenient the approach to the curb-stone, then, within twenty-four hours after any such fall of snow, and after the use of such snow-plough or machine, such company, proprietor, or corporation shall and will, at his or at their own expense, remove and carry away the snow thrown up by such plough or machine, and shall and will reduce the snow upon the highway adjacent to their tracks or lines, to such level as will make convenient for all vehicles the approach to the curb-stone, and render the whole width of the roadway safe for travel; and that such snow-plough, sweeping-machine, or other instrument be so constructed as not to throw any snow or slush on the walks or buildings, under a penalty of ten dollars

for every house or sidewalk in front thereof, upon which such snow or slush shall be thrown.

Sec. 4. No such permit or renewal shall be granted, unless such company, proprietor, or corporation shall expressly covenant, stipulate, and agree that in case of his or their failure, neglect, or omission to remove and carry away the snow to be thrown up by such snow-plough or machine, and to reduce and level snow on the adjacent highway, within the time and manner aforesaid, then the same may be removed, reduced, and leveled, under the direction of the Commissioners of Police, and the expense of such removing, reducing, and leveling shall be paid by such company, proprietor, or corporation to the said Commissioners on demand.

Sec. 5. In case of the neglect or refusal or omission of any company, proprietor, or corporation, to whom such permit or renewal may be granted to remove and carry away the snow thrown up by such plough or machine, and to reduce and level the snow within the time and in the manner aforesaid, then the Commissioners of Police, by the direction of the Common Council, shall forthwith cause the same to be removed, reduced, and leveled at the public expense, and all the expenditures made or incurred therefor shall be chargeable upon the company, proprietor, or corporation so neglecting, refusing, or omitting to perform his or their agreement, and the same recoverable by an action at law to be commenced by the Corporation Attorney on behalf of the Mayor, Aldermen, and Commonalty of the City of New York.

Sec. 6. The permission to use such plough, sweeper, or similar machine shall be determined by and continue only during the pleasure of the Common Council.

## DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS,  
346 and 348 BROADWAY,  
NEW YORK, January 27, 1875.

## TO CONTRACTORS.

## PROPOSALS FOR MAKING REPAIRS TO STEAM DREDGE No. 2.

SEALED PROPOSALS FOR THIS WORK, indorsed as above, and addressed to "Jacob A. Westervelt, President of the Department of Docks," will be received at this office until 12 o'clock M., of Thursday, 11th February, 1875, at which time the bids will be publicly opened and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The time allowed for the completion of the repairs is 40 days from the date of the signing of the contract.

The dredge is to be taken from her present moorings, and, after the completion of the repairs, returned to such point on the North river water, front of the city as may be designated by the President, at the cost and expense of the contractor for doing this work.

NOTE.—In case the repairs to the dredge are not made in New York City, an Inspector will be appointed by the Board of Docks, at the cost and expense of the person or persons doing the work under the contract.

Bidders will state in the proposals the price for the work to be done, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith; the adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York after the award is made, and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Board of Docks.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application at the office of the Department.

SALEM H. WALES,  
WILLIAM RUDD,  
Commissioners of the Department of Docks.
