Each bid or proposal must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, or of two guaranty or surety companies, duly authorized by law to act as sureties, as shall be satisfactory to the Comptroller of the City of New York, to the effect that if the contract be awarded to the person or persons making the bid or proposal, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance in the amount of Fifty Thousand Dollars (\$50,000); and that if he or they shall omit or refuse to execute the contract, they will pay to the City of New York any difference between the sum to which he or they would be entitled on its completion and that which The City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded, the amount to be calculated upon the estimated amount of work by which the bids or proposals are tested.
