Resolved, That Harry A. McNeill, of No. 88 Oliver street, Manhattan, who has been duly certified by the Municipal Civil Service Commission as eligible for such position, be and he hereby is appointed to the position of Office Boy in the Office of the Supervisor of the City Record, said appointment to take effect on and after August 24, 1903, the rate of compensation for such services to be \$300 per annum.

Resolved, That Annie L. Patterson, of No. 207 Congress street, Brooklyn, who has been duly certified by the Municipal Civil Service Commission as eligible for such appointment, be and she hereby is appointed to the position of Stenographer and Book Typewriter in the Office of the Supervisor of the City Record, said appointment to take effect on and after August 17, 1903, the rate of compensation for such services to be \$750 per annum.

The Acting Supervisor asked for the temporary appointment of a Tabulator, under the provisions of rule 7, section 4, Rules and Regulations of the Municipal Civil Service Commission, to assist in the preparation of the stationery contract for 1904.

By concurrent action of the Board, the following resolution was adopted:

Resolved, That the Supervisor of the City Record be and he hereby is authorized, subject to the approval of the Municipal Civil Service Commission, to contract with a competent person to compile and tabulate the supplies of stationery required for the use of the City Government during the year of 1904, at an agreed contract price, not exceeding \$150, the same to be charged to the appropriation for "Printing, Stationery and Blank Books for City Departments and Offices, and Arrearages, 1903."

The Acting Supervisor presented a communication from A. M. Edson, Acting City Superintendent, Department of Education, in reference to the necessity of printing the daily contagious disease lists of the Boroughs of Manhattan and Brooklyn, making a strong protest against the discontinuance of printing said lists.

On motion of the Acting Mayor, the following resolution was adopted:

Resolved, That the Board of City Record favors the continuance of the contract for the publication of the daily list of contagious diseases, but under a special agreement to be made by the Supervisor, subject to the approval of the Board, for the year 1904.

By concurrent action of the Board, the following resolution was adopted:

Resolved, That the Jewish Abend Post, the Jewish Morning Journal, the Jewish Gazette, the Evening Journal, the Evening World, the Acorn and Das Morgen Journal be and hereby are added to the list of newspapers designated by this Board on July 31, 1903, to publish:

(1) A notice of the Receiver of Taxes, under date of September 1, 1903, required by section 38, chapter 908, Laws of 1896, asking taxpayers to make written requisition for their bills for the payment of taxes for 1903.

(2) The notice required by section 914 of the Greater New York Charter, to be given October 1, that the assessment rolls of real estate, personal property and bank stock of the several boroughs of The City of New York for the year 1903 have been delivered to the said Receiver of Taxes, and that the taxes indicated by the said assessment rolls are due and payable.

Resolved, That this Board designate the "Railroad Gazette" for the purposes of the advertisements printed therein by direction of the Commissioner of Bridges on November 28 and December 5, 1902; and also designate the Wall Street Review for the purposes of an advertisement inserted therein by Supervisor Cowen on January 15, 1903.

Relative to a letter presented from the President of the Borough of The Bronx, requesting extra insertions for Local Board hearings, the following was submitted:

August 24, 1903.

The Honorable the Board of City Record:

Gentlemen—I submit a letter from the President of the Borough of The Bronx, requesting extra insertions for Local Board hearings.

Inasmuch as the papers of the Boroughs of Brooklyn, Queens and Richmond receive only one insertion each, and the official papers of the Borough of Manhattan receive none at all, it would appear that the Supervisor should have specific instructions from the Board before making such a radical departure in the matter of Bronx advertising, from the rule observed in the other boroughs.

The advertisements referred to by President Haffen are short notices required by law, calling attention to advertisements in the "City Record," a copy of which advertisement is appended hereto.

Respectfully submitted,

(Signed) CHARLES S. HERVEY,
Acting Supervisor City Record.

The Acting Supervisor was directed to advise the President that the Board of City Record did not deem it advisable to acquiesce in his recommendation for extra advertising.

Relative to the matter of approval by the Board of the sum charged in excess of the stationery contract for which bills have been rendered amounting to \$15,260.04, the following resolutions were adopted:

Resolved, That this Board hereby approves and authorizes the action of the Supervisor of the City Record in forwarding to the Department of Finance for payment the claim, amounting to \$15,260.04, of the L. W. Ahrens Stationery and Printing Company, for goods delivered in excess of the quantities stipulated in the stationery contract for 1903; and

Resolved, That the Board of City Record directs that hereafter no payment in excess of contract certification shall be passed by the Supervisor to the Department of Finance, except after a resolution of this Board authorizing the same.

A letter was presented from Samuel Eichenfield, City Record Expressman, in reference to express charges for deliveries made to recently established courts and departments.

By concurrent action of the Board, the following resolutions were adopted:

Resolved, That the Supervisor is authorized to pay the bills of Samuel Eichenfield, as per his communication to the Supervisor under date of August 24, and to allow said Samuel Eichenfield payment at the rate of 15 cents per parcel for all de-

liveries made to departments or courts established subsequent to the date of the execution of his contract.

Resolved, That the Supervisor of the City Record be and he is hereby authorized to procure by direct order, that is, without contract let after advertisement, the articles called for by the following requisitions allowed at this meeting, not exceeding the estimates this day submitted by the Supervisor, as shown by schedules this day signed by the members of the Board of City Record, that course being deemed to be for the best interests of the City.

The Supervisor submitted the following report:

Office of the Supervisor,
September 9, 1903.

The Honorable the Board of City Record:

Gentlemen—On July 21, 1903, my predecessor addressed a letter to the Paper Association of New York requesting said association to suggest to the Board of City Record certain ledger papers for use by the City as follows:

Grade "A"—Ledger papers to equal L. L. Brown's.

Grade "B"—Ledger papers to equal Scotch linen ledger.

Grade "C"—Ledger papers to equal Greylock.

Grade "D"—Ledger paper to equal Banker's.

Grade "E"—Ledger papers to equal Oneida.

The former Supervisor in the communication also asked the Paper Association to consider the matter of bond papers, which I will submit to the Board at a later

date. In reply, under date of July 31, William D. May, Esq., President of the Paper Association of New York City, addressed a letter to the Mayor, and also to the Supervisor, submitting a list of papers regarded by a committee of this association as being "equal to" the papers suggested by the Supervisor. Under date of August 1, 1903, I received a letter from his Honor the Mayor, directing me to accept this list for the purposes of the City Record office, in lieu of the one heretofore in use.

I am informed by Mr. Wright, of Miller, Sloan & Wright, a member of the committee of the said paper association, which prepared the schedule in question, that the basis of said classification was the trade price of the various papers selected. The committee, Mr. Wright informs me, considered the plan of a series of tests, tensile and otherwise, as a basis for more accurate classification, but abandoned the idea later because of the time which would be required to complete the tests, which time the members of the committee did not feel disposed to devote to the matter.

The classification of ledger papers made by the Paper Association was as follows:

- Grade "A." L. L. Brown's Linen Ledger.
Byron Weston Company's Record, 1903.
- Grade "B." Scotch Linen Ledger.
Crane Brothers' Linen Record.
- Grade "C." Greylock Linen Ledger.
Cumberland Linen Ledger.
Hawthorne Linen Ledger.
Pembroke Linen Ledger.
Russian Linen Ledger.
- Grade "D." Bankers' Linen Ledger.
Franklin Linen Ledger.
Duane Linen Ledger.
Tradesmen's Linen Ledger.
National Bank Ledger.
Montauk Linen Ledger.
- Grade "E." Oneida Ledger.
Gloucester Linen Ledger.
Finance Linen Ledger.
Olympia Linen Ledger.
Mercantile Linen Ledger.
Spruce Ledger.
Puritan Linen Ledger.

Subsequent to the receipt of the letter of the Paper Association previously referred to, and with a view of having on file in the office of the City Record adequate information upon which to base the selection of papers to be used by the City, supported by tests of the various grades submitted, I communicated with twenty-eight of the principal paper dealers doing business in The City of New York, requesting them to furnish me with samples of ledger and bond papers. In my request I classified the ledger papers on a basis of price, asking these dealers to submit to me samples of the best ledger papers which they handled costing approximately 25 cents, 20 cents, 15 cents and 10 cents. I have received replies from all of those to whom these communications were addressed, each concern transmitting a number of samples of paper of various cost prices per ream in case lots. I have caused all of these papers to be subject to tests on the Morrison & Herron paper testing machines in the office of the Supervisor of the City Record, which machines are used by the United States Government in fixing standards for the purchase of paper and are very generally employed in the paper trade throughout the country. The tests include a test for weight, for thickness and for tensile strength.

As a result of the examination of this large number of samples I have reached a classification of ledger papers based both on price and test as to strength and thickness which appear to meet the needs of the City in respect to grades and afford ample opportunity for competition among the paper dealers of the City in furnishing said papers to the various contractors who may be bidders for the "City Record" work.

In determining the papers to be included in a particular class I have disregarded entirely the concern furnishing the same, but have taken the papers quoted to me at a given price per pound which test the highest, and made the average of those tests the standard for each class. Injustice may be done by this plan in some instances, but it is the only one of many methods of selection which would appear to be applicable to the conditions presented. It is necessary in any event that all papers included in any one class shall be of the same price, else the cheapest paper will have the monopoly, as the contractor will invariably select the paper which is the cheapest. If the papers in a class are all equal in price, each has a fair chance with the other for use by the contractors.

The papers included in the first grade under the classification which I have reached are the same as that of the Paper Association of New York, and is the paper which has been used for many years in the books of record of the City. The paper is obtainable from practically all of the paper dealers in business in New York City.

The paper selected for the second grade, "Advance Linen Ledger," was submitted to me by nine different paper dealers doing business in this City as the best 20-cent paper carried in stock by them. The nine dealers submitting samples of "Advance Linen Ledger" were as follows:

- F. W. Anderson & Co.
- Miller, Sloan & Wright.
- F. A. Flinn.
- Bassett & Sutphin.
- John F. Sarle.
- Clement & Stockwell.
- Lasher & Lathrop.
- Conrow Bros.
- Henry Lindenmeyr & Sons.

This paper has also been very generally used in City printing for a number of years past. The fact that it is almost universally obtainable from the trade and also that nine of the leading paper merchants of the City indicate it as the best twenty cent paper sold by them would seem to justify its use. It meets the special need in the City printing, being employed for large ruled blanks and for statement paper.

Grade 3 includes three papers quoted to me originally at 16 cents, but upon which the price later was amended to 15 cents. The variety of paper included in this class is sufficiently great to give the various contractors abundant latitude in the purchase of paper stock when said grade is called for. The same is true of the papers selected in Grade 4.

In Grade 5 are five papers testing in tensile strength from fifteen to eighteen points higher than the Grade 5 established by my predecessor in his use of Oneida. Two of these papers were quoted to me at 10 cents and two others at 9½ cents. The price of all now is uniformly 9 cents for use in City printing.

I present herewith said classification of ledger papers in such form as would be available for official use by the Supervisor and submit the same for the consideration of the Board. Two or three of the papers included in said schedule are not now water marked, but will be water marked by the dealers in case the paper is called for by City contractors.

Respectfully submitted,

CHARLES S. HERVEY, Supervisor of City Record.

Upon the reading of the report of the Supervisor relative to the grading of paper to be used on City contracts, the following resolutions were concurrently adopted:

Resolved, That until further notice the Supervisor of the City Record is directed to use the following schedule of ledger papers, in printing or blank book work, purchased on order or contract through the office of the City Record. All papers to be watermarked. The Supervisor is directed to reject work done upon paper not watermarked.

Resolved, That said papers must at all times equal in tensile and other tests and in appearance and color the samples thereof on file in the office of the Supervisor of the City Record; otherwise said papers are liable to cancellation from the grades hereby established.

New York, September 25, 1903.

The Board of City Record:

Gentlemen—In accordance with the suggestion made at your meeting on September 14, the bid of the Martin B. Brown Company was received. It was found to be \$4,461.60 for the entire set of eight volumes, or \$557.70 per volume. The Messrs. Brown have also arranged with Dodd, Mead & Co. to sell the 300 sets which will be printed for the market.

Though this bid is the lowest which has been received, the Committee is not inclined to withdraw its recommendation that the contract should be awarded to the Knickerbocker Press. This course is adhered to without the slightest intention of disparaging the work of the Martin B. Brown Company, but for the reason that this company has not hitherto done this class of printing which the Committee desires to secure. The Committee wishes to issue these volumes in a style that will commend itself to the public which will really take an interest in them. It is sure that the work of the Knickerbocker Press will possess the desired style and character. Respecting the work of the Martin B. Brown Company, the Committee cannot reach a full assurance; therefore it cannot withdraw its previous recommendation.

Respectfully submitted,

(Signed) HERBERT L. OSGOOD.

A hearing was accorded to Professor Osgood, representing the Committee, and to George R. Valentine, representing one of the bidders, and the subject of the award of the contract was laid over for further consideration at the next meeting of the Board.

In reference to a communication from the Chief Clerk of the Police Department, asking that orders be issued to the Police Chronicle "to advertise all matters pertaining to police affairs and to run for same period as in the 'City Record,'" the Supervisor was directed by the Board to refer the matter to the Corporation Counsel

for an opinion as to the authority of the Board of City Record to grant a general designation of this character.

The following matters were laid over for the consideration of the Board at its next meeting:

Annual estimate of the Board of City Record for 1904.

Protest of the Whiting Paper Company and the J. W. Pratt Company to the absence of Whiting's papers from ledger paper schedule adopted at the meeting of the Board of City Record September 14.

Report concerning certain stationery supplies of the L. W. Ahrens Stationery & Printing Company delivered at the "City Record" office.

Approval of requisitions.

Upon motion of his Honor the Mayor, the Board adjourned until Monday, September 28, at 12.30 o'clock.

CHARLES S. HERVEY, Secretary.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below. No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be included in the envelope containing the bid or estimate, but should be either included in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department. No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
