### **About the New York City Department of Sanitation**

The Department of Sanitation (DSNY) promotes a healthy environment through the efficient management of solid waste and the development of environmentally sound long-range planning for handling refuse, including recyclables. The Department operates 59 district garages and manages a fleet of 2,022 rear-loading collection trucks, 450 mechanical brooms and 500 salt/sand spreaders. The Department clears litter, snow and ice from approximately 6,500 miles of City streets and removes debris from vacant lots as well as abandoned vehicles from City streets.
