## REPORTS.

### From Standing Committees.

#### Committee on Salaries and Grades.

#### Board of Estimate and Apportionment (Bureau of Personal Service)—Procedure with Regard to Filling Vacancies in Positions (Cal. No. 1).

(On January 11, 1918 (Cal. No. 83), the request of the Bureau of Personal Service in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 8, 1918, from the Bureau of Personal Service, as to the procedure to be followed by said Bureau under the provisions of paragraph Second (C) of the terms and conditions of the Budget for 1918, affecting the filling of vacancies in positions; and the following report of the Committee on Salaries and Grades relative thereto:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—Under date of January 8, 1918, the Board of Estimate and Apportionment received the following communication from the Assistant Director of the Bureau of Personal Service:

"January 8, 1918.

#### "To the Board of Estimate and Apportionment:

"Gentlemen—Permit me to call your attention to certain features of the payroll procedure at present in operation in the Bureau of Audit of the Department of Finance. As these features involve the co-operation and assistance of the Bureau of Personal Service, it is necessary that specific instructions be given by you regarding their continuance.

"Paragraph Second (C) of the terms and conditions of the Budget for 1918 (page 2) reads, in part, as follows:

"(c) That vacancies existing on January 1, 1918, or occurring thereafter \* \* \* shall be filled only after certificate by the Committee on Salaries and Grades of the Board of Estimate and Apportionment:

"(1) That the position is required;

"(2) That the title and compensation for such vacant position conform to the standard titles, work specifications and compensation grades fixed by the Board of Estimate and Apportionment where there has been such fixation; or

"(3) In the event of there having been no such fixation by the Board of Estimate and Apportionment, that the title and compensation for such vacant position are apparently proper."

"Under the present procedure each department submits to the Finance Department, in advance of its regular payrolls, a report of changes of personnel since the last preceding payroll. This report in change of personnel has in the past been sent to the Bureau of Personal Service in order that such changes as have apparently been made without compliance with the terms and conditions of the budget should be noted. The enclosed certificate has been used in the space provided on the personnel change sheet in order that the Department of Finance might take such action as appeared proper to the Comptroller in dealing with subsequent departmental payrolls.

"War Service and Supplementary payrolls are also sent for similar inspection.

"The personnel change sheets for the payrolls for the first half of the month of January, 1918, are now being received by the Bureau of Personal Service from the Finance Department. Naturally, there are a great many changes incident to the operation of the new budget and the changes in administration. Pending definite instructions from you regarding the continuance of the existing procedure, I have instructed the Examiners of this Bureau to place a check mark on the personnel change sheets with the following handwritten note:

"Check marks indicate positions apparently filled without certificate of necessity by the Committee on Salaries and Grades—changes approved pending definite instructions from the Board of Estimate and Apportionment."

"Will you kindly advise me at your convenience whether or not you wish the Bureau of Personal Service to continue the scrutiny of the payrolls.

"Respectfully, EDWARD FEENEY, Acting Assistant Director."

At the direction of the Comptroller the question of the enforcement of paragraph second (C) of the terms and conditions of the budget for 1918 was placed upon the calendar of this Board for January 11 and referred to the Committee on Salaries and Grades.

Recommendation—The Committee at its meeting on Saturday, January 12, decided to recommend no change in the existing procedure regarding the enforcement of paragraph second (C) of the terms and conditions. The question of the procedure for the audit of payrolls under these terms and conditions being entirely in the hands of the Comptroller should be determined by him. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the recommendation contained in the report of the Committee on Salaries and Grades, dated January 14, 1918, that no change be made in the existing procedure regarding the enforcement of paragraph second (C) of the terms and conditions of the budget for the year 1918, with regard to existing vacancies and authority to fill same.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the Presidents of the Boroughs of Manhattan, Brooklyn and The Bronx, and the Acting President of the Borough of Richmond—12.

#### Board of Estimate and Apportionment (Bureau of Records and Minutes)—Modification of Schedule (Cal. No. 2).

(On January 11, 1918 (Cal. No. 82), the request in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 8, 1918, requesting modification of schedule to meet present payroll conditions; and the following report of the Committee on Salaries and Grades recommending approval thereof:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On January 8, 1918, the Secretary of the Board of Estimate and Apportionment requested modification of salary schedule No. 20 for 1918. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To increase the rate for a position of Clerk from \$1,080 to \$1,320, and a position of Stenographer from \$1,200 to \$1,320, and to change a position of Stenographer at \$1,650 to Typewriter Copyist at \$900, scheduling \$390 in balance unassigned.

"Result of Investigation—These changes are necessary in order that the salaries of the present incumbents may agree with the rates received by them in 1917. After the adoption of the 1918 Budget the Budget for 1917 was modified providing for the above changes for the remainder of the year."

Recommendation—In view of the above facts the Committee on Salaries and Grades recommends the adoption of the attached resolution approving the request.

Respectfully, ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the schedule, as revised, for the Board of Estimate and Apportionment for the year 1918, to be effective as of January 1, 1918, as follows:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On December 29, 1917, the Secretary of the Committee on City Plan recommended the request of John P. Fox, Consultant on City Planning, for leave of absence without pay for a period of three months. The Bureau of Personal Service reports thereon, as follows:

"On June 30, 1917, George B. Ford, a Consultant on City Planning at \$5,000 per annum, resigned. At the time the work of making investigations and reports in relation to building zone amendments was in large part completed. However, it was proposed to fill the position in view of anticipated studies to be made under a Traffic Commission in relation to traffic regulations and the improvement of traffic routes. In consequence, John P. Fox was appointed on August 28, 1917, to the vacancy at \$4,140 per annum, pending the promulgation of a civil service eligible list. On December 20, 1917, Mr. Fox was permanently appointed to the position as a result of being number one on the list resulting from the competitive examination."

In view of the above report the Committee recommends that the request for leave of absence without pay be granted for a period of one month and that a further extension be requested at the expiration of that time if necessary.

Respectfully, ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby grants a leave of absence, without pay, for one month (January, 1918), to John P. Fox, Consultant on City Plan, Board of Estimate and Apportionment.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the Presidents of the Boroughs of Manhattan, Brooklyn and The Bronx, and the Acting President of the Borough of Richmond—12.

#### Department of Finance—Transfer of Appropriation and Modification of Schedules (Cal. No. 4).

(On January 11, 1918 (Cal. No. 61), the request of the Deputy and Acting Comptroller in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 8, 1918, from the Deputy and Acting Comptroller, requesting modification of schedules for the Department of Finance; and the following report of the Committee on Salaries and Grades recommending approval thereof and transfer of appropriation:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On January 8, 1918, the DEPUTY AND ACTING COMPTROLLER requested modification of five salary schedules for 1918 involving a cash transfer of \$1,080. The Bureau of Personal Service reports thereon as follows:

"Proposed Action (1)—In No. 82, Engineering, it is proposed to eliminate a position of Assistant Engineer at \$1,920 and to add one of Inspector of Regulating, Grading and Paving at \$1,920.

"Result of Investigation (1)—This change is necessary in order that the schedule line may conform to the present title of the incumbent. It was the intention to change the title of this employee, but on account of civil service complications this cannot be done for the present.

"Proposed Action (2)—In No. 83, Current Taxes, it is proposed to change a position of Clerk at \$1,200 to Financial Clerk at \$1,200, and to eliminate a position of Clerk at \$1,080, transferring the position and money to No. 87, Accounting.

"Result of Investigation (1)—This change is necessary in order that the schedule line may conform to present title of the incumbent and to provide for a Clerk in the schedule for the Bureau he is now assigned to.

"Proposed Action (3)—In No. 84, Assessments and Arrears, it is proposed to change a position of Financial Clerk at \$1,200 to Clerk at \$1,200.

"Result of Investigation (3)—This change is necessary in order that the schedule line may conform to the title of the present incumbent.

"Proposed Action (4)—In No. 86, Auditing, Accounting and Disbursing, it is proposed to increase the number of Clerks at \$1,200 from 10 to 11 and the number at \$540 from 8 to 10, and to decrease the number of Clerks at \$1,050 from 9 to 8, the number at \$360 from 15 to 12, and the number of Bookkeepers at \$1,200 from 13 to 12, and adding a line for Bookkeeper at \$840, scheduling \$210 in Balance Unassigned.

"Result of Investigation (4)—These changes are necessary in order that the salaries of the present incumbents may conform to the rates received by them after the Budget of 1918 was adopted.

"Proposed Action (5)—In No. 87, Accounting, it is proposed to change a

position of Bookkeeper at \$1,320 to Clerk at \$1,320, and to add a position of Clerk at \$1,080, the necessary funds being transferred from No. 83.

"Result of Investigation (5)—These changes are necessary in order that the schedule line may conform to the title of the present incumbent and to provide for an employee in the code which he is properly chargeable to."

Recommendation—In view of the above facts, the Committee on Salaries and Grades recommends the adoption of the attached resolutions approving the request.

Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

#### To the Board of Estimate and Apportionment:

Gentlemen—On January 4, 1918, the President of the Borough of Manhattan requested modification of Code No. 380 for 1918. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—In Code No. 380 to increase the rate of a Foreman Wireman from \$5.75 to \$6 per day for 300 days. It is desired that the funds be provided from the General Accrual Fund.

"Result of Investigation—This request was first made by the former Borough President, but no action was taken on the matter. The prevailing rate for Wireman is \$4.80 per day, and for Electrician \$5.20, as provided in the 1918 Budget. There are no prevailing rates for foremen in the Skilled Trades, but it is customary to pay the Foreman an advance of fifty cents a day over the rate for Journeyman. The employee for whom the request is made, is in charge of a squad of eight Wiremen and Electricians and one Helper. A request to place this position on a per annum basis of \$1,800 was denied by the Budget Sub-Committee in the preparation of the 1918 Budget."

Recommendation—In view of the above report, the Committee recommends the adoption of the attached resolution denying the request. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby denies the application dated November 13, 1917, of Ernest Mueller, for an increase in wages as Foreman Wireman in the office of the President, Borough of Manhattan, from \$5.75 to \$6 per day.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the Presidents of the Boroughs of Manhattan, Brooklyn and The Bronx, and the Acting President of the Borough of Richmond—12.

#### To the Board of Estimate and Apportionment:

Gentlemen—On December 29, 1917, the PRESIDENT OF THE BOROUGH OF RICHMOND requested modification of Code 759TC, Bureau of Engineering, for his office for the year 1918. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To add a line of Rodman at \$1,350.

"Result of Investigation—It is proposed to provide for continued employment of a Rodman who was reinstated December 28, 1917, at his former salary, \$1,350. On December 28, 1917, the Board of Estimate and Apportionment authorized the preliminary work in connection with certain proposed sewer improvements in the Borough of Richmond. This involves the surveys, drafting and calculations necessary to the preparation of contract plans and specifications for the construction of approximately four and three-quarter miles of sewers at an estimated cost of \$94,400. The necessary money for increase of the salary schedule is to be provided by additional allowance from special corporate stock (assessment) funds. The request is reasonable."

Recommendation—In view of the above facts, the Committee recommends adoption of attached resolution approving request. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

(On January 11, 1918 (Cal. No. 78), the communication from the Acting President, Borough of Richmond, in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 7, 1918, from the Acting President of the Borough of Richmond requesting modification of schedule for the Bureau of Street Cleaning; and the following report of the Committee on Salaries and Grades recommending approval thereof:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On January 7, 1918, the PRESIDENT OF THE BOROUGH OF RICHMOND requested modification of Code 764, *Wages Regular Employees, Street Cleaning*, for his office for 1918. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To change the line 'Stationary Engineer, 4 at \$4.50 per day (365 days)', \$6,570, to read 'Stationary Engineer, 4, at \$5 per day (328½ days)', \$6,570."

"Result of Investigation—The rate of per diem compensation for stationary engineers throughout the City employ was fixed in the Budget for 1918 at \$5. Through an oversight, the line mentioned above was not changed. The request is therefore proper and reasonable. It will later be necessary to replenish this line by the transfer of \$730, as the present line total at the new rate is sufficient only until November 25, 1918."

Recommendation—The Committee recommends that the request be granted by adoption of the attached resolution. Respectfully,

(On January 11, 1918 (Cal. No. 33), the report of the Bureau of Personal Service in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a report of the Bureau of Personal Service, dated January 8, 1918, on the request dated December 28, 1917, of the Commissioner of Water Supply, Gas and Electricity for modification of schedule; and the following report of the Committee on Salaries and Grades recommending approval thereof:

#### To the Board of Estimate and Apportionment:

Gentlemen—On December 28, 1917, the Commissioner of Water Supply, Gas and Electricity requested modification of Code No. 2150 for 1918. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To change a position of Examiner at \$1,980, to Chairman at \$1,680, scheduling the \$300 as balance unassigned."

"Result of Investigation—At the time of the preparation of the 1918 budget, the rate for a position of Chairman at \$1,680 was increased to \$1,980, and the title changed to Examiner, in order to provide for an employee at the minimum rate for the work he was performing. Subsequently, Civil Service complications arose regarding the change of title which will not be decided before the latter part of January. The present request is to provide for the position at the title and rate allowed for 1917, pending a decision on the Civil Service question."

Recommendation—In view of the above report, the Committee recommends that the request be granted by the adoption of the attached resolution. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

#### Board of Inebriety—Modification of Schedule (Cal. No. 11).

(On December 28, 1917 (Cal. No. 28), the report of the Committee on Salaries and Grades in this matter was laid over until January 4, 1918.)

(On January 4, 1918 (Cal. No. 18), the matter was referred back to the Committee on Salaries and Grades.)

The Secretary presented a report of the Committee on Salaries and Grades, dated December 21, 1917, on the request of the Board of Inebriety, dated December 12, 1917, for modification of schedule; and the following report of the Committee on Salaries and Grades relative thereto:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On December 12, 1917, the BOARD OF INEBRIETY requested modification of Code No. 2681 for 1917. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To add a line Superintendent at \$3,500, the funds being secured by abolishing a vacant position of Correction Officer at \$960 and a vacant position of Trained Nurse at \$600, and using \$1,940 of an unassigned balance of \$2,520."

"Result of Investigation—The Board States as follows in support of this request:

"Referring to request for modification of salary schedules to permit the appointment of a Medical Superintendent at \$3,500, I have to state that it is simply impossible, with the conditions existing in the medical world to-day, to secure an incumbent qualified for the duties at a salary of \$2,500, as provided in the budget for 1918, particularly while the appointment is temporary. As you know, the position of Medical Director paid \$6,000 and maintenance. The budget for 1918, as passed by the Board of Estimate and Apportionment, provided for a Superintendent at \$5,000 and maintenance. On November 26, 1917 the Board appointed Dr. Theron J. Vosburgh temporarily at a salary of \$3,500 and maintenance. The Board contracted with Dr. Vosburgh in good faith. Funds are available for this amount. He has endured considerable inconvenience on account of the lack of accommodations to which he would be entitled and it is the earnest hope of the Board of Inebriety that the schedules will be modified as requested."

"The work of the position falls in the 4th grade of the Physician Group, as applied throughout the city departments, with a minimum compensation of \$2,520 per annum, with maintenance. This maintenance has previously been at the rate of more than \$5,000 a year. The present incumbent, however, lives at the institution and the maintenance cost to the city has been substantially lessened and will probably amount to from \$1,500 to \$2,000 a year. The position was recommended by the Budget Sub-Committee for 1918 at \$2,520, allowed by the Board of Estimate and Apportionment at \$5,000 and fixed by the Board of Aldermen at \$2,500."

Recommendation—In view of the facts set forth above the Committee recommends the adoption of the attached resolution allowing the position at \$2,500, the rate allowed in the budget for 1918. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby approves of the schedule, as revised, for the Board of Inebriety for the year 1917, effective as of November 26, 1917, as follows:

#### Department of Docks and Ferries—Transfer of Appropriation and Modification of Schedules (Cal. No. 12).

(On January 11, 1918 (Cal. No. 32), the report of the Bureau of Personal Service in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a report of the Bureau of Personal Service, dated January 7, 1918, on the requests dated December 13 and 14, 1917, of the Acting Commissioner of Docks for modification of schedules and establishment of a corporate stock schedule for 1917, involving transfer of funds; and the following report of the Committee on Salaries and Grades recommending approval thereof:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On December 13, and 14, 1917, the Acting Commissioner of Docks requested modification of Codes Nos. 2810, 2818TC and 822 for the year 1917, and the authorization of a corporate stock schedule. The Bureau of Personal Service reports thereon as follows:

"Proposed Action (1)—To increase the allowance for Dockmaster, at \$175 per month, by 28 days in Code No. 2810, and to reduce the allowance for Boiler-maker at \$4.50 per day, by 36 days, placing \$3.94 in balance unassigned in Code No. 2822."

"Result of Investigation (1)—To provide funds for the payment of a Dockmaster for December, 1917. The congested condition of the water front increased the work to such an extent that it was necessary to employ an additional man. The 1918 budget allows the position."

"Proposed Action (2)—To increase the allowance for Inspector of Dredging, at \$5 per day by 45 days, and to reduce the allowance for Dock Builder at \$4.50 per day by 50 days in Code No. 2818."

"Result of Investigation (2)—The contractors at 45th and 57th Streets, North River, worked 12 hours per day on all days, which required the employment of an Inspector for more time than was allowed in the budget. The deductions from the time allowed for Boiler-makers and Dock Builders was days not used at the close of the year."

"Proposed Action (3)—To authorize a corporate stock schedule for a gang of 10 Dock Builders, one Foreman and one Engineer (Pile Driver) for 12 days."

"Result of Investigation (3)—To complete the inshore extension to the platform at the foot of Flatbush Avenue, Mill Basin, Brooklyn, in order that the improvement already completed may be available. The funds are to be provided from balances in Code C.D.D 25A."

Recommendation—In view of the above report, the Committee recommends that the request be granted by the adoption of the attached resolutions. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

#### Department of Plant and Structures—Payments Under Prevailing Rate of Wages Law (Cal. No. 13).

(On January 11, 1918 (Cal. No. 57), the request in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 4, 1918, from the Carpenters in the Department of Plant and Structures requesting payment of back pay under the prevailing rate of wages law and the following report of the Committee on Salaries and Grades:

January 14, 1918.

To the Board of Estimate and Apportionment:  
 Gentlemen—On January 4, 1918, the Carpenters of the Department of Plant and Structures requested "pay due us dating back to August, 1916." Reported on by the Bureau of Personal Service.

"Proposed Action—The Carpenters request that they be given back pay at the rate of \$5.50 per day from August, 1916.

"Result of Investigation—On October 6, 1916, the Board of Estimate and Apportionment adopted a resolution as follows:

"Resolved, That City Departments in which Carpenters are employed be requested to include in their Budget schedules for 1917 rates for such employees as follows:

For the Borough of Manhattan, \$5.50 per diem.  
 For the Borough of The Bronx, Brooklyn and Queens, \$5 per diem.  
 For the Borough of Richmond, \$4.50 per diem."

"This resolution was adopted in pursuance of a request dated August 31, 1916, from the District Council of Greater New York and Vicinity, United Brotherhood of Carpenters and Joiners of America.

"In the 1917 budget estimate the Department of Plant and Structures requested a rate of \$5.50 per day for all the Carpenters employed in that department. This request was denied by the Board of Estimate and Apportionment.

"On February 21, 1917, and again on June 21, 1917, the Department requested the establishment of the rate of \$5.50 per day for its Carpenters. These requests were not approved by the Committee on Salaries and Grades. In the Budget estimate for 1918 the Department again requested the \$5.50 rate and this rate was allowed by the Board of Estimate and Apportionment in the Budget for 1918. On or about November 1, 1917, the Carpenters of this Department requested a rate of \$5.50 per day as of February 1, 1917. This request was denied by the Committee on Salaries and Grades on the ground that the granting of the request would act in the nature of giving a bonus of approximately \$130 to each man and would require an additional appropriation of \$3,439 Special Revenue Bonds and \$500 Corporate Stock. On November 9, 1917, the Board of Estimate and Apportionment denied a request of the Carpenters in all City departments to fix a prevailing rate in all Boroughs at \$5.50 per day on the ground that the existing prevailing rates as outlined above were established at the request of the Brotherhood of Carpenters and that there was no indication at that time of any change in the rates then set up."

Recommendation—In view of the above report, the Committee on Salaries and Grades recommends that the request of the Carpenters of the Department of Plant and Structures be referred to the Commissioner of Plant and Structures for whatever action he deems proper. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The matter was referred to the Commissioner of Plant and Structures.

#### Chief Medical Examiner—Modification of Schedule (Cal. No. 14).

(On January 11, 1918 (Cal. No. 34), the report of the Bureau of Personal Service in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a report of the Bureau of Personal Service, dated January 8, 1918, on the request of the Chief Medical Examiner, dated January 5, 1918, for modification of schedule for 1918; and the following report of the Committee on Salaries and Grades recommending approval thereof:

January 14, 1918.

To the Board of Estimate and Apportionment:

Gentlemen—On January 5, 1918, the CHIEF MEDICAL EXAMINER requested modification of 1918 Code No. 2960. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To establish schedule lines supporting the lump sum appropriation of \$84,720 made for that office for the year 1918 in order to provide for the payment of the salaries of the force now existing and effective January 1, 1918.

"Result of Investigation—The proposed schedules as set up in the attached resolution are solely for the purpose of establishing schedule lines in order that the employees of the office may be paid for the current period. These do not comprehend any changes in the personnel or in the organization program which may later be determined by the new Chief Medical Examiner. Consideration of the request is urgent, as payrolls for the first half of January are involved."

Recommendation—In view of the above report, the Committee recommends granting the request by the adoption of the attached resolution. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

(On January 11, 1918 (Cal. No. 62), the request of the President of the Borough of Manhattan in this matter was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 8, 1918, from the President of the Borough of Manhattan, requesting modification of schedules in various departments to put into effect as of January 1, 1918, a uniform minimum rate of \$3 for Day Laborers, and corresponding increases in rate of per annum employees in the labor group, involving transfer of \$393,182.79, from Code 3080, Contingency Fund for Labor; and the following report of the Committee on Salaries and Grades recommending approval thereof:

January 14, 1918.

#### To the Board of Estimate and Apportionment:

Gentlemen—On January 8, 1918, the President of the Borough of Manhattan addressed the following communication to the Board:

"To the Board of Estimate and Apportionment:

"Gentlemen—In the Budget for 1918 there was included a line 'Contingency Fund for Labor, \$700,000.' The purpose of this appropriation was to enable the City of New York to provide a uniform minimum rate for day laborers at \$3 per day, which represents an increase of twenty-five cents a day over the rate of \$2.75 allowed in the Budget. It was also proposed to provide a corresponding increase of \$72 per year for per annum employees on full time service in the Labor Group, such as Attendants, Cleaners, Watchmen and Drivers, and proportionate rates for part-time service. A minimum of \$912 per annum for full-time service of Laborers has been considered as the equivalent of \$3 per day. In accordance with this plan the Board of Aldermen, on December 28, 1917, on the recommendation of the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, established the necessary positions in the different City Departments. A list of these positions is printed in the City Record of December 31, 1917.

"Employees of semi-public institutions whose compensation is not fixed by the City, and various classes of Institutional Helpers in City Institutions, most of whom receive maintenance, were not included.

"The total amount required to put in operation the rates as indicated above is \$429,794.84, of which amount \$36,612.05 is chargeable to funds other than tax levy. The amount required to be transferred from the Contingent Funds of \$700,000 to the various departmental codes is \$393,182.79, in amounts as indicated in the accompanying resolutions.

"The preparation of the modified schedules, together with the proper resolutions to accomplish the changes, have been prepared at my request by the Bureau of Personal Service.

"I recommend the adoption of the attached resolution by the Board making the new rates effective as of January 1, 1918. Respectfully,

"FRANK L. DOWLING, President, Borough of Manhattan."

Recommendation—The Committee recommends the adoption of the attached resolutions approving modification of schedules and the transfer of necessary funds to put the same into effect. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

To the Board of Estimate and Apportionment:		3107 Block Reindexing (Chapter 682, Laws of 1910)—	
Gentlemen—On January 6, 1918, the Register of New York County requested modification of 1918 salary schedules Codes Nos. 3105, 3107 and 3109. The Bureau of Personal Service reports thereon as follows:		Special Deputy Register, at \$5,000 (12 months).....	\$5,000 00
“Proposed Action—In Code 3105 to change the line Certified Copy Clerk at \$1,560, to read \$1,500; Assistant Block Index Clerk at \$1,560, to read \$1,500, Examiner, 2 at \$1,560 to read Examiner, \$1,560 and Examiner, \$1,440; to eliminate the lines Examiner in Charge at \$1,980 and Custodian at \$840, and to add the line Chief Satisfaction Clerk at \$3,060, in order to provide for the restoration of position of Chief Satisfaction Clerk, abolished in the 1918 budget by reducing the lines above indicated, and by eliminating the position of Custodian at \$840 per annum, now vacant.		Assistant Special Deputy Register, at \$3,000 (12 months).....	3,000 00
“In Code 3107, to establish the schedule lines supporting the lump sum allowance made in this appropriation in accordance with agreement reached with the Bureau of Personal Service of the Board of Estimate and Apportionment. In Code 3109, to establish schedule lines supporting the lump sum appropriation to read Typewriting Copyist at one cent per index entry (2,200,000 entries), \$22,000. This will provide for the payment of the salaries of the employees engaged on the work of reindexing.		Chief Surveyor, at \$2,100 (12 months).....	2,100 00
“Result of Investigation—The request is proper and reasonable. No reductions in salaries are to be made. The reduction in the items of Examiner, Certified Copy Clerk and Assistant Block Index Clerk is for the reason that the individuals occupying these positions would be unable, under the State Civil Service Law, to enjoy this higher rate, inasmuch as they have failed to qualify in a promotion examination. The position of Chief Satisfaction Clerk, which is requested restored, was abolished by the previous Register, and, in the opinion of the present Register, would work to disadvantage in his contemplated reorganization plans. This is a position of very great responsibility and one which would be, under the contemplated reorganization, under the personal observation and jurisdiction of the Register himself. The man now performing or partly performing the duties of this position, namely, Examiner in Charge, is not to be dropped, as the elimination of the position would apparently indicate, but is to be taken care of in the schedule lines supporting Code 3107, Block Reindexing Force. The purpose of this transfer is to provide for the employment on this work of a man who up to this time and within the past few months, acted as the chief of one of the subdivisions of the reindexing force, and as his title would indicate, is to be placed in charge of the force of Abstractors now engaged on the work of reindexing. It is requested that the sum of \$5,000 to carry this program into effect, be transferred from Code 3109 to Code 3107. This sum requested transferred within the block reindexing accounts is for the reason that a more careful study has been made of the exact work to be performed by the Typewriting Copyists, and also owing to the fact that a more equitable rate of compensation is provided for this Typist force. This extra money, if transferred, will provide for a longer tenure of position for the Abstractors for whom only a partial appropriation was made for the year 1918.”		Assistant Chief Surveyor, at \$1,500 (12 months).....	1,500 00
Recommendation—In view of the above report, the Committee recommends granting the request by the adoption of the attached resolutions. Respectfully,		Draftsman, at \$1,200 (12 months).....	1,200 00
ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.		Examiner, at \$1,560 (24 months).....	3,120 00

Resolved, That the Board of Estimate and Apportionment hereby approves of the provisions of section 237 of the Greater New York Charter, hereby approves of the transfer of funds for the office of the Register, New York County, for the year 1918, effective January 1, 1918, as follows:		Abstractor, at \$1,440 (36 months).....	4,320 00

		County Clerk, New York County—Modification of Schedule (Cal. No. 18).	
		(On January 11, 1918 (Cal. No. 36), the report of the Bureau of Personal Service herein was referred to the Committee on Salaries and Grades.)	
		The Secretary presented a report of the Bureau of Personal Service, dated January 8, 1918, on request of the County Clerk of New York County for a modification of schedule for 1918; and the following report of the Committee on Salaries and Grades recommending approval thereof:	
		January 14, 1918.	
		To the Board of Estimate and Apportionment:	
		Gentlemen—On January 2, 1918, the County Clerk of New York County requested modification of Code No. 3085 for 1918. The Bureau of Personal Service reports thereon as follows:	
		“Proposed Action—To change the line General Clerk, 9 at \$1,500 to read 18 at \$1,500, and the line Typewriting Copyist, 7 at \$1,080 to read 6 at \$1,080, and to eliminate the line General Clerk, 9 at \$1,380, in order to provide for the payment of the salaries of the employees of that office as existing on and prior to January 1, 1918.	
		“Result of Investigation—This modification is necessary for the reason that on December 1, 1917, the salaries of nine General Clerks, which were reduced January 1, 1916, from \$1,500 to \$1,380 per annum, were restored. No transfer of funds, nor additional appropriation, has been requested or is necessary, as sufficient money to effect this change is found by eliminating one position of Typewriting Copyist at \$1,080 per annum. Immediate consideration of this report is necessary in order to provide payment of the salaries of the employees of this office for the current period.”	
		Recommendation—In view of the above report, the Committee recommends granting the request by the adoption of the attached resolution. Respectfully,	
		ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.	
		The following resolution was offered:	
		Resolved, That the Board of Estimate and Apportionment hereby approves of the schedule, as revised, for the County Clerk, New York County, for the year 1918, effective January 1, 1918, as follows:

schedule; and the following report of the Committee on Salaries and Grades recommending approval thereof:

January 14, 1918.

**To the Board of Estimate and Apportionment:**

Gentlemen—On January 2, 1918, the COUNTY CLERK OF BRONX COUNTY requested modification of Code 3250 for 1918. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To change the line Docket Clerk, 3 at \$1,200, to read 3 at \$1,380; to drop the line Recording Clerk at \$1,080 and placing in balance unassigned an amount of \$540 in order to provide for the payment of the salaries of the employees of that office as existing on and prior to January 1, 1918.

"Result of Investigation—This request is proper and necessary. A modification of the schedule is necessary to provide for the payment of the salaries of three Docket Clerks who were decreased in salary on January 1, 1916, from \$1,500 to \$1,200 and for whom a partial restoration to \$1,380 per annum was made, effective November 1, 1917. No transfer of funds nor additional appropriation is necessary to effect the changes above requested, as sufficient money is obtainable by eliminating the position of Recording Clerk at \$1,080 per annum. Immediate consideration of this report is necessary in order that the salaries of the employees of this office be paid during the current period."

Recommendation—In view of the above report the Committee recommends granting the request by the adoption of the attached resolution. Respectfully,  
ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

**Register, Kings County—Modification of Schedules (Cal. No. 20).**

(On December 28, 1917 (Cal. No. 30), the report of the Committee on Salaries and Grades herein was presented and laid over until January 4, 1918.)

(On January 4, 1918 (Cal. No. 17), the matter was referred back to the Committee on Salaries and Grades.)

The Secretary presented a report of the Committee on Salaries and Grades, dated December 26, 1917, on the request of the Register of Kings County, dated December 18, 1917, for transfer of funds within appropriation; and the following report of the Committee on Salaries and Grades recommending denial thereof:

January 14, 1918.

**To the Board of Estimate and Apportionment:**

Gentlemen—On December 18, 1917, the Register of Kings County requested a transfer of funds within the 1917 and 1918 appropriations and modification of a salary schedule. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To increase the salaries of twenty-two employees of the office in Code No. 3395 and provide funds therefor.

"Result of Investigation—It is proposed to give thirteen increases of \$60 per annum each, seven increases of \$90 per annum each, and two increases of \$180 per annum each. Of these twenty-two employees six are now receiving \$1,200, seven \$1,350, seven \$1,500, one \$1,650, and one \$1,800. This adjustment of force and proposed increase of salaries has been investigated by the present Register, who has given it his approval. It is proposed that these changes date from December 1, 1917, and that accruals in Code No. 3395 for the month of December, 1917, be used to provide for the proposed increases for that year. The increases for 1918 are proposed to be met from the war service accruals anticipated for 1918. In the 1918 budget, increases in salary were granted to 86 employees of the Register's force of 124 regular employees. Requests were made for increases for the 22 employees now under consideration, but they were denied in the 1918 budget on the grounds that their present compensation represented the maximum salary for the work performed. In the event the employees now on war service return to their duties it will be necessary to make an additional appropriation to provide for the purposes of these increases."

Recommendation—In view of the above facts, the Committee recommends the adoption of the attached resolution denying the request. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment hereby denies the request of the Register of Kings County, dated December 18, 1917, for modification of Code No. 3395 to include increases in salary for 22 employees in his office.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn and The Bronx, and the Acting President of the Borough of Richmond—15.

**Surrogate, Queens County—Modification of Schedule (Cal. No. 21).**

(On January 11, 1918 (Cal. No. 39), the report of the Bureau of Personal Service herein was referred to the Committee on Salaries and Grades.)

The Secretary presented a report of the Bureau of Personal Service, dated January 7, 1918, on the communication dated November 9, 1917, from the Surrogate of Queens County notifying the Board of the fixation of salaries of various employees and requesting an appropriation of \$3,833.33 to provide means therefor; and the following report of the Committee on Salaries and Grades relative thereto:

January 14, 1918.

**To the Board of Estimate and Apportionment:**

Gentlemen—On November 9, 1917, the SURROGATE OF QUEENS COUNTY requested modification of a salary schedule. The Bureau of Personal Service reports thereon as follows:

"Proposed Action—To increase the salaries of the incumbents of the follow-

ing positions in the Court: Clerk of Court, from \$3,500 to \$4,500; Clerk (to Surrogate), from \$2,100 to \$2,500; Index Clerk, from \$1,500 to \$1,800; Probate Clerk, from \$1,500 to \$1,800; Accounting Clerk, from \$1,500 to \$1,800; Copyist, from \$1,200 to \$1,500; two Copyists, from \$900 to \$1,200 each; and to make provision for a new position of Guardianship Clerk at \$2,000.

"Result of Investigation—On June 26, 1917, the Board of Aldermen adopted a resolution increasing the salaries of the foregoing stated positions, to be effective January 1, 1917, and its action was approved by the Mayor on July 10, 1917.

"Section 2491 of the Code of Civil Procedure authorizes the Board of Aldermen to fix the salaries of the employees of the Surrogate's Court. The Acting Corporation Counsel, in an opinion to the Bureau of Personal Service, dated December 18, 1917, in connection with the resolution of the Board of Aldermen, states, in part, as follows: 'I am of the opinion that the City should pay the increases in salary in question from the date of the approval by the Mayor of the resolution of the Board of Aldermen.' Payment of the increases in salary being a mandatory county charge, provision for funds to meet them from July 10, 1917, may be made by the Comptroller in the necessary sum of \$2,141.39 by an issuance of special revenue bonds, pursuant to the provisions of subdivision 7 of section 188 of the Greater New York Charter. The positions at the increased rates are provided for in the 1918 budget. Consideration of the request is urgent, as payrolls are involved."

Recommendation—In view of the opinion of the Corporation Counsel, the Committee on Salaries and Grades recommends adoption of the attached resolution modifying Code No. 3605 for 1917, effective from July 10, 1917, to include the increases.

Respectfully, ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn, Committee on Salaries and Grades.

#### MATTERS CONSIDERED BY UNANIMOUS CONSENT.

The following matters not on the calendar for this day were considered by unanimous consent

#### Board of Estimate and Apportionment (Committee on the City Plan)—Request of the United States Shipping Board for Temporary Services of Robert H. Whitten, Secretary, Committee on the City Plan (Cal. No. 29).

The Secretary presented the following:  
United States Shipping Board, Emergency Fleet Corporation, Washington, January 12, 1918.

Hon. FRANK L. DOWLING, President, Borough of Manhattan, Municipal Building, New York City:

My Dear Mr. Dowling—The United States Shipping Board is very anxious to get a complete survey of the housing and transportation situation in Newark Bay and adjoining territory, and I would like very much to secure the loan of your Mr. Robert Whitten, Secretary of the Committee on the City Plan, of which you are Chairman, to make this investigation.

We wish to get started on this survey as quickly as possible, and if you will kindly permit Mr. Whitten to do this work for us, which may take a week or ten days, I will be very grateful.

Knowing that you will be very glad to render this service to the country at this particular time, I am, very truly yours,

EDWARD N. HURLEY, Chairman.

The following resolution was offered:

Resolved, That Robert H. Whitten, Secretary of the Committee on City Plan of this Board, be and hereby is granted a leave of absence, with pay, for a period of ten days beginning January 16, 1918.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn and The Bronx, and the Acting President of the Borough of Richmond—15.

#### Department of Public Charities—Transfer of Appropriation (Cal. No. 30).

The Secretary presented a communication dated January 7, 1918, from the Commissioner of Public Charities, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller recommending approval thereof:

January 15, 1918.

To the Board of Estimate and Apportionment, The City of New York:  
Gentlemen—On January 7, 1918, the Commissioner of the Department of Public Charities requested the transfer of funds, within the appropriations to that department for 1917, as follows:

FROM	
1901 Salaries Regular Employees, Sea View Hospital.....	\$200 00
TO	
1909 Salaries Temporary Employees, Social Investigations.....	\$200 00

The Commissioner states that this transfer is necessary in order that the December, 1917, salaries of the employees of the Children's Clearing Bureau may be paid.

The deficit was caused by the transfer of \$4,000 from Account 1909 to Account 1914, with the idea that it would not be needed for the purposes of the first named account. Subsequently it was discovered that a clerical error had been made, and that the sum transferred should have been only \$3,800.

The adoption of the attached resolution providing for the desired transfer is therefore recommended. This resolution requires the unanimous vote of the Board.

Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves transfer of funds within the appropriations to the Department of Public Charities for the year 1917, as follows:

FROM	
1901 Sea View Hospital .....	\$200 00
TO	
1909 Social Investigations .....	\$200 00

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, and Queens and the Acting President of the Borough of Richmond—16.

#### Fund for Salary and Wage Accruals; Various City Departments—Transfers of Appropriations (Cal. No. 31).

The Secretary presented the following report of the Comptroller:

January 15, 1918.

## MUNICIPAL CIVIL SERVICE COMMISSION.

Minutes of Meeting of the Municipal Civil Service Commission of New York  
Held Wednesday, Nov. 28, 1917, at 10.30 A. M.

Present—Benjamin Patterson, President; Darwin R. James, Jr., and Alexander Keogh, Commissioners. The President presided.

A public hearing was had on the proposed amendment of the classification by including in the Competitive Class, Part I (Ungraded Positions), Group 3 (Positions of a Special or Miscellaneous Character), the positions of First Assistant Chief Examiner, Civil Service Commission, and Assistant Chief Examiner, Civil Service Commission. John T. Condon appeared and requested an adjournment of the hearing for one week. There were no other appearances and the Chair declared the hearing closed.

A public hearing was had on the adoption of the proposed resolution waiving the provisions of clause 18 of Rule XV., as follows:

Whereas, in order to correct the inappropriate assignment of certain butchers in the Department of Correction to perform the work of inspectors of supplies (foods), provision has been made in the budget of the Department of Correction for the year 1918 for the employment of inspectors of supplies (foods) at a salary of \$1,200 per annum, which positions are in the Competitive Class; and

Whereas, because of long continued service of such butchers in the performance of inspection work it is in the interests of best administration and the spirit and intent of the civil service law that all butchers who have served with fidelity for at least three years be allowed to enter a promotion examination for the position of inspector of supplies (foods), grade 2, in the competitive class, in order to meet the conditions of the budget of the Department of Correction for the year 1918; therefore be it

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

**TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.**

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture

of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the face of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be relocated or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made."

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

**GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR, OR SUPPLIES TO BE FURNISHED TO THE CITY OF NEW YORK.**

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or officers, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making a bid for the same purpose, and is in all respects fair and without collusion or fraud and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer or employee of The City of New York is, shall be, or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, of the party or parties making the bid that the several matters stated therein are in all respects true.

No bid will be considered unless as a condition precedent to the reception or consideration of such bid, it be accompanied by a certified check upon one of the State or National banks or trust companies of The City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

All bids for supplies must be submitted in duplicate. The certified check or money should not be in closed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures. Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done or the supplies are to be furnished. Plans and drawings of construction work may be seen there.
