AN ORDINANCE to provide for the killing of Dogs in the City of New York.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

SECTION 1. Hereafter it shall not be lawful to permit any dog to go abroad loose, or at large, in any of the streets, lanes, alleys, where not enclosed, highways, parks, piers or public places within the corporate limits of the City of New York, unless the head of every such dog shall be encased in a wire muzzle sufficiently large to cover the head entirely, but so constructed as to admit of the dog opening its mouth to the fullest extent, and in no case to permit the nose of the dog to protrude; the muzzle to be securely fastened around the throat and behind the ears of every such dog, under a penalty of three dollars for each offence, to be recovered against the owner, possessor, or person who harbored such dog within three days previous to the time of such dog being so found going abroad loose or at large.

SEC. 2. The Mayor of the City of New York is hereby authorized and empowered to take such measures as he may deem most efficient to carry into effect the provisions of section 1 of this ordinance; and for that purpose is further authorized and empowered to appoint persons, or direct any person now attached to his office, to capture all such dogs found running abroad, loose or at large, paying for every such dog so captured and delivered at a place to be provided and designated by the Mayor, the sum of fifty cents, and a like sum shall be paid at the place so designated to any person, whether appointed by the Mayor or not, for the capture and delivery of any and every such dog. Such dogs, when so captured and delivered as aforesaid, if not claimed by the owner thereof, or any other person, within a period of forty-eight hours thereafter, shall, within six hours after the expiration of the time, be killed and destroyed in such manner as may be determined upon by the Mayor. Any owner or other person who may claim such dog shall, before being placed in possession thereof, pay therefor the sum of three dollars.

SEC. 3. The person authorized to pay for the capture of such dogs shall render, under oath, semi-monthly, a statement of all dogs so captured and killed, and the amount paid therefor, to the Mayor of the city, who shall thereupon certify the same to the Comptroller, when a warrant for the amount shall be drawn in favor of the said Mayor for the sum thus expended, which shall be paid, until otherwise ordered, from the appropriation for "City Contingencies."

BOARD OF ESTIMATE AND APPORTIONMENT.

REVISED ESTIMATE FOR 1874.

Whereas, Chap 303 of the Laws of 1874, entitled "An act in relation to the estimates and apportionment for the support of the government of the County of New York," provides as follows, to wit:

SECTION 1. The Board of Estimate and Apportionment, constituted by section one of chapter seven hundred and seventy-nine, of the Laws of eighteen hundred and seventy-three, is hereby authorized, by a concurrent vote of all the members thereof, at any time before the first day of July, eighteen hundred and seventy-four, to reconsider, revise, and redetermine the estimate heretofore made under the provisions of said act for the year eighteen hundred and seventy-four, and the estimate so reconsidered, revised, and redetermined and approved by the concurrent vote of all said members shall thereby be appropriated as the amount of money required to defray all the various expenses necessary for conducting the county government, and for supporting inmates of asylums, reformatories and charitable institutions chargeable by existing provisions of law upon the County of New York, and for defraying all legal charges against the County of New York under special laws, and also for paying the interest on the county debt and the principal of such debt falling due in the year eighteen hundred and seventy-four, and the proportion of the State tax for the year eighteen hundred and seventy-four, payable by said county, and thereupon to fix and determine the amount of such estimates and various expenses and charges, after deducting the estimated amount of county revenue not otherwise appropriated by law, which amount, when so fixed and determined, shall be certified to the Board of Supervisors of the County of New York by the Comptroller; and said Board of Supervisors are hereby empowered and directed to cause the amount so certified to be levied and collected in the year eighteen hundred and seventy-four, by tax upon the estates within the County of New York, subject to taxation. But the aggregate amount of the estimate for the year eighteen hundred and seventy-four, to be made by the said Board of Estimate and Apportionment, shall not exceed the amount of the estimate heretofore made by the said Board as aforesaid. In the estimate so to be made no sum shall be included except the same be appropriated for a specified department or purpose, and no sum shall be appropriated for special contingencies.

And Whereas, Chapter 308 of the Laws of 1874, entitled "An act in relation to the estimates and apportionment for the support of the government of the City of New York," provides as follows, to wit:

SECTION 1. The Board of Estimate and Apportionment, constituted by section one hundred and twelve of chapter three hundred and thirty-five of the Laws of eighteen hundred and seventy-three, is hereby authorized, at any time before the first day of July, eighteen hundred and seventy-four, by the concurrent vote of all the members of said Board, to reconsider, revise, and redetermine for the year eighteen hundred and seventy-four, heretofore made under the provisions of said act, and of section twenty of chapter seven hundred and fifty-seven of the Laws of eighteen hundred and seventy-three, and the amount of the estimate so reconsidered, revised and redetermined and approved by the concurrent vote of all the members of said Board, shall thereby become appropriated as the amount of money required to defray the expenses of conducting the public business of the City of New York, and of the various departments, boards and commissions thereof, whether administrative, executive, or judicial, and for paying the interest on the city debt and the principal of such debt falling due in and for the year eighteen hundred and seventy-four, and for all liabilities of the City of New York, by reason of the annexation thereto of territory lately a part of Westchester County, and for the expenses of conducting the public business of said annexed territory for and during said year, and the liabilities incurred by the Board of Education of said territory during the year eighteen hundred and seventy-three, which are hereby made an obligation of the City of New York; and the aggregate amount of said estimate, after deducting the estimated amount of the revenues of the general fund for the City of New York, not otherwise specifically appropriated by law, including surplus revenues of the sinking fund for the payment of interest on the city debt, shall be established and be the amount to be raised for all such purposes, by tax, within the City and County of New York, for the year eighteen hundred and seventy-four, and the amount thus established shall be certified to the Board of Supervisors by the Comptroller; and the said Board of Supervisors are hereby empowered and directed to cause the amount so certified to be raised and collected in the year eighteen hundred and seventy-four, by tax upon the estates by law, subject to taxation within the City and County of New York. But the aggregate amount of the estimates for the year eighteen hundred and seventy-four, to be made by the said Board of Estimate and Apportionment, shall not exceed the amount of the estimate heretofore made by the said Board as aforesaid. In the estimate, so to be made, no sum shall be included except the same be appropriated for a specified department or purpose, and no sum shall be appropriated for special contingencies.

And whereas, Chapter 304 of the Laws of 1874, entitled "An act to consolidate the government of the City and County of New York, and further to regulate the same," provides as follows, to wit:

SECTION 1. The County of New York and the corporation known by the name of "The Mayor, Aldermen and Commonalty of the City of New York," shall be one body corporate and politic by the said name, and all the rights, property, interests, claims and demands of the County of New York and of the Supervisors or Board of Supervisors of the said County of New York, are hereby vested in and shall henceforth belong to the said corporation; but nothing contained in this act shall abrogate or impair or in anywise affect any existing right or interest, except to vest it in the said corporation.

SECTION 2. For all purposes the local administration and government of the City and County of New York shall be in and be performed by the one corporation aforesaid. All charges and liabilities now existing against said county or which may hereafter arise or accrue in said City and County of New York, and which but for this act would be charges against all liabilities of said county, shall be henceforth deemed and taken to be charges against or liabilities of the said corporation, and shall be defrayed and answered by it. All bonds, stocks, contracts and obligations of the said county and of the said Board of Supervisors, now existing, shall henceforth be deemed such of and against said corporation; and all such that are or may be authorized or required to be hereafter issued or entered into shall be issued or entered into by and in the name of the said corporation.

Therefore, resolved, That in pursuance of the authority contained in the foregoing and other provisions of law, the Board of Estimate and Apportionment, now duly convened this 29th day of June, 1874, all the members thereof being present, does hereby, by the concurrent vote of all the members of said board, reconsider the estimates for the year 1874, heretofore made, and in said two first-mentioned acts referred to, for the support of the government of the City and County of New York, and does hereby, by the concurrent vote of all the members of said Board, revise and redetermine and approve the same, as so revised and redetermined, as follows:

HEALTH DEPARTMENT—CITY OF NEW YORK,
BUREAU OF VITAL STATISTICS,
June 23, 1874.

To the Secretary of the Board of Health:

In the week ending on Saturday, the 20th inst., there were 39 deaths in this city against 444 in the week that ended on the 13th, and against 474 deaths reported in the corresponding week last year. As last week was most signally the period of lowest mortality witnessed in this city in the month of June in any year since 1868, and the least in any week, indeed, since December, 1868, the facts relating to this remarkably low death-rate are well worth our notice:

1st. The fatality of scarlatina increased to the extent of destroying 44 lives (43 children), or 14 more than in the previous week. There was also a slight increase (of 3) of mortality from diarrhoeal diseases. By these causes only the total number of deaths by zymotic diseases (131) was increased over that of the previous week, yet this class of the causes of death gave a total mortality, less by 20, than their average in the second week of June for the past five years. So much for diseases that gave any increase over the previous week.

2d. Constitutional and chronic diseases of all kinds had a greatly diminished fatality. Phthisis, for example, caused only 46 deaths, against an average of 67 in the second and third weeks of June in the past five years; and the total deaths in public institutions amounted to only 69, against an average of 100 in the corresponding week in the five years past. In like manner the local and inflammatory diseases decreased; their total was 147 last week, against an average exceeding 170 in the corresponding days of the past five years. So of the developmental diseases, which are characterized by defects of organization and vitality; their deaths amounted to 27, against an average of 30 and upwards in the same week in past years.

3d. Infant life was unusually secure in the city; only 113 children under a year, and 191 under five years of age died; while the average of the same period, in five years past, was 30 greater in these ages. Old age, and all causes of deaths in persons over 70 years old, took off only two-thirds the usual number.

Alcoholism, violence, and pneumonia were charged with their full quota of deaths.

The condition of the atmosphere was eminently favorable to perfect health during the week. The mean temperature was at 67 degrees Fahrenheit, with a moderate range that barely reached 80 degrees. The average degree of atmospheric humidity was but little above the half-saturation point; the winds were mostly brisk, and moved a total distance of 1,288 miles in the seven days.

The city is and for three weeks past has been in a more cleanly condition than usual; the food supplies are excellent, and fruits abundant. Added to these conditions favorable to the public health, are the sanitary cleansings and improvements in

the common dwellings and tenement houses, which have been increased by the general sanitary inspection now in progress. Such a week's experience in all its relations has in it useful instruction.

Respectfully submitted,

ELISHA HARRIS, M. D.,
Registrar of Vital Statistics.

SEALED PROPOSALS FOR BUILDING A STEAM
Fire Propellor, endorsed as above, will be received at the office of the Fire Department, until 11 o'clock A. M., of July 6, 1874, at which time the bids will be publicly opened and read. The award of the contract will be made as soon as practicable after the opening of the bids.

The time allowed for doing the work is ninety (90) days from the date of signing the contract.

Any bidder for this contract must be known to be well prepared for the business, and must have satisfactory testimonials to that effect, and also shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the bid, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder, or freeholder in the City of New York, and is worth the amount of the security required for the above work, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith. The adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The bid will be understood to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and this contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Commissioners of the Fire Department.

The Commissioners of the Fire Department reserve the right to decline any and all proposals if deemed to be for the public interest, and no proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

Plans and specifications may be seen, and blank proposals furnished, upon application at the Headquarters of the Fire Department.
