- (a) Retail continuity along designated streets in Subdistricts A, B, C, D and E

Map 2 in Appendix A of this Chapter specifies locations where the special ground floor #use# and transparency requirements of this Section apply. Such regulations shall apply along either 100 percent or 50 percent of the building's #street# frontage, as indicated on Map 2.

#Uses# located on the ground floor level or within five feet of #curb level#, and within 50 feet of the #street line# shall be limited to #commercial uses# permitted by the underlying district, but not including #uses# listed in Use Groups 6B, 6E, 7C, 7D, 8C, 8D, 9B, 10B, 11 or 12D.

A building's #street# frontage shall be allocated exclusively to such #uses#, except for lobby space, entryways or entrances to subway stations, or other subway-related #uses# as described in Section 93-65 (Transit Easements). In no event shall the length of #street# frontage (exclusive of any portion of such #street# frontage allocated to entrances to subway stations and other subway-related #uses#) occupied by lobby space or entryways exceed, in total, 40 feet or 25 percent of the building's total #street# frontage, whichever is less, except that the width of a lobby need not be less than 20 feet.

These locations are illustrated on Map 5 (Transit Easements and Subway Entrances) in Appendix A of this Chapter.

The Chairperson of the City Planning Commission shall certify that a plan has been submitted indicating the volume of the easement necessary for future construction of a subway entrance. Such plan shall be developed in consultation with and the approval of the Transit Authority. The Chairperson

may alternately certify that a plan has been submitted whereby the applicant agrees to provide the required easement, at the applicant's expense, within two years of request by the Transit Authority or by its designee.

An instrument establishing such transit easement, or agreement to provide one within two years of request by the Transit Authority, once certified, shall be filed and duly recorded in the Borough Office of the City Register of the City of New York, indexed against the property in the form of a legal instrument providing notice of such certification. Such filing and recording of the instrument shall be a precondition for the filing for or issuance of any building permit for any #development# or #enlargement# on the #zoning lot#. The recording information shall be included on the certificate of occupancy for any #building#, or portion thereof, on the #zoning lot# issued after the recording date.

Floor space within such ~~any required~~ transit easement shall be excluded from the definition of #floor area#, and may be temporarily used by the owner of the #zoning lot# for any permitted #uses# until such time as required by the Transit Authority or by its designee for subway purposes. Improvements or construction of a temporary nature within the easement volume for such temporary #uses# shall be removed by the owner of the #zoning lot# prior to the time at which public #use# of the easement area is required. A minimum notice of six months in writing shall be given by the Transit Authority to the owner of the #zoning lot# in order to vacate the tenants of such temporary #uses#.

DATE: August 17th, 2010
TIME: 9:00 A.M.

The purpose of this hearing is to inform the public of the proposed acquisition of certain properties and to review the public use to be served by the Atlantic Avenue Extension and its impact on the local environment and residents. The purpose of this acquisition is to 1) extend Atlantic Avenue one block east from the Van Wyck Expressway Service Road East, and connect it with 95th Avenue, creating a new gateway to Downtown Jamaica and 2) to create a new public park. The project includes improved traffic patterns, streetscape enhancements, landscaping and signage. The project will provide more attractive, efficient access to the Jamaica Station/Air Train terminal by decreasing traffic congestion to and from the Van Wyck Expressway.

The properties affected include the following areas as shown on the Tax Map of the City of New York for the Borough of Queens: Block 9990, Lots 5, 34, 46; and Block 9989, Lot 70.

PLEASE TAKE NOTICE, that in accordance with Sections 201-204 (inclusive) of the New York State Eminent Domain Procedure Law (the "EDPL"), a Public Hearing will be held by the New York City Department of Transportation, on behalf of the City of New York in connection with the acquisition of certain properties necessary for the Archer Avenue Station Plaza project in Jamaica, Queens. The time and place of the hearing is as follows:

DATE: August 17th, 2010
TIME: 1:00 P.M.
LOCATION: Greater Jamaica Development Corporation Marketing Center
93-43 Sutphin Blvd. Jamaica, NY 11432

The purpose of this hearing is to inform the public of the proposed acquisition of certain properties and to review the public use to be served by the Station Plaza project and its

impact on the local environment and residents. The purpose of this acquisition is to take property in order to widen and re-align Archer Avenue between 144th Place and 147th Place, to establish Public Places between 144th Place and 147th Place, and to adjust grades necessitated thereby in the Jamaica Station area in Downtown Jamaica. The overall project goal is to alleviate vehicular traffic congestion, improve access to mass transit and provide public open space. The project would result in additional traffic lanes, wider sidewalks, improved bus stops, new medians and publicly accessible open space. Widening Archer Avenue would provide an additional travel lane for a total of four through lanes and a dedicated left-turn lane, improving bus operations and overall traffic conditions. It is anticipated that these Public Places would include seating, landscaping and graphic elements and would allow the relocation of two subway stairs from the sidewalk providing additional space for pedestrians.

The properties affected include the following areas as shown on the Tax Map of the City of New York for the Borough of Queens: Block 9986, Lots 20, 70, 73, 75; Block 9994, Lot 38; Block 9988, Lots 37, 38, 40, 42.

Any person in attendance at this meeting shall be given a reasonable opportunity to present oral or written statements and to submit other documents concerning the proposed acquisition. Each speaker shall be allotted a maximum of five (5) minutes. In addition, written statements may be submitted to the New York City Department of Transportation at the address below, provided the comments are received by 5:00 P.M. on August 24th (5 working days after the public hearing date).

AGENCY RULES

TAX COMMISSION

NOTICE

NOTICE OF RULEMAKING

Pursuant to the power vested in me as the President of the Tax Commission by Sections 164, 389(b) and 1043 of the New York City Charter, I hereby promulgate the within rules pertaining to fees for the review of applications to correct assessments. These rules were published in proposed form on May 28, 2010. A hearing for public comment was held on June 30, 2010.

/s/ Glenn Newman
President, Tax Commission

Section 1. Title 21 of the rules of the city of New York is amended by adding a new Chapter 5, to read as follows:

CHAPTER 5

FEE FOR APPLICATIONS TO CORRECT ASSESSMENTS

§5-01. The Tax Commission shall charge and collect the fee set forth in this chapter.

§5-02. Fee. For purposes of this chapter “Fee” shall mean the amount charged to an applicant for reviewing applications as provided in this chapter.

§5-03. Imposition of Fee. (a) The Fee shall be imposed on applications for properties having an assessed value of \$2 million or more when the application is scheduled for review. An application shall be deemed to be “scheduled for review”:

(i) for applications filed by group representatives, when the application first appears on a calendar page; and

(ii) for applications filed by self-represented applicants and non-group representatives, when a notice that the application has been scheduled for review has been mailed.

(b) For purposes of this chapter “assessed value” shall mean the assessed value or actual assessed value shown on the notice of property value issued by the Department of Finance or, where a notice of revised property value has been issued by the Department of Finance, the assessed value shown on that revised notice. Where a single application covers multiple condominium units, the assessed value for purposes of this chapter shall mean the aggregate assessed value shown on such notice for all units covered by the application.

§5-04. Amount of Fee. The amount of the Fee shall be one hundred seventy-five dollars.

§5-05. Exemption. An application for which review has been waived prior to being scheduled for review shall be exempt from the Fee.

§5-06. Payment and collection of Fee. Unless the Tax Commission provides otherwise, the Fee shall be included on a Statement of Account or real property tax bill issued after the application has been scheduled for review. The Department of Finance shall administer the billing and collection of the Fee on behalf of the Tax Commission.

§5-07. Non-payment of Fee. Notwithstanding any other

provision of these rules to the contrary, if any Fee remains outstanding, the Tax Commission may revoke an offer and restore the matter to its prior status, or decline to schedule an application for review.

STATEMENT OF BASIS AND PURPOSE

Pursuant to Chapter 7 of the New York City Charter, the Tax Commission is empowered to perform a range of functions in connection with reviewing applications to correct assessments of thousands of properties throughout New York City. The Tax Commission is authorized by Sections 164, 389(b) and 1043 of the New York City Charter to adopt by rulemaking fees to cover the cost of services provided to taxpayers. The purpose of the fee is to provide a stream of revenue to permit the Tax Commission to cover the cost of providing hearings to taxpayers challenging their assessments and to improve the process by enhancing the technology and modernizing the hearing process.
