Resolutions.

Whereas, The sum of \$8,000.16 was transferred by request of this Board during the year 1874, from the Health Fund for contingencies, etc., to Health Fund, for removal of night-soil, dead animals, etc., and was not used or required for the latter purpose by reason of a reduction in the cost of removing night-soil, dead animals, etc., but is now needed to pay contingent expenses of this Department for the year 1874; therefore,

Resolved, That the Board of Estimate and Apportionment be and is hereby respectfully requested to re-transfer the sum of \$8,000.16 from the Health Fund for 1874, for the removal of night-soil and dead animals, etc., to the Health Fund for contingencies, etc., for said year.

That upon the report of the Sanitary Superintendent, to the effect that the process, apparatus, and implements of the Odorless Excavating Company for the removal of night-soil from privies,

sinks, etc., are satisfactory for the purpose, and in accordance with the Rules and Regulations for Scavengers, and the provisions of the Sanitary Code, this Board respectfully recommends to his Honor the Mayor that a license as scavenger be granted to said Odorless Excavating Company, for one year from February 1, 1875.

That the Sanitary Superintendent be directed to grant no permits, after this date, to remove night-soil from privies, sinks, etc., except to persons licensed by the Mayor, in accordance with the Rules and Regulations made in January, 1875, under chapter 251, Laws of 1873, and chapter 636, Laws of 1874, and the provisions of the Sanitary Code.

That the officers detailed for the inspection of milk offered for sale in this City be instructed to forward complaints, based upon section 45 of the Sanitary Code, against all dealers hereafter violating the provisions thereof.

That the Attorney be instructed to commence action for penalties against offenders reported under the foregoing resolution.

That William Roberts be continued temporarily in the employment of this Board, and be detailed for duty under the Sanitary Superintendent, with compensation to be hereafter designated.

That Mrs. M. J. Bowers be appointed Matron of the Reception Hospital, to date from January 20, 1875, with salary at the rate of \$300 per annum.

EMMONS CLARK,

HEALTH DEPARTMENT OF THE
CITY OF NEW YORK,
BUREAU OF VITAL STATISTICS,
February 2, 1875.

To the Secretary of the Board of Health:

SIR—In the week that ended on the 16th of January there were 696 deaths; in the week ending on the 23d there 624; and last week there were 576 deaths reported. The decrease of 120 from the week ending on the 16th occurred in such classes and localities and from such causes as may justly encourage both the sanitary and charitable care which are bestowed upon the poor classes. There was a decrease of mortality from all diseases of the respiratory organs, from diseases of the brain and nervous system, diseases of the heart, and from diphtheria, scarlatina, and all other contagious diseases, except small-pox and whooping-cough.

The death-rate was equal to 31.20 in the 1,000 yearly, for the week ending on the 23d instant, and last week our reported mortality was equal to 28.80 in the 1,000. This still exceeds the average death-rate for the year 1874, and is associated with excessive fluctuations of temperature, and an excessive prevalence of congestive and inflammatory diseases. The death-rate in 21 chief cities of Great Britain in the week ending January 9 was equal to 39 per 1,000 yearly. It was equal to 35 per 1,000 in London, 42 in Dublin, 45 in Edinburgh, and 66 in Glasgow.

Respectfully submitted.

ELISHA HARRIS, M. D.,
Registrar of Vital Statistics.

TO CONTRACTORS.

PROPOSALS FOR MAKING REPAIRS TO STEAM DREDGE No. 2.

SEALED PROPOSALS FOR THIS WORK, endorsed as above, and addressed to "Jacob A. Westervelt, President of the Department of Docks," will be received at this office until 12 o'clock M. of Thursday, 11th February, 1875, at which time the bids will be publicly opened and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The time allowed for the completion of the repairs is (40) forty days from the date of the signing of the contract. The dredge is to be taken from her present moorings, and, after the completion of the repairs, returned to such point on the North river water front of the city as may be designated by the President, at the cost and expense of the contractor for doing this work.

NOTE.—In case the repairs to the dredge are not made in New York City, an Inspector will be appointed by the Board of Docks, at the cost and expense of the person or persons doing the work under the contract.

Bidders will state in the proposals the price for the work to be done, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to him or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith; the adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York after the award is made, and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Board of Docks.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application at the office of the Department.

SALEM H. WALES,
WILLIAM BUDD,
Commissioners of the Department of Docks.
