QUARTER ENDING MARCH 31, 1890.	Certificates Received and Tabulated.	Increase over Previous Quarter.	Decrease from Previous Quarter.	Annual rate per 1,000 Population, Estimated at 1,604,110.	Barial Permits Issued.	Transit Permits Issued.	Coroner's Cases.	Searches Made.	Transcripts Issued.

Still-births.....	828	108	2.06	828

The death-rate for the quarter was higher than in the first quarter of any one of the preceding five years, being 27.60; the next highest having been 27.20 in 1888. There were 11,072 deaths, against 10,480 in 1889; an increase of 592. This increase was entirely due to the epidemic of influenza, which raged from the third week of December until the second week of February, and during the month of January raised the mortality to 4,745 against 3,375 in January, 1889, an increase of 1,370. Since the epidemic, however, the death-rate has been less than last year; the deaths in February having been 2,988 against 3,327 in 1889, and in March, 3,339 against 3,778. The great increase in January was almost entirely due to acute respiratory diseases and phthisis, the deaths from bronchitis having been 391, of pneumonia 1,111, and of phthisis 797, against 182, 405 and 445 respectively in January, 1889; these diseases making up 1,167 out of the 1,370 increase for January, 1890. Deaths reported as due to influenza, terminating in fatal bronchitis or pneumonia, have been classed as deaths from influenza, and are included under the heading "Other Zymotic diseases" in the table. These deaths were 306 in number, including 15 reported as due to influenza alone, no other cause being given. Seven deaths were reported as due to influenza in December, so that the disease may be said to have caused 313 deaths directly during the entire epidemic.

Contagious diseases show a decrease for the quarter, viz., diphtheria, 359 against 595 in 1889; measles, 106 against 277; scarlet fever, 146 against 678, and whooping cough, 124 against 189.

The deaths of children under 5 years of age were only 3,566 for the quarter, against 4,541 in 1889, a decrease of 975, or 21.47 per cent. The deaths of persons 65 years' old and over numbered 1,307 against 970 in 1889, an increase of 337, or 34.74 per cent., and the deaths of persons between 5 and 65 years of age were 6,199 against 4,969 in 1889; an increase of 1,230, or 24.75 per cent. It is evident, then, that the aged felt the force of the epidemic most severely, and next to them the persons in what is usually the healthiest period of life, while young children can hardly be said to have been affected at all.

Deaths by Certain Diseases, According to Nativity of Deceased and of Parents of Deceased, and Color, during the Quarter ending March 31, 1890.

BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL,
NEW YORK, May 2, 1890.

The Hons. Hugh J. Grant, Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meeting of April 29 were read and approved.

The Supervisor of the City Record stated that bids for contracts to supply books to the several courts and departments were to be opened. He reported that the call for bids had been advertised for two days in each of the designated newspapers, and he presented an affidavit to its publication for ten days in the CITY RECORD, made by John J. McGrath, the Examiner in his office. He also presented checks, each for \$250, which had been handed to him by H. D. D. Ripley, Treasurer of the J. G. Shaw Blank Book Company, Martin B. Brown, and the L. W. Ahrens Stationery and Printing Company, as preliminary security on bids. On motion of Commissioner Gilroy, the estimate-box was opened and the bids were read. H. D. D. Ripley bid only on fifteen items required for the Department of Charities and Correction, M. B. Brown bid on every item in the specifications, and the L. W. Ahrens Stationery and Printing Company bid on everything excepting the books for the Register, the Mayor's Office and the Second, Fourth and Fifth District Courts. A question as to the formality of the bid of Mr. Ripley was laid over for future consideration, and the bids were referred to the Supervisor for tabulation.

Requisitions were presented, as follows, and were acted on as the side-notes indicate:

NO.	DATE.	APPLIED FOR.	ACTION OF BOARD.
	April 11, 1890	<i>From Attorney for Collection of Arrears, etc.</i> 500 notices to correct affidavits 500 notices to persons out of city	Allowed. "

	" 1, "	<i>From Department of Public Parks.</i> 75 copies of contract for sewer in One Hundred and Sixty-third street 50 copies of proposals 1,000 invitations to police parade, with envelopes	" " "

The Supervisor was, by a concurrent vote of the three officers, directed to have the work done and articles supplied without contract.

A contract with the Sohmer Lithographing and Printing Company for lithographed blanks, letter-heads, etc., to cost \$2,750.72, was signed by the Mayor, Counsel to the Corporation and the Commissioner of Public Works.

The minutes of stated meetings of April 9 and 16, 1890, were read and approved.

On motion of Commissioner Howe, the same were approved, and ordered certified to the Comptroller for payment.

The Construction or Executive Committee presented the following:

The Construction or Executive Committee present herewith the evidence produced on the hearing of charges against Inspector of Masonry Patrick H. Lydon, as follows:

NEW YORK, April 16, 1890.

In re Charges preferred against Inspector of Masonry Patrick H. Lydon.

Present—The Comptroller, and Commissioners Duane, Tucker, Scott and Howe.

Mr. John McIntyre appeared as counsel for Patrick H. Lydon.

Herbert C. Alden, being duly sworn, testified as follows:

By Commissioner Scott:

Q. What is your occupation, Mr. Alden? A. Civil Engineer.

Q. Where are you employed? A. Aqueduct Commission at Tarrytown.

Q. What is your rank? A. Assistant Engineer.

Q. In charge of what? A. Section 4.

Q. Was Mr. Lydon one of the Inspectors on that division? A. He was.

Q. (Handing letter to witness) Will you look at that letter, and state whether you issued that letter? A. Yes, sir; that is my letter.

(Said letter was offered in evidence, and marked Exhibit "A.")

Q. What did you do with that letter after you had written it? A. I gave it to the clerk, Guilfoyle, and he gave it to the driver, and he took it out to the office at Shaft 9.

Q. This is it (indicating) dated on the 10th of March, 1890? A. Yes, sir.

Q. It calls upon Lydon, among other things, after remaining in the office until 4 o'clock, to report here (that is, the Tarrytown office) and give account of the day's proceedings; also of any circumstances demanding attention. Did Mr. Lydon obey that portion of the order? A. Between the 10th of March until the time he was suspended, he came there only once.

Q. And this letter was read by you to him at the time to interpret its meaning? A. Yes, sir.

By Mr. McIntyre:

Q. Who prepared the copy which was served on Mr. Lydon? A. That was the original.

Q. How came it in your possession? A. I went down to the office and got it.

Q. Do you mean to say that the letter now in evidence is the one that was sent to Mr. Lydon? A. Yes, sir.

Q. Where did you get it? A. I got it out of the drawer at my own office.

Q. How came it in your office? A. There is where the letter was sent, and where it would necessarily be found.

Q. Isn't it customary, in transmitting an official communication, that a copy of it be retained in some book? A. I have a copy of it.

Q. Made in a letter-press book? A. No, sir.

Q. Copied by pen? A. Yes, sir.

Q. Now, when you discovered that Lydon had violated the instructions of your letter, did you have any talk with him about it? A. I don't think I did.

Q. Do you remember at any time when he spoke to you in respect to the contents of that letter? A. He never called to get the contents of the letter; I saw him only once or twice towards the latter end of his work upon the Aqueduct.

Q. Your letter reads thus: "Upon receipt of this letter, and until further orders, you will please go through the tunnel each morning from Station 404 to Station 598"; I will stop right there; preceding the date of this letter had you ever instructed any other Inspector to do a like work? A. That is supposed to be the duty of the Superintendent.

Q. Had you ever done so? A. I can't say whether I did or not.

Q. Since his suspension have you directed any other Inspector to do a like service? A. There is but one man there, and he has no time to do it at present.

Q. So far as you know, after the receipt of the letter by Lydon, did he go into the tunnel? A. I don't know whether he did or not.

Q. You are not prepared to state whether he did or did not? A. No, sir.

Q. (Reading from letter) "Also you will please remain at the Pocantico office until 4 P. M.;" is that your office? A. That is a field office on that part of the work over which I have charge.

Q. How far is it from your office to the office which you refer to in this letter? A. It is about —I should say about a mile.

Q. So that after Lydon remained in the office until 4 P. M., then you wanted him to go a mile away from that office and report to you? A. Yes, sir.

Q. Isn't it about three miles? A. No, sir; it is not.

Q. Who is your immediate superior on that division? A. Mr. Gowen.

Q. Did you, Lydon and Gowen have a conversation respecting the violating of these orders? A. I don't remember any such conversation regarding the violating of them; Mr. Lydon came around one morning and asked for a copy of the letter.

Q. Do you remember Mr. Lydon telling you that the letter he received did not have in it that portion which requires him to present himself to you after 4 o'clock? A. I remember that there was something said about it.

Q. You admit this fact, however; that his contention was that he insisted that he had complied with all the instructions which appeared in the letter which you transmitted to him. A. I don't know what he insisted upon at all; he said that he did not see anything contained in the letter about reporting to the office after 4 o'clock in the afternoon.

Q. On the 14th day of March didn't Mr. Lydon report to you at your office? A. Mr. Lydon came in the afternoon—about noon—and I gave him permission to come to New York to obtain his pay.

Q. Did you then on the 14th day of March, ask him why he did not report to you after the hour of 4 o'clock as your letter claims to direct him? A. I don't think I asked him that day.

Q. And when was the first time you called his attention to the alleged violation? A. I think it was a day or two after that, in the morning; I had sent for Mr. Lydon and he came around and then I asked him about these things.

Q. The fact is, Mr. Alden, that Lydon went from Station 404 to Station 598 both ways, and he also remained in the office at Shaft 9 until 4 o'clock? A. I don't know whether he did or not.

Q. The only thing that you take exception to is that he did not report to you after 4 o'clock? A. Yes, sir.

Commissioner Scott—That is the only charge against him.

By Commissioner Scott:

Q. Where did you find this letter? A. Out in the field office at Shaft 9.

Q. Whereabouts in the office? A. In the table drawer.

John J. Dynan, being duly sworn, testified as follows:

By Commissioner Scott:

Q. What is your name? A. John J. Dynan.

Q. Did you, on the 10th of March, receive a letter from Mr. Alden to transmit to Mr. Lydon? A. Yes, sir.

Q. What did you do with it? A. I took it out and gave it to him.

Q. You know Mr. Lydon? A. Yes, sir.

By Mr. McIntyre:

Q. Do you know what letter you gave him? A. No, sir; I gave him a letter in a long envelope.

Q. Would you know the letter if you saw it? A. I would know Mr. Alden's writing.

Q. Did you know the contents of the letter? A. No, sir.

Patrick H. Lydon, being duly sworn, testified as follows:

By Mr. McIntyre:

Q. Mr. Lydon, on and after the 10th day of March, 1890, did you each morning go from Station 404 to 598? A. Yes, sir; I went every morning—in the forenoon.

Q. And then what did you do after that? A. I came back to the office, and sometimes went as far as Shaft 8.

Q. And you stayed until what hour? A. Four o'clock.

Q. Not any later? A. One afternoon I did, that I can remember.

Q. There has been a letter put in evidence here, and Mr. Alden contends that the letter which was delivered to you had in it that you were to report every afternoon after 4 o'clock to him of the day's proceedings? A. I did not so understand it at the time.

Q. What did you read in the letter that you got? A. I made a note of it (reading from book): "Received an order from H. C. Alden, Assistant Engineer, to go through the tunnel from 404 to 598 each morning, and remain in office until 4 P. M.," which I have heretofore done and more too, (Reading) "Waited until the men quit at 5.30." I did not copy the letter, but simply took the substance of it.

Q. What is that book that you hold in your hand? A. That is a book in which we made a memorandum of everything done every day.

Q. Read the other note? A. (Reading) "One watchman, 10 hours; one superintendent; no work in tunnel except at gate-house. Eight hammersmen cutting corrugations of cement in floor at portal gate-house." At the time I received an order from H. C. Alden saying to go through the tunnel from 404 to 598 and remain in the office until 4 P. M.

Q. That is an extra letter which you say you received from Mr. Alden? A. Yes, sir.

Q. Are those instructions as transcribed by you from the original letter the instructions which you followed? A. To the best of my knowledge.

Q. Had you known that the letter in evidence contained a direction requiring you to present yourself to Mr. Alden after 4 o'clock, would you have done so? A. Why, of course I would; on the 14th I was surprised that Mr. Alden did not mention it to me.

Q. Did you see Mr. Alden on the 14th? A. I did.

Q. What was said? A. I told him I came down to report.

Q. When was it Mr. Alden charged you with a violation of your duty? A. About the 21st or the 22d of March.

Q. What did you say to him when you were there? A. I told him that the letter that I received had only that amount of orders in it; I had been in the habit of reporting to him right along.

Q. How came it that the letter was in his possession? A. I do not know, sir.

By Commissioner Scott:

Q. What did you do with the letter when you got it? A. I put it in the drawer in the office.

Q. (Showing letter marked Exhibit "A" to witness) Isn't that the letter? A. I could not wear about this part of it (indicating).

Q. Don't you know that this is the same letter that you received? A. I don't know, sir.

Q. You say that it is not? A. That is a kind of reflection I don't want to throw on anybody.

Q. You don't think that it is? A. I don't wish to throw any reflections on anyone.

Q. Are you certain that the contents of the letter as read by you did not contain the directions as stated by Mr. Alden? A. I don't think it did.

Q. Are you sure that the letter you received did not contain them? A. If it did I must have been blind.

Q. Did you receive any other letter from Mr. Alden about that time? A. No, sir.

Q. Only received one letter on or about the 10th of March? A. Yes, sir.

By Mr. McIntyre:

Q. If you had observed that direction in the letter, you would have obeyed it? A. Yes, sir.

Hearing closed.

The Committee also reported in favor of the adoption of the following preambles and resolution: Whereas, On the 9th day of April, 1890, the Chief Engineer presented in writing a charge against Patrick H. JURORS.

NOTICE OF COMMISSIONER OF JURORS IN REGARD TO CLAIMS FOR EX- EMPTION FROM JURY DUTY.

ROOM 127, STEWART BUILDING,
No. 280 BROADWAY, THIRD FLOOR,
NEW YORK, June 1, 1889.

CLAIMS FOR EXEMPTION FROM JURY
duty will be heard by me daily at my office, from 9 A. M. until 4 P. M.

Those entitled to exemption are: Clergymen, lawyers, physicians, surgeons, surgeon-dentists, professors or teachers in a college, academy or public school, licensed pharmacists or druggists, actually engaged in their respective professions and not following any other calling; militiamen, policemen, and firemen; election officers, jury non-residents, and city employees, and United States employees; officers of vessels making regular trips; licensed pilots, actually following that calling; superintendents, conductors and engineers of a railroad company other than a street railroad company; telegraph operators actually doing duty as such; Grand, Sheriff's, and Civil Court jurors; stationary engineers; and persons physically incapable of performing jury duty by reason of severe sickness, deafness, or other physical disorder.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible), and at this office only, under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, if unpaid, will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States jurors, are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract in the manner prescribed and required by ordinance, in the sum of Two Thousand Seven Hundred Dollars.

The Engineer's estimate of the quantities of material necessary to be dredged in order to secure at the premises mentioned the depth of water set opposite thereto in the specifications, is as follows:

Pier, new 59, North river.....	48,000 cubic yards.
Pier 61, East river.....	6,500 "
Total	54,500 "

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

(1.) Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work, to the satisfaction of the Department of Docks and in substantial accordance with the specifications of the contract. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor per cubic yard, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the 1st day of July, 1890, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment has expired are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price per cubic yard for doing such dredging in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of four thousand (4,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of two hundred (200) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract

within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

S. HOWLAND ROBBINS,
ANTHONY EICKHOFF,

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION.

TO CONTRACTORS.

MATERIALS AND WORK REQUIRED FOR NEW AMPHITHEATRE UNDER DOME AND NEW ROOFS TO MAIN BUILDING, BELLEVUE HOSPITAL, N. Y.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third avenue, in the City of New York, until 9.30 o'clock A. M. Friday, May 16, 1890. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for New Amphitheatre, etc., Bellevue Hospital," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of **SEVEN THOUSAND (\$7,000) DOLLARS.**

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, 1880, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of this security shall, in addition to the justification and acknowledgment, be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined

by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and provide such proper security as has been heretofore stated to be requisite, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Hardware, Leather, Lumber, etc.," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will

pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department; and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 1, No. 31 Chambers street.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonality, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot, that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works.
