### BOARDS OF LOCAL IMPROVEMENTS.

#### TWENTY-FIRST DISTRICT, BOROUGH OF THE BRONX.

##### MINUTES.

Pursuant to call by President Haffen, the members of the Local Board, Twenty-first District, met at 2 P.M., June 22, 1899, at the office of the President of the Borough of The Bronx, Municipal Building, Crotona Park.

Present—President Haffen, Councilman Murray, Alderman Geiger and Alderman McGrath. Minutes of the previous meeting read and adopted.

##### HEARINGS.

*Tremont Avenue Widening, between Bathgate Avenue and Bronx River.*

The following communication was read:

BOARD OF PUBLIC IMPROVEMENTS, CITY OF NEW YORK,  
No. 21 PARK ROW, BOROUGH OF MANHATTAN,  
June 21, 1899.

Hon. LOUIS F. HAFKEN, President, Borough of The Bronx:

DEAR SIR—In accordance with the action taken by this Board at the meeting held on the 14th instant, I inclose herewith copy of report made by the Chief Topographical Engineer on the recommendation of the Local Board, Twenty-first District, that the roadway of Tremont avenue be widened by taking three and a half feet off each sidewalk between Third avenue and Boston road.

In his report the Chief Engineer suggests that the roadway of Tremont avenue be made 100 feet wide. The matter is now referred to you for submission to the Local Board for their further consideration.

Respectfully,

JOHN H. MOONEY, Secretary.

The following was also read:

CITY OF NEW YORK,  
PRESIDENT OF BOARD OF PUBLIC IMPROVEMENTS,  
TOPOGRAPHICAL BUREAU,  
ONE HUNDRED AND SEVENTY-SEVENTH STREET AND THIRD AVENUE,  
June 12, 1899.

Mr. JOHN H. MOONEY, Secretary, Board of Public Improvements:

SIR—In reply to the action taken by the Board of Public Improvements, referring, for report, communication from the President of the Borough of The Bronx, recommending that the roadway of Tremont avenue be widened by taking 3½ feet off each sidewalk between Third avenue and Boston road, in the Borough of The Bronx, I have to report as follows:

Tremont avenue is 75 feet wide, and that the width of the sidewalk is 18½ feet, of which 3½ feet are proposed to be taken off, leaving only 15 feet of sidewalk. The width of the sidewalk is regulated by the City Ordinances, and was established after experience had demonstrated what width was best suited to the traffic of the streets, and I do not think it will be an improvement for a street if the sidewalk is made narrower than determined by the City Ordinances.

It is conceded by everybody that the width of 75 feet for Tremont avenue is not sufficient for the future, and a plan was suggested by the Topographical Bureau to widen Tremont avenue, from Third avenue to the Bronx river, to 100 feet, which suggestion was adversely reported upon by the Local Board. The widening of the roadway by reducing the sidewalks might give temporary relief, but it is doubtful whether the majority of the owners along the line would favor it.

I propose, therefore, that the matter be returned to the Local Board for a reconsideration of the decision against widening Tremont avenue to 100 feet.

The papers are herein returned.

Respectfully,

LOUIS A. RISSE,  
Chief Topographical Engineer and Engineer of Concourse.

On motion of Alderman Geiger, the following preambles and resolutions were adopted:

Whereas, The Local Board, Twenty-first District, had a hearing on April 20, 1899, after being duly advertised, on the question of widening to one hundred feet Tremont avenue, between Bathgate avenue and the Bronx river, and having found practically unanimous opposition thereto, disapproved of the proposition; and

Whereas, In a subsequent petition of property-owners, the Local Board passed on the following resolution:

Resolved, That, on petition of the West Farms Local Improvement Association, submitted the 27th day of April, 1899, the Local Board, Twenty-first District, hereby recommends to the Board of Public Improvements that the roadway of Tremont avenue be widened by taking three and one-half feet off each sidewalk, between Third avenue and Boston road; and

Whereas, The Chief Topographical Engineer has reported against the proposition to widen the roadway of Tremont avenue as petitioned for; therefore, be it

Resolved, That this Board hereby renews its recommendation to widen the roadway of Tremont avenue, from Third avenue to the Bronx river, and be it further

Resolved, That this Board regard this recommendation to be made in the light of precedent, the sidewalks in the same avenue, from Third avenue to Park avenue having been reduced in width several years ago, when the street was being graded or paved, so as to give additional room in the roadway, and that a copy of this resolution be transmitted forthwith to the said Board of Public Improvements.

*Davidson Avenue, Acquiring Title between East One Hundred and Seventy-seventh Street and Kingsbridge Road.*

The following communications were read:

BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,  
No. 21 PARK ROW, BOROUGH OF MANHATTAN,  
June 21, 1899.

Hon. LOUIS F. HAFKEN, President, Borough of The Bronx:

DEAR SIR—In accordance with the action taken by this Board at the meeting held on the 14th instant, I inclose herewith, for the consideration of the Local Board, copy of report made by the Chief Topographical Engineer in regard to the recommendation made by the Local Board, Twenty-first District, that proceedings be initiated to acquire title to Davidson avenue, between East One Hundred and Seventy-seventh street and Kingsbridge road, in the Borough of The Bronx.

Respectfully,

JOHN H. MOONEY, Secretary.

CITY OF NEW YORK,  
PRESIDENT OF THE BOARD OF PUBLIC IMPROVEMENTS,  
TOPOGRAPHICAL BUREAU,  
ONE HUNDRED AND SEVENTY-SEVENTH STREET AND THIRD AVENUE,  
June 12, 1899.

Mr. JOHN H. MOONEY, Secretary of Board of Public Improvements:

SIR—In reply to the action taken by the Board of Public Improvements, referring, for report,

communication from the President of the Borough of The Bronx, recommending that proceedings be initiated for acquiring title to Davidson avenue, between East One Hundred and Seventy-seventh street and Kingsbridge road, in the Borough of The Bronx, I have to report as follows:

Davidson avenue, from East One Hundred and Seventy-seventh street to the Kingsbridge road, is shown on sections 15 and 16 of the Final Maps and Profiles of the Twenty-third and Twenty-fourth Wards, filed in the Register's office December 17, 1895, and November 18, 1895, respectively, and that portion lying between Fordham road and St. James street, was ceded to the city June 23, 1897.

I have examined the petition signed by Bernard J. Reilly and six (6) others, and by comparing the names in the Tax Department I do not find any of the signers as owners along the line. The proceeding will be very expensive, and I recollect that at the time of the laying out of Davidson avenue considerable opposition was shown against the laying out of the same between East One Hundred and Eightieth street and East One Hundred and Eighty-fourth street. I wish to recommend, therefore, that the petition be returned to the Local Board, with the request that another hearing be given to the matter, to afford an opportunity to the owners to be heard.

Should the Board of Public Improvements conclude to open said Davidson avenue, the limits would have to read "from East One Hundred and Seventy-seventh street to Fordham road and from East One Hundred and Ninetieth street (St. James street) to Kingsbridge road, in the Borough of The Bronx."

There are buildings within the lines. The papers in this matter are herein returned.

Respectfully,

LOUIS A. RISSE, Chief Topographical Engineer and Engineer of Concourse.

On motion of Councilman Murray the following preamble and resolution were adopted:

Whereas, The Local Board, Twenty-first District, has received a report from the Chief Topographical Engineer of the Board of Public Improvements in reference to acquiring title to Davidson avenue, from East One Hundred and Seventy-seventh street to Kingsbridge road, and

Whereas, The said Chief Topographical Engineer recommends that the petition be returned to the Local Board with the request that another hearing be given to the matter to afford an opportunity to the owners to be heard, and stating that he had examined the petition, and that by comparing the names in the Tax Department, he did not find any of the signers as owners along the line, and

Whereas, The original petition read as follows:

"The undersigned owners of property fronting on and in the vicinity of Davidson avenue, between East One Hundred and Eighty-first street and East One Hundred and Ninetieth street, hereby respectfully petition your Honorable Board to institute the necessary legal proceedings to acquire title to said Davidson avenue, within the boundaries above mentioned."

"Dated NEW YORK, January 3, 1899."

BERNARD J. REILLY and seven others.

And Whereas, The fact that the names on this petition are not found in the Tax Department furnishes no reliable evidence that they are not the owners; and

Whereas, The Corporation Counsel has given an opinion that a petition need not be verified, it is therefore

Resolved, That the recommendation made by this Board on May 18, 1899, in relation to Davidson avenue, is hereby renewed, said recommendation having been made after a hearing had, and after the publication of the usual form of advertisement, announcing said hearing, and that a copy of this resolution be transmitted forthwith to the said Board of Public Improvements.

BOARD OF LOCAL IMPROVEMENTS.

BOROUGH OF QUEENS.

The Local Board of the Borough of Queens met at the Borough Hall, Long Island City, June 2, 1899, at which were present Councilman David L. Van Nostrand, Alderman William T. James and the President of the Borough, Frederick Bowley.

Minutes of the previous meeting approved.

The subjects that received the attention of the Board were:

Petition to construct sewer in Elmhurst avenue, Elmhurst, Second Ward, this borough.

Petition to cause flagging to be laid along the Hempstead and Jamaica plank road, from west line of the Phillips property to the west line of the Crum farm in Hollis, in the Fourth Ward.

Petition to pave Seventh street, between West avenue and the East river, in the spaces left undone while the other parts were done under private contract, First Ward.

Petition to flag, curb and asphalt Elm street, from Hopkins avenue to Van Alst avenue, First Ward.

Petition to grade, curb and flag Taylor street, from Van Alst avenue to Hopkins avenue, First Ward.

Petition to compel New York and Queens County Railway Company to remove its tracks from off the sidewalks, corner of Fiske avenue and Grand street, Maspeth, Second Ward.

Petition for water-main in Trowbridge street, from Van Alst avenue to Willow street, First Ward.

Also other matters as hereinafter set forth, and upon which the following action was had:

Whereas, The President of the Borough of Queens, City of New York, did submit to this the Local Board of borough aforementioned, at meeting held this June 2, 1899, petition for the construction of public sewer in Elmhurst avenue, from Eleventh street to Broadway, in Elmhurst, Second Ward, said borough; and

Whereas, Public hearing was afforded thereon, as per notice published in CITY RECORD; and

Whereas, It appears to us that the construction of sewers as petitioned is a public necessity; therefore

Resolved, That this Board does hereby recommend to the Board of Public Improvements, this city, that it give the foregoing subject its prompt and favorable consideration and action; also

Whereas, At public hearing advertised in the CITY RECORD to be afforded by this the Local Board of the Borough of Queens, City of New York, at its meeting this June 2, 1899, upon the petition to grade, curb and flag Taylor street, from Van Alst avenue to Hopkins avenue, First Ward, no person appeared in opposition thereto; and

Whereas, The petition for such improvements meets the approval of this Board; therefore

Resolved, That this Board hereby recommends to the Board of Public Improvements, this city, that it initiate the necessary proceedings and take such prompt and favorable action upon the foregoing subject as will cause such response to be made to the petition as the signers thereof await; also

Whereas, The President of the Borough of Queens, this city, did cause notice to be published in the CITY RECORD of receipt of petitions to curb, flag and pave with asphalt that portion of Elm street extending from Van Alst avenue to Hopkins avenue, in First Ward, and that public hearing thereon would be had before the Local Board of borough aforementioned, at meeting thereof to be held this June 2, 1899; and

Whereas, No opposition thereto appearing at such hearing, and having determined in approval of such improvements being made; it is accordingly

Resolved, That the same be and hereby is recommended to the Board of Public Improvements, this city, that it extend thereto its prompt and favorable consideration and action; also

Whereas, Petition for the laying of public water-main in Trowbridge street, from Van Alst avenue to Willow street, in First Ward, this borough, was received by this the Local Board of the Borough of Queens, City of New York, at its meeting on June 2, 1899, and the same approved of; now, accordingly it is

Resolved, That recommendation be and the same is hereby made to the Board of Public Improvements, this city, that it give to the matter such action as will promptly cause such water-main to be laid, with fire-hydrants erected in connection therewith, in street and to the extent as aforesaid.

In the matter to flag sidewalks along Hempstead and Jamaica plank road, in Hollis, after public hearing thereon on May 26, 1899, and then laid over to this meeting on account of the absence of the Councilman of such district, the subject was, on motion, referred to Councilman Van Nostrand as a committee of one to investigate and report thereon.

In the matter of petition to pave unfinished parts of Seventh street, west of West avenue, First Ward, the President stated that inasmuch as private property-owners along said street undertook to have the work of paving said street done by private contract and in consequence of inability to secure unanimous co-operation therein the portions of streets fronting premises of those who declined to join in the undertaking were therefore left unpaved, the same could not be accepted in such unfinished condition by the City so much so that the only power that the City would have would be to order the paving of the whole street whereby the assessment would have to be laid and paid regardless of what expense the abutting property owners had been put to in the first instance.

On motion, the petition was denied.

The following was also adopted:

Whereas, Due publication in the CITY RECORD was made of the public hearing to be had on May 12, 1899, before this the Local Board of the Borough of Queens in relation to petition received by the President of the borough aforesaid, asking that the New York and Queens County Railway Company be compelled to remove its track from off the sidewalk on corner of Fiske avenue and Grand street, in Maspeth, Second Ward, this borough; and

Whereas, Representatives of both sides put in an appearance on date set for such public hearing and upon announcement made that an agreement had been arrived at to defer proceedings in the matter for one week to enable said company to obtain from the Highway Department permit to change its route, whereby and whereupon the matter complained of would be discontinued and such postponement was directed by this Board; and

Whereas, Subsequent adjournments were taken based upon same representations; and

Whereas, It appears from inquiries made at the office of the Deputy Commissioner of Highways this June 2, 1899, that the representative of said company had failed to comply with the understanding had with said Department or the representatives thereof;

Now, in view of the foregoing, this Board feeling constrained to conclude that said company is not acting in good faith toward it, the complainants and the Highway Department, it is accordingly

Resolved, That this Board does hereby approve of the facts stated in said petition and complaint, and does hereby direct that the matter be certified to the Commissioner of Highways of this city, for him to carry out the desires of the petitioners.

The complaint made against the New York and Queens County Railway Company having a few rails laid in several blocks in College Point, was ordered laid over indefinitely, as the matter is in the courts.

Communication from the Comptroller was received, read and ordered on file, it being in response to communication addressed by the President of this borough to the Comptroller, in the endeavor to obtain city appropriation whereby to pay the expenses of the Volunteer Fire Department of Dunton District, together with copy of report on the subject made by Deputy Fire Commissioner for this borough to Hon. John J. Scannell, Fire Commissioner, dated May 29, 1899, and which concludes as follows:

"It seems to be unjust that Volunteer Fire Companies or Department, who have been liberal enough in the past to defray their own expenses, should be for that reason debarred from assistance now. There seems to be no way out of it unless the Corporation Counsel should find a way as a matter of equity. I would therefore suggest that the matter be referred to him."

On motion, the President was requested to communicate with the Corporation Counsel in keeping with the foregoing suggestion.

Agreeable to the wishes of Councilman Van Nostrand, it was understood that the Commissioner of Water Supply be asked for information as to the present status of affairs relating to extending water-mains from Flushing to Little Neck.

Adjournment to 9th instant.

THE COMMISSIONER OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default of the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, No. 148 East Twenty-sixth street, New York City, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioner may determine.

The form of the contract, including specifications, and showing the manner of payment and other details, will be furnished at the office of the Department, No. 148 East Twenty-sixth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner will insist upon its absolute enforcement in every particular.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid for Hospital Supplies, or Repairs," with his or their name or names and address, which should also be written on the page of the specifications designated therefor, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President, or his duly authorized agent, of said Department, and read.

Bidders must state the price of each article per pound, dozen, gallon, yard, etc., by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total footings and awards made to the lowest bidder on each item. But in the case of Line Numbers 2530 to 2542; 2554 to 2560; 2574 to 2584; 2588 to 2592; 2612 to 2614; 2630 to 2638; 2642 to 2648; 2652 to 2662; 2664 to 2686; 2690 to 2694; 2716 to 2720; and 2730 to 2746, the award will be made to the lowest bidder on the items combined under those numbers; but every item must be bid on.

If two or more bids are alike, the Department reserves the right to allot the article or articles among the bidders, or to award to any one of them. Bidders are not compelled to furnish more than 20 per cent. of any article in excess of the mentioned amount. But if they are willing, and the Department deems it advantageous, further purchases of the respective articles may be made, at the contract price, during the balance of the year.

The Department reserves the right to take more or less, or none at all, of any of the articles, according as the demand therefor may be.

All bids must be based upon the descriptions furnished or samples exhibited by this Department, and not on samples furnished by the bidder.

Articles which are not readily portable will have to be examined by the bidders at the several institutions, for which purpose passes will be supplied.

The articles, supplies, goods, wares and merchandise are to be delivered, free of expense, at the General Drug Department on the grounds of Bellevue Hospital, East Twenty-sixth street, east of First avenue, and are to be delivered in such quantities and at such times as may be required.

The quality of the Hospital Supplies must conform in every respect to the specifications and samples, and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 410, CHAPTER 378, LAWS OF 1892.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners, or be provided for by the specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Bookkeeper and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 410, CHAPTER 378, LAWS OF 1892.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the total amount of the bid.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder

or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

The time allowed for the completion of the work will be thirty (30) consecutive working days from the date of commencement thereof.

The amount of the security required is Fifteen Hundred Dollars.

Bidders must satisfy themselves by personal examination, and by such other means as they may prefer, as to the nature and extent of the work or materials, and shall not, in any time after the submission of an estimate, dispute or complain of such statement, nor assert that there is any misunderstanding in regard

to the nature or amount of the work to be done or materials to be furnished.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

N.B.—The prices must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Park Board reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do.
