## DEPARTMENT OF FINANCE.

### WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE TUESDAY, SEPTEMBER 17, 1918.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

RENEW THE CONTRACT FOR ANOTHER PERIOD OF TWO YEARS UPON THE SAME TERMS AND CONDITIONS, EXCEPTING THE PROVISION FOR RENEWAL.

Each bid must be accompanied by a certified check on a solvent banking corporation in The City of New York, payable to the order of the Comptroller of The City of New York for five (5) per centum of the amount for which the work bid for is proposed in any one year to be performed.

The check must not be enclosed in the envelope containing the bid, but must be delivered separately in another sealed envelope.

The amount of security required for the faithful performance of the contract is Two Hundred Thousand Dollars (\$200,000).

In addition, a special deposit of Fifty Thousand Dollars (\$50,000) in cash or in corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value, shall be deposited with the Comptroller of The City of New York before the signing and delivery of the contract. This amount, or the unencumbered and unexpended portion thereof, will be returned to the Contractor in installments as set forth in the contract.

Each bidder shall furnish with his bid a statement showing a complete description of the methods to be used by him in performing the work required to be done under this contract, with specifications setting forth such methods in detail, and containing a reference to any patent or patent rights, or patented articles intended to be used by him. The compensation to be paid to the contractor, which shall be in full for all work performed, shall be as follows for the various items:

For the removal and final disposition of rubbish at a price or sum per standard paper and rubbish cart load (b) or in like proportion.

These prices shall be written in words and shall also be stated in figures; in case of any discrepancy between the words and the figures, the words shall control.

In the comparison to ascertain the lowest bid the following method will be used. Multiply the price or sum bid per cartload for ashes and street sweepings by the total number of standard cartloads as shown in the table for 1917 in the "Information for Bidders" (1,059,235); multiply the price or sum bid per cartload for rubbish by the total number of standard cartloads as shown in the said table (180,572); and add these two results.

The Commissioner of Street Cleaning reserves the right to select from the bids that bid the acceptance of which will, in his judgment, best secure the efficient performance of the work, or he may reject any or all of said bids.

Blank bid forms, envelopes in which to enclose the same, copies of the contract, including the specifications, in the form approved by the Corporation Counsel, may be obtained upon application at the Main Office of the Department of Street Cleaning, Room 1244, Municipal Building, Borough of Manhattan.
