Message: Proposed Litter Law: my understanding is that Homeowners must get a form notarized to enforce the recently passed "No Litter/Advertisements on my Lawn" law and be available for a hearing in Manhattan. In addition, only DOS can write a ticket if they actual witness such violation. Who wrote this law - the "Advertisement Industry of America". We have enough laws that are not adequately enforced. This law begs not to be enforced. NYC deserves a reasonable law to combat the increasing filth we are forced to deal with on a daily basis.
