#### MESSAGES FROM THE MAYOR.

No. 59.

His Honor the Mayor—Recommending Adoption of an Ordinance to Provide for the Acquisition by the City of New York of Coal for the Preservation of the Public Health, Safety and General Welfare of the People of Said City.

City of New York, Office of the Mayor, January 14, 1918.

To the Honorable the Board of Aldermen:

Gentlemen—I feel that your honorable body has had brought to its attention the

serious consequences to the life, health and welfare of the community resulting from the shortage of coal.

One of the reasons for it, which seems to be within the power of the City to remedy, is the question of distribution. Great quantities of coal are within sight of our people, but the City is lacking in the power to take it for general distribution. This it should be permitted to do without loss or inconvenience to the owners.

I would therefore recommend that your honorable body vest the power by ordinance to acquire surplus supplies, making provision for compensation to the owners, and providing further for its distribution through an agency of the government. Respectfully,

JOHN F. HYLAN, Mayor.

In connection with the foregoing message the Vice-Chairman offered the following ordinance and moved its adoption:

No. 59 (Ord. No. 2, G. O. No. 1)

AN ORDINANCE to provide for the acquisition by the City of New York of coal for the preservation of the public health, safety and general welfare of the people of said City.

Whereas, there is a great scarcity of coal and other fuel in The City of New York, caused by the lack of sufficient supply and the unnecessary hoarding thereof; and,

Whereas, said lack of coal has produced a condition of want and suffering, seriously menacing the public health, safety and general welfare of the inhabitants of said City; and,

Whereas, the foregoing conditions amount to a grave public emergency, necessitating the exercise of the power of eminent domain; now therefore,

Be it ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. The Mayor of The City of New York is authorized and empowered by and through such person or persons as he may designate for that purpose, to take and acquire in the name and on behalf of The City of New York, coal situated within the limits of said City by whomsoever the same may be owned or possessed, in such quantities and amounts as said person or persons so designated by him for such purpose may determine to be necessary for the preservation of the public health, safety, general welfare and the relief of the poor of the City, and which may be determined by said person or persons so designated by the Mayor to be unnecessary for the use of the person or corporation from whom the same may be taken and acquired.

Section 2. Upon the taking of such coal in the manner aforesaid, title thereto shall vest in The City of New York and the same shall be distributed in such manner as the Mayor may direct.

Section 3. Within 30 days after any such taking The City of New York, by its Corporation Counsel, shall apply to the Supreme Court in the First Judicial District, upon notice, to have said Supreme Court, without a jury, ascertain and determine the compensation which should justly be made by The City of New York to the owner or owners of the coal so taken. Such notice shall be personally served upon the owner or owners of said coal so taken as aforesaid 5 days prior to the making of the application by the Corporation Counsel; and in the event that personal service upon the owner or owners cannot be effected, said notice shall be given to such persons and in such manner as the Supreme Court shall direct. Said Supreme Court, without a jury, upon such application, shall ascertain and determine the compensation which should justly be made to the owner or owners of the coal so taken, and shall make an award therefor to such owner or owners who shall be entitled to enter a judgment against The City of New York for the amounts awarded as such compensation. Such judgments may be reviewed in the manner prescribed by law for the review of final decrees in condemnation proceedings, under Chapter XXI of the Greater New York Charter.

Section 4. The Comptroller of The City of New York is hereby authorized to settle and adjust in the manner prescribed by Section 149 of the Greater New York Charter, any and all claims which any owner or owners of coal may have against said City by reason of the taking of such coal as provided in this ordinance.

Section 5. Any person or persons designated by the Mayor to act under the provisions of this ordinance shall be freed from any personal liability for such acts as he or they may perform in carrying out the provisions of this ordinance, and the Comptroller of The City of New York is hereby authorized to execute a bond on behalf of The City of New York indemnifying and holding such person or persons free and harmless from any and all actions at law or suits in equity or special proceedings which may be brought against him or them to recover damages or to prevent him or them from enforcing the provision of this ordinance.

Section 6. This ordinance shall be liberally construed for the purpose of carrying into effect the objects and purposes specified in the preamble.

Section 7. This ordinance shall take effect immediately.

Objection being entered against immediately consideration, the paper was, on motion of the Vice-Chairman, made a General Order for next meeting.

No. 60.

From the Mayor—Transmitting Communication from Louis A. Couvillier Regarding the Coal Situation.

City of New York, Office of the Mayor, January 9, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen:

Dear Mr. President—By direction of the Mayor I send you herewith, for your consideration, communication from Assemblyman Louis A. Couvillier regarding the coal situation, insofar as it may come within the jurisdiction of your office.

Very truly yours,

G. A. WHALEN, Secretary to the Mayor.

Assembly Chamber, State of New York, Albany, New York, Jan. 7, 1918.

Hon. JOHN F. HYLAN, Mayor of the City of New York, City Hall, N. Y. City:

My Dear Mr. Mayor—It has occurred to me, on account of the scarcity of anthracite or hard coal, due to the war conditions, that it would be highly advantageous to repeal the City ordinance of the City of New York preventing the use of bituminous or soft coal within the city limits for family use and heating purposes. I am creditably informed that there are thousands of tons of bituminous coal stored at Communipaw and at Lambert Point, Norfolk, Va., mined from the Pocahontas Mines, which could be shipped by water much cheaper than by rail. I think that this suggestion would relieve the coal famine during the war.

This ordinance, if repealed, could be re-enacted after the war. I remain, yours respectfully,

LOUIS A. COUVILLIER.

#### PETITIONS AND COMMUNICATIONS.

No. 61.

Communication from Robert J. Hearne Relative to Lack of Control Over Public Truckmen and Expressmen (Supplemental to No. 16).

Durbrow & Hearne Mfg. Co., 12 Wooster Street, New York, January 8, 1918.

ALFRED E. SMITH, Esq., President, Board of Aldermen, City Hall, New York City: Re Regulation of Public Truckmen.

Dear Sir—I have your letter of January 7, in reference to the above matter.

The subject is a very large one, and I believe a very important one, and that is the reason that I would not venture to propose any new ordinances or regulations until a Committee had obtained thorough information as to what the present day conditions are.

It is, of course, to be assumed that anybody who has lived in New York, and done business in it for many years, has general knowledge of what conditions are.

In a general way, the public truckmen and local expressmen in New York City are practically uncontrolled. They do as they please, charge what they please, and come and go as they please. There is no regulation whatever as to their rates or methods of doing business.

I think that rates should be established by law, just as for taxicabs. Incidentally, I may say that at the present time it is considerably cheaper to hire a taxicab to do any local delivery of packages than to hire a public truckman, and I need hardly say much more prompt.

At the present time a street car company or an omnibus company has to obtain a charter, has to fix rates, and its routes are laid out by law, but practically anybody can go into business and run a local express business, and go where he pleases and charges what he pleases.

I suppose the legal fiction is that it is a private affair, but I am unable to see that it is any more private than the carrying of passengers.

The immensely long haul necessary to take express matter from the lower part of the city to the upper end, or to outlying district in Brooklyn, is one great source of trouble, and I believe that in the near future some arrangement will be feasible, whereby matter will be carried in bulk by the street railroads, and redistributed locally. This is done to a limited extent by some of the larger local expressmen themselves, who carry the goods in bulk and redistribute them from distributing centers.

There is a fearful waste of time and money now occasioned by trucks having to go to various railroads to deliver freight. It would seem that some arrangement could be made whereby there could be collecting stations for freight to be taken to the railroads, and then the wagons going to the railroads would contain nothing but freight for one particular railroad, and vice versa, when it comes to distributing goods from the railroads, the wagons should only handle matter from one railroad.

As I stated in the beginning, the subject is an extremely large one, and the more it is looked into the more one sees possibilities of improvement. The great point is to make a beginning. Perfection will not be obtained at once, but almost any form of regulation would be better than the chaos that exists now. Yours very truly,

ROBERT J. HEARNE.

#### New York State Federation of Labor—Request for Permission to Use Aldermanic Chamber on Friday Afternoon, January 25, 1918.

January 15, 1918.

Hon. ALFRED E. SMITH, President of the Board of Aldermen:

Dear Sir—On behalf of the trades unionists of this City, who had many grievances against the administration of our city's affairs in the last campaign, I respectfully request permission to use the Aldermanic Chamber on Friday afternoon, January 25, at 2 o'clock.

This meeting is called for the purpose of giving the representatives of these unions an opportunity of presenting their complaints and suggesting plans whereby then can co-operate with the present city government in bringing about a better understanding between the city officials and the working people.

Hoping that this request will meet with the approval of the Aldermen, I remain, yours respectfully,

JAMES P. HOLLAND, President, New York State Federation of Labor.

In connection with the foregoing communication, the President of the Borough of Manhattan offered the following resolution:

Resolved, That permission be and the same is hereby given to the New York State Federation of Labor to use the Aldermanic Chamber on Friday afternoon, January 25, 1918, at 2 o'clock p. m., provided there is no disturbance of books, papers or furniture located therein.

Which was adopted.

The City of New York, Office of the President of the Borough of Manhattan, Municipal Building, January 9, 1918.

Honorable ALFRED E. SMITH, President, Board of Aldermen, City Hall, Manhattan:

Dear Sir—The Budget for 1918 contains an appropriation of \$3,000 for the purchase of an automobile for the use of the Borough President. The automobile formerly at the disposal of the Borough President is entirely unserviceable, having been in the department since 1910. It is practically impossible to draw specifications to purchase a car suitable to my needs, and I, therefore, ask that you be kind enough to request the Board of Aldermen to adopt a resolution permitting me to make this purchase without public letting, it being understood that the cost of the automobile is not to exceed the \$3,000 appropriated. Yours very truly,

FRANK L. DOWLING, President, Borough of Manhattan.

In connection with the foregoing communication the President of the Borough of Manhattan offered the following resolution, which on his motion was made a Special Order for the day.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the President of the Borough of Manhattan be and he is hereby authorized and empowered to purchase an automobile, without public letting, at a cost not to exceed three thousand dollars (\$3,000).

**Commissioner of Plant and Structures—Request for Amendment to the Code Relative to Licensing of Retail Dealers in Coal.**

Department of Plant and Structures, City of New York, Municipal Building, Manhattan, N. Y., January 9, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen:

Dear Sir—At a meeting of the Executive Committee of the Mayor's Fuel Administration Committee, together with representatives of the Federal Fuel Adminis-

I would therefore beg to suggest that section 1, article 1, chapter 14 of the Code of Ordinances be amended by adding the following item to the list of businesses, places, trades, occupations and things required to be licensed:

(r) Retail coal dealers who sell coal in lots of one-half ton or less.

Yours truly,

JOHN H. DELANEY, Chairman, Executive Committee of the Mayor's Fuel Administration Committee.

The two contracts amount to \$21,873.50, and, with 5 per cent. added for a margin of safety, as per contract provisions, the total sum needed is \$22,967.18, as against an allowance of \$20,500.

The Board of Aldermen is, therefore, respectfully requested to issue special revenue bonds, amounting to \$2,467.18 for the purpose aforesaid. Very respectfully,

HENRY P. MORRISON, Acting President of the Borough.

No. 77.

**Commissioner of Public Charities—Request for Authority to Purchase Medical and Surgical Supplies Without Public Letting.**

Department of Public Charities of The City of New York, Municipal Building, Tenth Floor, January 9th, 1918.

Re Permission to Purchase Medical and Surgical Supplies.

To the Honorable Board of Aldermen, City Hall, New York City:

Gentlemen—Application is hereby made for permission to purchase \$20,000 worth of medical and surgical supplies in the open market without public letting during the current year. The general conditions existing throughout the country at the present time make this request necessary.

The United States Government and the American Red Cross are buying medical and surgical supplies in large quantities and contractors are, therefore, backward in bidding on City contracts that would extend over a period of time.

At the present time we are severely handicapped by not having permission to make such purchases and there are many items which the Central Purchase Committee have attempted to contract for which are held in abeyance, awaiting a decision as to whether contracts to be made by that Committee for supplies will be legal.

I would appreciate it very much if you would give this matter your prompt attention, in order that the Department will be able to properly provide for the patients under its care. Sincerely yours,

BIRD S. COLER, Commissioner.

In connection with the foregoing communication Alderman McCann offered the following resolution, which on his motion was made a Special Order for the day.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Public Charities be and he is hereby authorized and empowered to purchase medical and surgical supplies during the current year, in the open market without public letting, to the extent of twenty thousand dollars (\$20,000).

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

The President laid before the Board the following communication from the President, Borough of the Bronx:

No. 78.

**President, Borough of The Bronx—Request for Authority to Purchase Coal Without Public Letting.**

City of New York, President of the Borough of The Bronx, Third Avenue and Tremont Avenue, Office of the President, January 10, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen:

Dear Sir—On account of the unsettled condition of the coal market, I am of the opinion that it is not advisable at the present time to contract for the future delivery of coal, but rather to purchase in the open market from time to time an amount only sufficient to meet our minimum requirements.

With this object in view, permission of your Board is hereby requested to purchase in the open market, without public letting, coal to an amount not exceeding

\$6,800. It is estimated that the quantity of coal which this amount of money will purchase will be sufficient to heat the buildings under the jurisdiction of this office until April 30, 1918. Respectfully,

HENRY BRUCKNER, President, Borough of The Bronx.

Which was referred to the Committee on Public Letting.

The President laid before the Board the following communication from the Commissioner of Water Supply, Gas and Electricity:

Respectfully,

NICHOLAS J. HAYES, Commissioner.

In connection with the foregoing communication, Alderman Kenney offered the following resolution, which on his motion was made a general order for the day:

Resolved, That, for the purpose of defraying minor incidental expenses contingent to the Department of Water Supply, Gas and Electricity, particularly the purchase of postage, the Commissioner of Water Supply, Gas and Electricity may, by requisition, draw upon the Comptroller for a sum not to exceed five hundred dollars (\$500), and may, in like manner, renew the draft as often as he may deem necessary, from the appropriation set apart for "Office Supplies, Administration, Postage," in the Budget for 1918; but no such renewal shall be made until the money paid upon the preceding draft shall be accounted for to the Comptroller by the transmittal of a voucher or vouchers, certified by the Commissioner, covering the expenditure of the money paid thereon.

The President put the question whether the Board would agree with said resolution.

**Board of Estimate and Apportionment—Return of Resolution of Request for Special Revenue Bonds, \$25,000, for the Purpose of Repairing Street Pavements in the Borough of Manhattan, the Said Funds Having Been Provided Through Other Sources.**

City of New York, Board of Estimate and Apportionment, Office of the Secretary, Municipal Building, January 11, 1918.

To the Honorable Board of Aldermen:

Gentlemen—I return herewith resolution adopted October 20, 1917, by the Board of Aldermen, requesting an issue of \$25,000 special revenue bonds, the proceeds to be used by the President of the Borough of Manhattan for the purpose of repairing street pavement over openings made by the Department of Water Supply, Gas and Electricity.

At the meeting of the Board of Estimate and Apportionment on January 11, 1918, the Secretary was directed to notify the Board of Aldermen that no action is required on this resolution, as the necessary funds have been provided through transfer of appropriations. Very truly yours,

JOSEPH HAAG, Secretary.

In the Board of Aldermen.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of twenty-five thousand dollars (\$25,000), the proceeds whereof to be used by the President of the Borough of Manhattan for the purpose of repairing street pavement over openings made by the Department of Water Supply, Gas and Electricity. All obligations contracted for hereunder to be incurred on or before December 31, 1917.

Adopted by the Board of Aldermen, November 20, 1917, three-fourths of all the members elected voting in favor thereof, having been first advertised as required by law.

Received from his Honor the Mayor December 4, 1917, without his approval or disapproval thereof; therefore, as provided in section 40 of the Greater New York Charter, the same took effect as if he had approved it.

P. J. SCULLY, Clerk.

Which was ordered on file.

The President laid before the Board the following communication from the Board of Education:

No. 82.

**Board of Education—Request for Authority to Enter Into Contract for Completion of the Evander Childs High School (Supplemental to No. 43).**

Department of Education, City of New York, Board of Education, Park Avenue and 59th Street, New York, January 12, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen:

Dear Sir—I have the honor to advise you that at a meeting of the Board of Education held on January 9, 1918, the following preamble and resolution was adopted:

"Whereas, The Board of Education on December 12, 1917 (see Journal, pages 1879-80), adopted a resolution approving the action of the Committee on Buildings and Sites in requesting the Board of Aldermen to authorize the Board of

Education to enter into a contract, without public letting, with Thomas S. Moran, in the sum of \$20,364, for completing and finishing Item 2, plumbing and drainage of the Evander Childs High School; and

"Whereas, The Board of Aldermen on December 28, 1917, failed to take action upon the above mentioned request; be it

"Resolved, That the Board of Aldermen be and it is hereby requested, in pursuance of the provisions of section 419 of the Greater New York Charter, to authorize and empower the Board of Education to enter into a contract, without public letting, with Thomas S. Moran, in the sum of \$20,364, for completing and finishing Item 2, plumbing and drainage of the Evander Childs High School, Borough of The Bronx, and that a copy of the report and resolution adopted by the Board of Education on December 12, 1917, as above stated, be transmitted with this request."

Respectfully yours, FRED H. JOHNSON, Assistant Secretary, Board of Education.

P. S.—A copy of the report and resolution adopted by the Board of Education on December 12, 1917, above referred to, is attached.

To the Board of Education:

The Committee on Buildings and Sites respectfully reports that on December 3, 1917, bids were opened for completing and finishing Item 2, plumbing and drainage of the Evander Childs High School, Borough of The Bronx, in accordance with the original plan, specifications and amendments thereto of the contract awarded to P. F. Kenny Company, which has been declared abandoned. The lowest bid received was that of Thomas S. Moran, in the sum of \$20,364, which is invalid, inasmuch as sufficient funds are not available in the appropriation. The Board of Education, however, on November 14, 1917 (see Journal, pages 1801-08), adopted a resolution requesting the Board of Estimate and Apportionment to make available the sum of \$15,000 for the purpose of providing means to cover such additional cost as may be required to complete the above mentioned work, as well as other work in the building, and your Committee is assured that favorable action thereon will be taken.

In view of the necessity for reletting the contract for plumbing and drainage at the earliest possible date, so that the progress of the general contractor may not be impeded, your Committee has requested the Board of Aldermen to authorize and empower the Board of Education to enter into a contract, without public letting, with Thomas S. Moran, in the sum of \$20,364, for the work above stated, and recommends that its action in so doing be approved. Accordingly there is submitted for adoption the following resolution:

Resolved, That the action of the Committee on Buildings and Sites in requesting the Board of Aldermen, in pursuance of the provisions of section 419 of the Greater New York Charter, to authorize and empower the Board of Education to enter into a contract, without public letting, with Thomas S. Moran, in the sum of \$20,364, for completing and finishing Item 2, plumbing and drainage of the Evander Childs High School, The Bronx, be and it is hereby approved and ratified.

The President laid before the Board the following communication from the Board of Estimate and Apportionment:

No. 83.

**Board of Estimate and Apportionment—Resolution to Establish the Grade of Position of Deputy Chief of the Fire Department in Charge of the Boroughs of Brooklyn and Queens.**

City of New York, Board of Estimate and Apportionment, Office of the Secretary, Municipal Building, January 14, 1918.

To the Honorable the Board of Aldermen:

Gentlemen—I transmit herewith certified copy of resolution adopted by the Board of Estimate and Apportionment January 11, 1918, recommending the establishment in the Fire Department of the grade of position of Deputy Chief of Department in charge of the Boroughs of Brooklyn and Queens, with compensation at the rate of \$6,500 per annum, for the present incumbent, John O'Hara, only.

I also transmit copy of communication from the Fire Commissioner relative thereto. Yours very truly,

JOSEPH HAAG, Secretary.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Fire Department of the Grade of position in the Uniform Force, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	No. of Incumbents.
Deputy Chief of Department, in Charge of the Boroughs of Brooklyn and Queens.....	\$6,500 00	For the present incumbent, John O'Hara, only.

A true copy of resolution adopted by the Board of Estimate and Apportionment January 11, 1918.

JOSEPH HAAG, Secretary.

(Copy.)

Fire Department, of The City of New York, January 10th, 1918.

Hon. JOHN F. Hylan, Mayor and Chairman, Board of Estimate and Apportionment:

Sir—I have the honor to request that, pursuant to the provisions of section 56 of the Greater New York Charter, your honorable Board recommend to the Board of Aldermen, the establishment in this Department, of an additional grade of position of Deputy Chief of Department in charge, Boroughs of Brooklyn and Queens, with salary at the rate of \$6,500 per annum, for one incumbent.

A vacancy in this position exists by reason of the retirement on January 1st, 1918, of Thomas Lally, whose salary was \$7,500 per annum, the grade of position at that rate having been established on June 7th, 1910, for him only.

It is my desire to assign to the position of Deputy Chief of Department John O'Hara, who has served for 36 years in the uniformed force (11 years of that period as a Deputy Chief), and who for the past eight years has been in charge of the uniformed force, Boroughs of Brooklyn and Queens, during the absence on vacation and recreation leaves of Deputy Chief Lally.

By reason of the extent of area, population and property values in the Boroughs of Brooklyn and Queens, it is imperative that the position vacated by the retirement of Deputy Chief Lally be filled with the least possible delay, and I therefore urgently request prompt and favorable action on this application.

In connection with this matter, modification of Code schedule No. 1654, Fire Extinguishment, Supervision, in the budget appropriation made to this Department for the year 1918, will be necessary by changing line "Deputy Chief in charge, Brooklyn and Queens (Thomas Lally only), \$7,500," to read "Deputy Chief in charge, Brooklyn and Queens (John O'Hara only), \$6,500." Respectfully,

THOMAS J. DRENNAN, Fire Commissioner.

In connection with the foregoing communication, Alderman Ferguson offered the following resolution, which, on his motion, was made a General Order for the day:

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held January 11, 1918.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Fire Department of the Grade of position in the Uniform Force, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	No. of Incumbents.
Deputy Chief of Department in charge of the Boroughs of Brooklyn and Queens.....	\$6,500 00	For the present incumbent, John O'Hara, only.

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Atwell, Bassett, Beckerman, Bell, Bostwick, Braunstein, Buckley, Burden, Burke, Calman, Cassidy, Collins, Colne, Cox, Cunningham, Curley, Diemer, Donnelly, Falconer, Farley, Ferguson, Ferrand, Fowler, Friedman, Fullum, Gaynor, Gilmore, Hatch, Haubert, Held, Hilkemeier, Hogan, Kenneally, Kenney, Lee,

No. 84.

**President, Borough of Queens—Request for Authority to Purchase An Auto Truck Without Public Letting.**

The City of New York, Offices, Commissioner of Public Works of the Borough of Queens, Long Island City, January 12, 1918.

To the Honorable the Board of Aldermen, City Hall, New York, N. Y.:

Sirs—The Budget for 1918 for this Department contemplates the purchase of an automobile truck for the use of the Bureau of Highways, at an estimated cost of \$6,600.

In accordance with the charter provisions, I hereby request your approval of a resolution providing for such purchase without public letting, for the reason that I believe that it is to the best interest of the City to obtain the truck by this process.

Respectfully, RICHARD S. NEWCOMBE, Commissioner of Public Works and Acting President of the Borough of Queens.

Which was referred to the Committee on Public Letting.

The President laid before the Board the following communication from the Department of Finance:

No. 85.

**Department of Finance—Request That Resolutions for the Advance of Money to Meet Departmental Contingent Expenses so Read That Such Advances Apply Only to the Year for Which Appropriations Are Made.**

City of New York, Department of Finance, January 12, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen:

Sir—Pursuant to resolutions adopted by the Board of Aldermen from time to time the Comptroller has been advancing moneys to the various departments for the purpose of purchasing postage stamps and for defraying minor and incidental office expenses.

These moneys were advanced upon the understanding that carfare and supper money allowances were not to be paid therefrom nor any bill of sufficient amount to justify the issuance of an open market order.

If it is your intention to continue to defray these expenses under these conditions, I would request that you obtain a new resolution of the Board of Aldermen to be effective for the current year so that the authority for the procedure will be as of the same year in which the advances are made by the Comptroller.

In this connection I would say that a bond in the amount of the advance is required in every case excepting only where the moneys are paid to the head of the department and such head of department has already filed an official bond.

Yours very truly,

JOS. JOHNSON, Deputy Comptroller.

The President laid before the Board the following communication from the President, Borough of Manhattan:

No. 86.

**President, Borough of Manhattan—Request for Authority to Purchase Trucks, Tractors and Trailers Without Public Letting.**

The City of New York, Office of the President of the Borough of Manhattan, Municipal Building, January 15, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen, City Hall, New York City:

Dear Sir—In accordance with the provisions of section 419 of the Charter, I hereby request permission to purchase in the open market, without public letting, eighteen (18) standard Ford trucks, seven (7) Ford tractors and eight (8) trailers, with equipment and accessories, for use in the Department of Public Works, at an estimated cost not to exceed \$30,800.

These articles are all of standard makes for which it would be difficult to write specifications which would obtain any real competition, and we believe the interests of the City can best be served by the purchase of this equipment direct from the manufacturers. The equipment is urgently needed as soon as it can be obtained and we believe that considerable time can be saved if the purchase is made direct without the medium of public advertising. Very truly yours,

FRANK L. DOWLING, President, Borough of Manhattan.

Hon. JOSEPH HARTIGAN, Secretary, Mayor's Committee on Food Supply, New York City, N. Y.:

Dear Sir—The Board of Aldermen of the City of St. Louis is seeking to know what other cities, in their governmental capacity as cities, are doing and have done along the line of war activities, as a means of suggesting lines of work here.

For this purpose I will be very grateful for any information you may furnish, of ordinances passed, work done, or work outlined.

#### Report of the Committee on Public Letting in Favor of Adopting Resolution to Authorize the Surrogates of New York County to Purchase Metal Furniture Without Public Letting.

The Committee on Public Letting, to which was referred on January 7, 1918 (Minutes, page 13), the annexed request of the Surrogates of New York County for authority to purchase metal furniture without public letting, respectfully

REPORTS:

That the Committee has been advised that the purpose of this request is to permit the use of surplus materials from which a large part of the equipment can be constructed, and further to dispense with the expense and delay of advertising for bids.

The Committee believes the proposed permission advisable and recommends the adoption of the accompanying resolution.

Resolved, That, pursuant to section 419 of the Greater New York Charter, the Board of Aldermen hereby authorizes the Surrogates of New York County to incur an expenditure not in excess of \$1,700, without contract at public letting, for the purpose of rebuilding and reconstructing four steel cabinets from materials in their possession and available for the purpose, together with such new material as may be necessary.

Chambers of the Surrogates Court, County of New York, New York, Jan. 4, 1918.

Hon. ALFRED E. SMITH, President of the Board of Aldermen, New York City:

Dear Sir—We have lately had funds allowed us with which to construct four metal file cases for this office, costing in the neighborhood of \$1,700. Extensive alterations in our offices have just been completed, giving us more room, and, in altering the steel cases, sufficient material was left to construct, or nearly construct, the new cases needed. They are designed for the offices of the Assistant Deputy Chief Clerk, the Accounting Clerk, the Guardian Clerk and the Guardian Accounting Clerk. These clerks have been installed in their new quarters for some weeks, but are under great inconvenience because of lack of cases for papers. We now have the necessary funds, but wish to avoid, if possible, the delay of advertising for bids. We, therefore, hope that, under the circumstances, the Board will pass the enclosed resolution to that end.

Thanking you in advance for interesting yourself in the matter, I am

Very truly yours,

JOHN P. COHALAN, Surrogate.

#### Report of the Committee on Public Letting in Favor of Adopting Resolution to Authorize the Commissioner of Water Supply, Gas and Electricity to Meet the Expense of Repairs to Boilers, Pumps, Engines, Etc., Without Public Letting.

REPORTS:

That this is the usual annual request to provide for emergency conditions arising during the year. The Committee, therefore, recommends the adoption of the accompanying resolution.

Resolved, That the Commissioner of Water Supply, Gas and Electricity be and is hereby authorized to expend during the year 1918 the sum of Twenty-five Thousand Dollars (\$25,000), without public letting, for the purpose of repairing boilers, engines, pumps and their appurtenances, and distribution mains or other parts of the water system where the continuity of the supply is endangered.

The City of New York, Department of Water Supply, Gas and Electricity, Office of the Commissioner, Municipal Building, New York, January 3, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen, City Hall, New York City:

Dear Sir—The sum of \$25,000 has been provided under the 1918 budget to meet the expense of repairs to boilers, engines, pumps and their appurtenances and submarine mains. It has been the department's custom for many years past to obtain from the Board of Aldermen approval of the expenditure of stipulated amounts without the formality of competitive bids, the object being to make it possible for the department to secure immediate action in repairing the damage or repairing the damaged parts. When or where the accidents may occur which require immediate attention the department, of course, does not know, but it is essential that the department have authority to order the necessary emergency repairs so that there shall be as little interruption in the delivery of water as possible. I therefore respectfully request that the Board of Aldermen authorize me to expend during the ensuing year the sum of \$25,000, without public letting, for the purposes above mentioned. I annex hereto a proposed resolution. Respectfully,

NICHOLAS J. HAYES, Commissioner.

**CHAPTER I.**

**Meetings.**

1. The Board shall hold its regular meetings on Tuesday of each week at 1.30 o'clock p. m., unless otherwise ordered. Special meetings shall be called by the Mayor as provided in section 37 of the Charter. The Board may adjourn to a day other than that of a regular meeting, and notice thereof shall be mailed to each member by the Clerk at least twenty-four hours before the time set.

**CHAPTER II.**

2. The President, or in his absence the Vice-Chairman, shall take the chair at the hour of meeting. He shall call the Board to order, and, except in the absence of a quorum, shall proceed to business in the manner prescribed by these rules.

3. He shall preserve order and decorum. In case of disturbance or disorderly conduct in the lobby or gallery he may cause the same to be cleared. He shall decide all questions of order, subject to appeal, which appeal shall be decided without debate, except that the appellant may state the grounds upon which he bases his appeal. In the absence of the Vice-Chairman, he may substitute any member to perform the duties of the chair for that legislative day.

4. He shall assign to the Sergeant at Arms and Assistant Sergeants at Arms their respective duties and stations.

**CHAPTER III.**

**Of the Vice-Chairman.**

5. The Vice-Chairman, when acting as President, shall be invested with all the powers and duties conferred upon the President. When the Board shall go into Committee of the Whole the Vice-Chairman shall be the Chairman of such committee,

and in his absence the President shall call to the chair the member moving the resolution to go into the Committee of the Whole.

**CHAPTER IV.**

**Order of Business.**

6. The order of business shall be as follows:

1. Roll call.
2. Reading of the minutes.
3. Messages and papers from the Mayor.
4. Presentation of petitions and communications.
5. Communications from City, County and Borough officers.
6. Ordinances and resolutions.
7. Reports of special committees.
8. Reports of standing committees.
9. Special orders.
10. General orders.

Messages from the Mayor and communications or reports from City or Borough officers may, however, be received at any time. It shall also always be in order to call up for consideration a report from the Committee on Rules or from the Committee on Privileges and Elections.

**CHAPTER V.**

**Rights and Duties of Members.**

7. A member presenting a paper shall endorse the same as follows: If a petition, memorial or report to the Board, with a brief statement of the subject of its contents, adding his name; if a notice or resolution, with his name; if a report of a committee, a statement of such report, with the name of the committee and members presenting the same.

8. No member rising to debate, make a motion or present a petition or paper, shall proceed unless in his place, nor until he shall have been recognized by the President. While a member is speaking no other member shall disturb him in any manner whatever. Unless otherwise provided by law, ordinance or these rules, the roll shall not be called upon a vote unless two members demand it. If a viva voce vote has been taken upon any question and the result has been announced by the presiding officer, a division by roll call shall be ordered upon the demand of two members.

9. No member shall speak more than once on the same general question until every other member desiring to be heard upon the question shall have spoken. No member may speak upon any matter for more than ten minutes at any time, except by permission of the Board.

10. A member desiring to be excused from voting, or to explain his vote, may, when his name is called, make a brief statement, not occupying more than five minutes, of the reasons for making such request, or for voting in the manner he does. If he make a request to be excused, the question of excusing him shall then be taken without debate by a vote without a roll call, and if his request be not granted he must vote.

11. In case a number less than a quorum shall convene, those present are authorized to send the Sergeant-at-Arms for the absent members.

12. In all cases of absence of members during the session of the Board, or of the violation of any of these rules, the members present may censure or suspend the offending member in such manner or for such period as they deem just. No member shall leave during a meeting without permission of the presiding officer.

**CHAPTER VI.**

**Duties of the Clerk.**

13. It shall be the duty of the Clerk to have the journals containing the proceedings of each meeting printed and copies thereof and of the calendar provided for in rule 14, mailed to the President and other members within four days after such meeting. All reports of committees submitted shall constitute a part of the proceedings of each meeting.

14. He shall prepare and cause to be printed for each meeting a list in detail of all matters ready for consideration at such meeting. Said list shall be known as the calendar, and shall include all vetoes, messages from the Mayor and other City, County and Borough officials and departments that have been laid over for future consideration, special and general orders and any other matters which have been presented to the Board and which remain undetermined. In case any matters on the calendar of a particular meeting are not acted upon they shall be continued upon the calendar of the next meeting and of each succeeding meeting in their order of introduction until finally disposed of. The calendar shall state, in regard to any ordinance, or resolution, the vote required to pass it, and if it be a matter referred to in section 48 of the Charter, then also the day when the time limitation in said section contained will expire. The calendar shall state, as to any pending veto of the Mayor, the date of the regular meeting of the Board, at which it is required by section 40 of the Charter to reconsider and vote upon the ordinance or resolution so vetoed.

15. The certificate of the Clerk of the Board shall be attached to every proposed ordinance or resolution, to the effect that the same has been duly passed or is deemed to have been duly passed by a vote, as required by the provisions of the Charter of The City of New York, and he shall transmit the proposed ordinance or resolution to the Mayor.

16. He shall keep index records convenient for reference of all ordinances, resolutions, petitions and other matters introduced in or presented to the Board; together with a complete chronological record of all action taken thereon by the Board or any of its committees.

17. He shall furnish to each member copies of the regular rules of the Board, prepared and printed under the direction and supervision of the Committee on Rules.

**CHAPTER VII.**

**Duties of the Sergeant at Arms and Assistant Sergeants at Arms.**

18. The Sergeant at Arms and the Assistant Sergeants at Arms shall be in constant attendance upon the sessions of the Board, and under the direction of the presiding officer shall aid in enforcing order on the floor, in the gallery, in the lobbies and in the rooms adjoining the Aldermanic Chamber, and also see that no person remains on the floor unless entitled to the privileges of the same. They shall also place on the files of the President and other members before each meeting the journals containing the proceedings of the Board, the calendars provided for in rule 14, the approved papers and the proposed ordinances. They shall also discharge such other duties as are directed by the President or the Board.

**CHAPTER VIII.**

**Committees and Their Duties.**

19. The standing Committees shall bear the following titles, and shall be appointed by the Committee on Rules, subject to approval by a majority of all the members of the Board:

- Buildings.
- Codification.
- Finance.
- General Welfare.
- Labor and Industries.
- Markets.
- Privileges and Elections.
- Public Letting.
- Public Thoroughfares.
- Rules.
- Salaries and Offices.
- State Legislation Affecting The City of New York.

20. The first named member of each committee shall be its Chairman. All vacancies in committees or in committee chairmanships shall be filled by the Committee on Rules, subject to approval by a majority of all the members of the Board. Resolutions calling for the appointment of special committees shall be referred to the Committee on Rules, and if said committee report favorably thereon, it shall embody in its report the names of the members who shall constitute such special committee. A committee shall not act upon any matter before it unless a majority of the committee be present. No matter shall be reported by a committee unless a majority of all the members of the committee shall have voted upon a roll call at a meeting of the committee in favor of the report. The Committee Clerk shall keep minutes and accurate records of the members present and the roll calls at every meeting of a committee, and such minutes and records shall be completed and open to public inspection, in the custody of the Committee Clerk, as a public record, within three days after each meeting. Meetings of a committee may be called by either the Chairman or a majority of the committee. A written notice of each committee meeting shall be mailed to the respective residence addresses of the members of the committee not later than three days prior to the time fixed for such meeting.

21. Committees shall report, in writing, on all matters referred to them with a brief statement of facts and their opinion in relation thereto, and a resolution or ordinance proposing the necessary action by the Board. The report itself shall not be subject to amendment. Every report shall state the time when the subject matter of such report was referred to the committee by the Board, and the action, if any, taken by the committee pursuant to any instructions of the Board. Every report shall lie over until the next regular meeting, unless otherwise ordered by a majority vote of all the members of the Board, except that unanimous consent must be given for the immediate consideration of matters governed by section 30 of the Charter. Consideration of a report at the meeting of its presentation, if ordered, shall be deferred until after all reports of other committees shall have been received and read.

22. A committee may be discharged from further consideration of any matter referred to such committee by a majority vote of all the members of the Board. No matter that has been referred to a committee shall be acted upon by the Board until the committee has reported thereon or has been discharged. A committee, however, to whom there shall have been referred any such matter as is specified in section 48 of the Charter, or any matter in regard to which any law or ordinance fixes a time limit for the consideration thereof by the Board, shall at the last regular meeting of the Board preceding the expiration of such time limit be deemed to be discharged from the further consideration thereof. A committee which shall have been instructed to report at a certain meeting shall be deemed to be discharged from further consideration of the matter referred to it unless it shall report at such meeting or shall receive from the Board a further extension of time to report.

## CHAPTER IX.

*The Introduction and Passage of Ordinances and Resolutions.*

23. All enactments shall be by ordinances, so far as practicable.

24. Every proposed ordinance or resolution introduced shall, on its introduction, unless otherwise ordered, be referred by the presiding officer to a standing committee to consider and report thereon. At any time during the meeting of introduction, such reference may be changed by a majority vote of all the members of the Board.

25. There shall be two classes of unfinished business, known respectively as Special Orders and General Orders. Every report of a committee upon a request of the head of a City, County or Borough Department, which involves an exemption of a contract from public letting, or the issuance of special revenue bonds, shall be a Special Order for the next regular meeting after it is submitted. The Board may, by a majority vote of all the members of the Board, make any matter pending before it a Special Order for a stated time. All reports of committees not otherwise disposed of on the legislative day introduced, except those required by these rules to be placed on the list of Special Orders, shall be placed on the list of General Orders.

26. Except as provided in rules 25 and 28, Special Orders and General Orders shall be considered by the Board in the order in which they appear upon the calendar.

27. No ordinance or resolution shall be considered on the day of its introduction, except by unanimous consent. In the event of more than one request for immediate consideration, the same shall be considered in the order of introduction. In the event, however, of the receipt of a message from the Mayor recommending the enactment of an ordinance or the adoption of a resolution, the matters referred to in such message may be considered at any time by a majority vote of all the members of the Board, except that unanimous consent must be given for such consideration if such matters are governed by section 30 of the Charter. In the event of immediate consideration, the proposed ordinance or resolution shall be read section by section, and shall be subject to amendment and debate before being adopted. No ordinance or resolution which is amended shall be adopted until it has been printed as amended, except by the consent of two-thirds of all the members of the Board; unanimous consent, however, must be given if the amendment relates to the matters governed by section 30 of the Charter.

28. When a special order is under consideration, it shall take precedence of any other special order set for a subsequent hour of the same day, but such other special order may be taken up immediately after the previous special order has been disposed of. Any matter specified in section 48 of the Charter shall at the last regular meeting of the Board preceding the expiration of the time limit in said section contained be deemed to be a special order and shall take precedence of all other special orders.

29. When any proposed ordinance or resolution requiring the concurrence of two-thirds, three-fourths, four-fifths or five-sixths of the members, as provided in the Charter, is under consideration, such concurrence shall not be requisite, except on the question of its final passage.

30. All ordinances introduced shall be in writing, and shall be presented in duplicate. An ordinance amending or repealing any existing law or ordinance shall contain in parentheses the part repealed and the new part to be inserted underscored. When any such ordinance is printed in the Minutes, the part repealed shall be in brackets instead of parentheses, and the new part shall be in italics instead of being underscored. All ordinances presented, whether new or of an amendatory nature, shall state specifically the section, article and chapter of the Code of Ordinances to be added, added to, amended or repealed.

## CHAPTER X.

*Motions and Their Precedence.*

31. When a question is before the Board, only the following motions shall be received, and such motions shall have precedence in the following order, viz.: (1) for adjournment; (2) for a call of the Board; (3) to lay on the table; (4) for the previous question; (5) to postpone indefinitely; (6) to postpone to a day certain; (7) to refer; (8) to amend.

The motion to adjourn, or for a call of the Board, or to lay on the table, shall be decided without debate, and shall always be in order. Upon motions not debatable no member shall be allowed to explain his vote or give his reasons for asking to be excused from voting.

32. All motions shall be reduced to writing, if desired by the President or any member of the Board, delivered to the clerk and read before the same shall be debated. Any motion may, by unanimous consent, be withdrawn at any time before decision or amendment.

If the matter in debate contains several questions which may be separately considered, they shall, at the request of any member, be separately voted upon.

A motion to postpone or refer shall, until it is decided, preclude all debate on the main question.

33. When a question has once been decided, it shall be in order for any member of the Board who voted in the majority to move for its reconsideration, and it shall be reconsidered upon majority vote of all members present and voting, except that no matter shall be reconsidered more than twice; but no motion for the reconsideration of any vote shall be in order after the proposed ordinance, resolution, message, report, amendment or motion upon which the vote was taken shall have gone out of the possession of the Board; and no motion for reconsideration shall be in order unless made on the same day on which the vote was taken, or on the legislative day next succeeding. But when a proposed ordinance or resolution shall have been recalled from the Mayor, a motion for reconsideration may be made at any time thereafter, and all resolutions recalling a proposed ordinance or resolution from the Mayor shall be regarded as privileged. No vote shall be reconsidered upon either of the following motions:

To adjourn.

To lay on the table.

## CHAPTER XI.

*Questions of Order.*

34. When a roll call shall have been ordered, the absentees shall not be called more than once, unless requested by at least five members.

After two calls for absentees a motion to discontinue the roll call shall be in order and may be adopted by a majority vote.

35. All questions relating to the priority of business shall be decided without debate.

When the reading of a paper, other than a petition, is called for, and the same is objected to by any member, the question whether the paper shall be read shall be determined by a majority vote without debate.

## CHAPTER XII.

*Attendance of Quorum—Call of the Board.*

36. Whenever any member raises the question as to the presence of a quorum, the presiding officer shall forthwith direct the clerk to call the roll, and shall announce the result, and such proceedings shall be without debate; but no member, while speaking, shall be interrupted by raising the question of absence of quorum,

and such question shall not be raised more often than once every hour, unless the absence of a quorum be disclosed upon a roll call. Whenever, upon a roll call, any member present refuses to make response when his name is called, it shall be the duty of the presiding officer, either upon his own motion, or upon the suggestion of any member of the Board, to request the member so remaining silent to respond to his name, and if such member fails to do so, the fact of such request and the refusal shall be entered in the journal, and such member shall be counted as present for the purpose of constituting a quorum.

37. For the purpose of securing the attendance of members a call of the Board may be ordered at any time, except that no such call shall be in order when the voting on any question has begun, unless it shall appear upon an actual count by the presiding officer that a quorum is not present. If demanded by two members, the roll shall be called upon a demand for a call of the Board, and, if a majority be recorded in the negative, a call of the Board shall not again be in order except by unanimous consent until an hour has elapsed.

## CHAPTER XIII.

*Miscellaneous Provisions.*

38. The roll call of the Board shall be in alphabetical order, except that the Presidents of the Boroughs, the Vice-Chairman and the President of the Board shall be called last, and in the following order:

President of the Borough of Richmond, President of the Borough of Queens, President of the Borough of The Bronx, President of the Borough of Brooklyn, President of the Borough of Manhattan, the Vice-Chairman, and the President of the Board. The two latter officers shall be called by their respective titles instead of by their names.

39. The following persons only shall be admitted to the floor of the Aldermanic Chamber during its sessions:

1. The Mayor, his Private Secretary and Chief Clerk.
2. Heads of Departments, their Deputies and Secretaries.
3. Reporters of the Public Press.
4. The Employees of the Board and of the City Clerk's office.
5. Such other persons as may by resolution be granted the courtesy of admission to the floor.

40. The rules of parliamentary practice comprised in "Reed's Rules" shall govern the Board in all cases to which they are applicable, and in which they are not inconsistent with the standing rules and orders of the Board.

41. A rule of the Board may be altered, suspended or rescinded, or a new rule may be added, only by a majority vote of all the members. A motion to suspend, alter or rescind any rule or to add a new rule, shall not be in order without a unanimous vote of the Board, unless one week's previous notice in writing shall have been given to each member specifying the purpose of the proposed suspension, alteration, rescission or addition.

42. Except by unanimous consent a motion to adjourn shall not be put to a viva voce vote, but a roll call thereon shall be ordered.

Which was adopted.

Alderman Kennaally moved that the Board do now adjourn.

The President put the question whether the Board would agree with said motion. Which was decided in the affirmative.

And the President declared that the Board stood adjourned until Thursday, January 17, 1918, at 1.30 o'clock p. m.

P. J. SCULLY, City Clerk and Clerk of the Board of Aldermen.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of the City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture

of ownership of such buildings, appurtenances or portions as shall then be left standing, to gether with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and the City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be relocated or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures. Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done or the supplies are to be furnished. Plans and drawings of construction work may be seen there.
