BOARD OF ESTIMATE AND APPORTIONMENT,
NEW YORK, November 8, 1893.

To the Honorable Board of Aldermen :

In pursuance of the requirements contained in section 189 of the New York City Consolidation Act of 1882, the Board of Estimate and Apportionment herewith submits the Provisional Estimate for the year 1894 with their reasons for it in detail.

Very respectfully,

CHAS. V. ADEE, Clerk.

Resolved, That the Provisional Estimate made by the Board of Estimate and Apportionment, on the 30th day of October, 1893, of the amount required to pay the expenses of conducting the public business in the City and County of New York, in each Department and branch thereof and the Board of Education for the ensuing financial year, to wit, for the year one thousand eight hundred and ninety-four, be submitted to the Board of Aldermen, with the reasons for it in detail, as required by section 189 of the New York City Consolidation Act of 1882, as follows :

THE LEGISLATIVE DEPARTMENT.

The amount appropriated for the Common Council in the Provisional Estimate for 1894, is eighty-eight thousand dollars (\$88,000), being the amount of the Departmental Estimate for 1894, and the Final Estimate for 1893.

THE MAYORALTY.

The amount appropriated is twenty-eight thousand dollars (\$28,000), being the same amount as asked for in the Departmental Estimate for 1894, and as allowed in the Final Estimate for 1893, for the expenses of the Mayor's Office in 1894, which includes the salary of the Mayor, as fixed by law at ten thousand dollars per annum. For the Mayor's Marshal's Office, the sum of thirteen thousand seven hundred dollars (\$13,700) was asked for in the Departmental Estimate for 1894, and that amount has been allowed as necessary and reasonable in the Provisional Estimate, being a decrease of one hundred and fifty dollars from the Final Estimate of 1893.

THE FINANCE DEPARTMENT.

The sum of \$301,700 was asked for in the Departmental Estimate for 1894, as required for the several objects and purposes therein, and is allowed as reasonable and necessary, including the salary of the Comptroller, fixed by law at \$10,000 per annum, and the compensation of the Chamberlain, also provided for by law, at \$25,000, including the sum of \$40,000 for cleaning markets. The total is the same as that allowed in the Final Estimate for 1893.

INTEREST ON THE CITY DEBT.

In accordance with the statements submitted by the Comptroller with the Departmental Estimates, the amount appropriated for interest becoming due and payable in 1894 on bonds and stocks of the City of New York, exclusive of interest on bonds and stocks in the Sinking Fund, made payable therefrom, by chapter 178 of the Laws of 1889, and including interest on bonds of the towns of Morrisania and West Farms issued prior to their annexation to the city, and also interest on the estimated amount of revenue bonds to be issued in 1894, amounting in all to \$5,080,217.45, and included in the Provisional Estimate to be raised by tax in 1894.

THE REDEMPTION OF THE CITY DEBT.

The sum of \$310,426.91 is included in the Provisional Estimate for the redemption of revenue bonds made payable in 1894, by special acts of the Legislature ; and also the sum of \$17,000 for the redemption of the debt of the towns of Morrisania and West Farms, which become due in 1894, and also the sum of \$1,312,310.66, pursuant to article 8, section 11 of the State Constitution, as amended in 1884, requiring installments to be raised by tax annually for the redemption at maturity of bonds issued after December 31 of that year, for the supply of water.

Stocks amounting to the sum of \$1,494,000 become due in 1894, for which no appropriation is included in the Provisional Estimate, as the amount has been provided for by installments, and will be paid from the Sinking Fund for the Redemption of the City Debt, pursuant to the provisions of section 192 of the Consolidation Act of 1882, as amended by section 178 of the Laws of 1889.

THE STATE TAXES.

The State Taxes for 1894, as certified by the State Comptroller, amounted to \$4,708,080.01, which is more by \$1,166,123.91 than the amount allowed in 1893; and to which would have to be added \$12,465.68, for compensation and expenses of the Shore Inspector, as provided by law. The total State Tax, as certified by the State Comptroller, consists of the following items :

For Schools, .08 mill	\$1,788,340 47
For State Care of Insane, .33 1/2 mill	608,279 07
For General Purposes, .89 mill	2,311,460 47
For Canals, .37 1/2 mill	
Total, 2.58 mills	\$4,708,080.01

The amount charged for State Care of Insane, viz. : \$608,279.07 has not been allowed in the Provisional Estimate, upon the ground that chapter 126 of the Laws of 1890 does not justify the imposition of said tax. The amount allowed, therefore, in the Provisional Estimate for 1894, is \$4,099,800.94, to which has been added \$12,465.68, for compensation and expenses of the Shore Inspector.

RENTS.

The sum of \$141,480 is appropriated for rents of premises leased to the City for various departments, public offices, court rooms, etc., other than armories and drill rooms.

For rents of armories and drill rooms for the National Guard, not provided with quarters belonging to the City, the sum of \$27,350 is allowed.

JUDGMENTS.

For the payment of judgments against the City that have been or may be obtained, and not otherwise provided for, the sum of \$125,000 is included in the Provisional Estimate of 1894, and is deemed to be required and necessary for this purpose.

SPECIAL APPROPRIATIONS.

accept any bid or estimate as a whole, or for any one or
more articles included therein. No bid or estimate will
be accepted from, or contract awarded to, any person
who is in arrears to the Corporation upon debt or con-
tract, or who is a defaulter, as surety or otherwise, upon
any obligation to the Corporation.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Delivery will be required to be made of Poultry on
Tuesday, November 28, 1893, before 7 o'clock A. M., all
in accordance with specifications.

Any bidder for this contract must be known to be
engaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the per-
son or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, each in the penal amount of fifty (50) per cent.
of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; also that it is made with-
out any connection with any other person making an
estimate for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of
the Common Council, head of a department, chief of
a bureau, deputy thereof, or clerk therein, or other
officer of the Corporation, is directly or indirectly in-
terested therein, or in the supplies or work to which it re-
lates, or in any portion of the profits thereof. The bid
or estimate must be verified by the oath, in writing,
of the party or parties making the estimate that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the verification be made and subscribed by all
the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in
the City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person making the estimate, they
will, on its being so awarded, become bound as his
sureties for its faithful performance; and that if he
shall omit or refuse to execute the same, they shall
pay to the Corporation any difference between the sum
to which he would be entitled on its completion and
that which the Corporation may be obliged to pay
to the person or persons to whom the contract may be
awarded at any subsequent letting; the amount in
each case to be calculated upon the estimated amount of
the supplies delivered by which the bids are tested.
The consent above mentioned shall be accompanied by
the oath or affirmation, in writing, of each of the
persons signing the same, that he is a householder or free-
holder in the City of New York, and is worth the amount
of the security required for the completion of this con-
tract, over and above all his debts of every nature, and
over and above his liabilities as bail, surety or otherwise;
and that he has offered himself as a surety in good faith
and with the intention to execute the bond required by
section 12 of chapter 7 of the Revised Ordinances of the
City of New York, if the contract shall be awarded
to the person or persons for whom he consents to be-
come surety. The adequacy and sufficiency of the
security offered to be approved by the Comptroller of
the City of New York.

No bid or estimate will be considered unless
accompanied by either a certified check upon one of
the State or National banks of the City of New York,
drawn to the order of the Comptroller, or money, to the
amount of five per centum of the amount of the security
required for the faithful performance of the contract.
Such check or money must not be inclosed in
the sealed envelope containing the estimate, but must be
handed to the officer or clerk of the Department who
has charge of the estimate-box, and no estimate can be
deposited in said box until such check or money has
been examined by said officer or clerk, and found to be
correct. All such deposits, except that of the successful
bidder, will be returned to the persons making the same
within three days after the contract is awarded. If the
successful bidder shall refuse or neglect, within five
days after notice that the contract has been awarded to
him, to execute the same, the amount of the deposit
made by him shall be forfeited to and retained by the
City of New York as liquidated damages for such
neglect or refusal, but if he shall execute the contract

within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
