BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, December 10, 1895.

PROPOSALS TO PRINT AND BIND, IN PAMPHLET AND IN BOOK FORM, THE INDEXES TO THE RECORDS OF BIRTHS, MARRIAGES AND DEATHS KEPT BY THE HEALTH DEPARTMENT OF THE CITY OF NEW YORK, FOR THE YEAR 1896.

ESTIMATES FOR SUPPLYING THE CITY Government with Printed Indexes to the Records of Births, Marriages and Deaths kept by the Health Department and to compile and bind them in monthly and annual volumes, will be received at the office of the Supervisor of the City Record, in the City Hall, until 12 o'clock M. of Monday, the 23d day of December, 1895.

The said estimates will be publicly opened and read at a meeting of the Board of City Record, to be held in the Mayor's Office at or about the time above-mentioned.

Each person making an estimate shall inclose it in a sealed envelope, indorsed "Estimate for Printing and Binding the Indexes to Health Records," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there is more than one such person, their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security re-

quired, and in the proposals stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the cost of the articles awarded; the amount of preliminary security to be given until the award is made, and in which the sureties shall justify, shall be THREE HUNDRED AND SEVENTY-FIVE DOLLARS.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of a successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests.

Copies of the specifications may be procured from the Supervisor of the City Record.

Samples of the work are on file in the Department of Public Works.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided by SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of FIFTY (50) PER CENT. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered will be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TWENTY-FIVE HUNDRED (2,500) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the Poultry by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are especially cautioned to examine each and all of its provisions carefully, as the Commissioners of the Department of Correction will insist upon its absolute enforcement in every particular.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioner may determine.

THE BOARD OF PUBLIC CHARITIES FOR INSANE ASYLUMS RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name, and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities for Insane Asylums will insist upon its absolute enforcement in every particular.

GENERAL CONDITIONS OF BIDDING.
Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the articles by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of TEN THOUSAND (10,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the Condensed Cow's Milk by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or if he or they shall neglect or refuse to execute the contract and give proper security, he or they shall be considered as hav-

ing abandoned it, and as in default to the Corporation and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are especially cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

For information as to the description of the hose to be furnished, bidders are referred to the specifications, which form part of these proposals.

The form of the agreement, with specifications, showing the manner of payment for the work, may be seen, and forms of proposals may be obtained at the office of the Department.

Bidders must write out the amount of their estimate in addition to inserting the same in figures.

The hose is to be delivered within ninety (90) days after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at the sum specified in the several terms of contracts.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the hose shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope to said Commissioner of Street Cleaning at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to decline any and all bids or estimates, if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of fifteen thousand (\$15,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are

tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of seven hundred and fifty (750) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Supreme Court, City and County of New York—The People of the State of New York on the relation of Thomas C. O'Sullivan, against The Board of Aldermen of the City of New York, constituting the Board of County Canvassers of the City and County of New York.

Upon the annexed affidavit of Thomas C. O'Sullivan, verified the 22d day of November, 1895, and such other affidavits and exhibits as the relator may desire to submit on the argument of this motion, and on motion of Asa Bird Gardiner, attorney for the relator herein, it is

Ordered, That the Board of Aldermen of the City of New York constituting the Board of County Canvassers of the City and County of New York, show cause before me, or one of the other Justices of this Court, at a Special Term thereof, to be held at Chambers of this Court, in the County Court-house, in the City of New York, on the 23d day of November, 1895, at 11 o'clock in the forenoon of that day, or as soon thereafter as counsel can be heard, why a peremptory writ of mandamus should not issue compelling said Board to count and include in the canvass of the votes in said Seventeenth Senatorial District, a number of ballots annexed to statements of the result of a canvass of the votes of certain election districts in the Seventeenth Senatorial District, indorsed by the inspectors of such election districts "Objected to because marked for identification," or words in substance to that effect, and the relator credited with all of such votes cast for him for the office of State Senator, and why relator should not have such other and further order and relief as to the Court may seem just and proper, and in the meantime and until the hearing and decision of this motion, that all proceedings on the part of said Board in declaring the vote for the office of Senator in the said Seventeenth Senatorial District be stayed. Satisfactory reasons appearing therefor, service hereof on or before the 23d day of November, 1895, shall be deemed good and sufficient.

NEW YORK, November 23, 1895.

GEO. L. INGRAHAM, J. S. C.

A copy, HENRY D. PURROY, Clerk.

Supreme Court, City and County of New York—The People of the State of New York on the relation of Thomas C. O'Sullivan, against The Board of Aldermen of the City of New York, constituting the Board of County Canvassers of the City and County of New York.

City and County of New York, ss.: Thomas C. O'Sullivan, being duly sworn, says: That he is a citizen of the State of New York and resides at No. 340 West Fifty-sixth street, in the City of New York, and is a duly qualified voter in the City, County and State of New York. That at the last general election for Senator in the Legislature of the State of New York from the Seventeenth Senatorial District, in the County of New York, deponent was a candidate duly nominated by the Democratic party and his name was duly printed as a candidate for Senator from said Senatorial District on the official ballot which was voted by the electors of said Senatorial District at the general election held in the City of New York on November 5, 1895.

Deponent further says, that the Board of Aldermen of the City of New York, constituting the Board of County Canvassers of the City and County of New York, is now in session in said City, employed as a board of County Canvassers in canvassing the votes cast in said city and county at the said general election.

That in the canvass of the votes cast for the office of State Senator in the Seventeenth Senatorial District the said Board has made errors in the statement of said canvass and has failed to act in conformity to law, in that said Board has refused to count a number of ballots annexed to the statement of the result of a canvass of the votes of certain election districts in said Senatorial District, which said ballots were indorsed by the inspectors of election in said election districts, as objected to as marked for identification or words in substance to that effect, and that in so refusing to count said ballots, as aforesaid, said Board was not acting under or in conformity with the order of any Court of competent jurisdiction.

That the said election districts above referred to are respectively and fully set forth in a schedule of such districts which is hereto annexed, marked "Schedule A," and forms a part of this affidavit.

Deponent further says that he received a majority of the votes cast for the office of Senator in said Seventeenth Senatorial District at said general election and is entitled to have a declaration to that effect made by said Board of County Canvassers.

Deponent further says that at the conclusion of the statement made by said Board of County Canvassers of the canvass of said votes in and for the office of Senator from said Seventeenth Senatorial District made by said Board of County Canvassers, he, deponent, presented to said Board a protest, of which a copy is hereto annexed, marked "B."

And deponent further says that no previous application for this order or any order similar in effect has been made to any other court or justice thereof.

Wherefore deponent asks that an order of this Court directed to said Board of County Canvassers be made returnable forthwith, requiring said Board to show cause why the errors made in the canvass of the vote for State Senator in and from said Seventeenth Senatorial District, as above set forth, should not be corrected by adding thereto the votes or ballots

which said Board has neglected to include in said canvass, as hereinabove set forth, and why a declaration should not be made by said Board of County Canvassers of the result of said canvass of votes with said votes or ballots included.

THOMAS C. O'SULLIVAN.

Sworn to before me this 22d day of November, 1895.

GEO. E. BEST, Notary Public (61) N. Y. Co.

The following is a list of the votes cast in favor of the petitioner herein in the various election districts contained in the Seventeenth Senatorial District, referred to in the affidavit of the petitioner herein, which said votes the election inspectors in the various election districts hereinafter set forth failed and neglected to count in favor of the petitioner, as required by law, but marked "defective," meaning thereby that the same were "objected to as marked for identification"; and which said County Board of Canvassers has neglected and refused to count as aforesaid:

Fifteenth Assembly District—Fourth Election District, 5 votes; Sixth Election District, 2 votes; Eleventh Election District, 3 votes; Fifteenth Election District, 1 vote; Sixteenth Election District, 4 votes; Seventeenth Election District, 1 vote; Nineteenth Election District, 1 vote; Twentieth Election District, 2 votes; Twenty-third Election District, 2 votes; Twenty-fourth Election District, 2 votes; Twenty-fifth Election District, 1 vote; Thirty-first Election District, 1 vote; Thirty-third Election District, 4 votes—total, 29 votes.

Seventeenth Assembly District—Fourth Election District, 3 votes; Ninth Election District, 1 vote; Thirteenth Election District, 1 vote; Twentieth Election District, 1 vote; Thirty-third Election District, 1 vote—total, 7 votes.

Nineteenth Assembly District—Third Election District, 1 vote; Fifth Election District, 1 vote; Tenth Election District, 2 votes; Seventeenth Election District, 1 vote; Eighteenth Election District, 3 votes; Nineteenth Election District, 1 vote; Twenty-third Election District, 1 vote; Thirty-fifth Election District, 2 votes; Forty-second Election District, 1 vote—total, 13 votes; making in all, 49 votes.

To the Board of County Canvassers of the City and County of New York:

I, Thomas C. O'Sullivan, a candidate for Senator in the Seventeenth Senatorial District at the last General Election, do hereby protest against the declaration by your body of any result of the canvass of votes for Senator in the Seventeenth Senatorial District, except such as appears by and from the return of the election officers in said district, as the same are or have been filed with said County Clerk and Board of Aldermen respectively. I hereby further protest against your refusal to count and estimate the vote or votes and ballots attached to the aforesaid last-mentioned returns, which are marked "defective," or which have been certified by the Inspectors of Election as having been marked for identification by the voter.

NEW YORK, November 18, 1895.

Respectfully,

(Signed)

THOMAS C. O'SULLIVAN.

MONDAY, November 25, 1895.

Chairman Oakley in the chair.

Roll was called and a quorum was present, consisting of the Chairman, Aldermen Windolph, Brown, Burke, Campbell, Clancy, Dwyer, Goetz, Goodman, Goodwin, Hackett, Kenefick, Lantry, Marshall, Muh, Murphy, Noonan, O'Brien, Olcott, Parker, Randall, Robinson, Schilling, School, Tait, Ware, Wines, Woodward, and Wund.

Alderman Goodwin, Chairman of the Committee on Protests, submitted the annexed report, which was adopted:

To the Board of County Canvassers of the City and County of New York:

Your Committee on Protests and Contests heretofore appointed respectfully report that to it was referred the following protest:

1st. A protest filed by Julius M. Mayer, Esq., attorney for G. L. Curtis, candidate for Member of Assembly in the Twenty-third Assembly District, in which he protests against the award of a certificate of election to John M. Delmour, another of the candidates for Assembly in said district, which has since been withdrawn by the contestant.

2d. The protest signed by Thomas C. O'Sullivan, a candidate for Senator in the Seventeenth Senatorial District, in which he protests against the canvass of the votes in the Seventeenth Senatorial District, as the same appears from the returns filed with the Chief of the Bureau of Elections, and also protests against the canvass, except as the same appears from the returns made to the County Clerk and the Board of Aldermen respectively.

Your Committee reports that the protest on the first ground cannot be sustained, inasmuch as the estimate of the votes were made by the Board of County Canvassers from the sealed returns filed by the County Clerk and the Board of Aldermen. Therefore, the protest, in so far as it relates to such count as made, we recommend be dismissed. He further protests against the refusal to count and estimate the votes attached to the returns above mentioned, which were returned and marked "defective" by the Inspectors of Election in the various districts, and we respectfully recommend that said protest be not entertained, for the reason that we cannot find any provision in the present Election Law which authorizes the Board of County Canvassers, of its own motion, to count any ballots for or against any candidate which have not been credited by the inspectors of election to such candidate, except in the special instance where ballots, which have been marked for identification by the Inspectors of Election and attached to their returns, have not been counted for the candidate who was entitled to the same.

We, therefore, recommend that such protest be dismissed, and we further recommend that so much of the said protest as protest against the failure to count votes certified by the Inspectors of Election as having been specifically marked for identification by the Inspectors of election, should also be dismissed, for the reason that we do not find attached to the returns aforesaid ballots so marked which have not been counted for the candidates who were entitled to the same.

Third—A protest signed by Mr. William E. Demerest, styling himself Chairman of the Board of County Canvassers and President of the Board of Aldermen, in which he claims that he, together with his associates named in the protest, are the legally constituted Board of Aldermen of the City of New York.

Inasmuch as the claim of Mr. Demerest is without the authority of law to sustain; we recommend that the protest be dismissed.

Fourth—The protest or demand of Charles E. Watson, of No. 204 East Eleventh street, that he be awarded the certificate of election as Alderman of the Fourteenth District, is recommended to be dismissed, for the reason that no nomination was made for said office, that no vacancy existed for the office of Alderman in said District at the time the votes were claimed to be cast for said Watson, and that there was no notice given by the Secretary of State or the Sheriff of the City and County of New York of an election to fill said office of Alderman, and we therefore recommend that said protest be dismissed.

Fifth—Your committee recommends that the protests signed by Max Myers and J. Steinhardt, representing the Independent County Organization, be dismissed, for the reason that we do not find that the Board of County Canvassers has power under the present Election Law to count defective ballots for or against any candidate.

Respectfully submitted, FRANK J. GOODWIN, JOHN J. MURPHY, RUFUS R. RANDALL, JOSEPH T. HACKETT, JOHN J. O'BRIEN.

To the Board of County Canvassers of the City and County of New York:

I, Thomas C. O'Sullivan, a candidate for Senator in the Seventeenth Senatorial District at the last election, do hereby protest against the declaration by your body of any result in the canvass of the votes for Senator in the Seventeenth Senatorial District, except such as appears by and from the returns of the election officers in said district, as the same are or have been filed with said County Clerk and Board of Aldermen respectively. I hereby further protest against your refusal to count and estimate the vote or votes and ballots attached to the aforesaid last-mentioned returns, which are marked defective, or which have been certified by the Inspectors of Election as having been marked for identification by the voter.

November 18, 1895.

Respectfully,

THOMAS C. O'SULLIVAN.

MAX MYERS, J. L. STEINHARDT, Committee of Independent County Organization.

To the Board of Canvassers:

We do hereby protest against the rejection of ballots marked "defective" or not credited to the Independent County Organization, or any of its candidates, in the following election districts: The Twelfth, Sixteenth, Twenty-ninth, Thirtieth, Thirty-fifth, Thirty-sixth and Thirty-ninth, of the Seventh Assembly District, the same being good and valid as defined by law, and we ask that they be counted as cast for the candidates of the Independent County Organization.

JULIUS M. MAYER, Attorney for G. L. Curtis.

To JOHN JEROLMAN, Esq., et al., assuming and pretending to act as a so-called Board of Aldermen, Supervisors and County Canvassers for the City and County of New York by virtue of a pretended election under the unconstitutional provisions of section 4 of chapter 335, Laws of 1873; as amended by section 1, chapter 757, Laws of 1873; section 1 of chapter 515, Laws of 1874; chapter 403, Laws of 1882; and chapter 292, Laws of 1887; chapters 397 and 408, Laws of 1892, amending section 29, of the Laws of 1882, chapter 410, alias the "Consolidated Act."

GENTLEMEN—On behalf of myself and associates the following named persons, now alone constituting the Board of Aldermen and Common Council for the City of New York, to wit:

William E. Demarest, John W. Jordan, David A. Henderson, James A. Thompson, George M. Springer, William E. Demarest, Jr., Bernard M. Abell, George Dooley, Benjamin Curran, Patrick Reilly, John J. Garbutt, Eugene Homan, James C. Quinn, John J. Kehoe and John Carney, having been elected thereto at the general election held in the City and County of New York on the 6th day of November, 1894, for a term of two years, hereby remonstrate and protest against your opening the envelopes containing the election returns from the several elections districts of the City and County of New York, of the votes cast at the late election held in said city and county on the 5th day of November, 1895; or in any manner tampering with, or attempting to canvass said returns for the following reasons, viz:

First—The acts of the Legislature of the State of New York relating to the Board of Aldermen of the City of New York, to wit: Section 4, chapter 335, Laws of 1873, chapter 403 and 410 of the Laws of 1882; chapter 292, Laws of 1887, and chapter 408, Laws of 1892, amending section 29 of chapter 410 of the Laws of 1882, are in direct conflict with article 2, section 1, and article 3, sections 5, 16 and 18 of the Constitution of the State of New York, and are therefore null, void and inoperative.

Second—The "City Record" of Tuesday, January 8, 1895, relates that at your pretended organization as a Board of Aldermen on Monday, January 7, 1895, your claim to do so was founded upon said unconstitutional section 4, chapter 335, Laws of 1873, and the several illegal amendments thereto. Said acts being void for unconstitutionality, you have no color of title to act as Aldermen, Supervisors, or County Canvassers in opening said election returns, or pretending to canvass the same; that your action in so doing will be an usurpation, in its nature, revolutionary and felonious, and may vitiate and nullify the vote cast at the late election and cause great damage and confusion.

The undersigned claims, on behalf of himself and associates, that they are the lawful Board of Aldermen, Supervisors and County Canvassers for said City and County; that the laws under which they were elected, chapter 137, Laws of 1870, article 2, sections 3 and 6, and chapter 574, section 10, Laws of 1871, are in full force and unrepealed; that the statutory duty of canvassing the returns of the late election devolves upon us, and, therefore, demand that you refrain from opening said returns, and forthwith give into our possession said returns unopened and intact.

Yours respectfully, WM. E. DEMAREST, Chairman of the Board of County Canvassers and President of the Board of Aldermen, No. 421 West Nineteenth street, New York City.

Dated New York, November 12, 1895.

To the Board of County Canvassers, City and County of New York:

GENTLEMEN—You will please take notice, that at the election held on November 5, 1895, the vote of which you are now canvassing, there were deposited for me certain ballots for the office of Alderman of the Fourteenth (14th) Assembly District as the same now exists, and that in the event of no candidate for that office having received a larger number of votes than myself I shall duly demand, and do now demand, a certificate of election to the aforesaid office.

Dated New York, November 12, 1895.

CHAS. A. WATSON, No. 204 East Eleventh street.

NEW YORK, November 8, 1895. **To the Clerk of the Board of County Canvassers.**

DEAR SIR—We, the undersigned Inspectors of Election of the Second Election District, Fourteenth Assembly, beg to call your attention to the fact that the Canvassers' statement, filed with you on the 6th inst., contained therein a marked ballot, and through an oversight on our part we neglected to mark it, i. e., that it was marked for a purpose.

You can readily find this ballot, as the marks objected, are as follows:

"For Alderman of the Fourteenth Assembly District, as the same now exists."

Charles A. Watson, No. 204 East Eleventh street."

The foregoing is written in the right hand column, in the space for Assembly candidate, i. e., in the column where the voter can vote for any candidate that does not appear on the ballot.

There were two votes cast in all for the above party.

The said Charles A. Watson acknowledged before the Board of Inspectors that he had voted the ballot in question.

Signed, JAMES J. MILES, Chairman; WM. J. LEE, ALBERT S. KERSTEN, DANIEL F. MURPHY.

WATCHER'S CERTIFICATE.

NEW YORK, November 4, 1895. **To whom it may concern:**

I hereby appoint under the provisions of section 1885, of chapter 410, Laws of 1882, as amended by chapter 991, Laws of 1895, Wm. M. NEW YORK, November 6, 1895. **To the Chief of the Bureau of Elections:**

Statement of the election officers of the (27th) Twenty-seventh Election District of the Thirty-fourth Assembly District:

First. The ballots for this election district were received in a pasteboard box from the patrolmen on the morning before opening the polls and were indorsed on the outside of the box as for the said Twenty-seventh Election District, were receipted for and delivered to the Ballot Clerks, who gave them to the voters as they came for them, up to the number eleven ballots, when a mistake was discovered in the indorsement on the face of the general ballot which read for the Thirty-fourth Election District of the Thirty-third Assembly District. The parties having ballots No. 8 and No. 11 having spoiled their ballots returned them to the

Ballot Clerks, who returned them to their boxes. The other nine ballots had been deposited and were in the ballot-boxes, which were then sealed and put to one side, and a new set of ballot-boxes was furnished by the Police Department, who also furnished the properly-indorsed ballots for this election district contained in a box marked Thirty-fourth Election District for the Thirty-third Assembly District, when the voting was commenced with these new ballots and the parties who had deposited the nine ballots were notified that they had not voted and to vote the new ballot. Eight of them electing to do so their ballots were received and deposited, and the election was carried on in the usual manner and the ballots canvassed after the polls were closed in the usual manner, but the nine ballots in the sealed boxes were not disturbed nor were they counted.
