" 2. To persons, firms or corporations engaged in a business requiring the frequent or constant hoisting or lowering of merchandise or materials, the Registrar of Permits shall, on the filing of such satisfactory security, to be approved by the Mayor as aforesaid, and on the payment of a fee of twenty-five dollars, grant a general permit to such person, firms or corporations permitting him or them to hoist, raise or lower the goods, property, merchandise or materials therein described, on the outside of any and all buildings, for the term of one year thereafter. Nothing in this subdivision contained shall affect the right in any case to obtain a single permit under subdivision 1."

" 3. In every case it shall be the duty of all persons, firms or corporations while engaged in such hoisting or lowering over any sidewalk, roadway or public place, to give warning on such sidewalk, roadway or public place by two conspicuous flags or placards, on which shall be inscribed in letters, at least six inches long, the word 'danger.'

any building, by means of any rope, pulley, tackle or windlass, under the penalty of one hundred dollars, to be recovered in an action by the City of New York against such person, agent, owner or employer in any court of competent jurisdiction, unless a permit shall be first obtained from the Registrar of Permits, upon the payment of a fee of one dollar, and upon such conditions and with such security by bond or otherwise as may be approved by the Mayor, to save the city harmless from any loss that may occur or damages that may be done while exercising the privilege granted in such permit.

" 2. To persons, firms or corporations engaged in a business requiring the frequent or constant hoisting or lowering of merchandise or materials, the Registrar of Permits shall, on the filing of such satisfactory security, to be approved by the Mayor as aforesaid, and on the payment of a fee of twenty-five dollars, grant a general permit to such person, firms or corporations, permitting him or them to hoist, raise or lower the goods, property, merchandise or materials therein described, on the outside of any and all buildings for the term of one year thereafter. Nothing in this subdivision contained shall affect the right in any case to obtain a single permit under subdivision 1."

" 3. In every case it shall be the duty of all persons, firms or corporations while engaged in such hoisting or lowering over any sidewalk, roadway or public place, to give warning on such sidewalk, roadway or public place by two conspicuous flags or placards, on which shall be inscribed in letters, at least six inches long, the word 'danger.'

of the bidder endorsed thereon, also the number of the
work as in the advertisement, will be received at this
office until Tuesday, September 1, 1885, at 12 o'clock M.,
at which place and hour they will be publicly opened by
the head of the Department and read, for the

No. 1. COMPLETION OF REGULATING AND
GRADING MORNINGSIDE AVENUE
AND CONSTRUCTING RETAINING
WALLS IN CONNECTION THEREWITH,

ONE HUNDRED AND TENTH STREET
TO THE EASTERLY LINE OF TENTH
AVENUE, AND SETTING CURB-
STONES AND FLAGGING SIDEWALKS
THEREIN.

Each estimate must contain the name and place of resi-
dence of the person making the same, the names of all
persons interested with him therein, and if no other per-
son be so interested, it shall distinctly state that fact.
That it is made without any connection with any other
person making an estimate for the same work, and is in
all respects fair and without collusion or fraud. That no
member of the Common Council, head of a department,
chief of a bureau, deputy thereof or clerk therein, or
other officer of the Corporation is directly or indirectly
interested in the estimate or in the work to which it re-
lates or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the party making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders
in the City of New York, to the effect that if the contract
is awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his sureties
for its faithful performance; and that if he shall refuse or
neglect to execute the same, they will pay to the Corpora-
tion any difference between the sum to which he would
be entitled upon its completion and that which the Cor-

poration may be obliged to pay to the person to whom
the contract shall be awarded at any subsequent letting;
the amount to be calculated upon the estimated amount
of the work by which the bids are tested.

The consent last above mentioned must be accompanied
by the oath or affirmation, in writing, of each of the per-
sons signing the same, that he is a householder or free-
holder in the City of New York, and is worth the amount
of the security required for the completion of the con-
tract, over and above all his debts of every nature, and
over and above his liabilities as bail, surety, or otherwise,
and that he has offered himself as surety in good faith,
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by
either a certified check upon one of the national banks of
the City of New York, drawn to the order of the Com-
ptroller, or money, to the amount of five per centum of the
amount of the security required for the faithful perform-
ance of the contract. Such check or money must not be
inclosed in the sealed envelope containing the estimate,
but must be handed to the officer or clerk of the Depart-
ment who has charge of the estimate-box, and no estimate
can be deposited in said box until such check or money
has been examined by said officer or clerk and found to
be correct. All such deposits, except that of the success-
ful bidder, will be returned to the persons making the
same within three days after the contract is awarded.
If the successful bidder shall neglect or refuse, within five
days after notice that the contract has been awarded to
him, to execute the same, the amount of the deposit
made by him shall be forfeited to and be retained by the
City of New York, as liquidated damages for such neg-
lect or refusal; but if he shall execute the contract within
the time aforesaid, the amount of his deposit will be re-
turned to him.

of the person or persons making the same, and the date
of presentation, will be received at the Office of the
Department of Public Parks, No. 36 Union Square,
New York City, until ten o'clock A. M. on Wednesday, the
2d day of September, 1885, at which place and hour the bids
will be publicly opened by the head of said Department
and read, and the award of the contract will be made as
soon thereafter as practicable.

The person or persons to whom the contract may be
awarded will be required to attend at the office of the
said Department, with the sureties offered by him or
them, and execute the contract within five days after
written notice that the same has been awarded to his or
their bid or estimate, and that the sureties offered by him
or them have been approved by the Comptroller; and in
case of failure or neglect so to do, he or they will be con-
sidered as having abandoned it, and as in default to the
Corporation, and thereupon the work will be re-advertised
and relet, and so on until the contract be accepted and
executed. The work to commence at such time as the
Commissioners of the Department of Public Parks may
designate.

N. B.—The prices must be written in the estimate,
and also stated in figures, and all estimates will be
considered as informal which do not contain bids for
all items called for in the specifications, or which
contain bids for items not called for therein. Permis-
sion will not be given for the withdrawal of any bid or
estimate, and the right is expressly reserved by the De-
partment of Public Parks to reject any or all estimates
which it may deem prejudicial to the public interests.
No estimate will be accepted from, or contract
awarded to any person who is in arrears to the Corpora-
tion upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
National Banks of the City of New York, drawn to the
order of the Comptroller, or money, to the amount of
five per centum of the amount of the security required
for the faithful performance of the contract. Such check
or money must not be inclosed in the sealed envelope
containing the estimate, but must be handed to the officer
or clerk of the Department who has charge of the Es-
timate-box, and no estimate can be deposited in such box
until such check or money has been examined by said
officer or clerk and found to be correct. All such de-
posits, except that of the successful bidder, will be
returned to the persons making the same within three
days after the contract is awarded. If the successful
bidder shall refuse or neglect, within five days after notice
that the contract has been awarded to him, to execute the
same, the amount of the deposit made by him shall be
forfeited to and be retained by the City of New York as
liquidated damages for such neglect or refusal; but, if he
shall execute the contract within the time aforesaid, the
amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under
oath, their names and places of residence; the names of
all persons interested with them therein; and if no other
person be so interested, they shall distinctly state the

fact; also, that such estimate is made without any
connection with any other person making a bid or estimate
for the same purpose; and that it is in all respects fair and
without collusion or fraud; and also, that no member of
the Common Council, Head of a Department, or Chief
of a Bureau, deputy thereof or clerk therein, or other
officer of the Corporation, is directly or indirectly inter-
ested therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing,
of the party making such estimate, that the several mat-
ters therein stated are in all respects true. When more
than one person is interested in the estimate, the verifi-
cation must be made and subscribed by all the parties
interested.

Each estimate shall be accompanied by the con-
sent in writing of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will,
on its being so awarded, become bound as his sureties
for its faithful performance; and that if he shall omit or
refuse to execute the same, they will pay to the Cor-
poration any difference between the sum to which he
would be entitled on its completion, and that which the
Corporation may be obliged to pay to the person
to whom the contract may be awarded at any sub-
sequent letting; the amount in each case to be calculated
upon the estimated amount of the work by which the bids
are tested. The consent above mentioned shall be accom-
panied by the oath or affirmation, in writing, of each of
the persons signing the same that he is a householder or
freeholder in the City of New York, and is worth the
amount of the security required for the completion of
the contract, and stated in the proposals, over and
above all his debts of every nature, and over and
above his liabilities as bail, surety, or otherwise; that
he has offered himself as a surety in good faith and
with the intention to execute the bond required by law.
The adequacy and sufficiency of the security offered will
be determined by the Comptroller of the City of New
York, after the award is made and prior to the signing of
the contract.

Bidders are required to state in writing, and also in
figures, the price per cubic yard for wall masonry, the
price per cubic yard for concrete, the price per lineal foot
for granite coping; also, the time required for the com-
pletion of the whole work, which will be tested at the
rate of FOUR dollars per day.

The prices are to cover the furnishing of all the neces-
sary materials and labor, also the expense of excavation,
whether rock or otherwise; and the performance of all
the work as set forth in the specification and form of
agreement hereto annexed.

It being understood that the time so bid refers to the
aggregate time of such Inspectors as may be appointed
on the work, and not to consecutive days, and that the
damages specified in covenant E (see section 6 (f) of
the specifications) will be exacted for each and every day
that the said aggregate time of the Inspectors who may
be employed on the work may exceed the time stipulated
for the completion of the whole work.

The Engineer's estimate of the work to be done, and
by which the bids will be tested, is as follows:

225 cubic yards of wall masonry.

40 cubic yards of concrete.

442 lineal feet of granite coping.

N. B.—Bidders are specially notified that the entire
cost of the work cannot exceed (\$4,500) four thousand
five hundred dollars, and that the Commissioners of the
Department of Public Parks reserve the right to reject
any or all estimates exceeding that amount.

N. B.—As the above-mentioned quantities, though
stated with as much accuracy as is possible in advance,
are approximate only, bidders are required to submit
their estimates upon the following express conditions,
which shall apply to and become a part of every estimate
received:

Bidders must satisfy themselves by personal examina-
tion of the location of the proposed work, and by such
other means as they may prefer, as to the accuracy of
the foregoing Engineer's estimate, and shall not at any
time after the submission of an estimate dispute or com-
plain of such statement or estimate, nor assert that there
was any misunderstanding in regard to the depth or
character of the excavation to be made, or the nature or
amount of the work to be done.

Bidders will be required to complete the entire work to
the satisfaction of the Commissioners of the Department
of Public Parks and in substantial accordance with the
specifications hereto annexed and the plan therein re-
ferred to. No extra compensation beyond the amount
payable for the several classes of work before enumerated
which shall be actually performed at the prices therefor
to be specified by the lowest bidder shall be due or paya-
ble for the entire work.

N. B.—The price bid for wall masonry is to include the
cost of all excavation, whether of earth, rock or other
material.

The amount of security required is twenty-five hun-
dred dollars.

Bidders are informed that no deviation from the speci-
fications will be allowed unless a written permission shall
previously have been obtained from the Commissioners
of the Department of Public Parks.

The Contractor is required to notify the Engineer, in
writing, forty-eight hours prior thereto, of the date he
intends to actually begin work.

Bidders are specially notified that the Department of
Public Parks reserves the right to determine the times
and places for commencing and prosecuting the work,
and that postponement or delay on the whole or any
part thereof, occasioned by the precedence of other
contracts, which may be either let or executed before or
after the execution of the contract for this work, cannot
constitute a claim for damages, nor for a reduction of
the damages fixed for delay in completing the work
beyond the time allowed.

Blank forms of proposals and form of agreement, in-
cluding the specifications, and showing the mode of pay-
ment for the work, can be obtained on application to the
Secretary at the office of the Department, No. 36 Union
Square.

—will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M., of Friday, August 28, 1885. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Hardware, Iron, Crockery and Lumber," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that these several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse

or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect

or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.
