MOTIONS AND RESOLUTIONS RESUMED.

By Alderman Duffy—

Whereas, Assembly Bill No. 209, introduced by Mr. Mullaney, by its provisions gives the opportunity to any surface railroad company that obtained the consent of the local authorities of this city under the act, chapter 642, Laws of 1886, and other laws, to construct and operate a railroad in any of the streets of this city previous to January 1, 1887, to evade payment of the fees and percentages prescribed by said laws, and which they stipulated to pay when the permits were obtained and the purchases made ; and

Whereas, Such an evasion would be in direct violation of the obligations of the contracts entered into by said railroad companies with the City of New York when such grants were obtained and sales effected, which cannot be legally set aside or abrogated without the consent of the corporate authorities of said city, is unjust to our taxpayers, contravenes every principle of equity and fair dealing, and in effect nullifies, so far as compensation to the city is concerned, all the acts of the Legislature relating to railroad franchises on the surface of our streets during the period named ; be it therefore

Resolved, That this Common Council, representing the taxpayers of this city, hereby protests most solemnly against the passage of said Assembly Bill No. 209, and the representatives of this city in the State Legislature, including Mr. Mullaney, are hereby respectfully requested to use every honorable effort in opposition to the passage of said bill ; and be it further

Resolved, That the Clerk of the Common Council be and he is hereby directed to transmit a copy of the foregoing preamble and resolution to each of the representatives of this city in the State Legislature and one to his Excellency David B. Hill, Governor of this State.

From the Engineer of Construction, submitting an estimate of the cost of constructing a Children's Playground in the Central Park as per plan prepared by the Superintendent and Landscape Architect. Laid over.

The President presented the following report :

The President reports that he has arranged with Messrs. Sullivan, Vail & Co. to supply cloth for police uniforms without cost to the city, the individual policemen to be responsible for the cloth they purchase, the same to be paid for by them, C. O. D.

Concerning the pay of Mr. Haffen, he recommends that, inasmuch as an increased appropriation has been granted for the care of the New Parks, and inasmuch as the work of surveying and monumenting cannot be done without a sufficient force, whose pay will exhaust the appropriations given for surveying and monumenting the New Parks, and also for surveys, maps and plans south of the Harlem river, the whole salary of Mr. Haffen, to wit : \$2,500, be chargeable against the appropriation for New Parks, and that the other amounts, viz. : for surveying and monumenting, and surveys, maps and plans, be devoted entirely to paying the engineering force.

Concerning the application for a license to cut ice on the Bronx river, he recommends that the license be granted upon the payment of \$150.

It will be necessary to consider the subject of issuing a license for the carriage service in the Central Park, the rights of the present licensees expiring on the 1st of May. I would recommend that it be referred to Commissioner Dana, to examine such bids as may be filed with the Department and report.

On motion, the action and recommendations contained in the report of the President were approved and adopted by the following vote :

Ayes—Commissioners Gallup, Straus, Dana—3.

Commissioner Gallup offered the following :

JURORS.

NOTICE OF COMMISSIONER OF JURORS
IN REGARD TO CLAIMS FOR EX-
EMPTION FROM JURY DUTY.

ROOM 127, STEWART BUILDING,
No. 280 BROADWAY, THIRD FLOOR,
NEW YORK, June 1, 1890.

CLAIMS FOR EXEMPTION FROM JURY
duty will be heard by me daily at my office, from
9 A. M. until 4 P. M.

Those entitled to exemption are: Clergymen, lawyers
physicians, surgeons, surgeon-dentists, professors or
teachers in a college, academy or public school, editors,
editorial writers or reporters of daily newspapers,
licensed pharmacists or druggists, actually engaged in
their respective professions and not following any other
calling; militiamen, policemen, and firemen; election
officers, jury non-residents, and city employees, and
United States employees; officers of vessels making

regular trips; licensed pilots, actually following that
calling; superintendents, conductors and engineers of
a railroad company other than a street railroad com-
pany; telegraph operators actually doing duty as such;
Grand, Sheriff's, and Civil Court jurors; stationary
engineers; and persons physically incapable of per-
forming jury duty by reason of severe sickness, deaf-
ness, or other physical disorder.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury en-
rollment notice," requiring them to appear before me
this year. Whether liable or not, such notices must be
answered (in person, if possible), and at this office only,
under severe penalties. If exempt, the party must
bring proof of exemption; if liable, he must also answer
in person, giving full and correct name, residence, etc.,
etc. No attention paid to letters.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any
attempt at bribery or evasion, and suggesting names
for enrollment. Persons between sixty and seventy
years of age, summer absentees, persons temporarily
ill, and United States jurors, are not exempt.

Every man must attend to his own notice. It is a
misdemeanor to give any jury paper to another to
answer. It is also punishable by fine or imprisonment
to give or receive any present or bribe, directly or in-
directly, in relation to a jury service, or to withhold any
paper or make any false statement and every case will
be fully prosecuted.

of New York, until 10 o'clock A. M. Wednesday, March
18, 1891, at which time and place they will be publicly
opened by the head of said Department and read.

No estimate will be received or considered after the
hour named.

For information as to the amount and kind of work to
be done, bidders are referred to the specifications,
which form part of these proposals.

The form of the agreement (with specifications),
showing the manner of payment for the work, may be
seen, and forms of proposals, may be obtained, at the
office of the Department.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

The truck to be completed and delivered within ninety
(90) days after the execution of the contract.

The damages to be paid by the contractor for each
day that the contract may be unfulfilled after the time
specified for the completion thereof shall have expired,
are fixed and liquidated at twenty (20) dollars.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Any person making an estimate for the work shall
present the same in a sealed envelope to said Board, at
said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or
names of the person or persons presenting the same, the
date of its presentation and a statement of the work to
which it relates.

The Fire Department reserves the right to decline
any and all bids or estimates if deemed to be for the
public interest. No bid or estimate will be accepted
from, or contract awarded to, any person who is in
arrears to the Corporation upon debt or contract, or who
is a defaulter, as surety or otherwise, upon any obliga-
tion to the Corporation.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; that it is made without
any connection with any other person making an es-
timate for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of
the Common Council, head of a department, chief of a
bureau, deputy thereof, or clerk therein, or other officer
of the Corporation, is directly or indirectly interest-
ed therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof. The
bid or estimate must be verified by the oath, in writing,
of the party or parties making the estimate that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the verification be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders of
the City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his sureties for its
faithful performance; in the sum of one thousand
(1,000) dollars; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation
any difference between the sum to which he would be
entitled on its completion, and that which the
Corporation may be obliged to pay to the person
or persons to whom the contract may be awarded
at any subsequent letting; the amount in each case to
be calculated upon the estimated amount of the work by
which the bids are tested. The consent above men-
tioned shall be accompanied by the oath or affirmation,
in writing, of each of the persons signing the same, that
he is a householder or freeholder in the City of New
York, and is worth the amount of the security required
for the completion of this contract, over and above all
his debts of every nature, and over and above his li-
abilities as bail, surety or otherwise; and that he has
offered himself as surety in good faith and with the
intention to execute the bond required by law. The
adequacy and sufficiency of the security offered is to
be approved by the Comptroller of the City of New
York, before the award is made and prior to the signing
of the contract.

No estimate will be considered unless accompanied
by either a certified check upon one of the banks of the
City of New York, drawn to the order of the Comptroller,
or money to the amount of fifty (50) dollars.
Such check or money must not be inclosed in the sealed
envelope containing the estimate, but must be handed to
the officer or clerk of the Department who has charge
of the estimate-box, and no estimate can be deposited in
said box until such check or money has been examined
by said officer or clerk and found to be correct. All
such deposits, except that of the successful bidder, will
be returned to the persons making the same within three
days after the contract is awarded. If the successful bidder
shall refuse or neglect, within five days after notice that the contract has been
awarded to him, to execute the same, the amount of the
deposit made by him shall be forfeited to and re-
tained by the City of New York as liquidated damages
for such neglect or refusal; but if he shall execute the
contract within the time aforesaid, the amount of his de-
posit will be returned to him.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give
the proper security, he or they shall be considered as
having abandoned it, and as in default to the Corpora-
tion, and the contract will be readvertised and relet as
provided by law.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of two thousand and five hundred (2,500) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount one hundred and twenty-five (125) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

PROPOSALS FOR ESTIMATES FOR FURNISHING earth filling on North Brother Island, City and County of New York, will be received by the Commissioners of the Health Department, at their office, No. 301 Mott street, until 2.30 o'clock P. M. of the 10th day of March, 1891, at which time and place they will be publicly opened and read by said Commissioners.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the head of said Health Department, indorsed "Estimate for Furnishing Earth Filling on North Brother Island, City and County of New York," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal sum of TWO THOUSAND DOLLARS.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Health Department, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect to do so, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.
