"TOTAL INELIGIBLE", means the total number of referrals that were sent to field office for assessment and found ineligible. If the client's address is invalid during the Intake Interview, this report will look for that client's current address, and get the current borough, city council district, community board district, and zip code information to do the analysis on the "TOTAL REFERRED" count. If the client's current address is still invalid, this report will group those invalid addresses under "UNABLE TO MATCH".
