**STATEMENT FROM MAYOR DE BLASIO ON NEW YORK CITY SCHOOLS
CHANCELLOR SEARCH**

“Alberto Carvalho is a world-class educator with an unmatched track record of success. I am very confident that our extensive, national search has found New York City the best person to lead the nation’s largest school system into the future. I look forward to welcoming our new chancellor to New York City in the days ahead, and to working with him in the years ahead as we deepen achievement in our classrooms and build on the outstanding record of accomplishment that Chancellor Fariña has delivered for students and their families across the five boroughs.”
