"Compete To Win" More Contracts! Thanks to a new City initiative - "Compete to Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. ● **Win More Contracts at nyc.gov/competetowin**

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system. RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap_shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

- Administration for Children's Services (ACS)
 - Department for the Aging (DFTA)
 - Department of Corrections (DOC)
 - Department of Health and Mental Hygiene (DOHMH)
 - Department of Homeless Services (DHS)
 - Department of Probation (DOP)
 - Department of Small Business Services (SBS)
 - Department of Youth and Community Development (DYCD)
 - Housing and Preservation Department (HPD)
 - Human Resources Administration (HRA)
 - Office of the Criminal Justice Coordinator (CJC)
- To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

HOMELESS SERVICES**■ SOLICITATIONS***Human / Client Services*

EMPLOYMENT AND RAPID EXIT SERVICES – Negotiated Acquisition – PIN# 07114I0001 – DUE 11-20-13 AT 2:00 P.M. – The Department of Homeless Services (DHS) is seeking appropriately qualified providers to operate a program linking families in DHS shelters to employment and helping them use their earnings to exit the shelter system and into permanent housing. DHS is seeking up to two (2) providers that have the experience, capability and creative approach to place homeless families in jobs and housing through a combination of counseling and direct services. It is expected that the selected providers would work with certain subpopulations within the DHS family shelter populations (e.g., families in certain types of shelter facilities, families in receipt of unemployment insurance, families who are sanctioned by the Human Resource Administration, families participating in transitional jobs programs, etc.). DHS anticipates assigning a higher number of clients to the awarded vendors during the first six months of the initial contract term.

This solicitation will be conducted via a Negotiated Acquisition method pursuant to Section 3-04 (B)(2)(ii) of the Procurement policy Board Rules.

The term of this proposed contract will be from January 1, 2014 to June 30, 2015 and may include a renewal option of up to two years. The services provided will not replace or duplicate existing services. Rather, the service provider(s) would complement currently available services and link the efforts between employment and shelter exit.

The anticipated funding for the contract(s) awarded from this Competitive Negotiated Acquisition will not exceed \$1.2 million for the 18 month period. The payment structure for the proposed contract(s) will be based on a 100 percent performance basis.

Qualified vendors that are interested in providing these services must submit an Expression of interest (EOI), and complete the Budget Template (see attachment A) prior to the start of negotiations including contact name, phone number and e-mail address by Wednesday 2:00 P.M., November 20, 2013 to: Kayona Wall, Director, Competitive Sealed Proposals, Department of Homeless Services, 33 Beaver St., 13th Floor NY, NY 10004 or e-mail kwall@dhs.nyc.gov

FAMILY RE-ENTRY PROGRAM – Demonstration Project – Testing or experimentation is required - PIN# 07114D0001 – DUE 11-22-13 AT 2:00 P.M. – The Department of Homeless Services (DHS) intends to enter into contract negotiations with the Vera Institute of Justice ("Vera") to conduct a demonstration project pursuant to Section 3-11 of the NYC Procurement Policy Board Rules (PPB) to assist formerly incarcerated individuals residing in the DHS shelter system, or otherwise referred by DHS, to reunite with their families who live in public housing operated and maintained by the New York City Housing Authority (NYCHA). The program will provide intensive case management and support to project participants and their families, with the goal that they will eventually reside in the public housing household on a permanent basis, thus remaining out of the DHS homeless shelter system. This project, known as the Family Re-entry Pilot Program, has been in the planning stages since 2010.

Upon commencement of the project, DHS and Vera, working in partnership with NYCHA and the Corporation for Supportive Housing (CSH), will refer formerly incarcerated individuals to NYCHA for interviews. NYCHA will interview and assess both the referred individual and the individual's family, and will make a determination of whether that individual can reside temporarily in NYCHA housing. To effectuate this placement, NYCHA will grant a pilot participant temporary permission to reside with his or her family while such participant is in the program, notwithstanding the participant's criminal history. Once placed with their family in public housing, Vera, through subcontracts with select social services providers, will provide intensive case management to the individual and his or her family for six months. After this six month period, successful project participants will have less-frequent contact with their case managers for an additional 12-18 months. The program is expected to serve 150 participants over the course of two years. The ultimate goal is that, at the end of the project, participants who have completed the program would join the NYCHA household on a permanent basis.

The term of the demonstration project is for two years from December 1, 2013 to November 30, 2015. The estimated amount of the demonstration project is \$447,332.00. DHS funding will be used to support personnel services and other than personnel services (OTPS). The payment structure will be a combination of a line item budget and performance based milestones. Vera will additionally be performing an evaluation of the demonstration project, and using administrative data and quasi-experimental design, in order to assess the project's impact on compliance with NYCHA's lease requirements and recidivism during the two years of the program. This evaluation will be separately-funded.

Any vendor who is interested in submitting an Expression of Interest to provide these services may submit in writing to Calvin Pitter, Deputy Chief Contracting Officer, Department Of Homeless Services at 33 Beaver St., 13 Floor NY, NY 10004, at (212) 361-8413. HOUSING PRESERVATION & DEVELOPMENT

NOTICE

**COMMUNITY DEVELOPMENT BLOCK GRANT – DISASTER RECOVERY PROGRAM
EARLY NOTICE AND PUBLIC REVIEW OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN AND WETLANDS**

To: All Interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York (“City”) is proposing to undertake activities within a 100-year floodplain relating to the United States Department of Housing and Urban Development’s (“HUD”) Community Development Block Grant-Disaster Recovery (“CDBG-DR”) program. President Obama signed the “Disaster Relief Appropriations Act, 2013” (Public Law 113-2) into law on January 29, 2013. Among other appropriations, the Act included \$16 billion in CDBG-DR funds “for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from Hurricane Sandy. This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20(b) for the HUD action that is within and/or affects a floodplain. Under 24 CFR Part 58, the City, as the sub-recipient of the grant funds, has identified its Office of Management and Budget as the Responsible Entity for maintaining the CDBG-DR Environmental Review Record.

Projects funded with CDBG-DR would be located in areas of impact from Hurricane Sandy throughout the five Boroughs of New York City. The City anticipates that most of the grant would be targeted toward rehabilitation or reconstruction activities designed to help victims of Hurricane Sandy, including homeowners and tenants of rental properties to achieve permanent, sustainable housing solutions that allow them to remain in New York City, and return to their neighborhoods where possible.

The City’s initial allocation of CDBG-DR funds is \$1,772,820,000. Of this total, the City has allocated \$648 million in funding for assistance to address the various unmet housing needs it has identified so far. The focus of this notice is the Multi-family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development (“HPD”). Of the initial \$648 million of CDBG-DR allocated to housing, \$225 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) and 3-4 unit buildings that are not owner-occupied. The properties shown below are subject to this public notice:

This public notice and the associated maps for the affected properties listed above are available for viewing using the following link <http://www.nyc.gov/builditback> and then clicking on “Reports and Public Notices”.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk. The 8-Step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain as well as potential mitigation measures. Applicants receiving CDBG-DR construction assistance for residential properties partially or wholly situated within the 100-year floodplain will be required to participate in the National Flood Insurance Program.

HPD is interested in alternatives and public perceptions of possible adverse impacts that could result from these projects as well as potential mitigation measures. The activities will occur in areas served by existing infrastructure. All interested persons, groups and agencies are invited to submit comments regarding the proposed use of federal funds to support a project located in a floodplain. Written comments should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, Director of Environmental Planning, Office of Development, Room 91-7. Comments may also be submitted electronically to nepa_env@hpd.nyc.gov. All comments must be received on or before the 15th day following the date of this notice.

HUMAN RESOURCES ADMINISTRATION

NOTICE

Notice of Concept Paper

The New York City Human Resources Administration (HRA) intends to issue a Request for Proposals (RFP) on behalf of the Office of the Deputy Mayor for Health and Human Services for the Shared Services/Support, Accountability and Value-Enhancement Unit (SAVE) for Emergency and On-Call Case Management Services.

In advance of the release of the RFP, HRA/SAVE has developed a concept paper to outline the program’s goals and approach to prepare for emergency response in advance and preventing short notice emergency contracting. In the event of a severe emergency, there is a need for Emergency and On-Call Case Management Services, which would direct affected victims and their families to appropriate resources and would facilitate the delivery of health and human services to affected individuals.

The concept paper has been posted on the HRA’s website at www.nyc.gov/hra/contracts

HOUSING RECOVERY OPERATIONS

NOTICE

FINDING OF NO SIGNIFICANT IMPACT FOR NYC BUILD IT BACK SINGLE FAMILY HOUSES (1 TO 4 UNITS)

City of New York Office of Management and Budget (OMB) Community Development Block Grant – Disaster Recovery Program

The New York City Office of Management and Budget (NYCOMB) is the Responsible Entity for environmental reviews conducted with funds allocated through the US Housing and Urban Development (HUD) for the City’s Community Development Block Grant – Disaster Recovery (CDBG-DR) Program to support Hurricane Sandy recovery efforts. The NYC Build It Back: Single Family Houses (1 to 4 Units) program (NYC Houses) will distribute \$306,000,000 to specifically address unmet housing needs associated with damages to owner-occupied and year round tenant-occupied homes located across the City’s five boroughs. NYC Houses will serve eligible project beneficiaries by providing various assistance types for owners of residential homes that fall into one of the following three categories of damage to housing:

- Reconstruction: Residential property that has been destroyed or is not practical to rehabilitate;
- Major Rehabilitation: Residential property that is not destroyed but has substantial damage as assessed by the NYC Houses program; and
- Moderate Rehabilitation: Residential property that was damaged, but is not destroyed and does not have substantial damage as determined by the NYC Houses program.

Reconstruction activities will largely include demolition of the original storm-damaged unit, site preparation, elevation as required, and reconstruction of a single family dwelling (up to 4 units for owner-occupied rental properties). Major and moderate rehabilitation activities may include: repair or replacement of structure elements such as roof, windows and doors, sheetrock, plumbing and electrical fixtures, mechanicals, upgrades to meet code requirements. Rehabilitation may also involve elevation, energy efficiency, storm mitigation or flood proofing and other resiliency measures.

On July 30, 2013, HUD issued guidance that additionally allows for reimbursements to eligible property owners who incurred and documented expenses to demolish, replace or repair their homes in the aftermath of Hurricane Sandy and before the NYC CDBG-DR program award.

FINDING OF NO SIGNIFICANT IMPACT

Through a tiered Environmental Broad Review process for NYC Houses, the City determined that proposed project activities on a broad scale would not have a significant impact on the environment given the subsequent site-specific scale of environmental review to be performed prior to commencing recovery activities that ensure the implementation of any required environmental mitigation measures. The City’s Finding of No Significant Impact (FONSI) for NYC Houses was published in NYC on June 28, 2013 combined with a Notice of Intent to Release Funds and therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 was not required. No comments or objections were received from the public.

With the new HUD allowance to include homeowner reimbursement activities through NYC Houses, the City re-evaluated activities described in the June 28, 2013 FONSI. The City has subsequently determined that the FONSI remains valid with the addition of reimbursement activities as each proposed project will be subject to the same site-specific scale of environmental review as the program’s reconstruction and rehabilitation activities.

Additional project information is contained in the Environmental Review Record on file with Mr. Calvin Johnson, Assistant Director, New York City Office of Management and Budget, 255 Greenwich Street, 8th Floor, New York, NY 10007 and may be examined or copied weekdays 10:00 A.M. to 5:00 P.M. This posting can be found by using the following link <http://www.nyc.gov/builditback> and then clicking on “Reports and Public Notices”.

PUBLIC COMMENTS

Any individual, group or agencies disagreeing with this determination or wishing to comment on the project may submit written comments to NYCOMB. Comments must be received in writing by mail to the above address or submitted via email to CDBGDR-Enviro@omb.nyc.gov. The minimum 7 day calendar comment period will begin the day after the publication and end on the 8th day after publication. All comments received by November 13, 2013 will be considered.
