TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR MAKING ALTERA-
 tions and repairs to the Eleventh Precinct Station-
 house on Houston street, in the City of New York, known
 as the "Union Market" building, will be received at the
 Central Office of the Department of Police in the City
 of New York until 10 o'clock A. M., of Friday, the 7th day
 of July, 1882.

The person or persons making an estimate shall furnish
 the same in a sealed envelope, indorsed "Estimate for
 making alterations and repairs to the Eleventh Precinct
 Station-house," and with his or their name or names, and
 the date of presentation, to the head of said Department,
 at the said office, on or before the day and hour above
 named, at which time and place the estimate received
 will be publicly opened by the head of said Department
 and read.

For particulars of the nature and extent of the work to
 be done, reference must be made to the plans and speci-
 fications on file in the office of the Chief Clerk of the
 said Department.

Bidders will state in writing, and also in figures, a
 price for the work complete. The price is to cover
 the furnishing of all the materials and labor and the per-
 formance of all the work called for by the specifications,
 plans, drawings, and form of agreement.

No estimate will be accepted from, or a contract
 awarded to, any person who is in arrears to the Corpora-
 tion upon debt or contract, or who is a defaulter, as
 surety or otherwise, upon any obligation to the Corpora-
 tion.

The entire work is to be completed within four months
 from the date of the contract.

The person or persons to whom the contract may be
 awarded will be required to give security, for the per-
 formance of the contract, in the manner prescribed by
 law, in the sum of twelve thousand dollars.

Each estimate shall contain and state the name and
 place of residence of each of the persons making the same;
 the names of all persons interested with him or them
 therein; and if no other person be so interested, it shall
 distinctly state that fact; also that it is made without
 any connection with any other person making an esti-
 mate for the same purpose, and is in all respects fair
 and without collusion or fraud; and that no member of the
 Common Council, head of a department, chief of a
 bureau, deputy thereof, or clerk therein, or other officer
 of the Corporation, is directly or indirectly interested
 therein, or in the supplies or work to which it relates, or in
 any portion of the profits thereof. The estimate must be
 verified by the oath, in writing, of the party or parties
 making the estimate that the several matters stated
 therein are in all respects true. Where more than one
 person is interested it is requisite that the verification be
 made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
 sent, in writing, of two householders or freeholders in the
 City of New York, with their respective places of busi-
 ness or residence, to the effect that if the contract be
 awarded to the person making the estimate, they will, upon
 its being so awarded, become bound as his sureties for its
 faithful performance; and that if he shall omit or refuse
 to execute the same, they will pay to the Corporation any
 difference between the sum to which he would be entitled
 upon its completion, and that which the Corporation may
 be obliged to pay to the person or persons to whom the
 contract may be awarded at any subsequent letting; the
 amount in each case to be calculated upon the estimated
 amount of the work by which the bids are tested. The
 consent above mentioned shall be accompanied by the
 oath or affirmation, in writing, of each of the persons
 signing the same that he is a householder or freeholder in
 the City of New York, and is worth the amount of the
 security required for the completion of this contract, and
 herein stated, over and above all his debts of every nature,
 and over and above his liabilities, as bail, surety, and other-
 wise; and that he has offered himself as a surety in good
 faith and with the intention to execute the bond required
 by law. The adequacy and sufficiency of the security
 offered will be subject to approval by the Comptroller of
 the City of New York after the award is made and prior
 to the signing of the contract.

Should the person or persons to whom the contract may
 be awarded neglect or refuse to accept the contract within
 five days after written notice that the same has been
 awarded to him or their bid or proposal, or if he or they
 accept but do not execute the contract and give the
 proper security, he or they shall be considered as having
 abandoned it and as in default to the Corporation, and the
 contract will be readvertised and relet as provided by
 law.

No estimate will be received or considered unless accom-
 panied by either a certified check upon one of the national
 banks of the City of New York, drawn to the order of the
 Comptroller, or money, to the amount of five per centum
 of the amount of the security required for the faithful per-
 formance of the contract. Such check or money must
 not be inclosed in the sealed envelope containing the esti-
 mate, but must be handed to the officer or clerk of the
 Department who has charge of the Estimate-book, and no
 estimate can be deposited in said box until such check or
 money has been examined by said officer or clerk and
 found to be correct. All such deposits, except that of
 the successful bidder, will be returned to the person
 making the same within three days after the contract is
 awarded. If the successful bidder shall refuse or neglect
 within five days after notice that the contract has been
 awarded to him, to execute the same, the amount of the
 deposit made by him shall be forfeited to and be retained
 by the City of New York as liquidated damages for such
 neglect or refusal; but if he shall execute the contract
 within the time aforesaid, the amount of his deposit will
 be returned to him.

No estimate for a sum in excess of six thousand dollars
 can be considered.

Plans may be examined and specifications and blank
 estimates may be obtained by application to the under-
 signed, at his office in the Central Department.

By order of the Board,
 S. C. HAWLEY,

 water-front property or right, who shall cause or permit
 any such work to be done upon his premises before such

 notice that such bulkhead or structure will be endangered
 by the placing of additional cargo thereon, under a pen-
 alty of two hundred and fifty dollars for every such
 offense, and a further penalty equal in amount to the
 damages of every description which shall be caused by
 the further discharging of cargo upon such bulkhead or
 wharf structure, after the service of the said notice, both
 of such penalties to be recovered from such owner, con-
 signee, master or other officer or stevedore, severally
 and respectively.

No. 4.—All goods, merchandise, and materials of every
 kind, landed or placed on any pier, bulkhead, or other

 or consignee, of such cargo, a notice to remove the same,
 under a penalty of fifty dollars per day for each and

 the expiration of the said twenty-four hours, to be re-
 covered from such owner, shipper, or consignee, severally
 and respectively.

No. 5.—All goods, merchandise and materials of every
 kind encumbering any pier, bulkhead or other wharf

 penalty be recovered for using horses, or discharging
 stones or similar cargo, upon wharf property not owned
 by the Corporation, it shall be paid to the owner thereof.

No. 8.—No sand shall be discharged from any vessel
 unless canvas or similar material be extended from the
 vessel's side to the bulkhead or wharf structure at which
 such vessel is being unladen, to prevent the falling of
 the sand into the water, and if the surface of any such
 wharf structure is not sufficiently tight to prevent the
 sand dumped thereon from going through into the water,
 then no sand shall be discharged thereon from any vessel,
 unless canvas or similar material be first laid thereon to
 receive the sand, under a penalty of twenty-five dollars
 for each offense, to be recovered from the owner, con-
 signee, master or stevedore of any such vessel, severally
 and respectively; and if such penalty be recovered on
 account of sand discharged upon wharf property belong-
 ing to the Corporation, under lease, it shall be paid to
 the lessee thereof, but if such penalty be recovered on
 account of sand discharged upon wharf property not
 owned by the Corporation, it shall be paid to the owner
 thereof.

No. 9.—The owners, lessees and occupants of every
 pier, wharf and bulkhead in the City of New York shall
 keep the same in good repair, and the slips adjacent
 thereto properly dredged; and whenever, in the judgment
 of the Board, it shall be necessary so to do, written notices,
 signed by the President or Secretary of said Board, shall
 be served upon the owners, lessees or occupants, or col-

 or the slip adjoining the same, on or in which repairs or
 dredging are required by said Board, specifying the
 nature and extent of the repairs or dredging so required,
 and the time within which such repairs must be made, or
 such dredging done; and in case the owners, lessees or

 penalty of fifty dollars per day for every day which shall
 elapse before they comply with such notice.

 any other substances, shall be thrown into the waters
 surrounding or adjacent to any pier or bulkhead, or any
 other part of the water-front of the city, under a pen-
 alty of twenty-five dollars for every such offense, to be re-
 covered from the owner, lessee, or occupant, severally
 and respectively, of any pier, bulkhead, wharf structure,
 or other property, from which any such substance shall
 be thrown, or from the person actually throwing the

same; or if any such substance be thrown from any

 recovered from the owner, consignee, or master of
 such vessel, severally and respectively.

 every day such lumber, brick or other material shall
 remain on the bulkhead, to be recovered from the owner
 or consignee of such lumber, brick or other material, or
 from the person placing, or causing the same to be placed,
 on such bulkhead, severally and respectively.

 vessels admitted to any of the piers or bulkheads con-

 ordered by the Board.

FIRE DEPARTMENT, CITY OF NEW YORK,
155 AND 157 MERCER STREET,
NEW YORK, June 21, 1882.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING AND constructing duplex steam pumps for a Floating Engine, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, July 12, at which time and place they will be publicly opened by the head of said Department and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The pumps are to be completed and delivered in one hundred and twenty (120) days after the date of the contract.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of five thousand (\$5,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be received or considered after the hour named.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of two hundred and fifty (\$250) dollars, being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may

be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement and specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

NEW YORK, May 10, 1882.

JOHN H. CHAMBERS, *Water Register*:
SIR—From your letter of this date, in reference to certain rates included in the scale of water rents established by me on the 1st instant, it appears that there is a misapprehension in regard to their application. In order that the matter may be clearly understood, I have to inform and instruct you that the new rates in reference to water-closets are not intended to and do not apply to existing houses and fixtures, but will be applied to all new houses hereafter erected or completed, and to all existing houses where the water-closets and fixtures therein referred may hereafter be put in. These water-closet rates are to go into general effect May 1, 1883.

Respectfully,
HUBERT O. THOMPSON,
Commissioner of Public Works.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Crockery and Oils," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate, as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
