The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all

Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA)

# AGENCY RULES

FIRE DEPARTMENT

■ NOTICE

Notice of Adoption of Amendments to Fire Department Rule 3 RCNY §4900-02, entitled "Schedule of Charges for Fire Department Ambulance Transport Service"

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED** in the Fire Commissioner of the City of New York pursuant to Section 487(f) of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Fire Department has adopted the above final rule.

The public hearing was held on January 25, 2017. The rule shall take effect on Sunday, March 12, 2017.

The Notice of Adoption, final rule and the Statement of Basis and Purpose of Rule, will be available on the Fire Department's website (www.nyc.gov/fdny) and NYCRULES (www.nyc.gov/NYCRULES).

#### Statement of Basis and Purpose of Rule

The Fire Department is increasing the amounts it charges patients and insurers for Emergency Medical Service (EMS) ambulance transport service provided through the New York City 911 System, to reflect increased costs and help defray the City's cost of providing these services.

The charges for ambulance service were last increased five years ago, in March 2012. The new rates reflect a 10.4% increase in the salary of EMS and other Fire Department personnel. The rate increases will help the Fire Department recoup the cost of providing ambulance service and reduce the portion of such cost that is currently borne by City taxpayers.

The schedule of charges represents a single rate for BLS service, and separate rates for ALS1 and ALS2 levels of service. The definition of BLS, ALS1 and ALS2 are determined by the Federal Department of Health and Human Services' Centers for Medicare and Medicaid Services.

The charges set forth in the rule are the amounts that the Fire Department would bill for EMS ambulance treatment and transport service. The charges do not necessarily reflect the amounts accepted by the Fire Department as payment for such services from government and private health insurance plans.

The Fire Department hereby amends subdivision (b) of §4900-02 of Title 3 of the Rules of the City of New York to adopt the following schedule of charges for ambulance transport service provided by the Fire Department through the New York City 911 System:

#### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agenci Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
