# Executive Summary

## AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

### 1. Introduction

The *Proposed 2016 Consolidated Plan One-Year Action Plan* is the City of New York's annual application to the United States Department of Housing and Urban Development (HUD) for the four Office of Community Planning and Development entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for Persons with AIDS (HOPWA).

In addition, the Proposed Action Plan serves not only as the City's application for the entitlement funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The EMSA is comprised of the five boroughs of the City of New York plus three upstate New York jurisdictions, the counties of Westchester, Rockland and Orange, as well as three counties in central New Jersey, Middlesex, Monmouth and Ocean. The County of Westchester administers the HOPWA funds for the cities of Mount Vernon, New Rochelle, and Yonkers which are incorporated within its boundaries.

The 2016 Action Plan represents the second year of a five-year strategy for New York City's Consolidated Plan years 2015 through 2019. The five-year strategy was articulated in Volume 3 of the amended 2015 Consolidated Plan.

For the 2016 Program Year, the City expects to receive approximately \$262,746,200 from the four HUD formula grant programs; \$151,460,400 for CDBG, \$53,880,935 for HOME, \$43,778,900 for HOPWA, and \$13,625,900 for ESG.

This represents an approximate \$2.4 million overall decrease in entitlement grant funds received from the City's 2015 Consolidated Plan Program Year grant awards. The decrease in the total received amount is the result of decreases to two of the four formula entitlement grant programs' award amount, particularly the decrease in the amount for the HOPWA program (a \$3.2 million reduction (approximately 7 percent) based on the program funds actually received in 2015) which offset an approximately \$1.8 million increase in the amount received for New York City's HOME and ESG programs.

For HOPWA, the \$3.2 million reduction in the FFY16 allocation significantly compromises the City's ability to provide safe and affordable housing to low-income persons with HIV/AIDS in the New York City EMSA. Since 2011, the HOPWA program has had to do more with less—with cuts over the last five year period (FFY11-FFY16) totaling \$12 million dollars. Furthermore, Congress will decide whether the Housing Opportunity through Modernization Act (H.R. 3700) will pass later this year, which will introduce additional cuts through FFY21. H.R. 3700 proposes a formula modernization plan to distribute formula funding more equitably by counting confirmed living HIV/AIDS cases rather than cumulative AIDS cases. The allocation formula also considers housing costs and local poverty rates as formula factors. If the measure passes the Senate, the New York City EMSA anticipates losing an additional \$8.7 million in HOPWA dollars by FFY21. These imminent funding cuts combined with the FFY16 reduction will

negatively impact the City's ability to meet its estimated five-year goals as outlined in the 2015 Consolidate Plan's Five Year Strategic Plan.

It should be noted the expected resources do not currently contain a potential subgrant of the federal Housing Trust Fund. New York State Homes and Community Renewal controls the State's allocation and will decide on any suballocations later in 2016. If the City receives a subgrant award, it will amend its Action Plan to include the HTF funds accordingly.

## **2. Summarize the objectives and outcomes identified in the Plan**

Both the current and previous mayoral administrations recognize that safe and affordable housing as a priority in maintaining the City's vitality. In May 2014, Mayor de Blasio released Housing New York: A Five-Borough, Ten-Year Plan, a comprehensive plan to build and preserve 200,000 affordable units over the coming decade. The housing related activities within the Proposed 2016 Consolidated Plan One-Year Action Plan are part of the Mayor's broader housing strategy.

Although safe affordable housing is a crucial component to improving the lives of New Yorkers, the City allocates a large share of HUD entitlement funds to community redevelopment programs as part of a holistic approach to enhancing the living environment found within the City.

For the 2016 Consolidated Plan Program Year New York City has identified:

- Six formula entitlement-funded strategic objectives that will receive a cumulative total of \$41,450,544 and aim to increase or improve *Accessibility to Decent Affordable Housing* which will result in: 292,500 persons assisted with new/improved access to services (cumulative); five rental or owner-occupied units made accessible to persons with disabilities; 211 rental units constructed; 280 households assisted with tenant-based rental assistance /rapid re-housing; and, 3,450 homeless persons assisted with overnight shelter.
- Five formula entitlement-funded strategic objectives that will receive a cumulative total of \$152,990,821 and aim to provide or increase *Decent Affordable Housing* which will result in over approximately: 2,592 housing units rehabilitated and returned to private ownership; 31,193 persons living with AIDS provided with tenant-based rental assistance, supportive services, and/or supportive housing; and, 200 first-time homebuyers assisted with downpayment assistance.
- Two formula entitlement-funded strategic objectives that will receive a cumulative total of \$90,957,010 and aim to *Sustain Decent Housing* which will result in: 60,251 rental units rehabilitated; 885,000 households assisted housing units brought up to code via housing code enforcement/foreclosed property care (cumulative); and, 2,500 persons assisted with homelessness prevention.
- Seven formula entitlement-funded strategic objectives that will receive a cumulative total of \$27,602,048 and aim to increase the *Availability/Accessibility to a Suitable Living Environment* which will result in: 17,030,491 persons assisted with new/improved access to services (cumulative); 26,216 homeless persons given overnight shelter (cumulative); and, 6,700 persons provided new/improved access to a facility.
- Two formula entitlement-funded strategic objective that will receive a cumulative total of \$17,640,000 and aim to increase *Affordability of a Suitable Living Environment* which will result in: 68,392 persons assisted with a new/improved access to services; and, the improvement of

public facility infrastructure for the provision of breakfast to schoolchildren in 256 low-/moderate-income households.

- Seven formula entitlement-funded strategic objectives that will receive a cumulative total of \$30,339,000 and aim to increase or improve the *Sustainability of a Suitable Living Environment* through the: home repairs for 1,800 elderly homeowners; the façade renovation for 4 owner-occupied historic homes; renovation to one commercial façades on historic buildings; 147,295 persons provided new/improved access to a facility; 35 demolitions to remove slum or blighted conditions as part of geographically targeted revitalization effort; 4 cultural organizations assisted; 2,640 vacant lots cleaned; and, 225,000 persons provided with public service activities within the Bronx River and the adjacent areas.
- Three formula entitlement-funded strategic objectives that will receive a cumulative total of \$4,321,000 and aim to increase the *Availability/Accessibility to Economic Opportunity* which will result in: 1,730 persons assisted with new/improved access to literacy, educational or vocational services; and, 5,762 new and/or existing businesses assisted.
- Three formula entitlement-funded strategic objectives for which a Performance Indicator is Not Applicable (N/A).

Please note that the proposed outcomes which are indicated as *cumulative* represent the aggregate from multiple programs that may provide different types of benefits that are accessed by the same set of persons and/or households. Therefore, the reader is advised to interpret the data with caution.

### **3. Evaluation of past performance**

Regarding New York City's past performance in its use of formula entitlement funds, please refer to the City's *2014 Consolidated Plan Annual Performance Report (APR)*, the most recent APR available. The 2014 Performance Report can be accessed on the New York City Department of City Planning's website at: <http://www.nyc.gov/html/dcp/html/pub/conpln2014apr.shtml>.

The City of New York is currently formulating its Proposed 2015 Consolidated Plan Annual Performance and Evaluation Report (CAPER). The Proposed CAPER has yet to be released for its public comment period. When it is, the report will be made available on City Planning's website: [www.nyc.gov/planning](http://www.nyc.gov/planning).

### **4. Summary of Citizen Participation Process and consultation process**

#### In the Consolidated Plan Formulation Process

The City of New York conducted a public hearing to solicit comments on the formulation of the Proposed 2016 Consolidated Plan, on April 17, 2015.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan in several ways. Over 1,900 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices of the previously mentioned activity were published in three local newspapers, one English-language, a Spanish-language, and a Chinese-language daily, each with citywide circulation. Furthermore, a notice was placed as a public service message on the New York City-operated local cable television access

channel. The respective notices included relevant Plan-related information so that informed comments are facilitated.

#### In the Public Comment Review Period and Public Hearing

In order to notify the public of the release of the Proposed Consolidated Plan for public review and of the federally-required public hearing on the contents of the document, the City utilized the same notification methods as it did to announce the public hearing for the formulation of the Proposed Plan. Furthermore, the respective notices included relevant Plan-related information so that informed comments are facilitated. Lastly, copies of the Proposed 2015 Consolidated Plan are mailed to both the Chairperson and District Manager of each of the City's 59 Community Boards.

To provide public access to the document, copies of the Proposed 2016 Consolidated Plan could be obtained at the City Planning Bookstore, 22 Reade Street, New York, New York 10007, Phone: 212-720-3667, (Monday: 12 pm to 4:00 pm, Wednesday: 10:00 am to 1:00 pm) or any of the New York City Department of City Planning borough offices.

In addition, copies of the Proposed Consolidated Plan were made available for reference in the City's Municipal Reference & Research Center (the City Hall Library), and the main public library in each of the five boroughs.

Furthermore, the Department of City Planning posted the Proposed 2016 Consolidated Plan on the Department's website in Adobe Acrobat format for review by the public. The Internet-based version may be accessed at: <http://www.nyc.gov/planning>.

The public comment period began March 14, 2016 and extends for 30 days ending April 12, 2016. The public hearing on Proposed 2016 Consolidated Plan will be conducted as scheduled on **April 7, 2016 at 2:00 p.m.**, in Spector Hall, at the Department of City Planning, 22 Reade Street, Manhattan. A question and answer session with City agency representatives in attendance will follow.

The public is instructed to submit their written comments on the 2016 Proposed Consolidated Plan by close of business, April 12, 2016 to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway 31st Floor, New York, New York 10271, email: [Con-PlanNYC@planning.nyc.gov](mailto:Con-PlanNYC@planning.nyc.gov).

## **5. Summary of public comments**

The City received comments from LiveOn NY, a non-profit membership organization with approximately 100 members whose mission is to make New York a better place to age. LiveOn's comments noted growing financial insecurity among New York's aging population. High levels of rent burden among senior citizens was a noted concern. LiveOn states that the 3,600 seniors produced under the City's New Housing Marketplace plan were insufficient to meet needs and urges to the City to increase the production of housing for seniors.

## **6. Summary of comments or views not accepted and the reasons for not accepting them**

The City shares LiveOn's concern about the need for affordable senior housing. Congress has not provided sufficient funding for the HUD Section 202 – Housing for the Elderly program to continue providing resources for the City to use to produce senior housing. The City also notes the shortage of federal Section 8 rental assistance funds to address the senior housing crisis. The City has advocated for additional funds for both programs with federal elected officials.

In response to the growing need for affordable senior housing, HPD recently created the Senior Affordable Rental Apartments (SARA) program. SARA primarily uses City Capital funds to provide gap financing in the form of low interest loans to support the construction and renovation of affordable housing for senior, 62+ years in age, with low incomes. The program also contemplates the usage of federal Section 8 vouchers to provide rental assistance and may use federal HOME dollars to subsidize construction costs depending on the financing needs of the specific project.

The City has also proposed changes to the local Zoning Resolution to facilitate the production of senior housing by reducing parking requirements for senior projects developed close to public transit hubs.

# The (Formulation) Process

## PR-05 Lead & Responsible Agencies – 91.200(b)

### 1. Agency/entity responsible for preparing/administering the Consolidated Plan

Table 1 – Responsible Agencies

Agency Role	Name	Department/Agency
	NEW YORK CITY	
CDBG Administrator		Office of Management and Budget
HOPWA Administrator		Dept. of Health and Mental Hygiene
HOME Administrator		Dept. of Housing Preservation and Development
ESG Administrator		Dept. of Homeless Services

### Narrative

The New York City Department of City Planning is the lead agency in the City's Consolidated Plan application process and is responsible for the formulation, preparation and development of each year's proposed Plan in conjunction with the Consolidated Plan Committee member agencies and the federal government.

The four entitlement programs (Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Housing Opportunities for Persons with AIDS (HOPWA) and Emergency Solutions Grant (ESG)), are administered by the: Office of Management and Budget (OMB), the Department of Housing Preservation and Development (HPD), the Department of Health and Mental Hygiene (DOHMH) – Division of Disease Control, and the Department of Homeless Services (DHS), respectively.

The New York City Consolidated Plan also serves as the HOPWA grant application for six (6) surrounding counties within the New York Eligible Metropolitan Statistical Area (EMSA): The New York State counties of Orange; Rockland and Westchester and the New Jersey Counties of Middlesex, Monmouth, and Ocean, respectively.

In addition, the New York City Housing Authority (NYCHA), using primarily Public Housing Capital funds, administers public housing new construction, rehabilitation and modernization activities, and home ownership opportunity programs, along with a Section 8 rental certificate and voucher program.

Furthermore, the City of New York's Continuum of Care for the Homeless and Other Special Needs Populations is administered by various City Agencies, each according to their respective area of expertise. The supportive housing programs and services are funded primarily with City (capital and/or expense) and/or State funds.

The Department of Homeless Services (DHS) coordinates prevention and short-term emergency shelter for homeless families and individuals. Services are aimed at preventing homeless, providing emergency

shelter and rapidly transitioning homeless persons into permanent housing. This work is done in collaboration with sister agency, Human Resources Administration (HRA), to jointly address the needs of individuals and families at risk of or who are experiencing homelessness. Programs for runaway and homeless youth and children aging out of foster care are administered by the Department of Youth and Community Development (DYCD), and Administration for Children's Services (ACS), respectively.

The Human Resources Administration (HRA) provides a range of public benefits and social services which assist in homeless prevention and/or diversion. Through HRA's HIV/AIDS Administration (HASA), HRA provides emergency and supported housing assistance and services for persons with HIV-related illness or AIDS. The City's Department of Health and Mental Hygiene, along with the State's Offices of Mental Health (OMH), the Office for People With Developmental Disabilities (OPWDD), and Office of Alcoholism and Substance Abuse Services (OASAS); plans, contracts for and monitors services for these disability areas and provides planning support to OASAS in the field of substance abuse services. The Bureau of Mental Health within the DOHMH, through contracted agencies, provides an array of mental health recovery oriented services and supportive housing programs to prevent homelessness and works collaboratively with Federal, City, and State agencies to assure continuity of services. Several other City agencies such as the Department of the Aging (DFTA), the Mayor's Office for People with Disabilities (MOPD), and the Mayor's Office to Combat Domestic Violence (MOCDV) address the concerns of targeted groups of citizens by providing housing information and supportive housing services assistance.

### **Consolidated Plan Public Contact Information**

Any questions or comments concerning New York City's Consolidated Plan and the formula entitlement grant funded activities may be directed to:

Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway, 31st Floor, New York, New York 10271, Phone (212) 720-3337

email: [Con-PlanNYC@planning.nyc.gov](mailto:Con-PlanNYC@planning.nyc.gov).

CDBG: John Leonard, Director of Community Development, Office of Management and Budget (212) 788-6177

HOME: Jordan Press, Director, State and Federal Affairs, Department of Housing Preservation and Development (212) 863-8968

ESG: Kevin Rente, Director of Federal Policy, Department of Homeless Services, (212) 361-5595

HOPWA: John Rojas, Assistant Commissioner, Department of Health and Mental Hygiene/Division of Disease Control (347) 396-7428

## **AP-10 Consultation – 91.100, 91.200(b), 91.215(l)**

### **1. Introduction**

New York City's Consolidated Plan citizen participation and formulation process is part of the City's larger Charter mandated budget process.

This process, specified in the City Charter, provides for citizen participation on all programs, projects and services funded by the City's Expense, Capital and Community Development Block Grant (CDBG) budgets.

As stated previously, the Consolidated Plan is the City's application for the four HUD Office of Community Planning and Development Entitlement Programs: CDBG, HOME, ESG, and HOPWA. The allocation of these funds will be for housing, homeless, supportive housing and community development programs and are determined during the City's Budget Process. The Consolidated Plan focuses on the money expected to be received from HUD and the matching funds that the City uses primarily from City Tax Levy; however, funds from the State, the private sector, and nonprofit organizations are also described.

The City's budget is required to be adopted on or before the start of its fiscal year (July 1st to June 30th). Citizens are encouraged to get involved in this decision-making process. The City's Budget Process, which is voted on by the City Council, is subject to extensive public review and participation. The City has an established citizen participation process that is divided into three phases: 1. needs assessment and budget preparation (May to November); 2. Preliminary Budget (November to April); and 3. Executive and Adopted Budget (April to July). The Budget Process solicits citizen comments at several stages before the final budget is adopted. For opportunities for individuals, community boards, and other organizations to participate in the planning and budgeting process, please refer to the schedule on OMB's website at <http://www.nyc.gov/html/omb/html/about/cycle.shtml>.

Citizen participation in developing the budget is mandated by the City Charter. Through months of consultations with the 59 community boards, expense and capital budgets for operating agencies are established. Additionally, public hearings may be held by individual agencies to assist in the development and enhancement of their respective programs and operations. This provides agencies with a significant understanding of community priorities for capital project and service delivery improvements.

This schedule emphasizes the participation of the community boards at the local level because, by City Charter mandate, the boards are charged with monitoring City service delivery, proposing budget priorities, and reviewing development and land use proposals at the community level. The 59 local community boards are the primary mechanism for citizen participation in the budget process in New York City. Others seeking input into the City's budgetary decisions find it appropriate and useful to obtain a community board's endorsement of their proposals. Each board is composed of up to 50 people who live or work in the community district.

Citizens have an opportunity to participate in the above process in several ways including participating locally with the community board and organizations represented on community board committees and

attending and testifying at local hearings held by community boards and those held by the City Council. Hearings held in the fall facilitate the community boards' development of their Statement of Community District Needs and Priorities and their Capital and Expense/CD Budget project/program requests. In February, citizens have an opportunity to testify at a community board public hearing on the Preliminary Budget in relation to community needs. Public hearings are held by the City Council in May on the Executive Budget and the Proposed Community Development Budget before final adoption of the budget.

**Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))**

DHS, as the recipient of the ESG funds, works closely with public agencies and non-for-profit partners to reduce street homelessness, assist New Yorkers at-risk of homelessness, and transition from temporary housing into permanent housing. DHS also collaborates with governmental and non-governmental human services entities to enhance the provision of prevention and homeless services.

New York City is fully participating in the Medicaid Expansion under the ACA. As a result, CoC and 100% of project recipients and subrecipients participated in efforts to educate and facilitate healthcare enrollment among low income and homeless individuals and families. Outreach, in person assistors, certified application counselors, brokers, and navigators provided in person enrollment and assistance with the Marketplace. In addition to the CoC services and outreach, its partnership with city NYC Health Insurance Link, Health and Hospital Corporation, Medicaid Health Homes, ensures that chronically homeless are assessed and enrolled in healthcare services. In addition, DHS will be working closely with the SAMHSA SOAR State Team to secure Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI) benefits for the eligible individuals and families that we serve within our continuum.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

DHS, the ESG recipient and collaborative applicant for the NYC CoC, coordinates extensively with CoC providers and the Consolidated Plan jurisdiction. Coordination takes place through monthly meetings between representatives from both groups in an effort to align priorities and share efforts toward the NYC's five year Con Plan. This collaboration has resulted in goals which are aligned and stated in the CoC's strategic plan as: Investing in proven strategies to reduce the number of homeless individuals on the streets; Preventing those families and individuals at-risk of homelessness from entering shelter; Ensuring that shelter is a short-term solution to a housing crisis by rapidly re-housing families and individuals. The aim is to end homelessness, with an emphasis on chronic and veteran's homelessness. The alignment of the Con Plan goals and the CoC's strategic plan has led to coordinated efforts within the jurisdiction to address the needs of homeless persons and persons at risk of homelessness.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

The Homebase prevention, street outreach, and emergency shelter providers are evaluated based on DHS scorecards and HUD system performance measure. DHS utilizes scorecards, specifically developed to measure provider performance, to evaluate ESG activities. DHS shared this framework with the Continuum of Care Steering Committee and will review periodically with the NYC CCoC Data Management Committee. DHS will utilize its HMIS to monitor system performance through the following indicators:

- Number of individuals/households served
- Number of successful placements of individuals/households into permanent housing
- Reduction in the percent of persons who return to homeless
- Reduction in the length of time persons remain homeless
- Reduction in the number of persons who become homeless for the first time

For reference, see Emergency Solutions Grant Written Standards in Appendix.

**2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities**

**Other local/regional/state/federal planning efforts considered when preparing the Plan**

**Table 3 – Other local / regional / federal planning efforts**

<b>Name of Plan</b>	<b>Lead Organization</b>	<b>How do the goals of your Strategic Plan overlap with the goals of each plan?</b>
Continuum of Care	NYC Department of Homeless Services	The goals of the Strategic Plan are closely aligned with the goals of the NYC Coalition on the Continuum of Care. DHS is the CoC's Collaborative Applicant and Steering Committee member. DHS is also the ESG recipient for New York City.

## AP-12 Participation – 91.105, 91.200(c)

### 1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

#### In the Consolidated Plan Formulation Process

The City of New York conducted a public hearing to solicit comments on the formulation of the *Proposed 2016 Consolidated Plan*, on April 17, 2015.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan in several ways. Over 1,800 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices regarding the public hearing were published in three local newspapers: one English-language, a Spanish-language, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted on the Department of City Planning's website. Lastly, a notice was placed as a public service message on the New York City-operated local cable television access channel. The respective notices included relevant Plan-related information so that informed comments are facilitated.

Testimony could be given orally at the hearing or submitted by mail or email in lieu of attendance.

#### In the Public Comment Review Period and Public Hearing

In order to notify the public of the release of the Proposed Consolidated Plan for public review and of the federally-required public hearing on the contents of the document, the City utilized the same notification methods as it did to announce the public hearing for the formulation of the Proposed Plan. Lastly, copies of the *Proposed 2016 Consolidated Plan* were mailed to both the Chairperson and District Manager of each of the City's 59 Community Boards. (*Please refer to Section PR-10., Consultation, for the role the Community Boards have as the primary mechanism for citizen participation in the City's budget process.*)

To provide public access to the document, copies of the *Proposed 2016 Consolidated Plan* could be obtained at the **City Planning Bookstore**, 22 Reade Street, New York, New York 10007, Phone: 212-720-3667, (**Monday: 12 pm to 4:00 pm, Wednesday: 10:00 am to 1:00 pm**) or any of the New York City Department of City Planning borough offices.

In addition, copies of the Proposed Consolidated Plan were made available for reference in the City's Municipal Reference & Research Center (the City Hall Library), and the main public library in each of the five boroughs.

Furthermore, the Department of City Planning posted the *Proposed 2016 Consolidated Plan* on the Department's website in Adobe Acrobat format for review by the public. The Internet-based version may be accessed at: <http://www.nyc.gov/planning>.

The public comment period began March 14, 2016 and extends for 30 days ending April 12, 2016. The public hearing on Proposed 2016 Consolidated Plan will be conducted as scheduled on April 7, 2015 at 2:00 p.m., in Spector Hall, at the Department of City Planning, 22 Reade Street, Manhattan. *Spector Hall is wheelchair accessible and near public transportation that is accessible.*

The public is instructed to submit their written comments on the *2016 Proposed Consolidated Plan* by close of business, April 12, 2016 to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway 31st Floor, New York, New York 10271, email: [Con-PlanNYC@planning.nyc.gov](mailto:Con-PlanNYC@planning.nyc.gov). Any comments received will be summarized and agencies' responses incorporated into the version submitted to HUD.

## Citizen Participation Outreach

Table 4 – Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
1	Newspaper Ad	<p>Minorities</p> <p>Non-English Speaking - Specify other language: Spanish, Chinese</p> <p>Persons with disabilities</p> <p>Non-targeted/broad community</p> <p>Residents of Public and Assisted Housing</p>	No one attended announced formulation public hearing. 2	Notice Mailing	<p>Minorities</p> <p>Non-English Speaking - Specify other language: Spanish, Chinese</p> <p>Persons with disabilities</p>	No one attended announced formulation public hearing. Therefore, no oral response was required. One not-for-profit on the mailing list provided written comments.	The City received comments from LiveOn NY, a non-profit membership organization with approximately 100 members whose mission is to make New York a better place to age. LiveOn's comments	The City shares LiveOn's concern about the need for affordable senior housing. Congress has not provided sufficient funding for the HUD Section 202 - Housing for the Elderly program to continue providing resources for the City	

		<p>Non-targeted/broad community</p> <p>Residents of Public and Assisted Housing</p>		<p>noted growing financial insecurity among New York's aging population. High levels of rent burden among senior citizens was a noted concern. LiveOn states that the 3,600 seniors produced under the City's New Housing Marketplace plan were insufficient to meet needs and urges to the City to increase the production of housing for seniors.</p>	<p>to use to produce senior housing. The City also notes the shortage of federal Section 8 rental assistance funds to address the senior housing crisis. The City has advocated for additional funds for both programs with federal elected officials. In response to the growing need for affordable senior housing, HPD recently created the Senior Affordable Rental Apartments (SARA) program. SARA primarily uses City Capital funds to provide gap financing in the form of low interest loans to support the construction and renovation of affordable housing for senior, 62+ years in age, with low incomes. The program also contemplates the usage of federal</p>
