#### MESSAGE FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message of his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, February 11, 1886.

*The Honorable Board of Aldermen :*

You have been specially called together for the purpose of taking appropriate action upon the very sudden death of General Hancock. As the General has been for so many years a resident of this city, known personally to many of us and respected by all, it is especially fitting that you should pay proper tribute to his memory. He has been a prominent figure in our social life, and his rare social qualities will make his loss most keenly felt among a large circle which has learned to know him and to love him.

It has been said that General Hancock was a born soldier. He was indeed, a soldier ! A soldier without fear, and without reproach, brave in battle, generous in victory. But he was more than this. He was above all things an admirable man. His rectitude of purpose has always been above suspicion. His character was chivalrous to a degree, and his personality was so marked as to draw to him all men with whom he came in contact. No figure in the late war is more attractive than was his. No commander was more beloved by his men.

These qualities, rare in themselves, reinforce that claim upon our gratitude and our affection to which General Hancock's splendid services to his country entitle him. Those services can never be forgotten and need not be described, though they serve to deepen that sense of loss which all of us feel and which is almost personal in its nature. His memory is a rich legacy and one which his countrymen will ever cherish.

W. R. GRACE, Mayor.

In connection therewith Alderman Ryan offered the following :

Whereas, Major-General Winfield Scott Hancock died at his residence on Governor's Island, in New York Harbor, on Monday, the 8th inst., in the sixty-second year of his age, and the sad event imposes upon this Common Council, for themselves and as the representatives of the People of this metropolis, the duty of taking such proceedings as will best tend to manifest sorrow for the death, and respect for the memory, of the deceased soldier ; and

Whereas, In the death of Major-General Hancock, the republic loses another illustrious son—one that has shed lustre upon our Republican institutions, and left an indelible impress of greatness upon the epoch in which he lived, second only to that of the other illustrious soldier who preceded him in death only a few months, General U. S. Grant ; and

Whereas, To enumerate here the services of the deceased soldier to his country ; to portray his character ; to recount his noble deeds, his great sacrifices ; his fidelity to duty, his love of country, and devotion to its welfare, would be entirely superfluous, as his name and fame are cherished in every household in the land, and extends to every country and clime. As a soldier, he was simply "Hancock the Superb." Dignity and simplicity were inseparably blended in his nature, and his commanding yet benign presence attracted and attached to him all who came within the influence of his personality. He was the Bayard of the American army—a chevalier without fear and without reproach ; and

Whereas, One characteristic and eventful act of his brilliant career has, probably more than any other, endeared him to every lover of free government, and has placed his name, in the temple of Fame, next to that of the immortal Washington : Clothed with despotic and unrestricted power as Military Commander of the Department of the South, after the close of the civil war, he controlled the destinies of the people in that department, for good or evil, and had the power to still further crush them under the iron heel of a military despotism, or restore to them the blessings of self-government, at his own will and pleasure. His famous proclamation advising them to reorganize their civil governments, State and local, his promise to aid them in so doing to the full extent of his power and authority, and his immortal declaration that, "In times of peace, the military was subordinate to the civil power," stamped him at once, as the greatest of American military commanders, and secured for him the love and reverence of every true believer in the right of the People to govern themselves ; and

Whereas, In the general grief for the death of such a man, it is the sad duty of the People and Government of this city to participate, and this Common Council should adopt such measures as will tend to show the estimation in which he was held, to manifest sorrow for the irreparable loss inflicted upon our country, to give expression to our attachment to his memory, and to sympathize and condole with his bereaved family and sorrowing friends ; be it therefore

Resolved, That out of sorrow for the death, and respect for the memory of Major-General W. S. Hancock, it is hereby recommended that our citizens close their respective places of business and refrain from any secular employment on Saturday (to-morrow), the 13th instant, that being the day set apart for the funeral ceremonies ; that the public offices of the corporation be closed on that day, except those specially required by law to be kept open ; that the flags be displayed at half-staff on all the public buildings in this city ; that the owners of private buildings, and the owners or masters of vessels in our harbor, be requested to display their flags at half-mast on said day, and that a special committee of five members of the Common Council be appointed, with instructions to invite the co-operation of his Honor the Mayor, and the heads of the several executive departments, to represent the City Government at the funeral of the deceased ; and be it further

Resolved, That a copy of the foregoing preamble and resolution be suitably engrossed, duly authenticated by the corporate seal of the city, attested by the Clerk of the Common Council, and transmitted to the family of General Hancock, as an additional evidence of respect for the memory and sorrow for the death of the illustrious soldier.

In seconding the adoption of the preamble and resolutions, Aldermen Morgan, Quinn, and Mooney paid tributes of respect to the memory of General Hancock, and President Nooney, before putting the question to the Board, alluded to the great loss sustained by the country, and eulogized the life and services of the deceased soldier.

The President then put the question whether the Board would agree with said preamble and resolutions.

Which was decided in the affirmative unanimously, by a rising vote.

The President then appointed as the Special Committee, Aldermen Ryan, Morgan, Quinn, Mooney, and Corcoran.

And, on motion of Alderman Morgan, the President was added to the Committee.

Alderman Mooney moved that, as a further mark of respect for the memory of General Hancock, this Board do now adjourn.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

And the President announced that the Board stood adjourned until Tuesday, the 16th instant, at one o'clock P. M.

FRANCIS J. TWOMEY, Clerk.

**JURORS.****NOTICE IN RELATION TO JURORS FOR STATE COURTS.**

OFFICE OF THE COMMISSIONER OF JURORS,  
Room 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1885.

**APPLICATIONS FOR EXEMPTIONS WILL BE** heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given. Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption, if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments on the property of the delinquent. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court Jurors are not exempt. Every man must attend to his own case. It is no misdemeanor to give any jury party to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,  
Commissioner of Jurors.

**DEPARTMENT OF PUBLIC WORKS.**

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
Room 6, No. 31 CHAMBERS STREET,  
NEW YORK, February 6, 1886.

**TO COAL DEALERS.**

**BIDS OR ESTIMATES INCLOSED IN A SEALED** envelope, with the title of the work and the name of the bidder endorsed thereon, will be received at this office, until Thursday, February 18, 1886, at 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department and the Board of Public Works.

**FOR FURNISHING THE DEPARTMENT OF PUBLIC WORKS, WITH ONE THOUSAND NINE HUNDRED AND SEVENTY-FIVE (1,975) GROSS TONS (2,240 POUNDS TO A TON) OF BROKEN-SIZE LEHIGH AND WILKESBARRE COAL, AND TWENTY-FIVE (25) TONS OF ENGLISH CANNEL COAL.**

Bidders for the above contracts must be regularly engaged in the business and well prepared for furnishing the materials they propose for; and no contract will be made with any bidder who is not prepared to furnish satisfactory evidence to that effect.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and that it is made in full and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completed work, and in tract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law. No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded.

If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

**THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.**

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired can be obtained at the office of the Superintendent of Repairs and Supplies, Room 15, No. 31 Chambers street.

ROLLIN M. SQUIRE,  
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,  
NEW YORK, January 25, 1886.

**TO THE PUBLIC.**

**THE CHIEF ENGINEER OF THE CROTON** Aqueduct reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, equal to 98,000,000 gallons, showing that this amount of water was used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this enormous waste, which is caused by consumers keeping faucets open day and night to prevent freezing in the service-pipes, and can only make this most urgent appeal to them to stop it, and notify them that unless it is stopped the pressures in the water-mains will be so much reduced that in a few days the water will not rise to the basements and cellars in thousands of buildings.

Respectfully,  
ROLLIN M. SQUIRE,  
Commissioner of Public Works.

**FIRE DEPARTMENT.**

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.
