CHAPTER 367.

AN ACT to create a department of street cleaning in the city of New York, and to provide for the cleaning of the streets of said city; for the removal of snow and ice therefrom, and for the collection ashes, garbage, and street sweepings, and the disposal of the same.

Passed May 26, 1881; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. In addition to the departments in the city of New York, provided for by chapter three hundred and thirty-five of the Laws of eighteen hundred and seventy-three, together with the acts supplemental to and amendatory thereof, there is hereby created a department of street cleaning which shall have exclusive charge of the cleaning of streets, and the removal of ashes and garbage in said city. The head of the said department shall be called the commissioner of street cleaning. He shall be appointed by the mayor, with the approval of the board of health, but if after three ballots, the said board shall fail to confirm or reject, by a majority vote, any person nominated by the mayor, two affirmative votes shall be sufficient for his confirmation. He shall be subject to removal by the mayor whenever the mayor shall certify that in his judgment such removal is required in the public interest, but, with the approval of the board of health; but if after three ballots the said board of health shall fail to approve of such removal, then two affirmative votes of said board of health shall be sufficient for his removal. He shall be paid a salary of six thousand dollars per annum, payable monthly, and shall hold his office for six years, and until his successor be appointed unless sooner removed. The provisions of section twenty-five of the aforesaid chapter shall not be applicable to the office of commissioner hereby created.

Sec. 2. Said commissioner shall have power and authority, and is hereby charged with the duty of causing the streets of said city, which shall include all the public avenues, streets, lanes, alleys, places, wharves, piers, and heads of slips therein, except such as are within any park under the control and management of the department of public parks, to be thoroughly cleaned and kept clean at all times; and of removing from said city or otherwise disposing of, as often as the public health and use of the streets may require, all street sweepings, ashes, and garbage, and of removing new fallen snow from leading thoroughfares and such other streets and avenues as may be found practicable. The expenses of said department of street cleaning shall be provided for in the same manner as the expenses of other departments under the said chapter three hundred and thirty-five of the Laws of eighteen hundred and seventy-three, and the acts supplemental to and amendatory thereof, but in no case shall the amount expended by said commissioner exceed the amount appropriated for his said department by the board of estimate and apportionment. Said commissioner shall file with the comptroller of said city, monthly, a statement under oath, showing the number and the names of all persons employed by him during the preceding month, and the amount paid to each of them, and the particular kind of work in which each of them shall have been employed during such month.

Sec. 3. Said commissioner shall have power to engage, and in his discretion discharge from time to time, all such clerks, laborers and other employees, and to fix their compensation, as shall be necessary and proper in executing the duties hereby imposed upon him; and may make and from time to time alter rules and regulations for their government. But the compensation and wages of such clerks, laborers, and other employees shall not exceed the current market rate paid for similar services in private business. The said commissioner shall also have power to hire or purchase for his use as such commissioner, at current market prices, horses, carts, steam-tugs, scows, boats, vessels, machines, tools, and other property required for the economical and effectual performance of his said duty; or contract for the construction of any such tugs, scows, boats, vessels, or machines; the title to which property so purchased shall be in the mayor, aldermen, and commonalty of the city of New York. All such hirings or purchases, or contracts, however, exceeding one thousand dollars in amount at any one hiring or purchase, shall be by contract, let to the lowest bidder therefor, founded on sealed proposals or bids, made in compliance with public notice advertised in the CITY RECORD; such notice to be published at least ten days prior to the opening of such proposals or bids. Whenever the said commissioner shall deem it necessary, he shall and he is hereby authorized so to do, sell at public auction any plant, material, horses, carts, scows, or other property used in any way in connection with the work of cleaning the streets of the city of New York. The said commissioner is hereby authorized to hire or lease suitable and sufficient offices for the transaction of the business under his charge, and also such stables and other buildings as may from time to time be necessary.

Sec. 4. The department, bureau, or city officer, authority or authorities, which shall from time to time have the management and control of the public docks, piers and slips of said city, shall designate and set apart for the use of said commissioner suitable and sufficient slips, piers and berths in slips, located as the said commissioner may require, and such as shall be convenient and necessary for his use in executing the duty hereby imposed upon him, excepting slips, docks and piers on the East river, set apart for the use of canal boats. The said commissioner may, with the approval in writing of the board of estimate and apportionment, lease piers, slips or wharves for the necessary purpose of the duties by this act conferred, whenever suitable piers, slips or wharves owned by or under the control of the city cannot be obtained, or are not set apart and designated, as in this section provided.

Sec. 5. In the work of street sweeping and cleaning, and in the collection and removal of street sweepings, ashes and garbage, the men may be provided with some distinctive dress or portion thereof, or some badge designated by said commissioner, to be so worn that they shall be easily recognized as employees of the department.

Sec. 6. Said commissioner may let out special contracts for periods not exceeding three years for the work of street sweeping and cleaning, or for the collection of ashes and garbage, or some part thereof, in particular districts, to be designated for that purpose by the said commissioner, and the terms and conditions of which contracts shall have been first approved by the board of estimate and apportionment, provided that such contracts shall in all cases provide for their termination on ten days' notice, by the commissioner with the approval of the mayor.

Sec. 7. Said commissioner shall have power to enter into contracts with responsible persons and parties for the final disposition for periods not exceeding five years, of all or any part of the said street sweepings, ashes or garbage when collected, provided always that such contracts shall be approved, both as to terms and conditions, by the board of estimate and apportionment of said city. All contracts shall be entered into on behalf of the city by the commissioners, with adequate security. He shall advertise for proposals in such newspapers in the city as he may designate, not exceeding three in number, for ten days, to perform the work in such form and manner and on such terms and conditions as he may prescribe. Such proposals may be for the performance of all or such parts or portions of the work as he shall require. Each proposal must be accompanied by a certified check on a solvent banking incorporation in said city payable to the order of the comptroller for five per centum of the amount for which the work bid for is proposed in any one year to be performed. From the proposals so received he may select the bid or bids, the acceptance of which will, in his judgment, best secure the efficient performance of the work, or he may reject any or all of said bids. On the acceptance of any bid by him the checks of the unaccepted bidders shall be returned to them, and upon the execution of the contract the check of the accepted bidder shall be returned to him. The sureties upon all contracts hereby authorized shall be approved by the comptroller, and all contracts and bonds securing the same shall be approved as to form by the counsel to the corporation.

Sec. 8. Upon the organization of the department hereby created and notice thereof from said commissioner to the police department of the said city, all books, papers, records, property, leases, moneys, accounts, claims, and things of every kind and description belonging to or in the custody of the said police department, and used by the existing bureau of street cleaning in the work of cleaning the streets in the said city, or of the removal of ashes and garbage, shall be transferred by the said police department to the department of street cleaning herein created, and until such transfer takes place the said police department shall continue the work of street cleaning and removal of ashes and garbage as now provided by law. At the same time that the above mentioned transfer takes place the comptroller of the said city shall transfer to the credit of the department of street cleaning any unexpended balances for street cleaning purposes that may be at that time standing to the credit of the police department in excess of liabilities incurred by said police department for street cleaning.

Sec. 9. The said commissioner of street cleaning, with the approval of the mayor, may provide for cremating or burning street refuse or garbage, and may, through the commissioners of the sinking fund, lease or purchase land for the erection thereon of suitable crematories or furnaces.

Sec. 10. It shall be lawful for the commissioner of street cleaning to cause to be dumped snow and ice from the ends, or near the ends of any piers into the waters of the East and North or Hudson rivers. But no dead animals, carrion, street sweepings, garbage, or any putrid, offensive, decaying or refuse vegetables or animal matter, shall be deposited in violation of chapter four hundred and sixty-three of the laws of one thousand eight hundred and eighty.

Sec. 11. Nothing in this act shall be construed as affecting in any way the powers of the board of health of the health department of the said city; but the said board of health shall cause to be enforced the provisions of its sanitary code, requiring that separate receptacles be provided for ashes and rubbish and for garbage and liquid substances, and forbidding that the same be placed or kept in the same receptacle, and requiring the streets and sidewalks to be kept free from incumbrance by such receptacles except at such times as may be designated by the commissioner of street cleaning for the collection of their contents; and for violation of any of the said provisions of said code, both the owners and occupants of all houses in the city of New York shall be severally responsible and subject to the penalties and prosecutions imposed by the said code, and all other provisions of said code and of the city ordinances relative to the cleanliness of the streets; and the said board of health is empowered to institute prosecutions and suits for penalties for the violation of any such provisions in the name of the mayor, aldermen, and commonalty of the city of New York.

Sec. 12. The several provisions of chapter six hundred and seventy-seven of the laws of eighteen hundred and seventy-two, and of section sixty-seven of chapter three hundred and thirty-five of the laws of eighteen hundred and seventy-three, and all other acts and parts of acts inconsistent herewith are hereby repealed.

Sec. 13. Upon requisition of the commissioner of street cleaning setting forth the necessity for any such appropriation, and the specific purposes to which it is to be applied, the board of estimate and apportionment may at its discretion at any time before the confirmation of the tax levy in the year one thousand eight hundred and eighty-one, appropriate money for the purpose of constructing or purchasing sea-going vessels to be used in conveying street sweepings, ashes, and garbage to sea, or for the purpose of cleaning the streets and removing snow and ice, or for building crematories or furnaces for burning street refuse or leasing or purchasing lands therefor, but the moneys so appropriated shall not in the aggregate exceed three hundred and fifty thousand dollars; and any requisition for money for the purpose of purchasing such vessels shall be accompanied by plans and specifications of such vessels. Any appropriation or appropriations so made by the board of estimate and apportionment shall be added to the amount appropriated in the final estimate for the year one thousand eight hundred and eighty-one, and revenue bonds shall be issued therefor in like manner as for the expenditures of the city government during the said year, and the amount so appropriated shall be added to the tax levy for the year one thousand eight hundred and eighty-one.

Sec. 14. This act shall take effect immediately.

JURORS.

NOTICE
IN RELATION TO JURORS FOR
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or intercession permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

No. 37, on the north side of Lawrence street, west of Tenth avenue; Hook and Ladder Co. No. 16, on the west side of Tenth avenue, between N. 16th and Ninety-eighth streets; and Hook and Ladder Co. No. 18, on the north side of One Hundred and Sixty-sixth street, between Washington and Third avenues.

—will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, June 15, 1881, at which time and place they will be publicly opened by the head of said Department and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

No estimate will be received or considered after the hour named.

Separate estimates must be made and presented in separate envelopes for each house.

Two responsible sureties will be required with each estimate, who must each justify, prior to its presentation, in a sum not less than one-half the amount of the estimate.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security within five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; and the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or

in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made, and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement, including drawings and specifications, and showing the manner of payment for the work, may be seen at the office of the Department.

THE COMPTROLLER OF THE CITY OF NEW York hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

CHAPTER 33.

AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice, by advertisement, for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the

duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.
