

Local Law 31 of 2014

The following report lists the number of crashes reported to TJC that involve a TJC licensed vehicle. Below those lists, the number of TJC licensed vehicles involved in those crashes are disaggregated by vehicle type. Please note that multiple TJC licensed vehicles can be involved in a single crash.

Table with 5 columns: Category, Year (Jan 2014 to May 2014), and Total TJC Licensed Vehicles Involved in a Crash. Rows include All crashes, Crashes involving injury of any severity, Crashes involving critical injury, and Crashes involving a fatality, with sub-rows for various vehicle types like Motorists, Pedestrians, and Cyclists.

* The total number of crashes may be smaller than the total number of vehicles because there could be multiple TJC vehicles involved in a single crash.
