## COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 2 o'clock p. m., on Wednesday, October 9, 1907.

Present—George B. McClellan, Mayor; Herman A. Metz, Comptroller; James J. Martin, Chamberlain; Patrick F. McGowan, President, Board of Aldermen, and John R. Davies, Chairman, Finance Committee, Board of Aldermen.

The minutes of the meeting held September 20, 1907, were approved as printed.

The following was received from the Municipal Civil Service Commission relative to a lease of premises at Nos. 66 to 72 Lafayette street, in the Borough of Manhattan:

NEW YORK, July 23, 1907.

N. TAYLOR PHILLIPS, Esq., Deputy Comptroller and Secretary, Sinking Fund Commission, No. 280 Broadway, New York City:

SIR—I desire to call your attention to the fact that the lease of the premises at No. 51 Lafayette street, occupied by this Commission as an examining room, gymnasium and also by our Labor Bureau, expires some time during the month of October of this year.

While these quarters will be adequate for the work of the Commission so long as we are able to rent the large room at the Grand Central Palace from time to time, as our examinations require, yet there is a possibility of our not being able to secure the same after a short time, as I am informed the building is to be used for other purposes. For that reason it may be necessary to secure other quarters. If this is done it must be with a view to taking care of a much larger number of people than can be accommodated in our present examination room, and the expense of moving and buying an additional five or six hundred desks will have to be provided for.

If you desire any further information I will be very glad to give you the same at any time.

Very truly yours,  
WM. F. BAKER, President.

NEW YORK, April 25, 1907.

Hon. N. TAYLOR PHILLIPS, Deputy Comptroller and Secretary to the Commissioners of the Sinking Fund, New York City:

SIR—I desire to call your attention to the fact that the lease of the premises at No. 51 Lafayette street occupied by this Commission as an examining room and gymnasium, and also by our Labor Bureau, expires next October. These quarters were altered last year, at some expense, to meet the requirements of this Commission so far as it was possible to do with the limited floor space. I have been informed that it is only a matter of a year, or less, when the Grand Central Palace will be used for such purposes as will prevent their allowing the use of their main room for our large examinations, and looking towards the future, it will be necessary to provide this Commission with quarters adequate for the conduct of its business.

A new building has been erected on Lafayette street called the Merchants' Association Building. The two upper floors would be ideal for the examining work and

for the Labor Bureau of this Commission, as the floor space would be ample for our requirements for some years to come. I would respectfully request that an inspection of this building be made by your Commission.

In considering the expense incurred in the matter of increased rent, which I presume will be more in this new building, as the space will be about double that which we now have at No. 51 Lafayette street, the cost of moving and fitting up these new quarters to meet our requirements must also be borne in mind. An appropriation for that purpose would have to be granted, the amount of which I am not prepared to state at the present time.

Respectfully yours,  
WM. F. BAKER, President.

July 25, 1907.

Hon. HERMAN A. METZ, Comptroller, No. 280 Broadway, Manhattan:

DEAR SIR—On behalf of the owners I desire to offer to the City for use of the Municipal Civil Service Examining Department the seventh and eighth floors in Nos. 66 to 72 Lafayette street, Borough of Manhattan, New York City, upon the following terms and conditions:

The owners will remove and put up furniture and fixtures from the present quarters at No. 51 Lafayette street, furnish shades for the windows and furnish such additional desks and partitions as may be needed at their own expense.

The City is to take a lease for ten years, with privilege of cancelling same after five years by giving at least ninety days' prior notice before the expiration of the fifth year of the term, and to pay an annual rental for the two floors of fifteen thousand five hundred dollars (\$15,500) per year, payable in equal monthly installments in advance.

The owners will remove such of the furniture and fixtures as may be desired from the present quarters in No. 51 Lafayette street, before the commencement of the date of the new lease, which date shall be from October 1, 1907 (?) (the expiration date of the lease in the present quarters of the Municipal Civil Service Examining Department in No. 51 Lafayette street).

The owners will agree, if the Municipal Civil Service Examining Department desires the use of the new quarters before the commencement of the new lease, to permit the use of the same, the City agreeing to pay one hundred and fifty dollars (\$150) per day (or night) prior to the commencement of the lease.

The owners agree that the partitions and desks supplied are to be the property of the City at the expiration of the lease.

In answering this communication will you please address Mr. H. D. Dumont, No. 100 Broadway, who represents me in this transaction.

Thanking you for your action in the matter and speedy reply, I remain,

Yours respectfully,  
S. H. STONE,

Agent for the Owners of Nos. 66 and 72 Lafayette Street.

President Baker of the Municipal Civil Service Commission appeared before the Board and was heard at length in regard to the matter.

The Comptroller thereupon presented the following report and offered the following resolution:

July 26, 1907.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Municipal Civil Service Commission occupies the second and third floors of the building No. 51 Lafayette street, Borough of Manhattan, for an examination room, gymnasium and also the Labor Bureau of the said department. The lease thereof will expire on November 1, 1907, and the rental paid for the premises is at the rate of \$9,000 a year.

In a communication under date of July 23, 1907, addressed to the Commissioners of the Sinking Fund, the President of the Municipal Civil Service Commission states relative to the premises in question:

"While these quarters will be adequate for the work of the Commission so long as we are able to rent the large room at the Grand Central Palace from time to time, as our examinations require, yet there is a possibility of our not being able to secure the same after a short time, as I am informed the building is to be used for other purposes. For that reason it may be necessary to secure other quarters."

And in a previous communication addressed to the Commissioners of the Sinking Fund he states:

"A new building has been erected on Lafayette street called the 'Merchants' Association Building.' The two upper floors would be ideal for the examining work and for the Labor Bureau of this Commission, and the floor space would be ample for our requirements for some years to come."

The question has arisen as to the cost of the additional desks, etc., used for examination purposes, and after negotiation with the owner of the building, the following proposition has been made:

The owners will remove and put up furniture and fixtures from their present quarters at No. 51 Lafayette street, furnish shades for the windows and furnish such additional desks and partitions as may be needed at their own expense. The City is to take a lease for ten years, with privilege of cancelling same after five years by giving at least ninety days prior notice before the expiration of the fifth year of the term, and to pay an annual rental for the two floors of fifteen thousand five hundred dollars (\$15,500) per year, payable in equal monthly installments in advance.

The owners will remove such of the furniture and fixtures as may be desired from the present quarters in No. 51 Lafayette street, before the commencement of the date of the new lease, which date shall be from October 1, 1907, the expiration date of the lease in the present quarters of the Municipal Civil Service Examining Department in No. 51 Lafayette street. The owners will agree, if the Municipal Civil Service Examining Department desires the use of the new quarters before the commencement of the new lease, to permit the use of the same, the City agreeing to pay one hundred and fifty dollars (\$150) per day (or night) prior to the commencement of the lease. The owners agree that the partitions and desks supplied are to be the property of the City at the expiration of the lease.

It would appear advantageous that the City should make this lease. While the rent is an increase of \$6,500 over the present existing lease, still there will be a considerable saving in the rental of outside rooms for examination purposes, which cost each year several thousand dollars, and besides there will be more security in the transaction of the examinations where complete secrecy is necessary, the rental asked, in my opinion, is reasonable.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the entire seventh and eighth floors of the premises Nos. 66 to 72 Lafayette street, Borough of Manhattan, for a period of five years from the date of occupation, at an annual rental of \$15,500, payable monthly, with the privilege of renewal of a further term of five years. The owners to remove and put up furniture and fixtures from the present quarters of the Municipal Civil Service Commission, at No. 51 Lafayette street, furnish shades for the windows and furnish such additional desks and partitions as may be needed, at the expense of the lessor, and further, that the lessor agrees that the partitions and desks supplied are to be the property of the City at the expiration of the lease. The lessor to furnish light, heat, elevator and janitor service during the term of the lease. Lessors, Lippman & Eisman, owners; rent payable to Samuel H. Stone, agent.

Respectfully submitted for approval,  
MORTIMER J. BROWN,  
Appraiser of Real Estate, Department of Finance.

Approved:  
H. A. METZ, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Messrs. Lippman & Eisman, owners, rent payable to Samuel H. Stone, agent, of the entire seventh and eighth floors of the premises Nos. 66 to 72 Lafayette street, Borough of Manhattan, for the use of the Municipal Civil Service Commission, for a period of five years from the date of occupation, with the privilege of renewal for an additional five years, at an annual rental of fifteen thousand five hundred dollars (\$15,500), payable monthly; the owners to remove and put up furniture and fixtures from the present quarters of the Municipal Civil Service Commission, at No. 51 Lafayette street, furnish shades for the windows and furnish such additional desks and partitions as may be needed, at the expense of the lessor; the partitions and desks supplied to be the property of The City of New York at the expiration of the lease; the lessor to furnish light, heat, elevator and janitor service during the term of the lease; and the Commissioners of the Sinking Fund, deeming the said rent fair and reasonable and that it would be for the interest of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

A true copy of report and resolutions adopted by the Board of Education on September 25, 1907.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolutions:

October 2, 1907.

#### Hon. HERMAN A. METZ, Comptroller:

SIR—The Board of Education, at a meeting held September 25, 1907, adopted a resolution requesting the Commissioners of the Sinking Fund to authorize the hiring of certain premises, in the Borough of Brooklyn, for lecture purposes, part of which resolution reads as follows:

"Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize the hiring of the auditorium of the Bedford Branch of the Y. M. C. A., Brooklyn, for lecture purposes, once weekly, at a rental of \$20 per night, and the City Park Branch of the First Presbyterian Church, Brooklyn, for lecture purposes, once weekly, at a rental of \$10 per night, and to authorize the Comptroller to pay the rental of said halls without the necessity of entering into leases therefor."

Upon examination, I find that the auditorium on the first floor of the new Bedford Branch of the Y. M. C. A., at Bedford avenue and Monroe street, Brooklyn, is a thoroughly equipped lecture hall with a gallery. It is lighted by electricity, heated by steam and has a seating capacity of about one thousand. The regular rental charged to outside parties for this hall, I am informed, is \$75 a night, and the rental charged the City, \$20 a night, is therefore reasonable. I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the hiring of the auditorium of the Bedford Branch of the Y. M. C. A., Bedford avenue and Monroe street, Brooklyn, for lecture purposes, once weekly, at a rental of \$20 per night, and authorize the Comptroller to pay the rental of said hall without the necessity of entering into a lease.

In regard to the hall on the first floor of the City Park Branch of the First Presbyterian Church, located at No. 209 Concord street, Brooklyn, I find that the same has gas and steam heat, a large gallery and also a large pipe organ. The total seating capacity is about four hundred. The rental asked for this hall is \$10 per night, which, in my opinion, is not excessive. I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the hiring of the hall on the first floor of the City Park Branch of the First Presbyterian Church, No. 209 Concord street, Brooklyn, for lecture purposes, once weekly, at a rental of \$10 per night, and authorize the Comptroller to pay the rental of said hall without the necessity of entering into a lease.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate, Department of Finance.

Approved:

H. A. Metz, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring, by the Board of Education, of the auditorium of the Bedford Branch of the Y. M. C. A. at Bedford avenue and Monroe street, Brooklyn, for lecture purposes, once weekly, at a rental of twenty dollars (\$20) per night, and the Comptroller be and is hereby authorized to pay the said rental without the necessity of entering into a lease.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring, by the Board of Education, of the hall on the first floor of the City Park Branch of the First Presbyterian Church, No. 209 Concord street, Borough of Brooklyn, for lecture purposes, once weekly, at a rental of ten dollars (\$10) per night, and the Comptroller be and is hereby authorized to pay the said rental without the necessity of entering into a lease.

The report was accepted and the resolutions severally unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease of premises No. 28 Jones street, Borough of Manhattan, for the use of the Board of Education:

October 2, 1907.

#### Hon. HERMAN A. METZ, Comptroller:

SIR—The Board of Education at a meeting held September 25, 1907, adopted the following resolution:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the renewal of the lease of the premises No. 28 Jones street, occupied as an annex to Public School 8, Borough of Manhattan, for a period of one year from November 1, 1907, at an annual rental of \$450, and on the same terms and conditions as contained in the existing lease. Owners, the Co-operative Social Settlement of The City of New York, No. 26 Jones street, New York City."

These premises have been under lease to the City for a number of years past, and the rental asked being the same as paid heretofore, I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease of the premises No. 28 Jones street, Borough of Manhattan, occupied as an annex to Public School 8, for a period of one year from November 1, 1907, at an annual rental of \$450, payable monthly, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, the Co-operative Social Settlement of The City of New York.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City of premises No. 28 Jones street, Borough of Manhattan, occupied as an annex to Public School 8, for a period of one year, from November 1, 1907, at an annual rental of four hundred and fifty dollars (\$450), payable monthly, otherwise upon the same terms and conditions as contained in the existing lease; lessor, the Co-operative Social Settlement of The City of New York; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to the payment of the rental of Room L, Stewart Building, No. 280 Broadway, Manhattan, occupied by the Armory Board and by the Department of Finance:

September 30, 1907.

#### Hon. HERMAN A. METZ, Comptroller:

SIR—The Armory Board has been in occupation for a number of years past of Room L in the Stewart Building, which room has been included in the omnibus lease of the City. On or about November 1, 1906, the Armory Board removed from Room L to the Hall of Records, and the room vacated by them was taken by the bookbinder for the Collector of Assessments and Arrears. No rent has been paid for this room for the year from May 1, 1906, to May 1, 1907. The rent for the current year, from May 1, 1907, has been acted upon by the Commissioners of the Sinking Fund.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the payment of the rent of Room L in the Stewart Building, for a period from May 1, 1906, to May 1, 1907, at an annual rental of \$900, without the necessity of entering into a lease. Rent payable to Edward D. Harris, executor.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Edward D. Harris, executor, the sum of nine hundred dollars (\$900), being the rent of Room L in the Stewart Building, occupied by the Armory Board and by the Department of Finance, for the period from May 1, 1906, to May 1, 1907, without the necessity of entering into a lease.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a renewal of the lease of premises at Nos. 1034 and 1036 East One Hundred and Thirty-fourth street, Borough of The Bronx, for the use of the Department of Health:

September 26, 1907.

#### Hon. HERMAN A. METZ, Comptroller:

SIR—The Commissioner of the Department of Health under date of September 19, 1907, transmitted two communications to this office, one being a resolution adopted by the Board of Health at a meeting held on September 18, 1907, requesting the Commissioners of the Sinking Fund to authorize a renewal of the lease of the premises situated at Nos. 1034 and 1036 East One Hundred and Thirty-fourth street, Borough of The Bronx, to be used as an ambulance and disinfecting stable for the housing of ambulances and disinfecting wagons of the Department of Health, for a period of one year commencing January 1, 1908, with the privilege of renewal at an annual rental of \$950, otherwise upon the same terms and conditions as contained in the former lease heretofore made between J. H. C. Johansmeyer and The City of New York.

He states in his communication, transmitting the resolution, that provision for the purchase of another site for stable purposes has been made, but it is not likely that a proper building can be erected before the expiration of the coming year.

This property has been under lease to the Board of Health for a number of years past. There was a resolution adopted by the Commissioners of the Sinking Fund at a meeting held on October 10, 1907, which authorized a renewal of the lease for a period of one year from January 1, 1907, with the privilege of renewal for an additional year upon the same terms and conditions at an annual rental of \$950, which was rejected by the owner of the premises, who declined to sign a lease or to rent the premises unless he received a rental of \$1,200, and the Commissioners of the Sinking Fund at a meeting held February 20, 1907, adopted a resolution authorizing a renewal of the premises for a period of one year from January 1, 1907, at an annual rental of \$1,200, payable quarterly, otherwise upon the same terms and conditions as con-

tained in the existing lease. This lease was executed on April 1, 1907, so that there is an error in the resolution of the Board of Health in regard to the rental of \$950, being probably due to stenographic work, because the Secretary was in possession of the lease at the time of the drafting of the resolution.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund approve of the request of the Board of Health for the renewal of the lease of the premises Nos. 1034 and 1036 East One Hundred and Thirty-fourth street, Borough of The Bronx, to be used as an ambulance and disinfecting stable for the housing of ambulances and disinfecting wagons of the Department of Health, for a period of one year from January 1, 1908, with the privilege of renewal for an additional year, at an annual rental of \$1,200, otherwise upon the same terms and conditions as are contained in the present existing lease. Lessor, J. H. C. Johansmeyer.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from J. H. C. Johansmeyer, of the premises Nos. 1034 and 1036 East One Hundred and Thirty-fourth street, Borough of The Bronx, to be used as an ambulance and disinfecting stable for the housing of ambulances and disinfecting wagons of the Department of Health for a period of one year from January 1, 1908, with the privilege of renewal for an additional year, at an annual rental of twelve hundred dollars (\$1,200), otherwise upon the same terms and conditions as contained in the existing lease; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller brought up the matter of the proposed sale of the Twenty-second Regiment Armory, which was laid over at the last meeting.

Discussion of the matter followed, and on motion of the President of the Board of Aldermen the papers were ordered placed on file.

The Comptroller presented the following report and offered the following resolutions relative to a sale of buildings upon property acquired for public purposes:

September 18, 1907.

Hon. HERMAN A. METZ, Comptroller:

SIR—Pursuant to provisions of section 1553 of the revised Charter, authority to dispose of buildings owned by The City of New York is vested in the Commissioners of the Sinking Fund.

This office is in receipt of several communications from various departments requesting the sale of buildings upon property acquired for their respective uses.

1. The President of the Borough of The Bronx has requested the sale of the following buildings and parts of buildings, all in the Borough of The Bronx:

(a) Lying within the lines of Tremont avenue (West One Hundred and Seventy-seventh street), between Aqueduct avenue and Sedgwick avenue, Twenty-fourth Ward.

(b) Lying within the lines of White Plains road, between Van Nest avenue and West Farms road.

(c) Lying within the lines of West Farms road, between Rosedale avenue and Westchester creek, Twenty-fourth Ward.

(d) Lying within the lines of Main street, City Island, from the approach of City Island Bridge to Long Island Sound.

(e) Lying within what is known as Parcel A of the easterly approach to the City Island Bridge, Twenty-fourth Ward.

(f) Lying within the lines of East One Hundred and Sixty-first street, from Jerome avenue to Walton avenue, Borough of The Bronx, Twenty-third Ward.

2. The Board of Education has requested the sale of the buildings, parts of buildings, etc., acquired for school purposes on Powell and Sackman streets, adjoining Public School 109, in the Borough of Brooklyn.

3. The President of the Borough of Brooklyn has requested the sale of the frame building and barn on East Fourteenth street, near Avenue S, in the Borough of Brooklyn, acquired for the Department of Water Supply, Gas and Electricity.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt resolutions authorizing the sale of the above buildings, and resolutions for adoption are herewith submitted.

Respectfully submitted for approval,

JOHN M. GRAY, Collector of City Revenue.

Approved:

H. A. METZ, Comptroller.

Whereas, The President of the Borough of The Bronx has requested the sale of all buildings, parts of buildings, etc., now standing upon property owned by The City of New York, located in the Borough of The Bronx, acquired by it for the opening of Tremont avenue, said buildings being situated upon land more particularly described as follows:

This security must be deposited within forty-eight hours after the sale, and may at any time after the expiration of the contract period be applied by the City to the cost of completing any work required under the contract but unfinished at the expiration of the contract period.

All the buildings, structures and parts thereof, their fixtures and foundations, of every class and description, within the described area are to be torn down to a level two feet below the existing curb, and structures which may exist within any of the buildings, such as engine beds, boiler settings, etc., and all stoops and area walls shall be torn down to the same level. All partitions, sheds and fences shall be removed from the premises. All brick laid in mortar, all floor beams, joists, studdings, flooring, ceiling, roofing, boards and woodwork of every description, and all gas, water, steam and soil piping shall be removed from the premises. The purchaser at the sale shall also shut off and cap all water pipes at the main pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity.

Failure to remove said buildings or appurtenances, or any portion thereof, within sixty days from the day of sale, will work forfeiture of ownership of such buildings

or appurtenances or portion as shall then be left standing, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the costs and expenses thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner and must be completed within sixty days from the day of sale, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damages and costs to which it, they or any of them, be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of the said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of the adjacent buildings shall be properly flashed and painted and made water-tight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids.

And it is further resolved that, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
