I herewith transmit a copy of the agreement modifying the contracts as herein specified, and I respectfully request that a resolution be adopted authorizing such modification and transmitted to the Municipal Assembly for ratification.

The work remaining to be done under the original contracts is estimated to cost \$14,428.15, while the amount available is only \$8,307.24, showing a deficiency of \$6,120.91.

The modification of the contracts brings the cost of the work to be done within the available balance of \$8,307.24.
